

After School Piano/Keyboard Program!

Dear 4th & 5th Grade Parents,

Rapid City Elementary School has received funding from the Kalkaska Foundation to do an after school piano/keyboard program. The classes are free and will be held once a week after school on Wednesdays from 3pm-4pm.

Mr. Atwood will teach the classes in his classroom. Space is limited and only 12 students will be able to take the lessons at this time. This is only an introduction to the piano/keyboard and not a continuous program. The students will be able to practice on the keyboards after their lunch on Mondays, Tuesdays, and Thursdays and still have some time for recess. They will have outside recess on Wednesdays and Fridays. Attendance is important and if the student is absent from the Wednesday lessons more than two times—they will have to stop.

These lessons will be during the 3rd quarter of the school year and will start January 25th. Those students who demonstrate a music interest in piano will be offered to continue further lessons in the last quarter of the school year.
