## **State of School Improvement**

AYP, Mi-SAAS, GLEC's, CCSS, and New Cut Scores were discussed. All of these school improvement issues are in a state of change. Members of our staff from all buildings will be attending an ISD workshop in April that will begin to instruct our staff on the new Common Core State Standards. (CCSS) We will bring this topic up for discussion at the May meeting.

## **Trout Friday In-service**

There will be a half day in-service on April 29, (Trout Friday). Decisions on what the agenda for this afternoon in-service will be discussed later in the meeting.

## **District Accreditation**

Our first District meeting for the District Accreditation will be held on Wednesday, April 13 from 5:30 to 7:30 P.M. in the Middle School Library. We also discussed school vision statements and will be looking at these during the District Accreditation meeting.

The CDC has accepted the responsibility for representing the teaching staff for the Accreditation Process which will culminate at the Quality Assurance Review which will take place on March 4-7, 2012.

## **Building Level Meetings**

- **Elementary**
  - Trout Friday P.D. will be on the Core Content State Standards, (CCSS) as it applies to writing
  
- **Secondary**
  - Would like to hear a short discussion on the state of the budget
  - Will discuss and work on the new Core Content State Standards, (CCSS)
