

Kalkaska Public School District
CDC
2-16-11
Minutes

- **Trout Friday** - *Trout Friday is on April 29. Possible in-service programs were discussed. Time may be allotted to working on district goals, Accreditation and or the new Common Core State Standards. This afternoon will be discussed at our next administrative meeting and will be brought back to the March CDC meeting.*

- **State Testing 2011-2012** - *The raising of the MEAP/MME Cut Scores was discussed and its implications for this school district. Much is changing in education as directed from Lansing.
We also discussed the new Common Core State Standards, the up-coming TBAISD workshop that will be attended by members of our staff and that a potential staff development will be needed in the future.*

- **District Accreditation** - *Kalkaska Public schools is scheduled for a district visit for an NCA/Advanc-Ed QAR Team on March 4-7, 2012. This visitation will be a big event for this school district. We discussed having a team approach led by the CDC and School Administration.
We discussed the 7 Standards of Accreditation, the up-coming April District School Improvement meeting, vision, mission statements and a number of things that need to be done to prepare for the March 2012 QAR.*
