Discussion Points

A District Curriculum is the books, instructional materials that are adopted by the Board to improve student achievement in the area of state academic standards.

The school district has applied and been accepted by AdvancEd for District Accreditation.

Textbook Inventory

The Textbook Inventory was discussed and will be brought back for everyone to look at before it goes to the Board of Education.

District Assessments

Assessments given to all students in each building was discussed and a final document will be looked at the next meeting for approval before it goes to the Board of Education.

District Goals - Writing - Math - Reading

His year emphasis will be put on Writing and Math.

Elementary Steering Committee

This new committee was discussed. It will lead staff development at the elementary level in the year ahead. There was also a writing committee set up to discuss writing and penmanship.

Textbook Fund

The current balance is approximately \$13,000.
