

## January 2012 CCSS Math Meetings

Full Day

Agenda

Bring: Teaching Guides (all levels) from HSP math series

1. Review *Curriculum Analysis Tool*
2. Go through each standard and find lessons in HSP that teach each standard
3. Go through *Table of Contents* in HSP, circling all lessons found in #2
4. Look at Table of Contents document-review and discuss whether uncircled lessons need to be included in math curriculum
5. Review each standard, looking at all HSP lessons and determine whether content coverage is High, Medium, Low, or Not Found
