

## **KALKASKA HIGH SCHOOL - ANNUAL EDUCATION REPORT**

August 20, 2010

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2009-2010 educational progress for Kalkaska High School. The AER addresses the complex reporting information required by federal and state laws.

The school's report contains information about student assessment, Adequate Yearly Progress (AYP) and teacher quality. If you have any questions about the AER, please contact high school Principal Dale Kasza for assistance.

The AER is available for you to review electronically by visiting our website, [www.kpschools.com](http://www.kpschools.com) or you may review a copy from the high school office.

### **ADEQUATE YEARLY PROGRESS - KHS made AYP for 2 or more years consecutively**

For the 2009-2010, Kalkaska High School made Adequate Yearly Progress (AYP) in English language arts and mathematics. While we are pleased to have reached this important goal, we are continuously working to improve. We appreciate the continued support of parents, staff and our community in this effort .

### **ANNUAL EDUCATION REPORT - ADDITIONAL INFORMATION REQUIRED**

State law requires that we also report additional information. This information should include a two year report on the following:

- The status of the 3 - 5 year school improvement plan
- A description of each specialized school
- How to access a copy of the core curriculum
- Student achievement results
- The number and percent of students represented at Parent-Teacher conferences
- The number and percent of postsecondary enrollments
- The number of college equivalent courses offered
- The number and percentage of students enrolled in college equivalent courses
- The number and percentage of students receiving a score leading to college credit

The staff at Kalkaska High School is proud of the educational opportunities we provide Kalkaska Public School residents. As our vision states, we want to be "a model of education and a source of community pride." KHS made Adequate Yearly Progress for 5 consecutive years and our Michigan School Report Card Grade is a "B". We will continue our school improvement efforts to increase student achievement.

Dale Kasza

Kalkaska High School Principal
