Diane and Rebecca-

Thank you for taking time out of your busy day to meet with Lianne and me. It was a pleasure to sit down and talk about how our programs can help you reach some of your Kalkaska Middle School goals, while making a positive impact on the children. I am confident that we will get volunteers and sponsorship from local Blazers in no time. Kalkaska is a resilient and remarkable community! Regarding the Huntington JA in A Day, our contact in Grand Rapids was out sick today. She did, however, send a quick response stating the life skills part of "Economics for Success" should provide some great information so that they feel they are getting something useful right away. More coming soon, but we are on the right track.

Also, I have attached a small power point presentation with additional information on "What is JA?" Please feel free to share this with your Kalkaska Public School counter parts, educators, and board members.

I am looking forward to starting this JA journey with you Kalkaska.

Mitzi Sokolowski

Volunteer Coordinator of the Northwest Service Office

Save the date for Junior Achievement's Snow Glow! January 21, 2012 at Timber Ridge in Traverse City!
