- *We have been blessed by the teachers and their caring attitude towards our child. Mrs. Liverance is a huge asset to this school and we are thankful to have her as our son's 5th grade teacher. We always feel welcome in this school. Everyone is very kind. Thank you!!*

- *I have an idea of what her goals are, but I guess I never really thought about it.*

As for her feeling safe, or me feeling she is safe, I am just not sure. She was bullied by another girl before and nothing was resolved. The girl moved away so I wasn't worried, but now she is back I guess. Sabrina hasn't mentioned any more bullying, so I will just see how it goes. Generally, I feel she is safe, though.
