

August 25, 2010

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2009-2010 educational progress for the Kalkaska Middle School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, Adequate Yearly Progress (AYP) and teacher quality. If you have any questions about the AER, please contact, Diane Swoverland for assistance.

The AER is available for you to review electronically by visiting the following web site, [kpschools.com](http://kpschools.com) or you may review a copy from the Kalkaska Middle School's office at your child's school.

For 2009-2010, Kalkaska Middle School made Adequate Yearly Progress (AYP) in English language arts and mathematics. While we are pleased to have reached this important goal, we are continuously working to improve. We appreciate the continued support of parents, staff and our community effort.

Kalkaska Middle School staff, students and parents are proud of the accomplishments and improvements made in the 2009-2010 school year and look forward to a successful 2010-2011.

Sincerely,  
Diane Swoverland, Principal  
Kalkaska Middle School
