

There's a smell in my bedroom. I don't know what's causing it.

A (*sniff*) smell in my bedroom. I don't know what it is.

Is it my socks? (*spoken solo*: Could be...)

Is it my shoes? (*spoken solo*: Not sure...)

Or could it be that I forgot to wash my shorts? (*spoken solo*: Yikes.)

Is it the dog? (*dog sound*)

Is it the cat? (*cat sound*)

Or could a mouse have crawled in here and then expired?

(*spoken solo*: Eeyooo.)

There's a smell in my bedroom. I don't know what's causing it.

A (*sniff*) smell in my bedroom. I don't know what it is.

Could it be food? (*spoken solo*: Hope not...)

Could it be trash? (*spoken solo*: Maybe...)

I think I lost a piece of chicken here last week.

(*spoken solo*: Ohhh!)

Is it my frog? (*frog sound*)

Is it my bird? (*bird sound*)

I hope my science project isn't going bad.

(*spoken solo*: Uh-oh.)

There's a smell in my bedroom. I don't know what's causing it.

A (*sniff*) smell in my bedroom. I don't know what it is.

There's a smell in my bedroom. I don't know what's causing it.
