

**This notice is to be provided whenever a pesticide/herbicide, other than a bait or gel formulation, is to be applied at Kalkaska Public Schools.**

Attention Parents/Guardians of students attending Kalkaska High School or Birch Street Elementary School:

This facility utilizes an Integrated Pest Management approach for pest control, employing non-chemical methods that include sanitation and exclusion to control pests. However, from time to time an herbicide application may be necessary to control weeds.

Please be advised that an herbicide is expected to be applied to control various weeds.

The areas to be treated are: *Inside the buildings*

The anticipated date of treatment will be: *Friday, September 4, 2015*

If you have any questions pertaining to this treatment, please contact:

Karen Sherwood  
Superintendent  
Kalkaska, MI 49646

Phone: 231-258-9109

For additional information pertaining to pesticide/herbicide use, you can contact the Michigan Department of Agriculture(MDA). The MDA's website is [www.michigan.gov/mda](http://www.michigan.gov/mda) and it will list the telephone numbers and addresses of the MDA's regional offices.
