

Blazer Bulletin

December 2019

Volume 4, Issue 3

MISSION - Developing productive and civic minded lifelong learners.

VISION - Kalkaska Public Schools will be a model of excellence in education and a source of community pride.

SCHOOL CANCELLATION INFORMATION

It is that time of year again when weather may affect the opening of school.

Each day busses transport students throughout our 450 square mile district. The safety of our children on the buses is our number one priority. Whenever a decision needs to be made regarding the closing of school, the decision will be made with the welfare of our students and staff in mind.

If school is closed, we will notify parents through:

- **School Messenger:**
This message will be sent by phone, if you have provided the school with your information. Please remember to update the school office if you have had any recent phone number or email address changes.
- **Local Radio and Television Stations**

Have a safe and wonderful holiday season,

Mr. Lee Sandy
Superintendent, Kalkaska Public Schools
