1/27 School Improvement Committee Meeting @ 3:30

Save the Date:

2/12 State Count Day

2/24 School Improvement Committee Meeting @ 3:30

The 4th annual Breakfast with Santa was put on by Kalkaska Middle School's National Junior Honor Society. It was held Saturday December 7th from 9-noon. Children and their families were able to have a hot pancake breakfast, enjoy making crafts with Santa's helpers (NJHS students) buy tickets for fun raffle prizes and get to visit with the Jolly old elf himself. After whispering their wishes to Santa, Children got to choose from the library of books collected from students at the middle school to take home to read and treasure.

Raffle prizes include items donated and items purchased through donations by local businesses and families. We gave away a girls and boys 20" bicycle, a Kindle Fire, and numerous other prizes.

Santa's elves (KMS NJHS students, and a few wonderful former NJHS students) helped the children that came to the event make crafts. These included special reindeer treats to guide Santa to children's home on Christmas Eve, ornament making, and many other activities. There were games, goodies, and even an area set up to take some fun selfies.

Thank you to all of the businesses and families that donated either money to support the event, or their time helping to make this possible. A special thank you to Trend Services, Hague, and Family Farm and Home. Thank you to Jill and Bill Stephenson, Cheryl Jewell, the Reust Family. A huge thank you to the tallest elf (Tom Reust) flipping cakes on the griddle.
