

GIRLS

All I do is worry, shopping in a hurry
People scurry in the Christmas rush!

My feet can't stop movin', traffic is a zoomin'
Keep on movin' to the Christmas rush!

BOYS

Worry, worry, worry, shopping in a hurry
Watching people scurry, The Christmas rush!

Movin', movin', movin', Traffic is a zoomin'
Gotta keep on movin', The Christmas rush!

GIRLS

I have a shopping list here in my hand.

All of this merchandise is more than I can stand!

BOYS

We think a tie would be great for your Dad.

Most fathers never know the good from the bad!

Oh yuck!

BOYS/GIRLS – Repeat CHORUS from above

GIRLS

Mom said, “Listen, dear, here’s some advice:
When you buy perfume it needs to smell nice!”

BOYS

Brothers and Sisters are simple, you see. I buy
them presents I wish they’d buy me!

BOYS/GIRLS – Repeat CHORUS from above

Hurry, Hurry, Hurry, Hurry, Deck the halls with
boughs of holly. Christmas Rush!
