

Kalkaska Public Schools

Olivia Chapman
Food Service Director

Dear Parents and Guardians:

Please complete the Education Benefits Form and return them to your student's school. Only one form needs to be filled out for families with multiple children. The Education Benefits Form collects information to determine how much funding we receive. Without this info, Kalkaska Public Schools could lose vital money for school programs that our students need. These programs offer support and services for our students including, but not limited to:

- Free breakfast and lunch for all students
- Teaching staff (ex. reading tutors, math tutors, academic & behavior aids)
- Teaching supplies
- Counselors and social workers
- Training for staff
- Parent and community engagement supplies and events

The information collected is kept confidential and only our Food Service Director and Title 1 Coordinator have access.

If you have any questions, please contact Olivia Chapman at ochapman@kpschools.com or 231-258-4630.

Thank you for supporting our students and staff by completing this form,

Olivia Chapman
Food Service Director
