

Extended COVID-19 Learning Plan

April Reconfirmation Meeting

Required 30 Days After Initial Plan Approval and Every Month Thereafter

Agenda:

- Reconfirm how instruction is going to be delivered during the 20/21 school year
- Public comments from parents and/or guardians on the Extended Learning Plan
- Review weekly 2-way interaction rates

Reconfirmation Meeting for April

Reconfirm instructional delivery method:

Students enrolled face to face at KPS could receive remote instruction if face to face learning needs to be put on pause for a short to long period of time. Our face to face students are receiving instruction through the previous vetted curriculum. Remote instruction will continue with this curriculum.

Students enrolled in the Kalkaska Virtual Program K-5 receive 100% of instruction using Accelerate GenNet programming through the LMS of Canvas through virtual teachers (K-5 and 6-8).

High school Virtual Program students are instructed through Michigan Virtual with a Kalkaska mentor to monitor progress.

Reconfirm how instruction will be delivered for each grade level:

Elementary (Grades K - 5):

Students enrolled in the Kalkaska Virtual Program receive instruction using Accelerate GenNet programming through canvas supplemented with approved district curriculum and google meets/videos by teachers.

Birch St. / Rapid City / Cherry St. Virtual Learners (K-5): We have a virtual-only teacher instructing students. Teacher splits the week up into content, group meets, small group meets and family meets.

We have added additional support through a long term substitute for K-5. Her focus will be helping more on the backend of the program and to help with targeted sections.

Middle School (Grades 6 - 8):

Students enrolled in the Kalkaska Virtual Program receive instruction using

Accelerate GenNet programming through canvas supplemented with approved district curriculum and google meets/videos by teachers.

Middle School Virtual Learners: Have a virtual-only teacher instructing students. Specials offered virtually to students.

High School (Grades 9 - 12):

Students enrolled in the Kalkaska Virtual Program receive instruction from Michigan Virtual teachers in their core content areas and specials. School offers mentors that are in constant contact with students about progress in Michigan Virtual and also delivers our advisory content including SEL and team-building.

Reconfirm whether or not the district is offering higher levels of in-person instruction for English language learners, special education students, or other special populations:

Face to face population receives services as normal.

During extended remote learning, KPS has been offering Face to Face small group instruction to students with IEPs or lacking reliable internet service.

Document Public Comments:

Review Weekly 2-Way Interaction Rates

March and April	All Students (percentage of all students who received (2) 2-way interactions each week)		
	<i>Face to Face</i>	<i>Remote / Virtual</i>	<i>Total</i>
Week 1 - March	88.341	86.810	88.458
Week 2 - March	88.575	85.420	86.115
Week 3 - March	89.644	84.720	89.117
Week 4 - March	88.519	80.00	87.606
Week 5 - March - 2 days	88.022	60.840	85.109
Week 1 - April - 1 day	90.575	7.640	81.676
Week 2 - April	89.226	87.410	89.031

Update on Weekly 2-Way Interaction Rates

Two Two-way communication rates are improving and becoming more effective at being beneficial to students. Our two way communication during the first semester averaged around 60%. This semester we are above 80% so far. One two-way communication also remains high at over 90%.

Month	September	October	November	December	January	February
Virtual Students	230	233	233	228	185	146
	March	April	May	June		
Virtual Students	144	143
