Principal: Ryan Moore

Mission: We are a community of respectful learners who are gaining independence, and knowledge, while preparing for the future in an ever-changing world.

What's Happening?

There is a lot happening at Cherry Street Intermediate School. Check it out!

- We have recently had quite a few students concerned about a recent internet hoax that has been going around. Mr. Moore and Mrs. Kik visited every classroom to talk to the students about cyber security who students can talk to if they have concerns regarding this. Mr. Moore gave humorous examples of common hoaxes, and stressed that if students see something that concerns them while online, they should talk to the nearest responsible adult. Conversations with adults, in this manner, help to bring awareness to the adults, and help calm the students.
- March 5 will be **NAEP testing** for the 4th grade. 50 students from the 4th grade have been selected at random via the NAEP program.
- **Parent/Teacher Conferences:** These will be held on March 14 from 12:00-8:00 p.m. Please call the office if you have scheduling questions. This will be more of a student-led format, where the students take an active role in explaining their progress.
- **PTA Spring Fling Dance:** This will be held on Saturday, March 9 at the Middle School. This will be for elementary students. It will run from 6:00-8:00 p.m. Students must be accompanied by an adult. For more information: <http://bit.ly/PTADance>
- **Spring Break** will be from March 22 through March 31. **Please note that March 22 is a Friday, and we will not have school on that day.** It is the first day of spring break. Students return to school on April 1 (seriously, that is not an April Fool's joke).
- The 5th grade fundraiser will arrive March 5th. If your child sold a lot of items, it would be appreciated if arrangements could be made for transportation home. Pick up can start around 1:45.
- **March is Reading Month!** We have activities planned throughout the whole month. This link: <http://bit.ly/READ1819> will let you have access to the activities calendar.
