## KHS & KAP Students Do Their Part!!

The Kalkaska chapter of National Honor Society led by Mr. Rogers teamed up with Michigan Blood to help Kalkaska students donate blood on Valentine's Day. Even with snowy conditions, Kalkaska students donated enough blood to help save the lives of over 160 individuals. This is nothing new for our students. Over the last four years, over 750 pints of blood have been donated helping over 2250 individuals.

Kalkaska National Honor Society is hosting one more drive this year on Thursday, April 18th. Our goal is to have over 100 people donate. We are looking for any and all community members who are willing to help us reach our goal. Each blood donation saves three lives. Let's work together to save 300 lives!
