Principal: Ryan Moore

**Mission:** We are a community of respectful learners who are gaining independence, and knowledge, while preparing for the future in an ever-changing world.

## What's Happening?

There is a lot happening at Cherry Street Intermediate School. Check it out!

- CSI would like to thank the PTA for the food that they provided for the staff lunch during Parent/Teacher Conferences.
- A big shout out to the 50 4th grade students who took the NAEP, you did an amazing job!
- The NED Show visited CSI and spread the word about being persistent and overcoming challenges. They tied this to our upcoming testing, and did an amazing job of presenting. Furthermore, the students were complemented by the presenter, stating that they were a very interactive group, and were well behaved. Nice job!
- Thank you, parents, for being able to bring your children to the book fair. We love to see students getting excited about getting books to read.
- MSTEP and NWEA testing will begin shortly after we return from spring break.
  - 5th grade will start MSTEP on April 8th; 4th grade will start MSTEP on April 29th.
  - 4th grade will start NWEA on April 8th; 5th grade will start NWEA on April 29
- Students return to school on April 1 (seriously, that is not an April Fool's joke).
