

Cherry Street Intermediate

231-258-9146

Principal: Ryan Moore

Mission: We are a community of respectful learners who are gaining independence, and knowledge while preparing for the future in an ever-changing world.

What's Happening?

There is a lot happening at Cherry Street Intermediate School. Check it out!

- October 2nd, several students braved the weather to participate in the Walk to School Day. We had a great time walking to school from the Hospital. A big "Thank You" to the parents who were able to drop their kids off for this event.
- CSI fall sports have been very eventful:
 - This was the first year for a **Cherry Street Cross Country** team, and the students have had an impressive showing at many different events. We are hoping to possibly grow this program in the future.
 - **3rd-4th grade football** made it all the way to the championship game this year. Despite fighting hard, they came up short, to Gaylord. It was a great game, and we are very proud of their accomplishments.
 - **5th and 6th grade football** also made it to the championship game this year and pulled off a 30-0 win over Grayling. Awesome job, boys!
- We would like to thank everyone who was able to attend the Parent/Teacher conferences. We appreciate the time you take to meet with your child's teachers.
- The Grand Event was another big hit this year. We divided it up into two different days. We had a whopping 190 people attend the events. Thank you very much for your support. The kids loved it!
- The students have raised concerns about the taste of the drinking water. 5th grade student council members cited it during their speeches, and 4th grade students have "passed bills" in their government units to address it. Cherry Street teachers posted a Donors Choose request for a filtered drinking station. After about a week of being posted, we are happy to announce that it has been fully funded! Awesome job, everyone!
- Mrs. Willis and Mr. McCarty's class have been working on a project to make lap blankets for veterans for a project at Munson Hospital. It is great to see the kids working hard to help others!

Events/Calendar:

- **November 1:**
 - End of Marking Period 1
 - No School for Students
- **November 27-29:** No School; Thanksgiving Break
- **December 2:** School Resumes
- **December 23-Jan 3:** Winter Break

National Walk to School Day:

Working on Lap Blankets
