231.369.2000
Fax: 231.369.2113

A part of Kalkaska Memorial Health Center

Working with Forest Area and Kalkaska Public Schools

Teen Health Corner is open and offering virtual telemedicine visits for medical needs and counseling services as a safe and convenient option for accessing care during this COVID-19 pandemic. If needed, we are also offering limited in person visits for annual well visits/sports physicals, medication administration, and immunizations.

Teen Health Corner continues to provide the following services at both Kalkaska and Forest Area clinic sites:

- Sick visits
- Immunizations
- Yearly physicals/Well Visits
- Mental Health counseling (at Kalkaska Middle School and High School as well)
- Nutrition and exercise counseling
- In-school programming
- Medicaid (Marketplace) Enrollment

A yearly physical is a great way to get ahead of conditions that may be problematic later in life. A visit with us can detect new/undiagnosed heart conditions, anemia by checking hemoglobin, monitor growth and physical development, check vision, address asthma/breathing issues and immunizations.

During the COVID-19 pandemic Teen Health Corner has instituted new safety measures:

- ◆ We are spacing out our visits to provide ample time for cleaning between visits and to keep the waiting room empty. Please schedule early in the summer for best availability.
- ◆ A mask must be worn while in the building at all times, if you do not have one we will provide one for you.
- ◆ The staff also wears a mask at all times, they may wear additional safety gear like shields and gowns.
- ◆ We will ask screening questions prior to your visit, we may need to reschedule or change our visit with you if you are sick or have been exposed to anyone who is sick.
- ◆ Once you arrive at the clinic please call us or knock on our door.
- ◆ We will ask you more questions of the patient and parent / guardian and take your temperature.
- ◆ We will only allow one parent or guardian in the visit, or we can use speaker phone with parent or guardian.

Call us and we can determine how to best serve you. We accept all insurances and provide sliding scale for those without insurance.

Your physical and mental health matter to us.
