The Board of Education directs that the assignment of students to schools within this District be consistent with the best interests of students and the best use of the resources of this District.

The Board shall determine periodically the school attendance areas of the District and shall expect the students within each area to attend the school so designated.

The Superintendent shall periodically review existing attendance areas and recommend to the Board such changes as may be justified by:

- A. considerations of safe student transportation and travel;
- B. convenience of access to schools;

The Superintendent may assign a student to a school other than that designated by the attendance area when such exception is justified by circumstances and is in the best interest of the student.

- A. Every effort shall be made to continue a student in the elementary school to which ~~s/he~~ **the student's** is initially assigned.

B. Wherever possible and advisable in the interests of the students, siblings shall be assigned to the same building. The Superintendent shall assign incoming transfer students to such schools, grades, and classes as may afford each student the greatest likelihood of realizing ~~his/her~~ **the student's** fullest educational potential.

The principal shall assign students in his/her school to appropriate grades, classes, or groups. This action shall be based on consideration of the needs of the student as well as the administration of the school.

An employee cannot carry over unused paid medical leave to the next benefit year.

A benefit year is the consecutive twelve (12) month period indicated above used by the District to calculate an eligible employee's benefits.

[END OF OPTIONS]

An employee may use **earned sick time under the ESTA for:** ~~Paid Medical Leave under the PMLA for:~~

- A. An employee or employee's family member's mental or physical illness, injury, health condition and medical diagnosis, care, or treatment, preventative medical care.
- B. If the employee or the eligible employee's family member is a victim of domestic violence or sexual assault:
 - 1. for medical, psychological, or other counseling for physical or psychological injury or disability;
 - 2. to obtain services from a victim services organization;
 - 3. to relocate due to domestic violence or sexual assault;
 - 4. to obtain legal services; and/or
 - 5. to participate in any civil or criminal proceedings related to or resulting from domestic violence or sexual assault.
- C. **For meetings at a child's school or place of care related to the child's health or disability, or the effects of domestic violence or sexual assault on the child.**

- E. If health authorities or a health care provider have determined that the employee or employee's family member would jeopardize the health of others because of their exposure to a communicable disease, regardless of whether employee or family member has actually contracted the communicable disease.

An employer shall not require an employee to search for or secure a replacement worker as a condition for using earned sick time.

Definitions

A "family member" includes:

- A. a biological, adopted, or foster child, stepchild or legal ward, **a child of a domestic partner**, or a child to whom the employee stands in loco parentis;
- B. a biological parent, foster parent, stepparent, or adoptive parent or a legal guardian of an employee or the employee's spouse, or an individual who stood in loco parentis when the employee was a minor child;
- C. an individual to whom the employee is "legally married under the laws of any state";
- D. a grandparent or grandchild; ~~and~~

E. a biological, foster, or adopted sibling; and-

F. any other individual related by blood or affinity whose close association with the employee is the equivalent of a family relationship.

A "domestic partner" means an adult in a committed relationship with another adult, including both same-sex and different-sex relationships.

A "committed relationship" means one in which the employee and another individual share responsibility for a significant measure of each other's common welfare, such as any relationship between individuals of the same or different sex that is granted legal recognition by a state, political subdivision, or the District of Columbia as a marriage or analogous relationship including, but not limited to, a civil union.

[DRAFTING NOTE: IF THE DISTRICT HAS A DIFFERENT WRITTEN POLICY OR COLLECTIVE BARGAINING PROVISION THAT ADDRESSES INCREMENTAL LEAVE, IT SHOULD NOT SELECT THE ONE (1) HOUR INCREMENT OPTION, BUT SHOULD INSTEAD REFER TO THE APPROPRIATE WRITTEN POLICY OR CBA.]

[END OF OPTIONS]

If the need for earned sick time is foreseeable, an employer may require advance notice of the intent to use it, provided the notice period does not exceed seven (7) days before the leave begins. ~~An eligible employee who is using Paid Medical Leave because of domestic violence or sexual assault may be required to provide documentation that the Paid Medical Leave has been used for that purpose.~~

If the need for earned sick time is not foreseeable, an employer may require the employee to provide notice of their intent to use it as soon as practicable. What is considered practicable depends on the specific facts and circumstances of each situation, and both parties should approach this requirement reasonably. For consistency, a similar standard would apply under ESTA. When taking leave under ESTA, employees must provide enough information for the employer to assess whether it qualifies under ESTA's eligible uses. If the employer is uncertain, they may request additional details about the nature of the leave to determine its eligibility. ~~Employees must follow the District's usual practice or procedure for requesting, although the District will give employees three (3) days to acquire the proper documentation if the time off is used for paid medical leave, for the reasons set forth above.~~

For earned sick leave exceeding three (3) consecutive days, an employer may require reasonable documentation confirming that the leave was used for a permissible purpose. The employee must provide this documentation promptly upon request pursuant to the following guidelines:

- A. Employer-required documentation should not include details about the illness or specifics of the violence.
- B. If documentation is required, the employer must cover any out-of-pocket costs the employee incurs to obtain it.
- C. An employer cannot delay the start of the leave due to a failure to receive documentation.

Employees will be paid at a rate equal to the greater of either the normal hourly or base wage rate for that employee or the minimum wage rate, at the time of absence. ~~ESTAPMLA~~ pay will not include overtime pay, holiday pay, bonuses, commissions, supplemental pay, piece-rate pay, or gratuities. For any employee whose hourly rate varies depending on work performed, the "normal hourly wage" means the average hourly wage of an employee in the pay period immediately prior to the pay period in which the employee used paid earned sick time.

Employee () will not () will **[END OF OPTION]** be paid for unused, accrued ~~ESTAPMLA~~ leave time at the end of the benefit year or upon separation, voluntary or involuntary.

To the extent that any current collective bargaining agreements already provide all of the requirements of the ~~ESTAPMLA~~, those are sufficient to address the District's obligations to that set of employees and will control the employees covered under the collective bargaining agreement instead of this policy.

2266 - **NONDISCRIMINATION ON THE BASIS OF SEX IN EDUCATION PROGRAMS OR ACTIVITIES**

Introduction

The Board of Education of the Kalkaska Public School District (hereinafter referred to as “the Board” or “the District”) does not discriminate on the basis of sex (including sexual orientation or gender identity), in its education programs or activities, and is required by Title IX of the Education Amendments Act of 1972, and its implementing regulations, not to discriminate in such a manner. The requirement not to discriminate in its education program or activity extends to admission and employment. The Board is committed to maintaining an education and work environment that is free from discrimination based on sex, including sexual harassment.

The Board prohibits Sexual Harassment that occurs within its education programs and activities. When the District has actual knowledge of Sexual Harassment in its education program or activity against a person in the United States, it shall promptly respond in a manner that is not deliberately indifferent.

Pursuant to its Title IX obligations, the Board is committed to eliminating Sexual Harassment and will take appropriate action when an individual is determined responsible for violating this policy. Board employees, students, third-party vendors and contractors, guests, and other members of the School District community who commit Sexual Harassment are subject to the full range of disciplinary sanctions set forth in this policy. The Board will provide persons who have experienced Sexual Harassment ongoing remedies as reasonably necessary to restore or preserve access to the District’s education programs and activities.

Coverage

This policy applies to Sexual Harassment that occurs within the District’s education programs and activities and that is committed by a member of the School District community or a Third Party.

This policy does not apply to Sexual Harassment that occurs off school grounds, in a private setting, and outside the scope of the District’s education programs and activities; such Sexual Misconduct/Sexual Activity may be prohibited by the Student Code of Conduct if committed by a student, or by Board policies and administrative guidelines, applicable State and/or Federal laws and/or Employee/Administrator Handbook(s) if committed by a Board employee.

Consistent with the U.S. Department of Education’s implementing regulations for Title IX, this policy does not apply to Sexual Harassment that occurs outside the geographic boundaries of the United States, even if the Sexual Harassment occurs in the District’s education programs or activities. Sexual Harassment that occurs outside the geographic boundaries of the United States is governed by the Student Code of Conduct if committed by a student, or by Board policies and administrative guidelines, applicable State and/or Federal laws and/or Employee/Administrator Handbook(s) if committed by a Board employee.

Definitions

Words used in this policy shall have those meanings defined herein; words not defined herein shall be construed according to their plain and ordinary meanings.

Sexual Harassment: "Sexual Harassment" means conduct on the basis of sex that satisfies one or more of the following:

- A. A Board employee conditioning the provision of an aid, benefit, or service of the District on an individual's participation in unwelcome sexual conduct (often called "*quid pro quo*" harassment);
- B. Unwelcome conduct determined by a reasonable person to be so severe, pervasive, **and** objectively offensive that it effectively denies a person equal access to the District's education program or activity; or
- C. "Sexual assault" as defined in 20 U.S.C. 1092(f)(6)A(v), or "dating violence" as defined in 34 U.S.C. 12291(a)(10), "domestic violence" as defined in 34 U.S.C. 12291(a)(8), or "stalking" as defined in 34 U.S.C. 12291(a)(30).

"Sexual assault" means any sexual act directed against another person, without the consent of the victim, including instances where the victim is incapable of giving consent and the "nonforcible" sex offenses of Incest and Statutory Rape. Sexual assault includes rape, sodomy, sexual assault with an object, **fondling criminal sexual contact (f.k.a. fondling)**, incest, and statutory rape.

1. Rape is the carnal knowledge of a person (i.e., penetration, no matter how slight, of the genital or anal opening of a person), without the consent of the victim, including instances where the victim is incapable of giving consent because of age or because of temporary or permanent mental or physical incapacity.
2. *Sodomy* is oral or anal sexual intercourse with another person, without the consent of the victim, including instances where the victim is incapable of giving consent because of age or because of temporary or permanent mental or physical incapacity.
3. *Sexual Assault with an Object* is using an object or instrument to unlawfully penetrate, however slightly, the genital or anal opening of the body of another person, without the consent of the victim, including instances where the victim is incapable of giving consent because of age or because of temporary or permanent mental or physical incapacity. An "object" or "instrument" is anything used by the offender other than the offender's genitalia.
4. **Criminal Sexual Contact (f.k.a. Fondling)** is the intentional touching of the clothed or unclothed body parts, without consent, of the victim for the purpose of sexual degradation, sexual gratification, or sexual humiliation; or the forced touching by the victim of the other individual's clothed or unclothed body parts, without consent of the victim, for the purpose of sexual degradation, sexual gratification, or sexual humiliation. This includes instances where the victim is incapable of giving consent because of age or incapacity due to temporary or permanent mental or physical impairment or intoxication for the purpose of sexual degradation, sexual gratification, or sexual humiliation. ~~Fondling is the touching of the private body parts of another person for the purpose of sexual gratification, without the consent of the victim, including instances where the victim is incapable of giving consent because of age or because of temporary or permanent mental or physical incapacity.~~
5. ~~Incest is sexual intercourse between persons who are related to each other within the degrees wherein marriage is prohibited by State law.~~
6. *Statutory Rape* is sexual intercourse with a person who is under the statutory age of consent as defined by State law.
7. *Consent* refers to words or actions that a reasonable person would understand as agreement to engage in the sexual conduct at issue. A person may be incapable of giving consent because of age or because of temporary or permanent mental or physical incapacity. A person who is incapacitated is not capable of giving consent.
8. *Incapacitated* refers to the state where a person does not understand and/or appreciate the nature or fact of sexual activity due to the effect of drugs or alcohol consumption, medical condition, disability, or due to a state of unconsciousness or sleep.

- D. "Domestic violence" includes felony or misdemeanor crimes of violence committed by:

1. a current or former spouse or intimate partner of the victim;
2. a person with whom the victim shares a child in common;
3. a person who is cohabitating with or has cohabitated with the victim as a spouse or intimate partner;
4. a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction in which the crime occurred; or
5. any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of the jurisdiction in which the crime occurred.

E. "Dating violence" means violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim. The existence of such a relationship shall be determined based on consideration of the length of the relationship, the type of relationship, and the frequency of interaction between the persons involved in the relationship.

F. "Stalking" means engaging in a course of conduct directed at a specific person that would cause a reasonable person to – (1) fear for the person's safety or the safety of others; or (2) suffer substantial emotional distress.

Complainant: "Complainant" means an individual who is alleged to be the victim of conduct that could constitute Sexual Harassment.

Respondent: "Respondent" means an individual who has been reported to be the perpetrator of conduct that could constitute Sexual Harassment.

Formal Complaint: "Formal Complaint" means a document filed by a Complainant or signed by the Title IX Coordinator alleging Sexual Harassment against a Respondent and requesting that the District investigate the allegation(s) of Sexual Harassment. At the time of filing a Formal Complaint with the District, a Complainant must be participating in or attempting to participate in the District's education program or activity. A "document filed by a complainant" means a document or electronic submission (such as by electronic mail or through an online portal that the Board provides for this purpose) that contains the Complainant's physical or digital signature, or otherwise indicates that the Complainant is the person filing the Formal Complaint. Where the Title IX Coordinator signs a Formal Complaint, the Title IX Coordinator is not a Complainant or a party to the Formal Complaint and must not have a conflict of interest or bias for or against complainants or respondents generally or an individual complainant or respondent.

Actual Knowledge: "Actual knowledge" means notice of Sexual Harassment or allegations of Sexual Harassment to the District's Title IX Coordinator, or any District official who has authority to institute corrective measures on behalf of the Board, or any Board employee. The mere ability or obligation to report Sexual Harassment or to inform a student about how to report Sexual Harassment, or having been trained to do so, does not qualify an individual as one who has authority to institute corrective measures on behalf of the District. "Notice" includes, but is not limited to, a report of Sexual Harassment to the Title IX Coordinator. This standard is not met when the only District official with actual knowledge is the Respondent.

Supportive Measures: "Supportive measures" means non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, and without fee or charge to the Complainant or the Respondent before or after the filing of a Formal Complaint or where no Formal Complaint has been filed. Such measures are designed to restore or preserve equal access to the District's education program or activity without unreasonably burdening the other party, including measures designed to protect the safety of all parties or the District's educational environment, or deter Sexual Harassment. Supportive measures may include counseling, extensions of deadlines or other course-related adjustments, modifications of work or class schedules, school/campus escort services, mutual restrictions of contact between the parties, changes in work locations), leaves of absence, increased security and monitoring of certain areas of the campus (including school buildings and facilities), and other similar measures.

Education Program or Activity: "Education program or activity" refers to all operations of the District, including but not limited to in-person and online educational instruction, employment, extracurricular activities, athletics, performances, and community engagement and outreach programs. The term applies to all activity that occurs on school grounds or on other property owned or occupied by the Board. It also includes locations, events and circumstances that take place off-school property/grounds over which the Board exercises substantial control over both the Respondent and the context in which the Sexual Harassment occurs.

School District community: "School District community" refers to students and Board employees (i.e., administrators, and professional and classified staff), as well as Board members, agents, volunteers, contractors, or other persons subject to the control and supervision of the Board.

Third Parties: "Third Parties" include, but are not limited to, guests and/or visitors on School District property (e.g., visiting speakers, participants on opposing athletic teams, parents), vendors doing business with, or seeking to do business with the Board, and other individuals who come in contact with members of the School District community at school-related events/activities (whether on or off District property).

Inculpatory Evidence: "Inculpatory evidence" is evidence that tends to establish a Respondent's responsibility for alleged Sexual Harassment.

Exculpatory Evidence: "Exculpatory evidence" is evidence that tends to clear or excuse a Respondent from allegations of Sexual Harassment.

Day(s): Unless expressly stated otherwise, the term "day" or "days" as used in this policy means business day(s) (i.e., a day(s) that the Board office is open for normal operating hours, Monday – Friday, excluding State-recognized holidays),

Eligible Student: "Eligible Student" means a student who has reached eighteen (18) years of age or is attending an institution of postsecondary education.

Any inquiries about the application of Title IX and its implementing regulations to the District may be referred to the Title IX Coordinator(s), the Assistant Secretary for the U.S. Department of Education's Office for Civil Rights, or both.

The Board has adopted a grievance process that provide for the prompt and equitable resolution of student and employee complaints alleging any action that is prohibited by Title IX and/or its implementing regulations. The grievance process is included in Policy 2266 – Nondiscrimination on the Basis of Sex in Education Programs or Activities. The grievance process specifically addresses how to report or file a complaint of sex discrimination, how to report or file a formal complaint of Sexual Harassment, and how the District will respond.

The Superintendent shall also prominently display the Title IX Coordinator's(s') contact information – including name(s) and/or title(s), phone number(s), office address(es), and e-mail address(es) – and this policy on the District's website and in each handbook or catalog that the Board makes available to applicants for admission and employment, students, parents or legal guardians of elementary and secondary school students, Board employees, and all unions or professional organizations holding collective bargaining or professional agreements.

Grievance Process

The Board is committed to promptly and equitably resolving student and employee complaints alleging Sexual Harassment. The District's response to allegations of Sexual Harassment will treat Complainants and Respondents equitably, including providing supportive measures to the Complainant and Respondent, as appropriate, and following this Grievance Process before imposition of any disciplinary sanctions or other actions, other than supportive measures, against the Respondent.

The Title IX Coordinator(s), along with any investigator(s), decision-maker(s), or any person(s) designated to facilitate an informal resolution process, shall not have a conflict of interest or bias for or against Complainants or Respondents generally or an individual Complainant or Respondent.

If a determination of responsibility for Sexual Harassment is made against the Respondent, the Board will provide remedies to the Complainant. The remedies will be designed to restore or preserve equal access to the District's education program or activity. Potential remedies include, but are not limited to, individualized services that constitute supportive measures. Remedies may also be disciplinary or punitive in nature and may burden the Respondent.

Report of Sexual Discrimination/Harassment

Any person may report sex discrimination, including Sexual Harassment (whether or not the person reporting is the person alleged to be the victim of conduct that could constitute sex discrimination or Sexual Harassment), in person, by mail, by telephone, or by electronic mail, using the Title IX Coordinator's(s') contact information listed above, or by any other means that results in the Title IX Coordinator receiving the person's oral or written report. Reports may be made at any time (including during non-business hours), by using the telephone number(s) or electronic mail address(es), or by mail to the office address(es), listed for the Title IX Coordinator(s).

Students, Board members, and Board employees are required, and other members of the School District community, and Third Parties) are encouraged, to report allegations of sex discrimination or Sexual Harassment promptly to the/a Title IX Coordinator or to any Board employee, who will in turn notify the/a Title IX Coordinator. Reports can be made orally or in writing and should be as specific as possible. The person making the report should, to the extent known, identify the alleged victim(s), perpetrator(s), and witness(es), and describe in detail what occurred, including date(s), time(s), and location(s).

If a report involves allegations of Sexual Harassment by or involving the Title IX Coordinator, the person making the report should submit it to the Superintendent, or another Board employee who, in turn, will notify the Superintendent of the report. The Superintendent will then serve in place of the Title IX Coordinator for purposes of addressing that report of Sexual Harassment.

The Board does business with various vendors, contractors, and other third-parties who are not students or employees of the Board. Notwithstanding any rights that a given vendor, contractor, or third-party Respondent may have under this policy, the Board retains the right to limit any vendor's, contractor's, or third-party's access to school grounds for any reason. The Board further retains all rights it enjoys by contract or law to terminate its relationship with any vendor, contractor, or third-party irrespective of any process or outcome under this policy.

A person may file criminal charges simultaneously with filing a Formal Complaint. A person does not need to wait until the Title IX investigation is completed before filing a criminal complaint. Likewise, questions or complaints relating to Title IX may be filed with the U.S. Department of Education's Office for Civil Rights at any time.

Any allegations of Sexual Misconduct/Sexual Activity not involving Sexual Harassment will be addressed through the procedures outlined in Board policies and/or administrative guidelines, the applicable Student Code of Conduct, applicable collective bargaining agreement, and/or Employee/Administrator Handbook.

Because the Board is considered to have actual knowledge of Sexual Harassment or allegations of Sexual Harassment if any Board employee has such knowledge, and because the Board must take specific actions when it has notice of Sexual Harassment or allegations of Sexual Harassment, a Board employee who has independent knowledge of or receives a report involving allegations of sex discrimination and/or Sexual Harassment must notify the/a Title IX Coordinator within two (2) days of learning the information or receiving the report. The Board employee must also comply with mandatory reporting responsibilities pursuant to M.C.L. 722.623 and Policy 8462 – Student Abuse and Neglect, if applicable. If the Board employee's knowledge is based on another individual bringing the information to the Board employee's attention and the reporting individual submitted a written complaint to the Board employee, the Board employee must provide the written complaint to the Title IX Coordinator.

If a Board employee fails to report an incident of Sexual Harassment of which the Board employee is aware, the Board employee may be subject to disciplinary action, up to and including termination.

When a report of Sexual Harassment is made, the Title IX Coordinator shall promptly (i.e., within two (2) days of the Title IX Coordinator's receipt of the report of Sexual Harassment) contact the Complainant (including the parent/guardian if the Complainant is under eighteen (18) years of age or under guardianship) to discuss the availability of supportive measures, consider the Complainant's wishes with respect to supportive measures, inform the Complainant of the availability of supportive measures with or without the filing of a Formal Complaint, and explain to the Complainant the process for filing a Formal Complaint. The Title IX Coordinator is responsible for coordinating the effective implementation of supportive measures. Any supportive measures provided to the Complainant or Respondent shall be maintained as confidential, to the extent that maintaining such confidentiality will not impair the ability of the District to provide the supportive measures.

Emergency Removal: Subject to limitations and/or procedures imposed by State and/or Federal law, the District may remove a student Respondent from its education program or activity on an emergency basis after conducting an individualized safety and risk analysis. The purposes of the individualized safety and risk analysis is to determine whether the student Respondent poses an immediate threat to the physical health or safety of any student or other individual arising from the allegations of Sexual Harassment that justifies removal. If the District determines the student Respondent poses such a threat, it will so notify the student Respondent and the student Respondent will have an opportunity to challenge the decision immediately following the removal. See Policy 5610 – Emergency Removal, Suspension, and Expulsion of Students and Policy 5611 – Due Process Rights.

If the Respondent is a non-student employee, the District may place the Respondent on administrative leave during the pendency of the grievance process.

For all other Respondents, including other members of the School District community and Third Parties, the Board retains broad discretion to prohibit such persons from entering onto its school grounds and other properties at any time and for any reason, whether after receiving a report of Sexual Harassment or otherwise.

Formal Complaint of Sexual Harassment

A Formal Complaint may be filed with the Title IX Coordinator in person, by mail, or by electronic mail, by using the contact information set forth above. If a Formal Complaint involves allegations of Sexual Harassment by or involving the Title IX Coordinator, the Complainant should submit the Formal Complaint to the Superintendent, who will designate another person to serve in place of the Title IX Coordinator for the limited purpose of implementing the grievance process with respect to that Formal Complaint.

When the Title IX Coordinator receives a Formal Complaint or signs a Formal Complaint, the District will follow its Grievance Process, as set forth herein. Specifically, the District will undertake an objective evaluation of all relevant evidence – including both inculpatory and exculpatory evidence – and provide that credibility determinations will not be based on a person's status as a Complainant, Respondent, or witness.

It is a violation of this policy for a Complainant(s), Respondent(s), and/or witness(es) to knowingly making false statements or knowingly submitting false information during the grievance process, including intentionally making a false report of Sexual Harassment or submitting a false Formal Complaint. The Board will not tolerate such conduct, which is a violation of the Student Code of Conduct and the Employee/Administrator Handbook.

The Respondent is presumed not responsible for the alleged conduct until a determination regarding responsibility is made at the conclusion of the grievance process.

Timeline

The District will seek to conclude the grievance process, including resolving any appeals, within sixty (60) days of receipt of the Formal Complaint.

If the Title IX Coordinator offers informal resolution processes, the informal resolution processes may not be used by the Complainant or Respondent to unduly delay the investigation and determination of responsibility. The timeline, however, may be subject to a temporary delay of the grievance process or a limited extension for good cause with written notice to the Complainant and the Respondent of the delay or extension and the reasons for the action. Good cause may include considerations such as the absence of a party, a party's advisor, or a witness; concurrent law enforcement activity; and the need for language assistance or accommodation of disabilities. The Title IX Coordinator will provide the parties with reasonable updates on the status of the grievance process.

Upon receipt of a Formal Complaint, the Title IX Coordinator will provide written notice of the following to the parties who are known:

- A. Notice of the Board's grievance process, including any informal resolution processes;
- B. Notice of the allegations of misconduct that potentially constitutes Sexual Harassment as defined in this policy, including sufficient details known at the time and with sufficient time to prepare a response before any initial interview. Sufficient details include the identities of the parties involved in the incident, if known, the conduct allegedly constituting Sexual Harassment, and the date and location of the alleged incident, if known. The written notice must:
 - 1. include a statement that the Respondent is presumed not responsible for the alleged conduct and that a determination regarding responsibility will be made at the conclusion of the grievance process;
 - 2. inform the parties that they may have an advisor of their choice, who may be, but is not required to be, an attorney, and may inspect and review evidence.
 - 3. inform the parties of any provision in the Student Code of Conduct, this policy, and/or Employee/Administrator Handbook that prohibits knowingly making false statements or knowingly submitting false information during the grievance process.

If, during the course of the investigation, the investigator becomes aware of allegations about the Complainant or Respondent that are not included in the original notice provided to the parties, the investigator will notify the Title IX Coordinator and the Title IX Coordinator will decide whether the investigator should investigate the additional allegations; if the Title IX Coordinator decides to include the new allegations as part of the investigation, the Title IX Coordinator will provide notice of the additional allegations to the parties whose identities are known.

Dismissal of a Formal Complaint

The District shall investigate the allegations in a Formal Complaint, *unless* the conduct alleged in the Formal Complaint:

- A. would not constitute Sexual Harassment (as defined in this policy) even if proved;
- B. did not occur in the District's education program or activity; or
- C. did not occur against a person in the United States.

If one of the preceding circumstances exist, the Title IX Coordinator *shall* dismiss the Formal Complaint. If the Title IX Coordinator dismisses the Formal Complaint due to one of the preceding reasons, the District may still investigate and take action with respect to such alleged misconduct pursuant to another provision of an applicable code of conduct, Board policy, and/or Employee/Administrator Handbook.

The Title IX Coordinator *may* dismiss a Formal Complaint, or any allegations therein, if at any time during the investigation

- A. a Complainant notifies the Title IX Coordinator in writing that the Complainant would like to withdraw the Formal Complaint or any allegations therein;
- B. the Respondent is no longer enrolled in the District or employed by the Board; or
- C. specific circumstances prevent the District from gathering evidence sufficient to reach a determination as to the Formal Complaint or allegations therein.

If the Title IX Coordinator dismisses a Formal Complaint or allegations therein, the Title IX Coordinator must promptly send written notice of the dismissal and the reason(s) therefor simultaneously to the parties.

Consolidation of Formal Complaints

The Title IX Coordinator may consolidate Formal Complaints as to allegations of Sexual Harassment against more than one Respondent, or by more than one Complainant against one or more Respondents, or by one party against the other party, where the allegations of Sexual Harassment arise out of the same facts or circumstances.

Where a grievance process involves more than one Complainant or more than one Respondent, references in this policy to the singular "party," "Complainant," or "Respondent" include the plural, as applicable.

Informal Resolution Process

Under no circumstances shall a Complainant be required as a condition of enrollment or continuing enrollment, or employment or continuing employment, or enjoyment of any other right, to waive any right to an investigation and adjudication of a Formal Complaint of Sexual Harassment. Similarly, no party shall be required to participate in an informal resolution process.

If a Formal Complaint is filed, the Title IX Coordinator may offer to the parties an informal resolution process. If the parties mutually agree to participate in the informal resolution process, the Title IX Coordinator shall designate a trained individual to facilitate an informal resolution process, such as mediation, that does not involve a full investigation and adjudication. The informal resolution process may be used at any time prior to the decision-maker(s) reaching a determination regarding responsibility.

If the Title IX Coordinator is going to propose an informal resolution process, the Title IX Coordinator shall provide to the parties a written notice disclosing:

- A. the allegations;
- B. the requirements of the informal resolution process including the circumstances under which it precludes the parties from resuming a Formal Complaint arising from the same allegations; and
- C. any consequences resulting from participating in the informal resolution process, including the records that will be maintained or could be shared.

Any time prior to agreeing to a resolution, any party has the right to withdraw from the informal resolution process and resume the grievance process with respect to the Formal Complaint.

Before commencing the informal resolution process, the Title IX Coordinator shall obtain from the parties their voluntary, written consent to the informal resolution process.

During the pendency of the informal resolution process, the investigation and adjudication processes that would otherwise occur have stayed and all related deadlines are suspended.

The informal resolution process is not available to resolve allegations that a Board employee or another adult member of the School District community or Third Party sexually harassed a student.

The informal resolution process is not available to resolve allegations involving a sexual assault involving a student Complainant and a student Respondent.

Investigation of a Formal Complaint of Sexual Harassment

In conducting the investigation of a Formal Complaint and throughout the grievance process, the burden of proof and the burden of gathering evidence sufficient to reach a determination regarding responsibility is on the District, not the parties.

In making the determination of responsibility, the decision-maker(s) is(are) directed to use the preponderance of the evidence standard. The decision-maker(s) is charged with considering the totality of all available evidence, from all relevant sources.

The District is not permitted to access, consider, disclose, or otherwise use a party's records that are made or maintained by a physician, psychiatrist, psychologist, or other recognized professional or paraprofessional acting in the professional's or paraprofessional's capacity, or assisting in that capacity, and which are made and maintained in connection with the provision of treatment to the party, unless the party provides the District with voluntary, written consent to do so; if a student party is not an Eligible Student, the District must obtain the voluntary, written consent of a parent.

Similarly, the investigator(s) and decision-maker(s) may not require, allow, rely upon or otherwise use questions or evidence that constitute, or seek disclosure of, information protected under a legally recognized privilege, unless the person holding such privilege has waived the privilege in writing.

As part of the investigation, the parties have the right to:

- A. present witnesses, including fact and expert witnesses, and other inculpatory and exculpatory evidence; and
- B. have others present during any grievance proceeding, including the opportunity to be accompanied to any related meeting or proceeding by the advisor of their choice, who may be, but is not required to be, an attorney. The District may not limit the choice or presence of an advisor for either the Complainant or Respondent in any meeting or grievance proceeding.

Board Policy 2461 – Recording of District Meetings Involving Students and/or Parents controls whether a person is allowed to audio record or video record any meeting or grievance proceeding.

Neither party shall be restricted in their ability to discuss the allegations under investigation or to gather and present relevant evidence.

The District will provide to a party whose participation is invited or expected written notice of the date, time, location, participants, and purpose of all investigative interviews, or other meetings, with sufficient time for the party to prepare to participate. The investigator(s) and decision-maker(s) must provide a minimum of one (1) day notice with respect to investigative interviews and other meetings.

Both parties shall have an equal opportunity to inspect and review any evidence obtained as part of the investigation that is directly related to the allegations raised in the Formal Complaint, including the evidence upon which the District does not intend to rely in reaching a determination regarding responsibility and inculpatory or exculpatory evidence whether obtained from a party or other source, so that each party can meaningfully respond to the evidence prior to the conclusion of the investigation.

Prior to completion of the investigative report, the Title IX Coordinator will send to each party and the party's advisor, if any, the evidence subject to inspection and review in an electronic format or a hard copy, and the parties will have at least ten (10) calendar days to submit a written response, which the investigator will consider prior to completion of the investigative report.

At the conclusion of the investigation, the investigator shall create an investigative report that fairly summarizes relevant evidence and send the report to each party and the party's advisor, if any, for their review and written response. The investigator will send the investigative report in an electronic format or a hard copy, at least ten (10) calendar days prior to the decision-maker(s) issuing a determination regarding responsibility.

Determination of Responsibility

The Title IX Coordinator shall appoint a decision-maker(s) to issue a determination of responsibility. The decision-maker(s) cannot be the same person(s) as the Title IX Coordinator(s) or the investigator(s).

After the investigator sends the investigative report to the parties and the decision-maker(s), and before the decision-maker(s) reaches a determination regarding responsibility, the decision-maker(s) will afford each party the opportunity to submit written, relevant questions that a party wants asked of any party or witness, provide each party with the answers, and allow for additional, limited follow-up questions from each party. The decision-maker(s) must explain to the party proposing the questions any decision to exclude a question as not relevant.

Questions and evidence about the Complainant's sexual predisposition or prior sexual behavior are not relevant, unless such questions and evidence about the Complainant's prior sexual behavior are offered to prove that someone other than the Respondent committed the conduct alleged by the Complainant, or if the questions and evidence concern specific incidents of the Complainant's prior sexual behavior with respect to the Respondent and are offered to prove consent. The decision-maker(s) must explain to the party proposing the questions any decision to exclude a question as not relevant.

Determination regarding responsibility: The decision-maker(s) will issue a written determination regarding responsibility. To reach this determination, the decision-maker(s) must apply the preponderance of the evidence standard.

The written determination will include the following content:

- A. identification of the allegations potentially constituting Sexual Harassment pursuant to this policy;

- B. a description of the procedural steps taken from the receipt of the Formal Complaint through the determination, including any notifications to the parties, interviews with parties and witnesses, site visits, [and] methods used to gather other evidence,
- C. findings of fact supporting the determination;
- D. Conclusions regarding the application of the applicable code of conduct to the facts;
- E. a statement of, and rationale for, the result as to each allegation, including a determination regarding responsibility, any disciplinary sanctions the decision-maker(s) is recommending that the District impose on the Respondent(s), and whether remedies designed to restore or preserve equal access to the District's education program or activity should be provided by the District to the Complainant(s); and
- F. the procedures and permissible bases for the Complainant(s) and Respondent(s) to appeal.

The following disciplinary sanctions/consequences may be imposed on a student Respondent who is determined responsible for violating this policy (i.e., engaging in Sexual Harassment):

A. Informal Discipline

- 1. writing assignments;
- 2. changing of seating or location;
- 3. pre-school, lunchtime, after-school detention;
- 4. in-school discipline;

B. Formal Discipline

- 1. suspension of bus riding/transportation privileges;
- 2. removal from co-curricular and/or extra-curricular activity(ies), including athletics;
- 3. emergency removal;
- 4. suspension for up to ten (10) school days;
- 5. long-term suspension or expulsion;
- 6. any other sanction authorized by the Student Code of Conduct.

If the decision-maker(s) determines the student Respondent is responsible for violating this policy (i.e., engaging in Sexual Harassment), the decision-maker(s) will recommend appropriate remedies, including disciplinary sanctions/consequences. The Title IX Coordinator will notify the Superintendent of the recommended remedies, so an authorized administrator can consider the recommendation(s) and implement an appropriate remedy(ies) in compliance with Policy 5600 – Student Discipline, Policy 5605 – Suspension/Expulsion of Students with Disabilities, Policy 5610 – Emergency Removal, Suspension, and Expulsion of Students, Policy 5610.02 – In-School Discipline, and Policy 5611 – Due Process Rights. Discipline of a student Respondent must comply with the applicable provisions of the Individuals with Disabilities Education Improvement Act (IDEA) and/or Section 504 of the Rehabilitation Act of 1972, and their respective implementing regulations.

The following disciplinary sanctions/consequences may be imposed on an employee Respondent who is determined responsible for violating this policy (i.e., engaging in Sexual Harassment):

- A. oral or written warning;
- B. written reprimands;
- C. performance improvement plan;
- D. required counseling;
- E. required training or education;

- F. demotion;
- G. suspension with pay;
- H. suspension without pay;
- I. termination, and any other sanction authorized by any applicable Employee/Administrator Handbook and/or collective bargaining agreement.

If the decision-maker(s) determines the employee Respondent is responsible for violating this policy (i.e., engaging in Sexual Harassment), the decision-maker(s) will recommend appropriate remedies, including disciplinary sanctions/consequences. The Title IX Coordinator will notify the Superintendent of the recommended remedies, so an authorized administrator can consider the recommendation(s) and implement an appropriate remedy(ies) in compliance with applicable due process procedures, whether statutory or contractual.

Discipline of an employee will be implemented in accordance with Federal and State law, Board policy, and applicable provisions of any relevant collective bargaining agreement.

The following disciplinary sanctions/consequences may be imposed on a non-student/non-employee member of the School District community or Third Party who is determined responsible for violating this policy (i.e., engaging in Sexual Harassment):

- A. oral or written warning;
- B. suspension or termination/cancellation of the Board's contract with the third-party vendor or contractor;
- C. mandatory monitoring of the third-party while on school property and/or while working/interacting with students;
- D. restriction/prohibition on the third-party's ability to be on school property; and
- E. any combination of the same.

If the decision-maker(s) determines the third-party Respondent is responsible for violating this policy (i.e., engaging in Sexual Harassment), the decision-maker(s) will recommend appropriate remedies, including imposition of sanctions. The Title IX Coordinator will notify the Superintendent of the recommended remedies, so appropriate action can be taken.

The decision-maker(s) will provide the written determination to the Title IX Coordinator who will provide the written determination to the parties simultaneously.

In ultimately, imposing a disciplinary sanction/consequence, the Superintendent will consider the severity of the incident, previous disciplinary violations (if any), and any mitigating circumstances.

The District's resolution of a Formal Complaint ordinarily will not be impacted by the fact that criminal charges involving the same incident have been filed or that charges have been dismissed or reduced.

At any point in the grievance process, the Superintendent may involve local law enforcement and/or file criminal charges related to allegations of Sexual Harassment that involve a sexual assault.

The Title IX Coordinator is responsible for effective implementation of any remedies.

Appeal

Both parties have the right to file an appeal from a determination regarding responsibility, or from the Title IX Coordinator's dismissal of a Formal Complaint or any allegations therein, on the following bases:

- A. Procedural irregularity that affected the outcome of the matter (e.g., material deviation from established procedures);
- B. New evidence that was not reasonably available at the time the determination regarding responsibility or dismissal was made, that could affect the outcome of the matter; and
- C. The Title IX Coordinator, investigator(s), or decision-maker(s) had a conflict of interest or bias for or against Complainants or Respondents generally or the individual Complainant(s) or Respondent(s) that affected the outcome of the matter.

The Complainant(s) may not challenge the ultimate disciplinary sanction/consequence that is imposed.

Any party wishing to appeal the decision-maker(s)'s determination of responsibility, or the Title IX Coordinator's dismissal of a Formal Complaint or any allegations therein, must submit a written appeal to the Title IX Coordinator within three (3) days after receipt of the decision-maker(s)'s determination of responsibility or the Title IX Coordinator's dismissal of a Formal Complaint or any allegations therein.

Nothing herein shall prevent the Superintendent from implementing appropriate remedies, however, excluding disciplinary sanction, while the appeal is pending.

As to all appeals, the Title IX Coordinator will notify the other party in writing when an appeal is filed and implement appeal procedures equally for both parties.

The decision-maker(s) for the appeal shall not be the same person(s) as the decision-maker(s) that reached the determination regarding responsibility or dismissal, the investigator(s), or the Title IX Coordinator(s). The decision-maker(s) for the appeal shall not have a conflict of interest or bias for or against Complainants or Respondents generally or an individual Complainant(s) or Respondent(s) and shall receive the same training as required of other decision-makers.

Both parties shall have a reasonable, equal opportunity to submit a written statement in support of, or challenging, the outcome.

The appealing party's written statement must be submitted within three (3) days after the Title IX Coordinator receives notice of the appeal. The other party's written statement must be submitted within three (3) days after the Title IX Coordinator provides that party a copy of the appealing party's written statement.

The decision-maker(s) for the appeal shall issue a written decision describing the result of the appeal and the rationale for the result. The original decision-maker's (s') determination of responsibility will stand if the appeal request is not filed in a timely manner or the appealing party fails to show clear error and/or a compelling rationale for overturning or modifying the original determination. The written decision will be provided to the Title IX Coordinator who will provide it simultaneously to both parties. The written decision will be issued within five (5) days of when the parties' written statements were submitted.

The determination of responsibility associated with a Formal Complaint, including any recommendations for remedies/disciplinary sanctions, becomes final when the time for filing an appeal has passed or, if an appeal is filed, at the point when the decision-maker(s) for the appeal's decision is delivered to the Complainant and the Respondent. No further review beyond the appeal is permitted.

Retaliation

Neither the Board nor any other person may intimidate, threaten, coerce, or discriminate against any individual for the purpose of interfering with any right or privilege secured by Title IX, its implementing regulations, or this policy, or because the individual made a report or complaint, testified, assisted, or participated or refused to participate in any manner in an investigation, proceeding, or hearing under this policy. Intimidation, threats, coercion, or discrimination, including charges against an individual for code of conduct violations that do not involve sex discrimination or Sexual Harassment, but arise out of the same facts or circumstances as a report or complaint of sex discrimination, or a report or Formal Complaint of Sexual Harassment, for the purpose of interfering with any right or privilege secured by Title IX, its implementing regulations, or this policy, constitutes retaliation. Retaliation against a person for making a report of Sexual Harassment, filing a Formal Complaint, or participating in an investigation, is a serious violation of this policy that can result in imposition of disciplinary sanctions/consequences and/or other appropriate remedies.

Complaints alleging retaliation may be filed according to the grievance process set forth above.

The exercise of rights protected under the First Amendment of the United States Constitution does not constitute retaliation prohibited under this policy.

Charging an individual with a code of conduct violation for making a materially false statement in bad faith in the course of a grievance proceeding under this policy shall not constitute retaliation, provided, however, that a determination regarding responsibility, alone, is not sufficient to conclude that any party made a materially false statement in bad faith.

Confidentiality

The District will keep confidential the identity of any individual who has made a report or complaint of sex discrimination, including any individual who has made a report or filed a Formal Complaint of Sexual Harassment, any Complainant, any individual who has been reported to be the perpetrator of sex discrimination, any Respondent, and any witness, except as may be permitted by the Family Educational Rights and Privacy Act ("FERPA"), 20 U.S.C. 1232g, or FERPA regulations, 34 CFR part 99, or as required by law, or to carry out the purposes of 34 CFR part 106, including the conduct of any investigation, hearing, or judicial proceeding arising thereunder (i.e., the District's obligation to maintain confidentiality shall not impair or otherwise affect the Complainant's and Respondent's receipt of the information to which they are entitled related to the investigative record and determination of responsibility).

Application of the First Amendment

The Board will construe and apply this policy consistent with the First Amendment to the U.S. Constitution.

Training

The District's Title IX Coordinator, along with any investigator(s), decision-maker(s), or person(s) designated to facilitate an informal resolution process, must receive training on:

- A. the definition of Sexual Harassment (as that term is used in this policy);
- B. the scope of the District's education program or activity;
- C. how to conduct an investigation and implement the grievance process, appeals and informal resolution processes, as applicable; and
- D. how to serve impartially, including by avoiding prejudgment of the facts at issue, conflicts of interests, and bias.

All Board employees will be trained concerning their legal obligation to report Sexual Harassment to the Title IX Coordinator. This training will include practical information about how to identify and report Sexual Harassment.

Recordkeeping

As part of its response to alleged violations of this policy, the District shall create, and maintain for a period of seven (7) calendar years, records of any actions, including any supportive measures, taken in response to a report or Formal Complaint of Sexual Harassment. In each instance, the District shall document the basis for its conclusion that its response was not deliberately indifferent, and document that it has taken measures designed to restore or preserve equal access to the District's education program or activity. If the District does not provide a Complainant with supportive measures, then the District will document the reasons why such a response was not clearly unreasonable in light of the known circumstances. The documentation of certain bases or measures does not limit the District in the future from providing additional explanations or detailing additional measures taken.

The District shall maintain for a period of seven (7) calendar years the following records:

- A. each Sexual Harassment investigation including any determination regarding responsibility, any disciplinary sanctions recommended and/or imposed on the Respondent(s), and any remedies provided to the Complainant(s) designed to restore or preserve equal access to the District's education program or activity
- B. any appeal and the result therefrom
- C. any informal resolution and the result therefrom, and
- D. all materials used to train Title IX Coordinators, investigators, decision-makers, and any person who facilitates an informal resolution process.

The District will make its training materials publicly available on its website. If a person is unable to access the District's website, the Title IX Coordinator will make the training materials available upon request for inspection by members of the public.

Outside Appointments, Dual Appointments, and Delegations

The Board retains discretion to appoint suitably qualified persons who are not Board employees to fulfill any function of the Board under this policy, including, but not limited to, Title IX Coordinator, investigator, decision-maker, decision-maker for appeals, facilitator of informal resolution processes, and advisor.

The Board also retains discretion to appoint two or more persons to jointly fulfill the role of Title IX Coordinator, investigator, decision-maker, decision-maker for appeals, facilitator of informal resolution processes, and advisor.

The Superintendent may delegate functions assigned to a specific Board employee under this policy, including but not limited to the functions assigned to the Title IX Coordinator, investigator, decision-maker, decision-maker for appeals, facilitator of informal resolution processes, and advisor, to any suitably qualified individual and such delegation may be rescinded by the Superintendent at any time.

Discretion in Application

The Board retains discretion to interpret and apply this policy in a manner that is not clearly unreasonable, even if the Board's interpretation or application differs from the interpretation of any specific Complainant and/or Respondent.

Despite the Board's reasonable efforts to anticipate all eventualities in drafting this policy, it is possible unanticipated or extraordinary circumstances may not be specifically or reasonably addressed by the express policy language, in which case the Board retains discretion to respond to the unanticipated or extraordinary circumstance in a way that is not clearly unreasonable.

The provisions of this policy are not contractual in nature, whether in their own right, or as part of any other express or implied contract. Accordingly, the Board retains discretion to revise this policy at any time, and for any reason. The Board may apply policy revisions to an active case provided that doing so is not clearly unreasonable.

Section	Vol. 40, No. 1 - September 2025 MI
Title	Copy of CONTROLLED SUBSTANCE AND ALCOHOL POLICY FOR COMMERCIAL MOTOR VEHICLE (CMV) DRIVERS AND OTHER EMPLOYEES WHO PERFORM SAFETY-SENSITIVE FUNCTIONS
Code	po4162
Status	
Adopted	December 14, 2009
Last Revised	July 20, 2020

4162 - CONTROLLED SUBSTANCE AND ALCOHOL POLICY FOR COMMERCIAL MOTOR VEHICLE (CMV) DRIVERS AND OTHER EMPLOYEES WHO PERFORM SAFETY-SENSITIVE FUNCTIONS

Purpose

The Board of Education believes that the safety of students while being transported to and from school or school activities is of utmost importance and is the primary responsibility of the driver of the school vehicle. To fulfill such a responsibility, each driver, as well as others who perform safety-sensitive functions with District vehicles, (collectively "Covered Employees") must be mentally and physically alert at all times while on duty.

To that end, the Board has established this policy, which includes an alcohol and controlled substances testing program. The Board also expects all Covered Employees to comply with Board Policy 4122.01 on Drug-Free Workplace which prohibits the possession, use, sale, or distribution of alcohol and any controlled substance on school property at all times.

Further, the Board concurs with the Federal requirement that all Covered Employees should be free of any influence of alcohol or controlled substance while on duty. Therefore, participation in the alcohol and controlled substances testing program is a condition of employment for all Covered Employees.

Definitions

For purposes of this policy and the guidelines associated with the policy, the following definitions shall apply:

- A. The term *alcohol* means the intoxicating agent in beverage alcohol, ethyl alcohol, or other low molecular weight alcohols, including methyl or isopropyl alcohol.
- B. The term *illegal drug* means drugs and controlled substances, the possession or use of which is unlawful, pursuant to Federal, State, and/or local laws and regulations.
- C. The term *controlled substance* includes any illegal drug and any drug that is being used illegally, such as a prescription drug that was not legally obtained or not used for its intended purposes or in its prescribed quantity. The term does not include any legally-obtained prescription drug used for its intended purpose in its prescribed quantity unless such use would impair the individual's ability to safely perform safety-sensitive functions.
- D. The term *controlled substance abuse* includes excessive use of alcohol as well as prescribed drugs not being used for prescribed purposes, in a prescribed manner, or in the prescribed quantity.

- E. The term *safety-sensitive functions* includes all tasks associated with the operation and maintenance of District-owned and/or operated vehicles. This term further includes any period in which an individual is actually performing, ready to perform, or immediately available to perform any safety-sensitive function.
- F. The term Covered Employee means all commercial driver license (CDL) holders and regular and substitute bus drivers as well as other staff who operate, inspect, service, and condition a commercial motor vehicle (CMV) while on duty, regardless of whether they are required to hold a CDL.
- G. The term *while on duty* means all time from the time the Covered Employee begins to work or is required to be in readiness for work until the time s/he is relieved from work and all responsibility for performing work.

Procedures

The Superintendent shall establish a drug and alcohol testing program whereby each Covered Employee is tested for the presence of alcohol in his/ her system as well as for the presence of the following controlled substances:

- A. Marijuana
- B. Cocaine
- C. Opioids
- D. Amphetamines
- E. Phencyclidine (PCP)

The alcohol and controlled substances tests are to be conducted in accordance with Federal and State regulations a.) prior to employment (**Controlled Substances Only**), b.) reasonable suspicion, c.) upon return to duty after any alcohol or drug rehabilitation, d.) post-accident, e.) on a random basis, and f.) on a follow-up basis.

Any staff member who tests positive as defined in the guidelines shall be immediately prohibited from driving any District-owned and/or operated vehicle or conducting a safety-sensitive function:

- A. and evaluated by a substance abuse professional;
- B. and provided information regarding drug/alcohol counseling; or referred to the District's Employee Assistance Program;
- C. and subject to discipline, up to and including discharge, in accordance with District guidelines and the terms of any applicable collective bargaining agreements.

The Superintendent shall require that the District query the FMCSA's Drug and Alcohol Clearinghouse for current and prospective CDL drivers' drug and alcohol violations before allowing a driver to operate a District-owned and/or operated vehicle, consistent with Federal regulations, including consent requirements.

No staff member who has tested positive for alcohol or a controlled substance may be returned to a safety-sensitive position without having been evaluated by a qualified substance abuse professional (SAP), completing any required treatment program, and passing a retest. Return to a safety-sensitive position is solely at the District's discretion and the employee may be required to participate in ongoing services if recommended by the SAP. Any staff member who has tested positive for alcohol or a controlled substance will be provided with a list of SAPs available and acceptable to the District.

Furthermore, if during any test the lab determines that an adulterant has been added to the specimen, then:

- A. the test will be considered positive and the employee shall be prohibited from performing any safety-sensitive functions and be referred to the District's Employee Assistance Program; and/or
- B. the employee will be re-tested with an observed collection to prevent the addition of an adulterant to the specimen.

Any staff member who refuses to submit to a test shall immediately be prohibited from performing or continuing to perform his/her safety-sensitive functions (e.g., driving any Board-owned vehicle).

Prior to the beginning of the testing program, the District shall provide a drug-free awareness program which will inform Covered Employees and their supervisors, about:

- A. the dangers of illegal drug use and controlled substance and alcohol abuse;
- B. indicators of probable alcohol misuse and controlled substance abuse;
- C. Board Policy 4122.01 - Drug-Free Workplace, Policy 4161 - Unrequested Leaves of Absence/Fitness for Duty, Policy 4170 - Substance Abuse, and Policy 4170.01 - Employee Assistance Program;
- D. the sanctions that may be imposed for violations of Policy 4122.01.

All time spent undergoing an alcohol or controlled substance test, including travel time, will be paid at the staff member's regular rate of pay, or at his/her overtime rate, if applicable. Any staff member who is not allowed to return to work while awaiting test results will be compensated during the waiting period for all work time lost, including overtime, if applicable. The Board shall pay all costs associated with the administration of alcohol and controlled substance tests. This includes testing of the "split specimen" at a Federally certified laboratory if so requested by a staff member. Requests for a "split specimen" must be made within seventy-two (72) hours of receipt of the notification of a positive drug test. The Board will not pay for the employee's time while not on duty if the split specimen test results are positive.

Alcohol and drug test results shall be protected as confidential medical records as appropriate under Federal law (i.e. test results shall be provided on a right to know basis - the employee, the employer, and the substance abuse professional - and the results shall not be presented until analyzed by a Medical Review Officer).

A tested individual, upon written request, will be promptly provided copies of any records relating to his/her the individual's use of drugs and alcohol, including any records pertaining to his/her the individual's drug and alcohol tests. A tested individual must provide specific written consent before his/her the individual's test result can be provided to any other person except as required by law.

All tests shall be conducted in accordance with Federal testing guidelines and be performed by a laboratory that is Federally certified.

The alcohol and drug testing program shall be under the direction of the Superintendent.

The Superintendent shall arrange for periodic retraining of supervisors and staff members as necessary. The Superintendent shall provide a copy of this policy and testing guidelines to all Covered Employees and will include available resources to assist employees with problems related to the use of alcohol and controlled substances.

The Superintendent shall submit, for Board approval, a contract with a certified laboratory to provide the following services:

- A. testing of all first and second test urine samples
- B. clear and consistent communication with the District's Medical Review Officer (MRO)
- C. methodology and procedures for conducting random tests for controlled substances and alcohol
- D. preparation and submission of all required reports to the District, the MRO, and to Federal and State governments

The Superintendent shall also select the agency or persons who will conduct the alcohol breathalyzer tests, the District's MRO, and the drug collection site(s) in accordance with the requirements of the law.

Notification

A tested candidate shall be notified of the results of a pre-employment controlled substances test conducted under this part if the driver requests such results within sixty (60) calendar days of being notified of the disposition of the employment application.

A tested individual shall be notified of the results of random, reasonable suspicion and post-accident tests for controlled substances conducted under this policy if the test results are verified positive. The tested individual shall also be informed which controlled substance or substances were verified as positive.

The Superintendent shall make reasonable efforts to contact and request each driver who submitted a specimen under the employer's program, regardless of the driver's employment status, to contact and discuss the results of the controlled substances test with a medical review officer who has been unable to contact the driver.

The Superintendent shall immediately notify the medical review officer that the driver has been notified to contact the medical review officer within seventy-two (72) hours.

Individuals holding a CDL license must notify all current employers of any DOT violations (such as testing positive for the presence of alcohol or a controlled substance in violation of this policy). The notification must be made 1) by the end of the business day following the day the individual first receives notice of the violation or 2) prior to performing any safety-sensitive function, whichever comes first. Individuals are not required to notify the employer that administered the test or that documented the circumstances giving rise to the violation.

In the event that an individual is selected for testing, the Superintendent will inform the individual that the test is required by applicable law.

Reporting Test Results

The Superintendent shall report all information required by Federal regulations to the Clearinghouse in a timely manner. The Superintendent shall prepare and maintain a summary of the results of its alcohol and controlled substances testing programs performed under this policy during the previous calendar year when requested by the Secretary of Transportation, any DOT agency, or any State or local officials with regulatory authority over the employer or any of its drivers. Such summaries shall be submitted in a manner and timeline as required by law.

Educational Materials Related to Certain Federal Regulations, Board Policies, and Procedures

CDL License Holders and other employees who perform safety-sensitive functions will be provided educational materials at the time of hire or at any time when required to operate a school vehicle. The educational materials shall explain the requirements of applicable Federal regulations and the Board's policies and District's procedures with respect to meeting these Federal regulations. The Board designates the Transportation Director as the individual responsible for providing educational materials to CDL License Holders and other employees who perform safety-sensitive functions. The educational materials will include, at a minimum, the following:

- A. the contact information for the Transportation Director, who is the individual designated by the Board to answer questions about the educational materials;
- B. a statement that all CDL License Holders and other employees who perform safety-sensitive functions are subject to Federal Law addressing the misuse of alcohol and other controlled substances;
- C. information sufficient to make clear to employees the period of the work day during which they are required to comply with the regulations;
- D. information concerning prohibited conduct;
- E. the circumstances under which employees are subject to testing for alcohol and/or controlled substances;
- F. the procedures for testing for the presence of alcohol and controlled substances in order to protect the employee and the integrity of the testing process, to safeguard the validity of the test results, and to confirm the results are attributed to the correct employee, including post-accident information, procedures, and instructions required under Federal regulations;
- G. the requirement that staff members must submit to alcohol and controlled substance testing as required by the regulations;
- H. an explanation of what constitutes a refusal to be tested or alcohol or controlled substances and the attendant consequences;

- J. the consequences for employees found to have an alcohol concentration of 0.02 or greater but less than 0.04;
- K. information concerning the effects of alcohol and controlled substances use on an individual's health, work, and personal life; signs and symptoms of an alcohol and/or controlled substance problem (the employee's or a co-worker's); and available methods of intervening when a controlled substance and/or alcohol problem is suspected (including confrontation and how to refer someone to an Employee Assistance Program or to management);
- L. information regarding the requirement that certain personal information collected and maintained under Federal Law be reported to the Commercial Driver's License Drug and Alcohol Clearinghouse; and

- M. information indicating that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance, including alcohol, is prohibited on all school board property and at school-sponsored activities. Individuals are strictly prohibited from reporting to work or being on duty while under the influence of alcohol or a controlled substance.

These materials are to be distributed to each staff member upon being hired or transferred into a covered position thereafter. Each staff member must sign a statement certifying receipt of these materials. A staff member who refuses to sign the requisite statement shall be prohibited from performing any safety-sensitive functions. Each employee (and a labor organization representing Board employees) shall receive written notice of the availability of this information, and the identity of the Board's designated representative in charge of answering employee questions about the materials.

Return-to-Duty (Safety-Sensitive Positions)

~~Employees who are removed from performing safety-sensitive functions as a result of this policy must take and pass a return-to-duty test before returning to performing safety-sensitive functions. The return-to-duty test will not occur until after a Substance Abuse Professional (SAP) has determined that the employee has successfully complied with prescribed education and/or treatment. The employee must have a negative drug test result and/or an alcohol test with an alcohol concentration of less than 0.02 before resuming the performance of safety-sensitive duties. The employee will not be permitted to perform safety-sensitive functions until the start of the employee's next regularly scheduled duty period, but not less than twenty-four (24) hours following administration of the return-to-duty test.~~

~~Employees must also comply with the SAP's written follow-up testing plan, which will be administered by the District, or they will not be permitted to perform safety-sensitive duties.~~

~~Subject to any collective bargaining agreement or other legal requirements, employees who are eligible to return to performing safety-sensitive functions may not do so without the approval of the Superintendent.~~

Employees who are removed from performing safety-sensitive functions as a result of this policy must complete the Return-to-Duty ("RTD") process as required by the U.S. Department of Transportation ("DOT") regulations and their Federal Motor Carrier Safety Act ("FMCSA") Drug and Alcohol Clearinghouse status must be changed from "prohibited" to "not prohibited" before resuming safety-sensitive duties. The RTD process requires an evaluation by a qualified Substance Abuse Professional ("SAP"), successful compliance with the SAP's prescribed education and/or treatment program, and a follow-up evaluation by the SAP determining that the employee has complied with the program. The employee must then complete a DOT return-to-duty test and obtain a verified negative drug test result and/or an alcohol test result of less than 0.02 before being permitted to return to the performance of safety-sensitive functions.

In addition, employees must comply with the SAP's written follow-up testing plan, which will be administered by the District in accordance with DOT regulations. An employee who fails to comply with the follow-up testing plan will not be permitted to perform safety-sensitive duties.

Subject to any collective bargaining agreement or other legal requirements, employees who are otherwise eligible to resume safety-sensitive functions may not do so without the Superintendent's approval.

The Board shall annually notify each of its students and a parent or legal guardian of each of its students that all students are entitled to a personal curriculum. The annual notice shall include an explanation of what a personal curriculum is and state that if a personal curriculum is requested, the public school or public school academy will grant that request. - C. school or District exemption that certifies to the Board that good-faith efforts were made to assist the student or the student's parent/guardian in either completing the FAFSA or obtaining a District waiver.

The District shall exempt a student from the requirement to complete the FAFSA if any of the following are met:

- A. The student's parent or legal guardian, or the student if the student is eighteen (18) years of age or older, is an emancipated minor, or is an unaccompanied youth, has submitted a parental waiver (obtained by a standard form provided by MiLEAP) to the District exempting the student from completing the FAFSA.
- B. The student is unable to complete the FAFSA because of privacy concerns.
- C. All of the following are met:
 - 1. After a good-faith effort, the student's parent or legal guardian refuses to sign the parental waiver, is unresponsive, or cannot sign the parental waiver.
 - 2. The student is unable to complete the FAFSA as an independent student.
 - 3. The student agrees to opt out of completing the FAFSA.
 - 4. Other than the requirements in subsection (2) of Sec. 67f of Public Act 120 of 2024, the student is on track to graduate.

Revised Policy - Vol. 40, No. 1

5517.01 - BULLYING AND OTHER AGGRESSIVE BEHAVIOR TOWARD STUDENTS

It is the policy of the District to provide a safe and nurturing educational environment for all of its students.

The Board of Education recognizes that a school that is physically and emotionally safe and secure for all students and staff will be better able to promote good citizenship, increase attendance and engagement, and support academic achievement. The Board expects students and staff to conduct themselves in a manner that promotes positive relationships and school climate, with a proper regard for the rights and welfare of other students, school staff, volunteers, and contractors.

This policy protects all students from bullying/aggressive behavior regardless of the subject matter or motivation for such impermissible behavior.

Bullying or other aggressive behavior toward a student, whether by other students, staff, or third parties, including Board members, parents, guests, contractors, vendors, and volunteers, is strictly prohibited. This prohibition includes written, physical, verbal, and psychological abuse, including hazing, gestures, comments, threats, or actions, including electronically transmitted acts, to a student, which cause or threaten to cause bodily harm, reasonable fear for personal safety, or personal degradation.

Demonstration of appropriate behavior, treating others with civility and respect, and refusing to tolerate harassment or bullying is expected of administrators, faculty, staff, and volunteers to provide positive examples for student behavior.

This policy applies to all "at school" activities in the District, including activities on school property, in a school vehicle, or at any time or place where a child's imminent safety or over-all well-being may be at issue, and those occurring off school property, if the student or employee is at any school-sponsored, school-approved or school-related activity or function, such as field trips or athletic events where students are under the school's control, or where an employee is engaged in school business. Misconduct occurring outside of school may also be disciplined if it interferes with the school environment.

Notification

Notice of this policy will be annually circulated to and posted in conspicuous locations in all school buildings and departments within the District and discussed with students, as well as incorporated into the teacher, student, and parent/guardian handbooks. State and Federal rights posters on discrimination and harassment shall also be posted at each building. All new hires will be required to review and sign off on this policy and the related complaint procedure.

Parents or legal guardians of the alleged victim(s), as well as of the alleged aggressor(s), shall be promptly notified of any complaint or investigation, as well as the results of the investigation, to the extent consistent with student confidentiality requirements. A record of the time and form of notice or attempts at notice shall be kept in the investigation file.

To the extent appropriate and/or legally permitted, confidentiality will be maintained during the investigation process. However, a proper investigation will, in some circumstances, require the disclosure of names and allegations. Further, the appropriate authorities may be notified, depending on the nature of the complaint and/or the results of the investigation.

Reporting

~~The~~ No later than May 30, 2015, the District shall submit to the Department of Education a copy of this Policy.

The District shall report incidents of bullying to the Department of Education on an annual basis according to the form and procedures established by the Department of Education.

Should this Policy be amended or otherwise modified, the District shall submit a copy of the amended or modified Policy to the Department of Education no later than thirty (30) days after adopting the modification.

Implementation

The Superintendent is responsible to implement this policy, and may develop further guidelines not inconsistent with this policy. This policy is not intended to and should not be interpreted to interfere with legitimate free speech rights of any individual. However, the District reserves the right and responsibility to maintain a safe environment for students, conducive to learning and other legitimate objectives of the school program.

Procedure

Any student who believes ~~they have been or are~~ ~~he has been or is~~ the victim of bullying, hazing, or other aggressive behavior should immediately report the situation to the Principal or assistant principal. The student may also report concerns to a teacher or counselor who will be responsible for notifying the appropriate administrator or Board official. Complaints against the building principal should be filed with the Superintendent. Complaints against the Superintendent should be filed with the Board President.

A student may also submit a report or complaint to any of the above designated individuals through email, voicemail, regular mail, or by leaving a sealed note addressed to the individual at that person's office or desk. The student may submit a report or complaint anonymously, but this may affect the ability to fully investigate the matter when the complaining student is not available to provide additional information during the course of the investigation.

The identity of a student who reports bullying, hazing, or aggressive behavior, as well as those students who provide information during an investigation, will remain confidential to the extent possible and to the extent allowable by law. Only school personnel directly involved in the investigation of the complaint or responsible for remedying any violations will be provided access to the identity of the complaining student(s) and student witnesses, and then only to the extent necessary to effectively deal with the situation.

The identity of the student who files the report or complaint will not be voluntarily shared with the alleged perpetrator(s) or the witnesses unless the student (and ~~the student's~~ ~~his/her~~ parent/guardian) gives written permission to do so. Any investigation report will likewise not be voluntarily produced with the names of the reporting student(s) or witnesses. However, under certain circumstances, the District may be required by law to disclose the report and/or the student(s) name(s). Also, under certain circumstances, the identity of the reporting student may become obvious even without disclosure by school personnel.

Every student is encouraged, and every staff member is required, to report any situation that they believe to be aggressive behavior directed toward a student. Reports shall be made to those identified above. While reports may be made anonymously, formal disciplinary action may not be taken solely on the basis of an anonymous report without other corroborating evidence.

The Principal (or other designated administrator) shall promptly investigate and document all complaints about bullying, aggressive, or other behavior that may violate this policy. The investigation must be completed as promptly as the circumstances permit (x) and should be completed within three (3) school days [END OF OPTION] after a report or complaint is made.

If the investigation finds an instance of bullying or aggressive behavior has occurred, it will result in prompt and appropriate remedial action. This may include up to expulsion for students, up to discharge for employees, exclusion for parents, guests, volunteers, and contractors, and removal from any official position and/or a request to resign for Board

members. Individuals may also be referred to law enforcement or other appropriate officials.

If, during an investigation of a reported act of harassment, intimidation, and/or bullying/cyberbullying, the Principal or appropriate administrator believes that the reported misconduct may have created a hostile learning environment and may have constituted unlawful discriminatory harassment based on a Protected Class, the Principal will report the act of bullying and/or harassment to one (1) of the Anti-Harassment Compliance Officers so that it may be investigated in accordance with the procedures set forth in Policy 5517 - Anti-Harassment.

The individual responsible for conducting the investigation shall document all reported incidents and report all verified incidents of bullying, aggressive, or other prohibited behavior, as well as any remedial action taken, including disciplinary actions and referrals, to the Superintendent. The Superintendent shall submit a compiled report to the Board on an annual basis.

Non-Retaliation/False Reports

Retaliation or false allegations against any person who reports, is thought to have reported, files a complaint, participates in an investigation or inquiry concerning allegations of bullying or aggressive behavior (as a witness or otherwise), or is the target of the bullying or aggressive behavior being investigated, is prohibited and will not be tolerated. Such retaliation shall be considered a serious violation of Board policy, independent of whether a complaint of bullying is substantiated. Suspected retaliation should be reported in the same manner as bullying/aggressive behavior.

Making intentionally false reports about bullying/aggressive behavior for the purpose of getting someone in trouble is similarly prohibited and will not be tolerated. Retaliation and intentionally false reports may result in disciplinary action as indicated above.

Prevention/Training/ (x) Restorative Practices ~~OPTIONAL~~ END OF OPTION

The District shall provide a minimum of annual training for school employees and volunteers who have significant contact with students on school policies and procedures regarding bullying and harassment to help promote a positive school climate. Training will provide school employees with a clear understanding of their roles and responsibilities and the necessary skills to fulfill them. (Examples of appropriate trainings include, but are not limited to, age-appropriate strategies to prevent bullying; age-appropriate strategies for immediate, effective interventions to stop incidents; internet safety issues as they relate to cyberbullying; and fostering an understanding of and respect for diversity and difference).

☒ The Superintendent shall establish

~~() a Bullying Prevention Task Force.~~

☒ a program or other initiatives involving school staff, students, clubs or other student groups, administrators, volunteers, parents, law enforcement, community members, and other stakeholders, aimed at the prevention of bullying or other aggressive behavior.

- ~~A. are initiated by the victim;~~
- ~~B. are approved by the victim's parent or legal guardian or, if the victim is at least fifteen (15), by the victim;~~

The selected consequences and time limits for their completion will be incorporated into an agreement to be signed by all participants.~~

[END OF OPTION]

[x] The best discipline for aggressive behavior is designed to (1) support students in taking responsibility for their actions, (2) develop empathy, and (3) teach alternative ways to achieve the goals and solve problems that motivated the aggressive behavior. Staff members and volunteers who interact with students shall role model respectful behavior and apply best practices designed to prevent discipline problems and encourage students' abilities to develop self-discipline and make better choices in the future. School employees will also be held accountable for bullying or harassing behavior that is directed toward school employees, volunteers, parents, or students in accordance with law and local collective bargaining agreements.

Consequences and appropriate remedial actions for a student or staff member who engages in one (1) or more acts of bullying or harassment may range from positive behavioral interventions, up to and including suspension or expulsion, in the case of a student, or suspension or termination in the case of an employee, as set forth in the Board's approved Code of Student Conduct or Employee Handbook. School employees will also be held accountable for bullying or harassing behavior directed toward school employees, volunteers, parents, or students.

Consequences for a student who commits an act of bullying and harassment shall vary in method and severity according to the nature of the behavior, the developmental age of the student, and the student's history of problem behaviors and performance, and must be consistent with the Board's approved Code of Student Conduct. Remedial measures shall be designed to:

- A. correct the problem behavior;
- B. prevent another occurrence of the behavior; and
- C. protect the victim of the act.

Effective discipline should employ a school-wide approach to adopt a rubric of bullying offenses and the associated consequences.

[END OF OPTIONS]

Definitions

The following definitions are provided for guidance only. If a student or other individual believes there has been bullying, hazing, harassment, or other aggressive behavior, regardless of whether it fits a particular definition, the student or other individual/s/he should report it immediately and allow the administration to determine the appropriate course of action.

C. Accessibility of Web Content and Mobile Apps Website Accessibility

The District is committed to providing persons with disabilities an opportunity equal to that of persons without disabilities to participate in the District's programs, benefits, and services, including those delivered through electronic and information technology, except where doing so would impose an undue burden or create a fundamental alteration. The District is further committed to ensuring persons with disabilities are able to acquire the same information, engage in the same interactions, and enjoy the same benefits and services within the same timeframe as persons without a disability, with substantially equivalent ease of use; that they are not excluded from participation in, denied the benefits of, or otherwise subjected to discrimination in any District programs, services, and activities delivered online through the web or a mobile app, as required by Section 504 and Title II of the ADA and their implementing regulations; and that they receive effective communication of the District's programs, services, and activities delivered in-person or online.

This policy reflects the Board's commitment and intention to comply with the requirements of Section 504 of the Rehabilitation Act of 1973, 29 U.S.C. Section 794, 34 C.F.R. Part 104, Title II of the Americans With Disabilities Act of 1990, 42 U.S.C. Section 12131, and 28 C.F.R. Part 35 in all respects. For purposes of this policy, "web content" means "information and sensory experience to be communicated to the user by means of a user agent, including code or markup that defines the content's structure, presentation, and interactions." Examples of web content include text, images, sounds, videos, controls, animations, and conventional electronic documents (e.g., content in the following electronic file formats: portable document formats ("PDF"), word processor file formats, presentation file formats, and spreadsheet file formats). Additionally, "mobile applications" ("mobile apps") means "software applications that are downloaded and designed to run on mobile devices, such as smartphones and tablets."

1. Technical Standards

Web content and mobile apps that the District provides and/or makes available, directly or through contractual, licensing or other arrangements, shall comply with the World Wide Web Consortium's Web Content Accessibility Guidelines ("WCAG") 2.1, Level AA standards, unless the Board can demonstrate that such compliance would result in a fundamental alteration in the nature of its programs, services, or activities, or an undue financial and administrative burden. The District will adhere to the technical standards of compliance identified at: [insert link to District website]. The District measures the accessibility of online content and functionality according to the World Wide Web Consortium's (W3C's) Web Content Accessibility Guidelines (WCAG) 2.0 Level _____, and the Web Accessibility Initiative - Accessible Rich Internet Applications Suite (WAI ARIA 1.1) for web content. (-) [insert another acceptable standard selected by the District - e.g., the Section 508 Information and Communication Technology Accessibility Standards published by the U.S. Access Board, which serves as the standards the Federal government uses for its own websites.

[DRAFTING NOTES:

(1) Districts with a population of 50,000 or more residents must fully comply with WCAG 2.1,

Level AA standards by April 24, 2026; Districts with fewer than 50,000 residents must fully comply with WCAG 2.1, Level AA standards by April 26, 2027.

(2) While the Department of Justice's Final Rule allows public entities to employ alternative designs, methods, or techniques if they provide equivalent or greater accessibility and usability, Neola does not recommend that approach. If a board wants to consider an alternative technical standard, it should consult with its legal counsel. While OCR currently (as of December 2022) recommends WCAG 2.0 Level AA, WCAG 2.1 is gradually becoming the standard courts cite as the ADA accessibility standard that public entities should use for websites, mobile applications, and digital content compliance. Further, W3C published a working draft of WCAG 2.2 in August 2020 and a Candidate Recommendation draft of WCAG 2.2 in September 2022; a final version of WCAG 2.2 is expected to be released in early 2023. The W3C states that WCAG 2.0 and 2.1 remain its recommendation, but version 2.2 should be used to maximize future applicability of accessibility efforts. The W3C also encourages the use of the most current version of WCAG when developing or updating Web accessibility policies.] [END OF DRAFTING NOTES]

Notwithstanding the preceding, Federal regulations provide for the following content types to have limited exemption from the WCAG 2.1, Level AA requirements:

- a. Archived web content (provided all four (4) Federal criteria are met).
- b. Preexisting conventional electronic documents (with specific restrictions).
- c. Third party content that is not created pursuant to a contract between the Board and a third party.
- d. Password-protected documents pertaining to a specific student or account.
- e. Preexisting social media posts.

Even when the preceding exceptions apply, the District, however, will still provide effective communication and reasonable modifications in accordance with the ADA.

In addition, documents currently used for accessing District programs, services, programs, or activities do not qualify for the above exceptions, regardless of creation date.

When a person with a disability cannot access District-generated or affiliated web content or mobile apps that meet WCAG 2.1, Level AA standards, the District will: (1) provide alternate means of access to the same information and functionality; (2) make reasonable modifications to policies, practices, or procedures; (3) ensure effective communication through appropriate auxiliary aids and services; and (4) respond to accommodation requests within five (5) [insert timeframe] business days. Such accommodations may include: (a) alternative document formats (large print, Braille, audio); (b) telephone or in-person assistance for online services; and/or (c) email or mail delivery of information typically accessed online.

3. Third Party Content

Links included on the Board's website(s) and District-approved/affiliated mobile apps that pertain to its programs, activities, or web services and apps that pertain to its programs, benefits, and/or services must also meet the above criteria and comply with State and Federal law (e.g. copyright laws, CIPA, Section 504, ADA, SOPPA, and COPPA). The District's Digital Accessibility Coordinator(s) or designee(s) will vet online content available on the Board's website and through District-approved/affiliated mobile apps that are related to the District's programs, activities, and/or services for compliance with this criteria for all new content published on the District's website and mobile apps after adoption of this policy. While the District strives to provide access through its website to online content provided or developed by third parties (including vendors, video sharing websites, and other sources of online/digital content) that is in an accessible format, that is not always feasible. The District's administrators and staff, however, are aware of this requirement with respect to the selection of online content provided to students. The District's Web Accessibility Coordinator(s) or designee will vet online content available on its website(s), apps, and services that are related to the District's programs, benefits, and/or services for compliance with this criteria for all new content published on the District's website(s), apps, and services after adoption of this policy.

Content posted by third parties (e.g., members of the public) on District platforms is exempt from the WCAG 2.1, Level AA requirements. Those platforms, however, along with content posted by the District staff or contractors, must be fully compliant.

Additionally, nothing herein ~~Nothing in the preceding paragraph, however,~~ shall prevent the District from including links on its website(s) and apps/services to the Board's website(s), apps, and services to:

- a. recognized news/media outlets (e.g., local newspapers' websites, local television stations' websites); or
- b. websites, services, and/or apps that are developed and hosted by outside vendors or organizations that are not part of the District's program, benefits, or services.

The Board recognizes that such third party websites may contain advertisements that are not age-appropriate or consistent with the requirements of Policy 9700.01, AG 9700B, and State and Federal law.

4. Regular Audits

Revised Policy - Vol. 40, No. 1

8300 - CONTINUITY OF ORGANIZATIONAL OPERATIONS PLAN

The Board of Education shall develop and implement a Continuity of Organizational Operations Plan ("COOP") to enable it to conduct, if necessary, essential functions and critical services and operations (e.g., teaching and learning, transportation, business services, communication, computer/network systems support, facilities, maintenance, and safety and security) under all hazards/conditions. The District's COOP shall be (x) consistent with () a component of ~~[END OF OPTIONS]~~ the District's School Safety Emergency Management Plan (see Policy 8400 - School Safety Information and Policy 8402 - Emergency Operations Plan). Having a plan to recover from any type of crisis/emergency/disaster, regardless of its severity or the consequences of the incident/event, strengthens the District's resilience so it can operate with minimal impact on its primary mission/responsibility to educate the students enrolled in the District, involves teaching and learning, personnel, facilities, technology, transportation, food service, and other functional resources. ~~The Continuity of Organizational Operations Plan (COOP) provides the District with the capability of conducting its essential operations under all threats and conditions, with or without warning. Having a plan to recover from any type of disaster regardless of the severity and consequences of the emergency is critical to the recovery of operations and minimizing the impact on the District's teaching and learning, personnel, facilities, technology, transportation, food service, and other functional resources.~~

Scope of the Continuity Plan

The primary objective of the COOP is to restore the District's critical operational/business functions and the learning environment as quickly as possible after a crisis/emergency/disaster or threat event occurs. [] The COOP shall include strategies aimed at resuming instruction and crucial business functions within () [ENTER AMOUNT] () days () hours ~~[END OF INTERNAL OPTIONS] [DRAFTING NOTE: Select a time period in which to restart district essential operations — e.g., two (2) school days, five (5) business days, forty-eight (48) hours.]~~ of the disruption, along with procedures to implement secure remote work and instruction in a crisis/emergency/disaster, identify alternative sites and technology redundancy, and provide incident response integration with the District's cybersecurity incident management protocols. ~~[END OF OPTIONAL SENTENCE]~~

The District will use the following process to achieve essential function resilience (i.e., business and learning continuity):

- A. identify essential functions;
- B. determine planning factors needed to accomplish the essential functions (e.g., staff and organization, equipment and systems, information and data, sites);
- C. conduct risk assessments for each planning factor; and

D. Identify and implement continuity options.

Because the COOP contains sensitive information, by law, it functions and the learning environment as quickly as possible after a crisis or threat event occurs. A COOP contains critical and sensitive information that is confidential and exempt from public disclosure.

Planning for the continuity of operations of a school system in the aftermath of a disaster is a complex task. The current threat environment and recent emergencies, including acts of nature, accidents, technological emergencies, cybersecurity incidents (including data breaches, ransomware, and denial of service attacks), and terrorist threats and attacks, cyberattacks, and terrorist attacks and threats, have increased the need for viable continuity capabilities and plans that enable the District to resume and continue the essential functions in an all-hazards environment across a full spectrum of crises/emergencies/disasters. emergencies. Such conditions have increased the importance of having continuity plans in place that provide stability of essential functions across the various levels of public government and private enterprises.

The planning and development of continuity of an organizational operations plan, as well as the ongoing review, testing, and revision of such a plan, is important for the overall District ~~() as well as and also for each school () and department in the District~~ **[END OF OPTIONS]**. **[DRAFTING NOTE: While the preceding optional language is true, they do not need to be included if a district wants to simply state that its COOP is important to the district as a whole. The following sentence, however, is not optional and emphasizes the necessity for individual schools and departments to have individualized continuity of operation plans in place to address their unique needs and circumstances.]** Each school and operational department (e.g., transportation, information technology ("IT"), food service, and student services) shall maintain a site/department-specific COOP aligned with the District-wide COOP. The site/department-specific COOPs are subject to annual submission to, and review by, the Superintendent.

The District-wide plan describes how the District will respond as a total organization to a given emergency and describes the centralized resources and how they will be organized to implement the command and control necessary to function during the life cycle of the event. Individual school and department plans shall contain the details related to the continuity plan for those specific sites and functional areas to prepare for an incident/event, communicate throughout the duration of the incident/event, assess the impact of the incident/event on essential functions in the school/department, respond to the incident/event, and detail what will be done to recover from the incident/event. ~~contain the details related to the continuity plan for those specific sites and functional areas to prepare for an event, communicate throughout the duration of an event, assess the impact of an event on essential functions in the unit, respond to the event, and detail what will be done to recover from the event.~~

The COOP shall account for the needs of all students and staff, including individuals with disabilities, English learners, and students requiring health and/or behavioral supports in compliance with the Individuals with Disabilities Education Improvement Act ("IDEA"), Section 504 of the Rehabilitation Act of 1973 ("Section 504"), and the Americans with Disabilities Act ("ADA").

Preparation for, response to, and recovery from a disaster affecting administrative, educational, and support functions of the District's operations requires the cooperative efforts of external organizations, in partnership with the functional areas supporting the business of the District. This includes local government agencies, law enforcement, emergency management, medical services, and vendors necessary to District operations. The COOP outlines and coordinates all efforts by the District, in cooperation with other local and State agencies and businesses, to restore the essential functions of the District ~~post-incident/event. post-disaster.~~

The Superintendent shall provide that all relevant staff receive ~~() annual~~ (x) periodic **[END OF OPTIONS]** training on their roles in the COOP.

Key components of the COOP shall be communicated to employees, students, and families as appropriate.

The Superintendent shall develop and recommend the COOP for Board review and approval; however, the COOP shall be considered a confidential document not subject to release under State public records laws, and accordingly, no copies shall be provided for public review.

The Superintendent shall conduct an annual review of and update to, as necessary, the COOP. Additionally, the Superintendent shall conduct annual table-top exercises to assess the expected effectiveness of the COOP and after-action reviews post-incident/event. See Policy 8400 – School Safety Information and Policy 8402 – Emergency Operations Plan (which discusses the conduct of annual emergency management tests). ~~The Superintendent shall conduct () an annual () a periodic~~ **[END OF OPTION]** review of the COOP.

The District collects, classifies, and retains data/information from and about students, staff, vendors/contractors, and other individuals, about programs and initiatives undertaken by the school system, and about and related to the business of the District. This data/information may be in hard copy or digital format and may be stored in the District or off-site with a third party provider.

Data/Information collected by the District shall be classified as Confidential, Controlled, or Published. **The Superintendent shall define "Confidential," "Controlled," and "Published" in administrative guidelines and provide examples of data/information in each classification.** Data/Information will be considered Controlled until identified otherwise.

Protecting District Information Resources (as defined in Bylaw 0100) is of paramount importance. Information security requires everyone's active participation to keep the District's data/information secure. This includes Board of Education members, staff members/employees, students, parents, contractors/vendors, and visitors who use District Information & Technology Resources (as defined in Bylaw 0100). **If an employee suspects, discovers, and/or determines that a security breach has occurred, the employee shall promptly notify the employee's immediate supervisor and the Superintendent. The employee should follow up their oral notification in writing. The Superintendent will determine and implement the steps necessary to correct the unauthorized access and, as applicable, provide notification to those individuals whose personal information may have been compromised.**

Staff members, and individuals associated with the District through their affiliation with a District contractor/vendor. ~~Individuals~~ who are granted access to data/information collected and retained by the District must follow established procedures so that the data/information is protected and preserved. Board members, administrators, and all District staff members (), as well as contractors, vendors, and their employees, **[END OF OPTION]** granted access to data/information retained by the District are required to certify annually that they shall comply with the established information security protocols pertaining to District data/information. Further, all **persons granted access by the District.** ~~Individuals granted access~~ to Confidential Data/Information retained by the District must certify annually that they will comply with the information security protocols pertaining to Confidential Data/Information. **For staff members, completing** ~~Completing~~ the appropriate section of the Staff Technology Acceptable Use and Safety form (Form 7540.04 F1) shall provide this certification.

All Board members, staff members/employees, students, contractors/vendors, and visitors who have access to Board-owned or managed data/information must maintain the security of that data/information and the District Technology Resources on which it is stored. **The Superintendent shall conduct an annual risk assessment related to the access and security of the District's Data/Information. Further, the District will maintain audit logs for access to Confidential Data/Information and regularly review such logs to detect unauthorized activity.**

District information security procedures shall comply with applicable Federal and State law including, but not limited to, the Family Educational Rights and Privacy Act ("FERPA"), Protection of Pupil Rights Amendment ("PPRA"), and Children's Online Privacy Protection Act ("COPPA") regarding data breaches.

If an individual has any questions concerning whether this Policy and/or its related administrative guidelines apply to them or how they apply to them, the individual should contact the District's Technology Director or Information Technology Department/Office.

The Superintendent shall develop administrative guidelines that set forth the internal controls necessary to provide for the collection, classification, retention, access, and security of District Data/Information.

Further, the Superintendent is charged with developing a program and/or procedures that can be implemented in the event of a cybersecurity incident, whether it involves an inadvertent or intentional unauthorized release or breach of data/information. The program/procedures shall comply with the District's legal requirements as delineated below. In particular, in the event of a breach involving personally identifiable information, the District shall notify affected individuals and/or government officials in accordance with State and Federal law. ~~Further, the Superintendent is charged with developing procedures that can be implemented in the event of an unauthorized release or breach of data/information. These procedures shall comply with the District's legal requirements if such a breach of personally identifiable information occurs.~~

Cybersecurity incident" means any of the following:

- A. A substantial loss of confidentiality, integrity, or availability of a covered entity's information system or network;
- B. A serious impact on the safety and resiliency of a covered entity's operational systems and processes;
- C. A disruption of a covered entity's ability to engage in business or industrial operations, or deliver goods or services; or
- D. Unauthorized access to an entity's information system or network, or nonpublic information contained therein, that is facilitated through or is caused by:
 - 1. a compromise of a cloud service provider, managed service provider, or other third party data hosting provider; or
 - 2. a supply chain compromise.

"Cybersecurity incident" does not include mere threats of disruption as extortion; events perpetrated in good faith in response to a request by the system owner or operator; or lawfully authorized activity of a United States, State, local, tribal, or territorial government entity.

"Ransomware incident" means a malicious cybersecurity incident in which a person or entity introduces software that gains unauthorized access to or encrypts, modifies, or otherwise renders unavailable a political subdivision's information technology systems or data and thereafter, the person or entity demands a ransom to prevent the publication of the data, restore access to the data, or otherwise remediate the impact of the software.

Cybersecurity Program

The District's cybersecurity program shall be designed to safeguard the District's data, information technology, and information technology resources to ensure availability, confidentiality, and integrity. The program shall be consistent with generally accepted best practices for cybersecurity, such as the National Institute of Standards and Technology's cybersecurity framework and the Center for Internet Security's cybersecurity best practices, and may include, but is not limited to, the following:

- A. Identify and address the critical functions and cybersecurity risks facing the District.
- B. Identify the potential impacts of a cybersecurity breach.
- C. Specify mechanisms to detect potential threats and cybersecurity events.
- D. Specify procedures for the District to establish communication channels, analyze incidents, and take actions to contain cybersecurity incidents.

- E. Establish procedures for the repair of infrastructure impacted by a cybersecurity incident and the maintenance of security after the incident.
- F. Establish cybersecurity training requirements for all Board employees; the frequency, duration, and detail of which shall correspond to the duties of each employee. **[DRAFTING NOTE: Annual cybersecurity training provided by the State, and training provided by _____ will satisfy this requirement.]**

[x] It is the policy of the Board – if the District is experiencing a ransomware incident - not to pay or otherwise comply with a ransom demand unless the Board formally adopts a resolution to approve such a payment or compliance with the ransom demand. If that occurs, the resolution will specifically state why the payment or compliance with the ransom demand is in the District's best interest. **[END OF OPTION]**

[DRAFTING NOTE: The Board need not include this option in its policy, but action consistent with this statement is required by law.]

Following a cybersecurity incident or ransomware incident, the Superintendent shall notify:

- A. The Executive Director of the Division of Homeland Security within the Department of Public Safety, as soon as possible, but not later than seven (7) days after the District discovers the incident.
- B. The Auditor of State, as soon as possible, but not later than thirty (30) days after the District discovers the incident.

Any records, documents, or reports related to the District's cybersecurity program and framework, along with the reports of a cybersecurity incident or ransomware incident addressed in the preceding paragraph, are not public records. Similarly, a record identifying cybersecurity-related software, hardware, goods, and services that are being considered for procurement, have been procured, or are being used by the District, including the vendor name, product name, project name, or project description, is a security record.

All staff members (x) and contractors **[END OF OPTION]** with access to Controlled and/or Confidential Data/Information must complete ~~(-) annual~~ **[END OF OPTION]** training on data privacy, information security practices (e.g., internal controls applicable to the data/information that they collect and have access to and for which they are responsible for the security protocols), and breach response protocols. ~~The Superintendent shall require staff members to participate in training related to the internal controls applicable to the data/information that they collect and have access to and for which they are responsible for the security protocols.~~

Third party contractors/vendors who require access to Confidential Data/Information collected and retained by the District will be informed of relevant Board policies that govern access to and use of Information Resources, including the duty to safeguard the confidentiality of such data/information. Additionally, all contracts with third party contractors/vendors (e.g., technology providers) who access District Data/Information shall include provisions addressing data security, breach notification, data ownership, confidentiality, and destruction upon termination. Further, a contract between a technology provider and the District shall ensure appropriate security safeguards for education records and includes the following:

- A. a restriction on unauthorized access by the technology provider's employees or contractors;
- B. a requirement that the technology provider's employees or contractors may be authorized to access education records only as necessary to fulfill the official duties of the employee or contractor; and
- C. a stipulation that the District owns the data/information.

Failure to adhere to this Policy and its related administrative guidelines may put data/information collected and retained by the District at risk. Employees who violate this policy and/or its related administrative guidelines may be disciplined, up to and including termination of employment and/or referral to law enforcement. Students who violate this Policy and/or its related administrative guidelines will be disciplined, up to and including expulsion and/or referral to law enforcement. **[]** Contractors/Vendors who violate this Policy and/or its related administrative guidelines may face termination of their business relationships with and/or legal action by the District. **[END OF OPTION]** Parents and visitors who violate this Policy and/or its related administrative guidelines may be denied access to the District's Information & Technology Resources.

At least annually, the Superintendent shall conduct ~~an (-) an annual (-) a periodic~~ **[END OF OPTION]** assessment of risk related to the access to and security of the data/information collected and retained by the District.

Technical Correction Policy - Vol. 40, No. 1

2260.01 - SECTION 504/ADA PROHIBITION AGAINST DISCRIMINATION BASED ON DISABILITY

Pursuant to Section 504 of the Rehabilitation Act of 1973 ("Section 504"), the Americans with Disabilities Act of 1990, as amended ("ADA") and the implementing regulations (collectively "Section 504/ADA"), no otherwise qualified individual with a disability shall, solely by reason of **the individual's** disability, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance. The Board of Education does not discriminate in admission or access to, or participation or treatment in its programs or activities. As such, the Board's policies and practices will not discriminate against students with disabilities and the Board will make its facilities, programs, and activities accessible to qualified individuals with disabilities. No discrimination will be knowingly permitted against any individual with a disability on the sole basis of that disability in any of the programs, activities, policies, and/or practices in the District.

"An individual with a disability" means a person who has, had a record of, or is regarded as having a physical or mental impairment that substantially limits one (1) or more major life activities. Major life activities are functions such as caring for one's self, performing manual tasks, walking, seeing, hearing, eating, sleeping, standing, lifting, bending, speaking, breathing, learning, reading, concentrating, thinking, communicating, and working.

Major life activities also include the operation of a major bodily function, including, but not limited to, functions of the immune system, normal cell growth, digestive, bowel, bladder, neurological, brain, respiratory, circulatory, endocrine, and reproductive functions.

An impairment that is episodic in nature or in remission is considered a disability if it would substantially limit a major life activity when active.

The determination of whether an impairment substantially limits a major life activity must be made without regard to the ameliorative effects of mitigating measures such as medication, medical supplies, equipment or appliances, low-vision devices (not including ordinary eyeglasses or contact lenses), prosthetics (including limbs and devices), hearing aids and cochlear implants or other implantable hearing devices, mobility devices, oxygen therapy equipment or supplies, assistive technology, reasonable accommodations or auxiliary aids or services, or learned behavioral or adaptive neurological modifications.

With respect to public preschool, elementary, and secondary educational services, a qualified person with a disability means a disabled person:

- A. who is of an age during which nondisabled persons are provided educational services;

B. who is of any age during which it is mandatory under Michigan law to provide educational services to disabled persons; or

C. to whom the State is required to provide a free appropriate public education pursuant to the Individuals with Disabilities Education Improvement Act ("IDEA").

With respect to vocational education services, a qualified person with a disability means a person with a disability who meets the academic and technical standards requisite to admission or participation in the vocational program or activity. The Board will not deny a student with disabilities access to its vocational education programs or courses due to architectural and/or equipment barriers, or because the student needs related aids or services to receive an appropriate education.

Compliance Officer(s)

The Board designates the following individual(s) to serve as the District's 504 Compliance Officer(s)/ADA Coordinator(s) (hereinafter referred to as the "District Compliance Officer(s)"):

[DRAFTING NOTE: Neola suggests the Board appoint both a male and a female District Compliance Officer in order to provide complainants with the option to report their concerns to an individual of the gender with which they feel most comfortable. Additionally, by appointing two (2) District Compliance Officers, there should always be a Compliance Officer available to investigate a claim that pertains to the other Compliance Officer.]

Building Principals shall serve as Building Section 504/ADA Compliance Officer(s) ("Building Compliance Officer(s)").

The District Compliance Officer(s) ~~()~~ is ☒ are responsible for coordinating the District's efforts to comply with and fulfill its responsibilities under Section 504 and Title II of the ADA. A copy of Section 504 and the ADA, including copies of the implementing regulations, may be obtained from the District Compliance Officer(s).

The District Compliance Officer(s) will oversee the investigation of any complaints of discrimination based on disability, which may be filed pursuant to the Board's adopted internal complaint procedure, and will attempt to resolve such complaints.

The Board will provide for the prompt and equitable resolution of complaints alleging violations of Section 504/ADA. See below. The Board will further establish and implement a system of procedural safeguards in accordance with Section 504, including the right to an impartial due process hearing. See AG 2260.01B.

Training

The District Compliance Officer(s) will also oversee the training of employees in the District so that all employees understand their rights and responsibilities under Section 504 and the ADA, and are informed of the Board's policies, administrative guidelines, and practices with respect to fully implementing and complying with the requirements of Section 504/ADA.

The Board will provide in-service training and consultation to staff responsible for the education of persons with disabilities, as necessary and appropriate.

Facilities

No qualified person with a disability will, because the District's facilities are inaccessible to or unusable by persons with disabilities, be denied the benefits of, be excluded from participation in, or otherwise be subjected to discrimination under any program or activity to which Section 504/ADA applies.

For facilities constructed or altered after June 3, 1977, the District will comply with applicable accessibility standards. For those existing facilities constructed prior to June 3, 1977, the District is committed to operating its programs and activities so that they are readily accessible to persons with disabilities. This includes, but is not limited to, providing accommodations to parents with disabilities who desire access to their child's educational program or meetings pertinent thereto. Programs and activities will be designed and scheduled so that the location and nature of the facility or area will not deny a student with a disability the opportunity to participate on the same basis as students without disabilities.

Education

The Board is committed to identifying, evaluating, and providing a free appropriate public education ("FAPE") to students within its jurisdiction who have a physical or mental impairment that substantially limits one (1) or more major life activities, regardless of the nature or severity of their disabilities.

An appropriate education may include regular or special education and related aids and services to accommodate the unique needs of students with disabilities. For students with disabilities who are not eligible for specially designed instruction under the IDEA, the special education and related aids and services (including accommodations/modifications/interventions) they need in order to have their needs met as adequately as the needs of nondisabled students are met, shall be delineated, along with their placement, in a Section 504 Plan (Form 2260.01A F13). Parents/guardians/custodians ("parents") are invited and encouraged to participate fully in the evaluation process and development of a Section 504 Plan. The quality of education services provided to students with disabilities will be equal to the quality of services provided to students without disabilities.

The Board is committed to educating (or providing for the education of) each qualified person with a disability, who resides within the District, with persons who are not disabled to the maximum extent appropriate. Generally, the District will place a person with a disability in the regular educational environment unless it is demonstrated that the education of the person in the regular environment, even with the use of supplementary aids and services, cannot be achieved satisfactorily. If the District places a person in a setting other than the regular educational environment, it shall take into account the proximity of the alternate setting to the person's home. If the Board operates a separate class or facility that is identifiable as being for persons with disabilities, the facility, program, and activities and services must be comparable to the facilities, programs, and activities and services offered to students without a disability.

The District will provide non-academic extracurricular services and activities in such a manner as is necessary to afford qualified persons with disabilities an equal opportunity for participation in such services and activities. Non-academic and extracurricular services and activities may include counseling services, physical recreational athletics, transportation, health services, recreational activities, special interest groups or clubs sponsored by the District, referrals to agencies that provide assistance to persons with disabilities, and employment of students. In providing or arranging for the provision of meals and recess periods, and non-academic and extracurricular services and activities, including those listed above, the District will verify that persons with disabilities participate with persons without disabilities in such services and activities to the maximum extent appropriate.

Notice

Notice of the Board's policy on nondiscrimination in education practices and the identity of the District's Compliance Officer(s) will be published on the District's website, posted throughout the District, and included in the District's recruitment statements or general information publications.

Complaint Procedures

If a person believes that ~~they have~~/he has been discriminated against on the basis of ~~his/her~~ disability, the person may utilize the following complaint procedures as a means of reaching, at the lowest possible administrative level, a prompt and equitable resolution of the matter.

In accordance with Section 504 of the Rehabilitation Act of 1973 and its implementing regulations ("Section 504"), parents and students will be notified of their right to file an internal complaint regarding an alleged violation, misinterpretation, or misapplication of Section 504. In addition, students and their parents will be notified of their right to file a complaint with the U.S. Department of Education's Office for Civil Rights. Finally, students and parents will be advised of their right to request a due process hearing before an Impartial Hearing Officer ("IHO") regarding the identification, evaluation, or educational placement of persons with disabilities, including the right to participation by the student's parents or guardian and representation of counsel, and their right to examine relevant education records.

Internal complaints and requests for due process hearings must be put in writing and must identify the specific circumstances or areas of dispute that have given rise to the complaint or the request for a hearing, and offer possible solutions to the dispute. The complaint or request for a due process hearing must be filed with a District Compliance Officer within specified time limits. The District's Compliance Officer(s) is available to assist individuals in filing a complaint or request.

Unless expressly stated otherwise, the term "day" or "days" as used in this policy means business day(s) (i.e., a day(s) that the Board office is open for normal operating hours, Monday–Friday, excluding State-recognized holidays).

Internal Complaint Procedures

An internal complaint may be filed by a student and/or parent. A student and/or parent may initiate the internal complaint procedure when ~~the student and/or parents~~/he/they believe that a violation, misapplication, or misinterpretation of Section 504 has occurred. Additionally, the following procedure may be used for any disagreement with respect to actions regarding the identification, evaluation, or educational program or placement of students who are identified as disabled or believed to be disabled pursuant to Section 504 and are not eligible under the IDEA, except in the case of disciplinary actions where the provisions of the Student Code of Conduct apply. Use of the internal complaint procedure is not a prerequisite to the pursuit of other remedies, including the filing of a complaint with the U.S. Department of Education's Office for Civil Rights or requesting a due process hearing.

Step 1

Investigation by the Building Compliance Officer: A student or parent may initiate an investigation by filing a written internal complaint with the Building Compliance Officer. The complaint should fully describe the circumstances giving rise to the dispute and how the child is adversely affected. The complaint must be filed as soon as possible, but not longer than

thirty (30) days after disclosure of the facts giving rise to the complaint. The Building Compliance Officer shall conduct an impartial investigation of the complaint. As part of the investigation, the Building Compliance Officer shall permit the complainant to present witnesses and other evidence in support of the complaint. The investigation shall be completed within fifteen (15) days of the written complaint being filed. The Building Compliance Officer will notify the complainant in writing of ~~the~~his/her decision.

Step 2

Appeal to the District Compliance Officer: If the complaint is not resolved satisfactorily at Step 1, the student or parent may appeal the Building Compliance Officer's decision in writing to the District Compliance Officer. The appeal must be made within five (5) days following receipt of the Building Compliance Officer's decision. The District Compliance Officer will review the case, may conduct an informal hearing, and will notify all parties in writing of ~~their~~his/her decision within ten (10) days of receiving the appeal.

Step 3

If the complaint is not resolved satisfactorily at Step 2, the student or parent may request a due process hearing, provided the complaint involves an issue related to the identification, evaluation, or placement of the student.

If it is determined that the Complainant was subjected to unlawful discrimination, the Building and District Compliance Officers must identify what corrective action will be taken to stop, remedy, and prevent the recurrence of the discrimination/retaliation. The corrective action should be reasonable, timely, age-appropriate, and effective, and tailored to the specific situation.

OCR Complaint

At any time, if a student or parent believes that ~~the student or parents/he~~ has been subjected to discrimination based upon ~~his/her~~ disability in violation of Section 504 or the ADA, the individual may file a complaint with the U.S. Department of Education's Office for Civil Rights ("OCR"). Retaliation

Retaliation against a person who makes a report or files a complaint alleging unlawful discrimination/retaliation or participates as a witness in an investigation is prohibited. Neither the Board nor any other person may intimidate, threaten, coerce or interfere with any individual because the person opposed any act or practice made unlawful by Section 504 or the ADA, or because that individual made a report, formal complaint, testified, assisted, or participated or refused to participate in any manner in an investigation, proceeding, or hearing under those laws and/or this policy, or because that individual exercised, enjoyed, aided or encouraged any other person in the exercise or enjoyment of any right granted or protected by those laws and/or this policy.

Retaliation against a person for making a report of discrimination, filing a formal complaint, or participating in an investigation or meeting is a serious violation of this policy that can result in the imposition of disciplinary sanctions/consequences and/or other appropriate remedies.

Formal complaints alleging retaliation may be filed according to the internal complaint process set forth above.

The exercise of rights protected under the First Amendment of the United States Constitution does not constitute retaliation prohibited under this policy.

The Board also does not discriminate on the basis of Protected Classes in its employment policies and practices as they relate to students, and does not tolerate harassment of any kind.

Equal educational opportunities shall be available to all students, without regard to the Protected Classes, age (unless age is a factor necessary to the normal operation or the achievement of any legitimate objective of the program/activity), place of residence within the boundaries of the District, or social or economic background, to learn through the curriculum offered in this District. Educational programs shall be designed to meet the varying needs of all students.

In order to achieve the aforesaid goal, the Superintendent shall:

A. Curriculum Content

2. verify that facilities are made available, in accordance with Board Policy 7510 - Use of School Facilities, for non-curricular student activities that are initiated by parents or other members of the community including, but not limited to, any group affiliated with the Boy Scouts of America or any other youth group listed in Title 36 of the United States Code as a patriotic society;

This language does not prohibit the District from establishing and maintaining a single-gender school, class, or program within a school if a comparable school, class, or program is made available to students of each gender.

D. District Support

verify that like aspects of the District program receive like support as to staff size and compensation, purchase and maintenance of facilities and equipment, access to such facilities and equipment, and related matters;

E. Student Evaluation

verify that tests, procedures, or guidance and counseling materials, which are designed to evaluate student progress, rate aptitudes, analyze personality, or in any manner establish or tend to establish a category by which a student may be judged, are not differentiated or stereotyped on the basis of Protected Classes.

Confirmation of disability, need for a service animal to access the school programming, and current certification/training of the service animal may be required.

The CO(s) ~~()~~ is (☒) are **[END OF OPTION]** responsible for coordinating the District's efforts to comply with applicable Federal and State laws and regulations, including the District's duty to address in a prompt and equitable manner any inquiries or complaints regarding discrimination, retaliation, or denial of equal access. The COs shall also verify that proper notice of nondiscrimination for Title II of the Americans with Disabilities Act (as amended), Title VI and VII of the Civil Rights Act of 1964, Section 504 of the Rehabilitation Act of 1973 (as amended), and the Age Discrimination Act of 1975 is provided to students, their parents, staff members, and the general public. A copy of each of the Acts and regulations on which this notice is based may be found in the CO's office.

The Superintendent shall annually attempt to identify children with disabilities, ages zero (0) to twenty-five (25), who reside in the District but do not receive public education.

The Board is committed to educating (or providing for the education of) each qualified person with a disability, with persons who are not disabled, to the maximum extent appropriate. Generally, the District will place a person with a disability in the regular educational environment unless it is demonstrated that the education of the person in the regular environment, even with the use of supplementary aids and services, cannot be achieved satisfactorily. If the Board operates a separate class or facility that is identifiable as being for persons with disabilities, the facility, program, and activities and services must be comparable to the facilities, programs, and activities and services offered to students without a disability.

In addition, the Superintendent shall establish procedures to identify students who are Limited English Proficient ("LEP"), including immigrant children and youth, to assess their ability to participate in District programs, and develop and administer a program that meets the English language and academic needs of these students. This program shall include procedures for student placement, services, evaluation, and exit guidelines and shall be designed to provide students with effective instruction that leads to academic achievement and timely acquisition of proficiency in English. As a part of this program, the District will evaluate the progress of students in achieving English language proficiency in the areas of listening, speaking, reading, and writing on an annual basis (also see Policy 2225). The Superintendent is responsible for verifying that a concentration of students who are Limited English Proficient ("LEP") in one (1) or more programs is not the result of discrimination.

Reports and Complaints of Unlawful Discrimination and Retaliation

Students and Board employees are required, and all other members of the School District community and Third Parties are encouraged, to promptly report incidents of unlawful discrimination and/or retaliation to a teacher, administrator, supervisor, or other District official so that the Board may address the conduct. Any teacher, administrator, supervisor, or other District employee or official who receives such a complaint shall file it with a CO within two (2) days.

Members of the School District community, which includes students and Third Parties, who believe they have been unlawfully discriminated/retaliated against, are entitled to utilize the complaint process set forth below. Initiating a complaint, whether formally or informally, will not adversely affect the Complainant's employment or participation in educational or extra-curricular programs. While there are no time limits for initiating complaints under this policy, individuals should make every effort to file a complaint as soon as possible after the conduct occurs while the facts are known and potential witnesses are available.

If, during an investigation of alleged bullying, aggressive behavior, and/or harassment in accordance with Policy 5517.01 – Bullying and Other Forms of Aggressive Behavior, the Principal believes that the reported misconduct may constitute unlawful discrimination based on a Protected Class, the Principal shall report the act to one (1) of the COs who shall investigate the allegation in accordance with this policy. While the CO investigates the allegation, the Principal shall suspend the Policy 5517.01 investigation to await the CO's written report. The CO shall keep the Principal informed of the status of the Policy 2260 investigation and provide the Principal with a copy of the resulting written report.

The COs will be available during regular school/work hours to discuss concerns related to unlawful discrimination/retaliation. The COs shall accept reports of unlawful discrimination/retaliation directly from any member of the School District community or a Third Party or receive reports that are initially filed with another Board employee. Upon receipt of a report of alleged discrimination/retaliation, one (1) of the COs will contact the Complainant and begin either an informal or formal complaint process (depending on the Complainant's request and the nature of the alleged discrimination/retaliation) or will designate a specific individual to conduct such a process. The CO will provide a copy of this policy to the Complainant and the Respondent. In the case of a formal complaint, the CO will prepare recommendations for the Superintendent or oversee the preparation of such recommendations by a designee. All members of the School District community must report incidents of discrimination/retaliation that are reported to them to one (1) of the COs within two (2) days of learning of the incident/conduct.

Any Board employee who directly observes unlawful discrimination/retaliation of a student is obligated, in accordance with this policy, to report such observations to one (1) of the COs within two (2) business days. Additionally, any Board employee who observes an act of unlawful discrimination/retaliation is expected to intervene to stop the misconduct, unless circumstances make such an intervention dangerous, in which case the staff member should immediately notify other Board employees and/or local law enforcement officials, as necessary, to stop the misconduct. Thereafter, a CO/designee must contact the Complainant if age eighteen (18) or older, or the Complainant's parents/guardian if the Complainant is under the age of eighteen (18), within two (2) days to advise of the Board's intent to investigate the alleged wrongdoing.

Investigation and Complaint Procedure

Except for sex discrimination and/or Sexual Harassment that is covered by Policy 2266 - Nondiscrimination on the Basis of Sex in Education Programs or Activities, any student who alleges to have been subjected to unlawful discrimination or retaliation may seek resolution of the complaint through the procedures described below. The formal complaint procedures involve an investigation of the individual's claims of discrimination/retaliation and a process for rendering a decision regarding whether the charges are substantiated.

Due to the sensitivity surrounding complaints of unlawful discrimination or retaliation, timelines are flexible for initiating the complaint process; however, individuals are encouraged to file a complaint within thirty (30) days after the conduct occurs. Once the formal complaint process is begun, the investigation will be completed in a timely manner (ordinarily, within fifteen (15) days of the complaint being received).

The procedures set forth below are not intended to interfere with the rights of a student to pursue a complaint of unlawful discrimination or retaliation with the U.S. Department of Education, Office for Civil Rights, Lyndon Baines Johnson Department of Education Building, 400 Maryland Ave., SW, Washington, DC 20202-1100, Telephone: (800) 421-3481, FAX: (202) 453-6012, TDD: 800-877-8339, E-mail: OCR@ed.gov, Web: <http://www.ed.gov/ocr>. United States Department of Education Office for Civil Rights (OCR). The Cleveland Office of the OCR can be reached at 1350 Euclid Avenue, Suite 325, Cleveland, Ohio 44115; Telephone: (216) 522-4970; Fax: (216) 522-2573; TDD: (216) 522-4944; E mail: ocr.cleveland@ed.gov; Web: <http://www.ed.gov/ocr>.

Informal Complaint Procedure

The goal of the informal complaint procedure is to promptly stop inappropriate behavior and facilitate resolution through an informal means, if possible. The informal complaint procedure is provided as a less formal option for a student who alleges unlawful discrimination or retaliation. This informal procedure is not required as a precursor to the filing of a formal complaint.

The informal process is only available in those circumstances where the Complainant and the Respondent mutually agree to participate in it.

The Complainant may proceed immediately to the formal complaint process, and individuals who participate in the informal procedure may request that the informal process be terminated at any time to move to the formal complaint process.

All complaints involving a District employee or any other adult member of the School District community and a student will be formally investigated.

As an initial course of action, if a Complainant feels comfortable and safe doing so, the individual should tell or otherwise inform the Respondent that the allegedly discriminatory/retaliatory conduct is inappropriate and must stop. The Complainant should address the alleged misconduct as soon after it occurs as possible. The COs are available to support and counsel the Complainant when taking this initial step or to intervene on behalf of the individual if requested to do so. A Complainant who is uncomfortable or unwilling to directly approach the Respondent about the inappropriate conduct may file an informal or a formal complaint. In addition, with regard to certain types of unlawful discrimination (e.g., sex discrimination), the CO may advise against the use of the informal complaint process.

A Complainant who alleges unlawful discrimination/retaliation may make an informal complaint, either orally or in writing: (1) to a teacher, other employee, or building administrator in the school the student attends; (2) to the Superintendent or other District-level employee; and/or (3) directly to one (1) of the COs.

All informal complaints must be reported to one (1) of the COs, who will either facilitate an informal resolution as described below or appoint another individual to facilitate an informal resolution.

The School District's informal complaint procedure is designed to provide the Complainant with a range of options aimed at bringing about a prompt resolution of their concerns. Depending upon the nature of the complaint and the Complainant's wishes, informal resolution may involve, but not be limited to, one (1) or more of the following:

- A. Advising the Complainant about how to communicate concerns to the Respondent.
- B. Distributing a copy of Policy 2260 – Nondiscrimination and Access to Equal Educational Opportunity to the individuals in the school building or office where the Respondent works or attends.
- C. If both parties agree, the CO may arrange and facilitate a meeting or mediation between the Complainant and the Respondent to work out a mutual resolution.

While there are no set time limits within which an informal complaint must be resolved, the CO or designee is directed to attempt to resolve all informal complaints within fifteen (15) days of receiving the informal complaint. If the Complainant is dissatisfied with the informal complaint process, the Complainant may proceed to file a formal complaint and, as stated above, either party may request that the informal process be terminated at any time to move to the formal complaint process.

Formal Complaint Procedure

If a complaint is not resolved through the informal complaint process, if one (1) of the parties requested that the informal complaint process be terminated to move to the formal complaint process, or if the Complainant, from the outset, elects to file a formal complaint, or the Compliance Officer(s) determines the allegations are not appropriate for resolution through the informal process, the formal complaint process shall be implemented.

The Complainant may file a formal complaint, either orally or in writing, with a teacher, Principal, or other District official at the student's school, a CO, the Superintendent, or another District official who works at another school or at the District level. Due to the sensitivity surrounding complaints of unlawful discrimination, timelines are flexible for initiating the complaint process; however, individuals should make every effort to file a formal complaint within thirty (30) days after the conduct occurs. If a Complainant informs a teacher, Principal, or other District official at the student's school, Superintendent, or other District employee, either orally or in writing, about any complaint of discrimination/retaliation, that employee must report such information to one (1) of the COs/designee within two (2) days.

Throughout the course of the process, the CO should keep the parties reasonably informed of the status of the investigation and the decision-making process.

All formal complaints must include the following information to the extent known: the identity of the Respondent; a detailed description of the facts upon which the complaint is based (i.e., when, where, and what occurred); a list of potential witnesses; and the resolution sought by the Complainant.

If the Complainant is unwilling or unable to provide a written statement including the information set forth above, the CO shall ask for such details in an oral interview. Thereafter, the CO will prepare a written summary of the oral interview, and the Complainant will be asked to verify the accuracy of the reported charge by signing the document.

Upon receiving a formal complaint, the CO will consider whether any action should be taken in the investigatory phase to protect the Complainant from further discrimination or retaliation including, but not limited to, a change of work assignment or schedule for the Complainant and/or the Respondent. In making such a determination, the CO should consult the Complainant to assess whether the individual agrees with the proposed action. If the Complainant is unwilling to consent to the proposed change, the CO may still take whatever actions deemed appropriate in consultation with the Superintendent.

Within two (2) days of receiving the complaint, the CO or designee will initiate a formal investigation to determine whether the Complainant has been subjected to unlawful discrimination/retaliation. The Principal will not conduct an investigation unless directed to do so by the CO.

Simultaneously, the CO will inform the Respondent that a formal complaint has been received. The Respondent will be informed about the nature of the allegations and provided with a copy of any relevant policies and/or administrative guidelines, including Policy 2260 - Nondiscrimination and Access to Equal Educational Opportunity. The Respondent must also be informed of the opportunity to submit a written response to the formal complaint within five (5) days.

Although certain cases may require additional time, the CO or designee will attempt to complete an investigation into the allegations of discrimination/retaliation within fifteen (15) days of receiving the formal complaint. The investigation will include:

- A. interviews with the Complainant;
- B. interviews with the Respondent;
- C. interviews with any other witnesses who may reasonably be expected to have any information relevant to the allegations;
- D. consideration of any documentation or other information presented by the Complainant, Respondent, or any other witness that is reasonably believed to be relevant to the allegations.

At the conclusion of the investigation, the CO/designee shall prepare and deliver a written report to the Superintendent that summarizes the evidence gathered during the investigation and provides recommendations based on the evidence and the definition of unlawful discrimination/retaliation as provided in Board policy and State and Federal law as to whether the Respondent has engaged in unlawful discrimination/retaliation of the Complainant. The CO's recommendations must be based upon the totality of the circumstances. In determining if unlawful discrimination or retaliation occurred, a preponderance of evidence standard will be used. The CO may consult with the Board's legal counsel before finalizing the report to the Superintendent.

Absent extenuating circumstances, within five (5) business days of receiving the report of the CO or designee, the Superintendent must either issue a written decision regarding whether the charges have been substantiated or request further investigation. A copy of the Superintendent's final decision will be delivered to both the Complainant and the Respondent.

If the Superintendent requests additional investigation, the Superintendent must specify the additional information that is to be gathered, and such additional investigation must be completed within five (5) days. At the conclusion of the additional investigation, the Superintendent shall issue a final written decision as described above.

If the Superintendent determines the Respondent engaged in unlawful discrimination/retaliation toward the Complainant, the Superintendent must identify what corrective action will be taken to stop, remedy, and prevent the recurrence of the discrimination/retaliation. The corrective action should be reasonable, timely, age-appropriate and effective, and tailored to the specific situation.

[DRAFTING NOTE: Choose one of the following options]

☒] The decision of the Superintendent shall be final.

{OR}

~~☐] A Complainant or Respondent who is dissatisfied with the final decision of the Superintendent may appeal through a signed written statement to the Board within five (5) days of the party's receipt of the Superintendent's decision.~~

~~In an attempt to resolve the complaint, the Board shall meet with the concerned parties and their representatives within twenty (20) days of the receipt of such an appeal. A copy of the Board's disposition of the appeal shall be sent to each concerned party within ten (10) days of this meeting. The decision of the Board will be final.~~

{END OF OPTIONS}

The Board reserves the right to investigate and resolve a complaint or report of unlawful discrimination/retaliation regardless of whether the student alleging the unlawful discrimination/retaliation pursues the complaint. The Board also reserves the right to have the formal complaint investigation conducted by an external person in accordance with this policy or in such other manner as deemed appropriate by the Board or its designee.

☒] The parties may be represented, at their own cost, at any of the above-described meetings/hearings.

The right of a person to a prompt and equitable resolution of the complaint shall not be impaired by the person's pursuit of other remedies, such as the filing of a complaint with the Office for Civil Rights, the filing of charges with local law enforcement, or the filing of a civil action in court. Use of this internal complaint process is not a prerequisite to the pursuit of other remedies.

Privacy/Confidentiality

The District will employ all reasonable efforts to protect the rights of the Complainant, the Respondent(s), and the witnesses as much as possible, consistent with the Board's legal obligations to investigate, take appropriate action, and conform with any discovery or disclosure obligations. All records generated under the terms of this policy shall be maintained as confidential to the extent permitted by law. Confidentiality, however, cannot be guaranteed. Additionally, the Respondent must be provided with the Complainant's identity.

During the course of a formal investigation, the CO or designee will instruct each person who is interviewed about the importance of maintaining confidentiality. Any individual who is interviewed as part of an investigation is expected not to disclose to Third Parties any information that is learned or provided during the course of the investigation.

Sanctions and Monitoring

The Board shall vigorously enforce its prohibitions against unlawful discrimination/retaliation by taking appropriate action reasonably calculated to stop and prevent further misconduct. While observing the principles of due process, a violation of this policy may result in disciplinary action, up to and including the discharge of an employee or the suspension/expulsion of a student. All disciplinary action will be taken in accordance with applicable State law and the terms of the relevant collective bargaining agreement(s). When imposing discipline, the Superintendent shall consider the totality of the circumstances involved in the matter, including the ages and maturity levels of those involved. In those cases where unlawful discrimination/retaliation is not substantiated, the Board may consider whether the alleged conduct nevertheless warrants discipline in accordance with other Board policies, consistent with the terms of the relevant collective bargaining agreement(s).

Where the Board becomes aware that a prior remedial action has been taken against a member of the School District community, all subsequent sanctions imposed by the Board and/or Superintendent shall be reasonably calculated to end such conduct, prevent its reoccurrence, and remedy its effects.

Retaliation

Retaliation against a person who makes a report or files a complaint alleging unlawful harassment/retaliation or participates as a witness in an investigation is prohibited. Neither the Board nor any other person may intimidate, threaten, coerce or interfere with any individual because the person opposed any act or practice made unlawful by any Federal or State civil rights law, or because that individual made a report, formal complaint, testified, assisted or participate or refused to participate in any manner in an investigation, proceeding, or hearing under those laws and/or this policy, or because that individual exercised, enjoyed, aided or encouraged any other person in the exercise or enjoyment of any right granted or protected by those laws and/or this policy.

Retaliation against a person for making a report of discrimination, filing a formal complaint, or participating in an investigation or meeting is a serious violation of this policy that can result in the imposition of disciplinary sanctions/consequences and/or other appropriate remedies.

Formal complaints alleging retaliation may be filed according to the internal complaint process set forth above.

The exercise of rights protected under the First Amendment of the United States Constitution does not constitute retaliation prohibited under this policy.

Education and Training

In support of this policy, the Board promotes preventative educational measures to create greater awareness of unlawful discriminatory practices. The Superintendent shall provide appropriate information to all members of the School District community related to the implementation of this policy and shall provide training for District students and staff where appropriate. All training, as well as all information provided regarding the Board's policy and discrimination in general, will be age and content appropriate.

The District will endeavor to assist the student and/or the student's his/her parents in their access to District programs by providing notices to the parents and students in a language and format that they are likely to understand.

Materials approved by the State Department of Education describing the benefits of instruction in Braille reading and writing shall be provided to each blind student's individualized planning committee. The District shall not deny a student the opportunity for instruction in Braille, reading, and writing solely because the student has some remaining vision.

Retention of Investigatory Records and Materials

The Compliance Officer(s) is responsible for overseeing the retention of all records that must be maintained pursuant to this policy. All individuals charged with conducting investigations under this policy must retain all information, documents, electronically stored information, and electronic media (as defined in Policy 8315) created and received as part of an investigation which may include, but not be limited to:

Technical Correction Policy - Vol. 40, No. 1

3123 - SECTION 504/ADA PROHIBITION AGAINST DISABILITY DISCRIMINATION IN EMPLOYMENT

The Board of Education prohibits discrimination against any employee or applicant based upon the employee's or applicant's disability. As such, the Board will not engage in employment practices or adopt policies that discriminate on the basis of disability, or otherwise discriminate against qualified individuals with disabilities in regard to job application procedures, the hiring, advancement, or discharge of employees, employee compensation, job training, or other terms, conditions, and privileges of employment. The Board further will not limit, segregate or classify applicants or employees in any way that adversely affects their opportunities or status because of disability. Additionally, the Board will not participate in any contractual or other relationships that have the effect of subjecting qualified individuals with disabilities who are applicants or employees to discrimination on the basis of disability.

"An individual with a disability" means a person who has, had a record of, or is regarded as having a physical or mental impairment that substantially limits one (1) or more major life activities. Major life activities are functions such as caring for one's self, performing manual tasks, walking, seeing, hearing, eating, sleeping, standing, lifting, bending, speaking, breathing, learning, reading, concentrating, thinking, communicating, sitting, reaching, interacting with others, and working.

Major life activities also include the operation of a major bodily function including, but not limited to, functions of the immune system, special sense organs and skin, normal cell growth, and digestive, genitourinary, bowel, bladder, neurological, brain, respiratory, circulatory, endocrine, hemic, lymphatic, musculoskeletal and reproductive functions. The operation of a major bodily function includes the operation of an individual organ within a body system.

An impairment that is episodic in nature or in remission is considered a disability if it would substantially limit a major life activity when active.

The determination of whether an impairment substantially limits a major life activity must be made without regard to the ameliorative effects of mitigating measures such as medication, medical supplies, equipment or appliances, low-vision devices (defined as devices that magnify, enhance, or otherwise augment a visual image, but not including ordinary eyeglasses or contact lenses), prosthetics (including limbs and devices), hearing aid(s) and cochlear implant(s) or other implantable hearing devices, mobility devices, oxygen therapy equipment or supplies, use of assistive technology, reasonable accommodations or "auxiliary aids or services," learned behavioral or adaptive neurological modifications, psychotherapy, behavioral therapy, or physical therapy.

A qualified person with a disability means the individual satisfies the requisite skill, experience, education, and other job-related requirements of the employment position such individual holds or desires and, with or without reasonable accommodation, can perform the essential functions of the job in question.

The Board will provide a reasonable accommodation to a qualified individual who has an actual disability or who has a record of a disability unless the accommodation would impose an undue hardship on the operation of the District's program and/or activities. A reasonable accommodation is not required for an individual who is merely regarded as having a disability.

Compliance Officer(s)

The Board designates the following individual(s) to serve as the District's 504 Compliance Officer(s)/ADA Coordinator(s) (hereinafter referred to as the "District Compliance Officer(s)"):

[DRAFTING NOTE: Neola suggests the Board appoint both a male and a female District Compliance Officer in order to provide complainants with the option to report their concerns to an individual of the gender with which they feel most comfortable. Additionally, by appointing two (2) District Compliance Officers, there should always be a Compliance Officer available to investigate a claim that pertains to the other Compliance Officer.]

In accordance with Section 504 of the Rehabilitation Act of 1973 and its implementing regulations ("Section 504"), employees will be notified of their right to file an internal complaint regarding an alleged violation, misinterpretation, or misapplication of Section 504. In addition, employees will be notified of their right to file a complaint with the U.S. Department of Education's Office for Civil Rights.

Internal complaints must be put in writing and must identify the specific circumstances or areas of dispute that have given rise to the complaint, and offer possible solutions to the dispute. The complaint must be filed with a District Compliance Officer within the time limits specified below. The District's Compliance Officers are available to assist individuals in filing a complaint.

Unless expressly stated otherwise, the term "day" or "days" as used in this policy means business day(s) (i.e., a day(s) that the Board office is open for normal operating hours, Monday - Friday, excluding State-recognized holidays).

Internal Complaint Procedure

The following internal complaint procedure is available to employees for the prompt and equitable resolution of complaints alleging discrimination based upon disability. This complaint procedure is not available to unsuccessful applicants. Use of the internal complaint procedure is not a prerequisite to the pursuit of other remedies, including the filing of a complaint with the U.S. Department of Education's Office for Civil Rights.

- A. An employee with a complaint based on alleged discrimination on the basis of disability may first discuss the problem with the District Compliance Officer.
- B. If the informal discussion does not resolve the matter, or if the employee skips Step A, the individual may file a formal written complaint with the District Compliance Officer. The written complaint must contain the name and address of the individual or representative filing the complaint, be signed by the complainant or someone authorized to sign for the complainant, describe the alleged discriminatory action in sufficient detail to inform the District Compliance Officer of the nature and date of the alleged violation, and propose a resolution. The complaint must be filed within thirty (30) days of the circumstances or event giving rise to the complaint unless the time for filing is extended by the District Compliance Officer for good cause.
- C. The District Compliance Officer will conduct an independent investigation of the matter (which may or may not include a hearing). This complaint procedure contemplates informal, but thorough investigations, affording all interested persons and their representatives, if any, an opportunity to present witnesses and other evidence relevant to the complaint. The District Compliance Officer will provide the complainant with a written disposition of the complaint within ten (10) days. If no decision is rendered within ten (10) days, or the decision is unsatisfactory in the opinion of the complainant, the employee may file, in writing, an appeal with the Superintendent. The District Compliance Officer shall maintain the District's files and records relating to the complaint.
- D. The Superintendent will, within ten (10) days of receiving the written appeal, conduct a hearing with all parties involved in an attempt to resolve the complaint.

The Superintendent will render ~~his/her~~ decision within ten (10) days of the hearing.
- E. The employee may be represented, at ~~the employee's~~ ~~his/her~~ own cost, at any of the above-described meetings/hearings.
- F. The right of a person to a prompt and equitable resolution of the complaint shall not be impaired by the person's pursuit of other remedies such as the filing of a complaint with the Office for Civil Rights or the filing of a court case. Use of this internal complaint procedure is not a prerequisite to the pursuit of other remedies.

If it is determined that the Complainant was subjected to unlawful discrimination, the CO must identify what corrective action will be taken to stop, remedy, and prevent the recurrence of the discrimination/retaliation. The corrective action should be reasonable, timely, age-appropriate and effective, and tailored to the specific situation.

Retaliation

Retaliation against a person who makes a report or files a complaint alleging unlawful harassment/retaliation or participates as a witness in an investigation is prohibited. Neither the Board nor any other person may intimidate, threaten, coerce or interfere with any individual because the person opposed any act or practice made unlawful by any Federal or State civil rights law, or because that individual made a report, formal complaint, testified, assisted or participated or refused to participate in any manner in an investigation, proceeding, or hearing under those laws and/or this policy, or because that individual exercised, enjoyed, aided or encouraged any other person in the exercise or enjoyment of any right granted or protected by those laws and/or this policy.

Retaliation against a person for making a report of discrimination, filing a formal complaint, or participating in an investigation or meeting is a serious violation of this policy that can result in the imposition of disciplinary sanctions/consequences and/or other appropriate remedies.

Formal complaints alleging retaliation may be filed according to the internal complaint process set forth above.

The exercise of rights protected under the First Amendment of the United States Constitution does not constitute retaliation prohibited under this policy.

Technical Correction Policy - Vol. 40, No. 1

4123 - SECTION 504/ADA PROHIBITION AGAINST DISABILITY DISCRIMINATION IN EMPLOYMENT

The Board of Education prohibits discrimination against any employee or applicant based upon the employee's or applicant's disability. As such, the Board will not engage in employment practices or adopt policies that discriminate on the basis of disability, or otherwise discriminate against qualified individuals with disabilities in regard to job application procedures, the hiring, advancement, or discharge of employees, employee compensation, job training, or other terms, conditions, and privileges of employment. The Board further will not limit, segregate, or classify applicants or employees in any way that adversely affects their opportunities or status because of disability. Additionally, the Board will not participate in any contractual or other relationships that have the effect of subjecting qualified individuals with disabilities who are applicants or employees to discrimination on the basis of disability.

"An individual with a disability" means a person who has, had a record of, or is regarded as having a physical or mental impairment that substantially limits one (1) or more major life activities. Major life activities are functions such as caring for one's self, performing manual tasks, walking, seeing, hearing, eating, sleeping, standing, lifting, bending, speaking, breathing, learning, reading, concentrating, thinking, communicating, sitting, reaching, interacting with others, and working.

Major life activities also include the operation of a major bodily function including, but not limited to, functions of the immune system, special sense organs and skin, normal cell growth, and digestive, genitourinary, bowel, bladder, neurological, brain, respiratory, circulatory, endocrine, hemic, lymphatic, musculoskeletal, and reproductive functions. The operation of a major bodily function includes the operation of an individual organ within a body system.

An impairment that is episodic in nature or in remission is considered a disability if it would substantially limit a major life activity when active.

The determination of whether an impairment substantially limits a major life activity must be made without regard to the ameliorative effects of mitigating measures such as medication, medical supplies, equipment or appliances, low-vision devices (defined as devices that magnify, enhance, or otherwise augment a visual image, but not including ordinary eyeglasses or contact lenses), prosthetics (including limbs and devices), hearing aid(s) and cochlear implant(s) or other implantable hearing devices, mobility devices, oxygen therapy equipment or supplies, use of assistive technology, reasonable accommodations or "auxiliary aids or services," learned behavioral or adaptive neurological modifications, psychotherapy, behavioral therapy, or physical therapy.

A qualified person with a disability means the individual satisfies the requisite skill, experience, education, and other job-related requirements of the employment position such individual holds or desires and, with or without reasonable accommodation, can perform the essential functions of the job in question.

The Board will provide a reasonable accommodation to a qualified individual who has an actual disability or who has a record of a disability unless the accommodation would impose an undue hardship on the operation of the District's program and/or activities. A reasonable accommodation is not required for an individual who is merely regarded as having a disability.

Compliance Officer(s)

The Board designates the following individual(s) to serve as the District's 504 Compliance Officer(s)/ADA Coordinator(s) (hereinafter referred to as the "District Compliance Officer(s)"):

[DRAFTING NOTE: Neola suggests the Board appoint both a male and a female District Compliance Officer in order to provide complainants with the option to report their concerns to an individual of the gender with which they feel most comfortable. Additionally, by appointing two (2) District Compliance Officers, there should always be a Compliance Officer available to investigate a claim that pertains to the other Compliance Officer.]

Replacement Policy - Vol. 40, No. 1

1422 - NONDISCRIMINATION, EQUAL EMPLOYMENT OPPORTUNITY, AND ANTI-HARASSMENT

The Board of Education does not discriminate on the basis of race, color, national origin, sex (including pregnancy, childbirth, and related medical conditions; sexual orientation; and gender identity), disability, age, religion, height, weight, marital or family status, military status, ancestry, genetic information, or any other legally protected category (collectively, Protected Classes) in its programs and activities, including employment opportunities.

The Board is committed to providing a work environment that is free from Prohibited Conduct, responding promptly and effectively when it has knowledge of conduct that reasonably may constitute Prohibited Conduct, and addressing Prohibited Conduct in its education programs or activities. This commitment applies to all District operations and this policy applies to Prohibited Conduct occurring within or as a part of the District's education programs and activities, whether on school property or at another location during an activity sponsored by the Board.

Persons who commit Prohibited Conduct are subject to the full range of disciplinary sanctions set forth in this policy.

The Board will provide persons who have experienced Prohibited Conduct with ongoing remedies as reasonably necessary to restore or preserve access to the District's education programs or activities.

All school employees share responsibility for avoiding, discouraging, and reporting any form of Prohibited Conduct.

The Board will take immediate action to address the following prohibited acts:

- A. Retaliating against a person who has made a report or filed a complaint alleging Prohibited Conduct, or has participated in the below-described grievance procedures.
- B. Filing a malicious or knowingly false report or complaint of Prohibited Conduct.
- C. Disregarding, failing to appropriately address, or delaying action to appropriately address allegations of Prohibited Conduct when responsibility for reporting and/or investigating such charges comprises part of one's administrative/supervisory duties.

Definitions:

Words used in this policy shall have those meanings defined herein; words not defined herein shall be construed according to their plain and ordinary meanings.

Bullying means: any unwanted and repeated written, verbal, or physical behavior, including any threatening, insulting, or dehumanizing gesture, by an adult, that is sufficiently severe or pervasive to create an intimidating, hostile, or offensive work environment; or unreasonably interfere with the individual's work performance or participation. It may involve: (a) threats; (b) intimidation; (c) stalking; (d) cyberstalking; (e) cyberbullying; (f) physical violence; (g) theft; (h) sexual, religious, or racial harassment; (i) public humiliation; or (j) destruction of property. Bullying rises to the level of unlawful harassment when one (1) or more persons systematically and chronically inflict physical hurt or psychological distress on one (1) or more employees, and that bullying is based upon one (1) or more Protected Classes, that is, characteristics that are protected by Federal and/or State civil rights laws. Ordinary teasing, horseplay, arguments, and peer conflict do not constitute bullying for purposes of this policy.

Complainant means: an employee who is alleged to have been subjected to conduct that could constitute Prohibited Conduct; or a person, other than an employee, who is alleged to have been subjected to conduct that could constitute Prohibited Conduct and who was participating or attempting to participate in the District's education programs or activities at the time of the alleged Prohibited Conduct.

Complaint means: an oral or written request to the District that objectively can be understood as a request for the District to investigate and make a determination about alleged Prohibited Conduct.

Day(s): Unless expressly stated otherwise, the term "day" or "days" as used in this policy means business day(s) (i.e., days that the Board office is open for normal operating hours, Monday – Friday, excluding State-recognized holidays).

Disciplinary sanctions means: consequences imposed on a respondent following a determination that the respondent engaged in Prohibited Conduct.

Education programs or activities refer to: all the District's operations including, but not limited to, in-person and online/remote educational instruction, employment, extracurricular activities, athletics, performances, and community engagement and outreach programs. The term applies to all programs and activities operated by the Board on school grounds or on other property owned or occupied by the Board. It also includes events and circumstances that take place off school property/grounds but over which the District asserts disciplinary authority (e.g., at off-campus activities sponsored by the Board).

Exculpatory evidence means: evidence that is favorable to a respondent because it helps excuse, justify, or absolve a respondent of alleged wrongdoing and tends to establish that a respondent did not engage in Prohibited Conduct.

Genetic information means: information about: (a) an individual's genetic tests; (b) the genetic tests of that individual's family members; (c) the manifestation of disease or disorder in family members of the individual (i.e., family medical history); (d) an individual's request for, or receipt of, genetic services, or the participation in clinical research that includes genetic services by the individual or a family member of the individual; or (e) the genetic information of a fetus carried by an individual or a pregnant woman who is a family member of the individual and the genetic information of an embryo legally held by an individual or family member using assistive reproductive technology.

Harassment means: any threatening, insulting, or dehumanizing gesture, use of technology, or written, verbal, or physical conduct directed against an employee that (a) places the employee in reasonable fear of harm to their person or damage to their property; (b) has the effect of substantially interfering with the employee's work performance; or (c) has the effect of substantially disrupting the orderly operation of a school. Each of the following types of harassment involves unwelcome physical, verbal, or nonverbal conduct that is based upon an individual's protected characteristic(s) and has the purpose or effect of interfering with the individual's work performance or creating an intimidating, hostile, or offensive work environment.

A. **Age Harassment** means: harassment based on negative perceptions about older workers. It also includes harassment based on stereotypes about older workers, even if they are not motivated by animus, such as pressuring an older employee to transfer to a job that is less technology-focused because of the perception that older workers are not well-suited to such work or encouraging an older employee to retire.

B. **Disability Harassment** means: harassment based upon a person's disability and includes harassment based upon stereotypes about individuals with disabilities in general or about an individual's particular disability. It also includes harassment based on traits or characteristics linked to an individual's disability, such as how the person speaks, looks, or moves. For example, negative comments about an individual's speech patterns, movement, physical impairments, or defects/appearances, or the like. Disability-based harassment includes: (a) harassment because an individual requests or receives reasonable accommodation; (b) harassment because an individual is regarded as having an impairment, even if the individual does not have an actual disability, or a record of disability; (c) harassment because an individual has a record of a disability, even if the individual currently does not have a disability; and (d) harassment based on the disability of an individual with whom the employee is associated. Finally,

disability-based harassment may occur where conduct is directed at or pertains to a person's genetic information.

C. National Origin/Ancestry Harassment means: harassment due to a person's (or their ancestor's) place of origin. Such harassing conduct can include ethnic slurs or epithets, derogatory comments about individuals of a particular nationality, and use of stereotypes about a person's national origin. Additionally, it can include harassment regarding traits or characteristics linked to an individual's national origin, such as physical characteristics, ethnic or cultural characteristics or customs (e.g., surnames, attire, or diet), or linguistic characteristics (e.g., a person's manner of speaking, non-English language accent, or a lack of fluency in English).

D. Race/Color Harassment means: unwelcome physical, verbal, or nonverbal conduct that is based upon an individual's race or color and has the purpose or effect of interfering with the individual's work performance; or creating an intimidating, hostile, or offensive work environment. Such harassment may occur where conduct is directed at the characteristics of a person's race or color, such as racial slurs, nicknames implying stereotypes, epithets, and/or negative references relative to racial customs.

E. Religious (Creed) Harassment means: harassment based on a person's surname, religion (including atheism or lack of religious belief), religious traditions and practices, or religious dress/clothing, and includes making offensive comments about the same. It also includes religious slurs or epithets, harassing conduct based on religious stereotypes, and harassment associated with a person's request for and/or receipt of religious accommodation. Religious harassment also involves explicitly or implicitly coercing an employee to engage in religious practices at work.

F. Sexual Harassment means (for purposes of this policy and consistent with Title VII of the Civil Rights Act of 1964): unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature when: (a) submission to such conduct is made either implicitly or explicitly a term or condition of an individual's employment; (b) submission or rejection of such conduct by an individual is used as the basis for employment decisions affecting such individual; or (c) such conduct has the purpose or effect of interfering with the individual's work performance; or creating an intimidating, hostile, or offensive working environment. Sexual harassment may involve the behavior of a person of any gender against a person of the same or another gender.

1. Sexual Harassment covered by Policy 2266 - Nondiscrimination on the Basis of Sex in Education Programs or Activities is not included in this policy. Allegations of such conduct shall be addressed solely by Policy 2266.
2. Prohibited acts that constitute sexual harassment under this policy may take a variety of forms. Examples of the kinds of conduct that may constitute sexual harassment include, but are not limited to:
 - a. Conduct of a sexualized nature, such as unwanted conduct expressing sexual attraction or involving sexual activity (e.g., unwelcome sexual propositions, invitations, solicitations, and flirtations; unwanted physical and/or sexual contact, including unwelcome and inappropriate touching, patting, or pinching (x)); and obscene gestures [END OF OPTION].
 - b. Sexual attention or sexual coercion, such as demands or pressure for sexual favors (e.g., threats or insinuations that a person's employment, wages, or other conditions of employment may be adversely affected by not submitting to sexual advances; giving unwelcome personal gifts such as lingerie that suggest the desire for a romantic relationship; leering or staring at someone in a sexual way, such as staring at a person's breasts, buttocks, or groin).
 - c. Rape, sexual assault, or other acts of sexual violence.
 - d. Discussing or displaying visual depictions of sex acts or sexual remarks (e.g., unwelcome verbal expressions of a sexual nature, including graphic sexual commentaries about a person's body, dress, appearance, or sexual activities; the unwelcome use of sexually degrading language, profanity, jokes or innuendoes; unwelcome suggestive or insulting sounds or whistles; obscene telephone calls, texts, etc.; sexually suggestive objects, pictures, graffiti, videos, posters, audio recordings or literature placed in the work environment; asking or telling about sexual fantasies, sexual preferences, or sexual activities; speculations about a person's sexual activities or sexual history, or remarks about one's own sexual activities or sexual history).
 - e. A consensual sexual relationship where such relationship leads to favoritism of a subordinate employee with whom the superior is sexually involved and where such favoritism adversely affects other employees or otherwise creates a hostile work environment.
 - f. Verbal, nonverbal, or physical aggression, intimidation, or hostility based on sex or sex-stereotyping that does not involve conduct of a sexual nature.

- g. Non-sexual conduct based on sex, such as sex-based epithets; sexist comments (such as remarks that women do not belong in management or that men do not belong in the nursing profession); or facially sex-neutral offensive conduct motivated by sex (such as bullying directed toward employees of one sex).
- h. Harassment based on pregnancy, childbirth, or related medical condition, which may include issues pertaining to lactation, using or not using contraception, or deciding whether to have, or not to have, an abortion.

Not all behavior with sexual connotations constitutes unlawful sexual harassment. Sex-based or gender-based conduct must be objectively offensive (a reasonable person would find it hostile or abusive), subjectively offensive (the complainant actually perceived it as abusive), and either sufficiently severe (a single extremely serious incident) or pervasive (a pattern of behavior), such that it adversely affects, limits, or denies an individual's employment, or creates a hostile or abusive employment environment.

Inculpatory evidence means: evidence that links a respondent to alleged wrongdoing and tends to establish a respondent engaged in Prohibited Conduct (i.e., has culpability).

Military status means: a person's past, current, or future membership, service, or obligation in a uniformed service (e.g., Army, Marine Corps, Navy, Air Force, Space Force, Coast Guard, Public Health Service Commissioned Corps, and National Oceanic and Atmospheric Administration Commissioned Officer Corps). Service in the uniformed services also means the performance of duty, on a voluntary basis, or involuntary basis, in a uniformed service, under competent authority, and includes active duty, active duty for training, initial active duty for training, inactive duty for training, and full-time National Guard duty. It further includes the period of time for which a person is absent from employment for the purpose of an examination to determine the fitness of the person to perform any such duty as listed above.

Party means: a complainant or respondent.

Pregnancy, childbirth, or related medical conditions means:

- A. "Pregnancy" and "childbirth" refer to the pregnancy or childbirth of a specific employee and include, but are not limited to, current pregnancy; past pregnancy; potential or intended pregnancy (which can include infertility, fertility treatment, and the use of contraception); labor; and childbirth (including vaginal and cesarean delivery).
- B. "Related medical conditions" are medical conditions relating to the pregnancy or childbirth of a specific employee, and may include termination of pregnancy, including via miscarriage, stillbirth, or abortion; ectopic pregnancy; preterm labor; pelvic prolapse; nerve injuries; cesarean or perineal wound infection; maternal cardiometabolic disease; gestational diabetes; preeclampsia; HELLP (hemolysis, elevated liver enzymes and low platelets) syndrome; hyperemesis gravidarum; anemia; endometriosis; sciatica; lumbar lordosis; carpal tunnel syndrome; chronic migraines; dehydration; hemorrhoids; nausea or vomiting; edema of the legs, ankles, feet, or fingers; high blood pressure; infection; antenatal (during pregnancy) anxiety, depression, or psychosis; postpartum depression, anxiety, or psychosis; frequent urination; incontinence; loss of balance; vision changes; varicose veins; changes in hormone levels; vaginal bleeding; menstruation; and lactation and conditions related to lactation, such as low milk supply, engorgement, plugged ducts, mastitis, or fungal infections. The preceding list of related medical conditions is not exhaustive.

Prohibited Conduct means: unlawful discrimination or harassment based on a person's Protected Class(es) or retaliation. Such misconduct involves a violation of Federal and/or State civil rights laws.

Relevant means: related to the allegations of Prohibited Conduct under investigation as part of the Board's grievance procedures. Questions are relevant when they seek evidence that may aid in showing whether the alleged Prohibited Conduct occurred, and evidence is relevant when it may aid a decisionmaker in determining whether the alleged Prohibited Conduct occurred.

Remedies means: measures provided, as appropriate, to a complainant or any other person the District identifies as having had their equal access to the District's education programs or activities limited or denied by Prohibited Conduct. These measures are provided to restore or preserve that person's access to the District's education program or activity after the District determines that Prohibited Conduct occurred.

Respondent means: a person who is alleged to have engaged in Prohibited Conduct.

Retaliation means: intimidation, threats, coercion, or discrimination against any person by the District, a student, a Board employee, or any other person authorized by the Board to provide aid, benefit, or service under the District's education

programs or activities, for the purpose of interfering with any right or privilege secured by Federal or State law, or because the person has reported information, made a complaint, testified, assisted, or participated or refused to participate in any manner in an investigation, proceeding, or hearing under applicable Federal or State laws or regulations.

School District community means: students and Board employees (i.e., administrators and professional and classified staff), as well as Board members, agents, volunteers, contractors, or other persons subject to the control and supervision of the Board.

Supportive measures means: non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, without fee or charge to the complainant or the respondent before or after making a report or filing a complaint. Such measures are designed to restore or preserve that party's access to the District's education programs or activities without unreasonably burdening the other party, including measures designed to protect the safety of all parties or the District's educational environment or deter Prohibited Conduct. Supportive measures may include modifications of work schedules, mutual restrictions of contact between the parties, changes in work locations, leaves of absence, increased security and monitoring of certain work settings; training related to Prohibited Conduct, ~~(-) referral to Employee Assistance Program, [END OF OPTION]~~ and other similar measures.

Third Parties means: guests and/or visitors on District property (e.g., visiting speakers, participants on opposing athletic teams, parents), vendors doing business with, or seeking to do business with, the Board, and other individuals who come in contact with members of the School District community at school-related events/activities (whether on or off District property).

Pregnancy, Childbirth, and Related Medical Conditions

The Board will not discriminate against an employee based on the person's current pregnancy, potential or intent to become pregnant, past pregnancy, or medical condition related to pregnancy or childbirth, or because the person uses birth control, or has had or not had an abortion.

Additionally, the Board will provide a reasonable accommodation to an employee's known limitation related to pregnancy, childbirth, or a related medical condition, unless the accommodation will cause the District undue hardship.

The Board will treat pregnancy, childbirth, and related medical conditions as any other temporary medical conditions for all job-related purposes, including commencement, duration, and extensions of leave; accrual of seniority and any other benefit or service; reinstatement; and under any fringe benefit offered to employees by virtue of employment.

The Board will provide reasonable break time for an employee to express breast milk while at work for the first year after the employee's child's birth. The Board will provide the employee with a space, other than a bathroom, that is clean, shielded from view, free from intrusion from coworkers and the public, and which the employee can use as needed to express breast milk. See Board Policy 6700 – Fair Labor Standards Act.

Nondiscrimination Based on Employee's Genetic Information

The Board prohibits discrimination on the basis of genetic information in all aspects of employment, including hiring, firing, compensation, job assignments, promotions, layoffs, training, fringe benefits, or any other terms, conditions, or privileges of employment. The Board also does not limit, segregate, or classify employees in any way that would deprive or tend to deprive them of employment opportunities or otherwise adversely affect the status of an employee as an employee, based on genetic information. Harassment of a person because of the individual's genetic information is also prohibited. Likewise, retaliation against an applicant or employee for engaging in protected activity is prohibited.

In accordance with the Genetic Information Nondiscrimination Act ("GINA"), the Board shall not request, require, or purchase genetic information of employees, their family members, or applicants for employment. Further, in compliance with GINA, employees are directed not to provide any genetic information, including the individual's family medical history, in response to necessary requests for medical information, with the exception that family medical history may be acquired as part of the certification process for FMLA leave, when an employee is asking for leave to care for an immediate family member with a serious health condition. Applicants for employment are directed not to provide any genetic information, including the individual's family medical history, in response to requests for medical information as part of the District's application process.

x] The District recognizes that genetic information may be acquired through commercially and publicly available documents like newspapers, books, magazines, periodicals, television shows, or the Internet. The District prohibits, however, its employees from searching such sources with the intent of finding or obtaining genetic information or accessing sources from which they are likely to acquire genetic information. **[END OF OPTION]**

If the District either legally and/or inadvertently receives genetic information about an employee or applicant for employment from the employee, applicant for employment, or a medical provider, it shall be treated as a confidential medical record in accordance with law.

The District Compliance Officer (see below) shall be responsible for overseeing the District's compliance with applicable Federal regulations and promptly dealing with any inquiries or complaints. The District Compliance Officer or designee shall also verify that proper notice of nondiscrimination for Title II of the Genetic Information Nondiscrimination Act of 2008 is provided to staff members, and that all District requests for health-related information (e.g., to support an employee's request for reasonable accommodation under the Americans with Disabilities Act ("ADA") or a request for sick leave) is accompanied by a written warning that directs the employee or health care provider not to collect or provide genetic information. The warning shall read as follows:

The Genetic Information Nondiscrimination Act of 2008 ("GINA") prohibits employers and other entities covered by GINA Title II, including the Board of Education, from requesting or requiring genetic information of an individual or family member of the individual, except as specifically allowed by law. To comply with this law, do not provide any genetic information when responding to this request for medical information (unless the request pertains to a request for FMLA leave for purposes of caring for an immediate family member with a serious health condition). "Genetic information," as defined by GINA, includes an individual's family medical history, the results of an individual's or family member's genetic test, the fact that an individual or an individual's family member sought or received genetic services or participated in clinical research that includes genetic services, and genetic information of a fetus carried by an individual or an individual's family member or an embryo lawfully held by an individual or family member receiving assistive reproductive services.

~~[-] The District offers health services (-), including a wellness program [END OF INTERNAL OPTION]. Participation in the services/program is voluntary. Genetic information (such as family medical history) may be obtained as part of an individual's participation in the service/program. If that occurs, individual genetic information may be provided to the individual receiving the services and to the person's health services providers, but only genetic information in aggregate form will be provided to the Board. [END OF OPTION]~~

District Compliance Officer(s)

[DRAFTING NOTES:

- 1. Neola suggests the Board appoint both a male and a female to serve as the District Compliance Officers. By appointing two (2) District Compliance Officers, there should always be a District Compliance Officer available to address a claim that pertains to the other District Compliance Officer. If, however, the Board appoints more than one (1) District Compliance Officer, Neola recommends that it designate one (1) of the District Compliance Officers to retain ultimate oversight over the assigned responsibilities and ensure the Board's consistent compliance with its responsibilities under applicable Federal and State laws that prohibit unlawful discrimination/harassment based on protected classes and retaliation. Alternatively, the Board could appoint a District Compliance Officer and one (1) or more persons to assist the District Compliance Officer with performance of the responsibilities identified in this policy and its accompanying administrative guidelines. Often the person(s) designated to assist a District Compliance Officer is/are called Deputy or Assistant Compliance Officer(s). If the Board elects this alternative approach, it would designate a District Compliance Officer for purposes of this policy, and then designate the other position(s) through its AG. The person(s) in the alternative support role(s) will need to be trained in the same manner as the District Compliance Officer (see AG 1422).**
- 2. The Board must list in this policy either the Name(s) or Title(s) of the District Compliance Officer(s); while the Board may list both the Name(s) and Title(s), Neola suggests that the Board only list the Title(s) in this policy (so the Board does not need to revise/amend the policy whenever there is a change in the actual person(s) holding the designated position(s)), but list both the Name(s) and Title(s) in the requisite notices/postings (e.g., website) and publications (e.g., handbooks). The District will also need to decide whether to list the Name(s) and Title(s), or just the Title(s), in Administrative Guideline 1422 if the District elects to identify the District Compliance Officer in the AG (see DRAFTING NOTE in the AG; again, if the District lists the Name(s) and Title(s), it will need to remember to update the AG whenever there is a change in the actual person(s) holding the designated position(s). No matter what, the Board will need to amend its policy and update its AG, requisite notices/postings, and publications, whenever it changes the Title of the position(s) designated to serve as the District Compliance Officer(s).**
- 3. Reminder: Whenever a new person begins to serve as the District Compliance Officer (or in a support role to the District Compliance Officer), the District needs to make sure the new person is appropriately trained, in a timely manner, to fulfill the responsibilities of the position to which the person is assigned.]**

[END OF DRAFTING NOTES]

[END OF OPTION]

[DRAFTING NOTE: As discussed above, if the Board designates more than one (1) CO, Neola recommends that the District select the following option.]

☒] The Board designates Superintendent **[DRAFTING NOTE: Insert Name and/or Title of the District Compliance Officer who is ultimately responsible for the District's compliance with its responsibilities under Federal and State laws that prohibit discrimination/harassment based on Protected Classes and retaliation]** as the individual who is ultimately responsible for oversight over the Board's compliance with applicable Federal and State laws and regulations that prohibit discrimination based on the basis of Protected Classes and retaliation. **[END OF OPTION]**

☒] The District Compliance Officer may delegate specific duties to one (1) or more designees. **[END OF OPTION]**

[DRAFTING NOTE: The Board may want to select the following option when the Superintendent is not the CO. While Neola recognizes that this may not always be possible, it may be preferable to have the CO be someone other than the Superintendent because then – if the CO serves as the investigator and decisionmaker – the Superintendent can serve as the appeal decisionmaker or the facilitator for the informal resolution process.]

☒] The District Compliance Officer(s) shall report directly to the Superintendent except when the Superintendent is a party to a complaint (i.e., either the complainant or the respondent). Under such circumstances, the CO(s) shall report directly to **[SELECT ONE OF THE FOLLOWING]** (☒) the Board President ~~() the Board's Legal Counsel ()~~ ~~_____ [OTHER] [END OF INTERNAL OPTIONS]~~ until the matter in which the Superintendent is a party is concluded. **[END OF OPTION]**

Questions about this policy ~~()~~ and AG 1422 **[END OF OPTION]** should be directed to the District Compliance Officer(s).

The CO(s) is/are responsible for coordinating the District's efforts to comply with applicable Federal and State laws and regulations, including the District's duty to address in a prompt and equitable manner any inquiries or complaints regarding discrimination, harassment, retaliation, or denial of equal opportunity/access. The CO(s) shall also verify that proper notice of nondiscrimination for Title II of the Americans with Disabilities Act (as amended), Title VI and Title VII of the Civil Rights Act of 1964, Section 504 of the Rehabilitation Act of 1973 (as amended), Genetic Information Nondiscrimination Act (GINA), and the Age Discrimination in Employment Act of 1975 is provided to staff members and the general public. ~~[] Any sections of the District's collective bargaining agreements dealing with hiring, promotion, demotion, discipline, and tenure need to contain a statement of nondiscrimination similar to that in the Board's statement set forth above. [END OF OPTION] [] In addition, as practical, gender specific terms should be eliminated from such contracts. [END OF OPTION] Copies of the laws and regulations listed above are available upon request from the CO(s).~~

The CO(s) will be available during regular work hours to discuss concerns related to Prohibited Conduct, to assist employees, other members of the District community, and third parties who seek support or advice when informing another individual about Prohibited Conduct, including unwelcome conduct, or to intercede informally on behalf of the individual in those instances where concerns have not resulted in the filing of a formal complaint and where all parties are in agreement to participate in an informal process.

The CO(s) shall monitor the District's education programs and activities for barriers to reporting information about conduct that reasonably may constitute Prohibited Conduct pursuant to Federal and/or State laws that prohibit discrimination/harassment based on the basis of a Protected Class/Category and retaliation, and take steps reasonably calculated to address such barriers.

Notice of Nondiscrimination

The Superintendent shall provide a notice of nondiscrimination to students, parents, guardians, or other authorized legal representatives of elementary and secondary students; employees; applicants for admission and employment; and all unions and professional organizations holding collective bargaining or professional agreements with the Board. Specifically, the Superintendent shall post the notice of nondiscrimination on the District's website and in each handbook, catalog, announcement, bulletin, and application form that it makes available to the persons listed above, or which are otherwise

used in connection with the recruitment of employees. ~~(-) See AG 1422 and Form 1422F1—Notice and Statement of Nondiscrimination. [END OF OPTION]~~

NOTIFICATION/REPORTS OF PROHIBITED CONDUCT

Any person may provide information to the CO(s) concerning conduct that reasonably may constitute Prohibited Conduct. Such information may be submitted in person, by mail, by telephone, or by electronic mail using the CO's(s') published contact information, or by any other means (oral or written) that results in the CO(s) receiving the information. Information may be provided at any time (including during non-work hours). ~~[] Anonymous reports may be submitted using (-) the online reporting form posted at _____ [insert the web address for the reporting form, or insert a hyperlink tied to the phrase "online reporting form"] [or] (-) the hotline reporting number (_____ [insert phone number]). [END OF OPTION]~~

All Board employees are required to notify the CO(s) of conduct that reasonably may constitute Prohibited Conduct. For the Board to fulfill its responsibilities under applicable Federal and/or State laws, if a Board employee has knowledge of conduct that reasonably may constitute Prohibited Conduct, the Board employee must notify the/a CO within two (2) days of learning the information or receiving the report. **[DRAFTING NOTE: The applicable statutes and regulations do not specify within how many days the Board employee must notify the CO of receiving notification/a report of Prohibited Conduct; Neola suggests "two (2) days". Alternatively, the Board could make this language more open-ended – e.g., "** * * must immediately/promptly notify the/a CO of such information or report."]** The Board employee must also comply with mandatory reporting responsibilities pursuant to Policy 8462 – Student Abuse and Neglect, if applicable. If the Board employee's knowledge about the alleged Prohibited Conduct is based on another individual bringing the information to the Board employee's attention, and the reporting individual submitted a written notification/report or complaint to the Board employee, the Board employee must provide the written notification/report or complaint to the CO.

Notification can be provided orally or in writing and should be as specific as possible. The person making the notification/report should, to the extent known, identify the alleged victim(s), perpetrator(s), and witness(es), and describe in detail what occurred, including date(s), time(s), and location(s).

If a notification/report or complaint involves allegations of Prohibited Conduct by or involving the CO, the person making the report (i.e., providing the notification or filing the complaint) should submit it to the Superintendent or another Board employee who, in turn, will notify the Superintendent of the report/complaint. The Superintendent will then serve in place of the CO for purposes of addressing that report of Prohibited Conduct. **[DRAFTING NOTE: If the Superintendent is the CO, substitute "Board President" in place of "Superintendent."]**

When a Board employee notifies the CO of suspected Prohibited Conduct, the employee is required to report all known details about the alleged Prohibited Conduct including: (1) the name of the alleged respondent(s); (2) the person who experienced the alleged Prohibited Conduct (i.e., the complainant); (3) other persons involved in the alleged Prohibited Conduct (e.g., witnesses); and (4) any other relevant facts, such as date, time, and location. Failure to provide such notification may result in discipline, up to and including suspension or termination of employment.

Any allegations of misconduct not involving Prohibited Conduct as defined in this policy will be addressed through the procedures outlined in other Board policies ~~(-) and/or administrative guidelines [END OF OPTION]~~, the applicable Student Code of Conduct, applicable collective bargaining agreement, and/or Employee/Administrator Handbook.

When a notification/report or complaint of Prohibited Conduct is made, the CO shall promptly (i.e., within two (2) days **[DRAFTING NOTE: The applicable laws and/or regulations do not define "promptly" or otherwise specify within how many days the contact has to be made; Neola suggests "two (2) days."]** of the CO's receipt of the notification/report or complaint of Prohibited Conduct) contact the purported complainant to discuss the availability of supportive measures, consider the complainant's wishes with respect to supportive measures, inform the complainant of the availability of supportive measures with or without the filing of a complaint, and explain to the complainant the process for filing a complaint. The CO is responsible for coordinating the effective implementation of supportive measures. Any supportive measures provided to the complainant or respondent shall be maintained as confidential, to the extent that maintaining such confidentiality will not impair the ability of the District to provide the supportive measures.

GRIEVANCE PROCEDURES

Overview:

The Board adopts the following grievance procedures to provide for the prompt, effective, and equitable resolution of complaints made by employees, applicants, or other individuals who are participating or attempting to participate in the District's education programs or activities (i.e., members of the School District community and Third Parties), or by the CO alleging any act of Prohibited Conduct.

These grievance procedures shall be used for all complaints of Prohibited Conduct unless it involves conduct involving a student, in which case the grievance procedures set forth in Policy 2260 or Policy 5517.01 shall apply. These grievances procedures set forth the means for investigating and resolving claims involving such Prohibited Conduct; in particular, the procedures provide a method for assessing – in a prompt, effective, and equitable manner – whether an applicable Federal or State law was violated and, if it was, how best to end the Prohibited Conduct, prevent its recurrence, and remedy its effects.

Due to the sensitivity surrounding complaints of Prohibited Conduct, timelines are flexible for initiating the grievance procedures; however, individuals are encouraged to file a complaint within thirty (30) days after the conduct occurs. Once the formal complaint process is begun, the investigation will be completed in a timely manner.

[DRAFTING NOTE: Title VII of the Civil Rights Act of 1964 (“Title VII”) prohibits discrimination in employment. Specifically, it prohibits employment discrimination based on race, color, religion, sex, or national origin, and applies to employers with fifteen (15) or more employees. Title IX, on the other hand, specifically prohibits discrimination based on sex in education programs and activities that receive Federal financial assistance, including employment within those institutions. Title IX is addressed by Board Policy 2266 and AG 2266. While both laws aim to prevent sex-based discrimination in the workplace, Title VII applies more broadly to various types of employers, whereas Title IX is limited to educational institutions receiving Federal funds. Ultimately, both laws aim to ensure equal employment opportunities and protect individuals from discrimination. When a District Compliance Officer receives a complaint or notification of alleged misconduct involving sex discrimination (in particular, sexual harassment) that involves an employee complainant and an employee respondent, the District Compliance Officer should consult with the Title IX Coordinator and/or the Board’s Legal Counsel concerning which law – it may be both – the District will need to comply with when investigating the allegations.]

Under all circumstances, the CO shall offer and coordinate supportive measures, as appropriate, in accordance with this policy ~~()~~ and AG 1422 **[END OF OPTION]**.

Complaints:

The following people may make a complaint of Prohibited Conduct – i.e., request that the District investigate and determine whether Prohibited Conduct occurred:

A. a “complainant,” which includes:

1. an employee of the District who is alleged to have been subjected to conduct that could constitute Prohibited Conduct; or
2. a person other than an employee of the District who is alleged to have been subjected to conduct that could constitute Prohibited Conduct at a time when that individual was participating or attempting to participate in the District’s education programs or activities;

B. an authorized legal representative with the legal right to act on behalf of a complainant;

C. the District Compliance Officer.

A person is entitled to make a complaint of unlawful harassment only if they themselves are alleged to have been subjected to the unlawful harassment, or if the CO initiates a complaint.

[DRAFTING NOTE: This paragraph emphasizes that in order for a person to file a complaint of unlawful harassment, the person has to have been subjected to the alleged misconduct directly or be a person who has a legal right to act on behalf of the person who was subjected to the alleged misconduct. This is consistent with the prior paragraph, where the complainant is identified as an employee who was “subjected to conduct that could constitute Prohibited Conduct.” The following paragraph, on the other hand, expands who can file a complaint – when the alleged Prohibited Conduct does not involve unlawful harassment, or the complaint involves allegations of retaliation – to persons who are aware of the alleged Prohibited Conduct, even if that person was not directly affected by or subject to the alleged Prohibited Conduct.]

With respect to complaints of Prohibited Conduct other than unlawful harassment, or complaints involving allegations of retaliation, in addition to the people listed above, the following persons have a right to make a complaint:

A. any employee of the District; or

- B. any person other than an employee who was participating or attempting to participate in the District's education programs or activities at the time of the alleged Prohibited Conduct.

The District may consolidate complaints of Prohibited Conduct against more than one (1) respondent, or by more than one (1) complainant against one (1) or more respondents, or by one (1) party against another party, when the allegations of Prohibited Conduct arise out of the same facts or circumstances. When more than one (1) complainant or more than one (1) respondent is involved, references below to a party, complainant, or respondent include the plural, as applicable.

A person may file criminal charges simultaneously with filing a complaint. A person does not need to wait until the District's internal grievance procedures are completed before filing a criminal complaint. Likewise, questions or complaints relating to alleged violations of applicable Federal or State laws may be filed with the U.S. Department of Education's Office for Civil Rights, the U.S. Department of Justice's Civil Rights Division, the U.S. Equal Employment Opportunity Commission, or the Michigan Department of Civil Rights, at any time based on the underlying statutory basis for the complaint.

Basic Requirements:

The District will treat complainants and respondents equitably.

All persons involved with implementing the grievance procedures and any other aspects of this Policy, including the District Compliance Officer, the investigator, the decisionmaker, and the appeal decisionmaker, (x) and the facilitator of the informal resolution process, [END OF OPTION] shall be free from any conflicts of interest or bias for or against complainants or respondents generally or an individual complainant or respondent.

[x] The CO may serve simultaneously as an investigator and/or a decisionmaker. [END OF OPTION] [DRAFTING NOTE: Neola recommends the Board select this OPTION; note it is "may" (i.e., optional) so the CO can decide when to serve in both roles and when to designate one or more persons to perform these responsibilities in a given case.]

If the CO does not intend to serve as the investigator/decisionmaker in a specific case, the CO shall designate one (1) or more administrators who are appropriately trained to serve in the role.

In circumstances when the CO and trained administrators do not have time/capacity to serve, or are prevented due to a conflict of interest, bias, or partiality, or other reasons impair the CO and other trained administrators from serving as an investigator/decisionmaker in a specific case, the CO shall ~~(-), in consultation with~~ (x) and approval of [END OF OPTION] the Superintendent or ~~(-) Board~~ (x) Board President (as appropriate), [END OF OPTION] secure one (1) or more independent third parties to serve as the investigator and/or decisionmaker.

The District presumes that the respondent is not responsible for the alleged Prohibited Conduct until a determination is made at the conclusion of its grievance procedures.

Under ordinary circumstances, the Board expects to complete the major stages of the grievance procedures within the timeframe specified below:

- A. **Evaluation** – The District Compliance Officer will determine whether to dismiss a complaint or investigate it within ten (10) [INSERT AMOUNT] days of receiving the complaint. [DRAFTING NOTE: Neola recommends that the evaluation stage be completed within ten (10) days of the CO receiving notice of the complaint.]
- B. **Investigation** – The CO, or designated investigator/decisionmaker, shall ordinarily complete the investigation (i.e., collect relevant evidence that is not otherwise impermissible) and issue a Determination (i.e., consider the relevant and not otherwise impermissible evidence and decide whether Prohibited Conduct occurred) within twenty (20) [INSERT AMOUNT] days of the CO determining the charges require investigation. [DRAFTING NOTE: Recognizing that it is important for investigations to be completed and Determinations issued in a prompt and equitable manner, Neola recommends that a school district typically complete an investigation and issue a Determination within twenty (20) days.]

[DRAFTING NOTE: If the investigator/decisionmaker is someone other than the CO, upon written request from the investigator/decisionmaker, the CO should be permitted to approve a reasonable extension of time for the investigation to be completed and the Determination issued. If the CO is the investigator/decisionmaker: upon written request from the CO, the Superintendent should be permitted to approve a reasonable extension of time for the investigation to be completed and the Determination issued. In either situation, the administrator granting the extension should communicate to the parties the new deadline along with a rationale for the extension.]

If, however, the CO, or designated investigator/decisionmaker, determines that the investigation is going to take longer, the CO will so notify the parties (**x**) and the Superintendent **[END OF OPTION]** and will thereafter keep the parties (**x**) and the Superintendent **[END OF OPTION]** informed of the status of the matter on a regular **[INSERT TIME PERIOD – E.G., BIWEEKLY OR REGULAR]** basis.

- C. **Appeal** – A party filing an appeal of the CO’s decision to dismiss a complaint (**x**), or the Determination, **[END OF OPTION]** must do so within five (5) **[INSERT AMOUNT]** days of receiving the Dismissal (**x**) or Determination **[END OF OPTION]**. **[DRAFTING NOTE: Neola recommends the Board allow limited appeals based on the Determination. See DRAFTING NOTE below in the appeal section.]**

The CO, or the Superintendent if the CO is the individual requesting an extension, may approve reasonable extensions of the preceding timeframes on a case-by-case basis for good cause with notice to the parties.

The District will take reasonable steps to protect the privacy of the parties and witnesses. **[x]** These steps will not restrict the ability of the parties to present evidence or otherwise participate in the grievance procedures. **[END OF OPTION]** The parties shall not engage in retaliation, including against witnesses.

The CO, or designated investigator/decisionmaker, shall objectively evaluate all evidence that is relevant and not otherwise impermissible — including both inculpatory and exculpatory evidence. Credibility determinations shall not be based on a person’s status as a complainant, respondent, or witness.

The following types of evidence, and questions seeking such evidence, are impermissible (i.e., will not be accessed or considered, except by the District to determine whether one of the exceptions listed below applies; will not be disclosed; and will not otherwise be used), regardless of whether they are relevant:

- A. evidence that is protected under a privilege recognized by Federal or State law, unless the person to whom the privilege or confidentiality is owed voluntarily waived the privilege or confidentiality; and
- B. a party’s or witness’s records that are made or maintained by a physician, psychologist, or other recognized professional or paraprofessional in connection with the provision of treatment to the party or witness, unless the District obtains that party’s or witness’s voluntary, written consent for use in its grievance procedures.

Notice of Allegations:

Upon initiation of the Board’s grievance procedures, the District Compliance Officer shall notify the parties of the following:

- A. the Board’s grievance procedures (**x**) and informal resolution process **[END OF OPTION]** associated with claims involving Prohibited Conduct; **[DRAFTING NOTE: Neola encourages the Board to include an informal resolution process.]**
- B. sufficient information available at the time to allow the parties to respond to the allegations, including the identities of the parties involved in the incident(s), the conduct alleged to constitute Prohibited Conduct, and the date(s) and location(s) of the alleged incident(s); and
- C. retaliation is prohibited.

Should the CO decide, at any point, to investigate allegations that are materially beyond the scope of the initial written notice, the CO will provide a supplemental written notice describing the additional allegations to be investigated.

Dismissal of a Complaint:

The CO may dismiss a complaint of Prohibited Conduct if:

- A. the District is unable to identify the respondent after taking reasonable steps to do so;
- B. the respondent is not participating in the District’s education program or activity and is not employed by the Board;
- C. the complainant voluntarily withdraws any or all the allegations in the complaint, the CO declines to initiate a complaint, and the District determines that, without the complainant’s withdrawn allegations, the conduct that remains alleged in the complaint, if any, would not constitute Prohibited Conduct even if proven; or
- D. the District determines the conduct alleged in the complaint, even if proven, would not constitute Prohibited Conduct. Before dismissing the complaint, the CO will make reasonable efforts to clarify the allegations with the complainant.

Upon dismissal, the CO will promptly notify, in writing, the complainant of the basis for the dismissal. If the dismissal occurs after the respondent has been notified of the allegations, the CO will also simultaneously notify, in writing, the respondent of the dismissal and the basis for the dismissal.

The CO will further notify the complainant that a dismissal may be appealed and will provide the complainant with an opportunity to appeal the dismissal of the complaint. If the dismissal occurs after the respondent has been notified of the allegations, then the CO will also notify the respondent that the dismissal may be appealed.

Dismissals may be appealed on the following bases:

- A. procedural irregularity that would change the outcome;
- B. new evidence that would change the outcome and that was not reasonably available when the dismissal was made; and
- C. the CO had a conflict of interest or bias for or against complainants or respondents generally, or the individual complainant or respondent, that would change the outcome.

If the dismissal is appealed, the CO will:

- A. notify the parties of any appeal, including notice of the allegations, if notice was not previously provided to the respondent;
- B. implement appeal procedures equally for the parties;
- C. ensure that the appeal decisionmaker did not take part in the original dismissal of the complaint;
- D. ensure that the appeal decisionmaker has been trained consistent with this Policy ~~()~~ and AC 1422 ~~[END OF OPTION];~~
- E. provide the parties a reasonable and equal opportunity to make a statement in support of, or challenging, the outcome; and
- F. notify the parties of the result of the appeal and the rationale for the result.

When a complaint is dismissed, the CO will, at a minimum:

- A. offer supportive measures to the complainant as appropriate;
- B. if the respondent has been notified of the allegations, offer supportive measures to the respondent as appropriate; and
- C. take other prompt and effective steps, as appropriate, to ensure that Prohibited Conduct does not continue or recur within the District's education programs or activities.

[DRAFTING NOTE: Neola encourages the Board to select the following option so the CO can choose, in appropriate circumstances, to offer the parties the opportunity to participate in an informal resolution process, or to honor the parties' request to use an informal resolution process, to end the Prohibited Conduct, prevent its recurrence, and remedy its effects.]

x] [OPTIONAL LANGUAGE: INFORMAL RESOLUTION PROCESS]

Informal Resolution Process:

In lieu of resolving a complaint through the Board's formal grievance procedures, the parties may instead elect to participate in an informal resolution process. The District will not offer informal resolution to resolve a complaint when such a process would conflict with Federal, State, or local law.

[END OF OPTIONAL LANGUAGE: INFORMAL RESOLUTION PROCESS]

Adding Allegations and/or Consolidating Complaints:

If, in the course of an investigation, the District decides to investigate additional allegations of Prohibited Conduct by the

respondent toward the complainant that are not included in the original Notice of Allegations or to consolidate charges raised in a different complaint involving the same respondent, the CO will notify the parties of the additional allegations.

Investigation:

The District will provide for an adequate, reliable, and impartial investigation of complaints.

The burden is on the District — not on the parties — to conduct an investigation that gathers sufficient evidence to determine whether Prohibited Conduct occurred.

The CO, or the designated investigator/decisionmaker, will provide an equal opportunity for the parties to present fact witnesses and other inculpatory and exculpatory evidence that are relevant and not otherwise impermissible.

The CO, or the designated investigator/decisionmaker, will review all evidence gathered through the investigation and determine what evidence is relevant and what evidence is impermissible, regardless of relevance.

Determination of Whether Prohibited Conduct Occurred:

Following an investigation and evaluation of all relevant and not otherwise impermissible evidence, the CO or designated investigator/decisionmaker will:

- A. Use the preponderance of the evidence standard of proof to determine whether Prohibited Conduct occurred. This standard of proof requires the decisionmaker to evaluate relevant and not otherwise impermissible evidence for its persuasiveness. If the decisionmaker, applying the applicable standard, is not persuaded by the relevant and not otherwise impermissible evidence that Prohibited Conduct occurred, regardless of the quantity of the evidence, the decisionmaker will not determine that Prohibited Conduct occurred. **[DRAFTING NOTE: While a board of education could elect to use the "clear and convincing" evidence standard of proof, Neola does not recommend it. If a board does select the "clear and convincing" standard, it should use it in all other comparable proceedings. Neola expects it will be a rare situation when a board chooses to use a clear and convincing standard of proof.]**
- B. Notify the parties, in writing, of the determination whether Prohibited Conduct occurred, including the rationale for such determination ~~(-), and the procedures and permissible bases for the complainant and respondent to appeal~~ **[END OF OPTION]**.
- C. Not impose discipline on a respondent for Prohibited Conduct unless there is a determination at the conclusion of the grievance procedures that the respondent engaged in Prohibited Conduct.
- D. If there is a determination that Prohibited Conduct occurred, the CO will, as appropriate:
 1. coordinate the provision and implementation of remedies to a complainant and other people the District identifies as having had equal access to the District's education programs or activities limited or denied by the Prohibited Conduct;
 2. coordinate the imposition of any disciplinary sanctions on a respondent ~~(-), including notification to the complainant of any such disciplinary sanctions~~ **[END OF OPTION]**; and
 3. take other appropriate prompt and effective steps to ensure that the Prohibited Conduct does not continue or recur within the District's education programs or activities.
- E. Comply with the grievance procedures before the imposition of any disciplinary sanctions against a respondent.
- F. Not discipline a party, witness, or others participating in the grievance procedures for making a false statement based solely on the determination of whether Prohibited Conduct occurred.

[DRAFTING NOTE: If the CO dismisses a complaint in the Evaluation stage (i.e., prior to commencing an investigation), the complainant may appeal as set forth above. Neola also recommends the Board include an appeal process related to the Determination.]

[x] [OPTIONAL LANGUAGE - APPEAL OF DETERMINATION]

Appeal of Determinations:

If a party disagrees with the decisionmaker's determination as to whether Prohibited Conduct occurred, the party may file

an appeal. Appeals must be submitted, in writing, within five (5) **(INSERT AMOUNT)** days of the appealing party's receipt of the Determination.

A party may appeal a Determination on the following bases:

- A. procedural irregularity that would change the outcome;
- B. new evidence that would change the outcome and that was not reasonably available when the investigation occurred and the Determination was made; and
- C. the CO, or the designated investigator/decisionmaker, had a conflict of interest or bias for or against complainants or respondents generally or the individual complainant or respondent that would change the outcome;

[DRAFTING NOTE: The Board may insert additional grounds on which an appeal may be filed.]

- D. ~~() the recommended remedies (including disciplinary sanctions/consequences) are unreasonable in light of the findings of fact (i.e., the nature and severity of the Prohibited Conduct).~~

- E. ~~() [OTHER] _____.~~

[x] The complainant may not challenge the ultimate disciplinary sanction/consequence that is imposed. **[END OF OPTION]**

[DRAFTING NOTE: The following options are offered in case the Board wants the Superintendent to serve as the appeal decisionmaker or the Board wants to nominally be identified as the appeal decisionmaker but will be delegating the responsibility to a person who is properly trained. Neola does not recommend that the Board itself be named as the appeal decisionmaker because of the preference for the decisionmaker to be trained to render a decision. If the Board wants to serve as the appeal decisionmaker, it should discuss this issue with its Legal Counsel. Select OPTION 1 or OPTION 2 below.]

~~[] [OPTION 1]~~

~~The CO will designate an appeal decisionmaker, who will be a person who did not conduct the Investigation and render the Determination, and is appropriately trained (), as set forth in AG 1422 **[END OF INTERNAL OPTION]**.~~

~~The CO has authority (), in consultation with () and approval of **[END OF OPTION]** the Superintendent or () Board () Board President (as appropriate), **[END OF OPTIONS]** to secure an independent Third Party to serve as the appeal decisionmaker.~~

~~**[]** In designating an appeal decisionmaker, the CO will work with the Board to identify and appoint an independent Third Party to serve as the appeal decisionmaker—this individual shall be considered to be the Board's designee and will submit the appeal decision to the Board who will promptly adopt it as written and forward it to the CO who will send it simultaneously to the parties. **[END OF OPTIONAL SENTENCE]**~~

~~[END OF OPTION 1]~~

[x] [OPTION 2]

The Superintendent shall serve as the appeal decisionmaker, provided the Superintendent has not been otherwise involved in the grievance procedures (i.e., did not serve as the investigator/decisionmaker or informal resolution process facilitator) and is appropriately trained. If the Superintendent is not eligible to serve as the appeal decisionmaker, the CO will designate an appeal decisionmaker, who will be a person who did not conduct the Investigation and render the Determination, and is appropriately trained ~~(), as set forth in AG 1422 **[END OF INTERNAL OPTION]**.~~

[END OF OPTION 2]

[END OF OPTIONS]

If a party appeals the Determination, the CO will:

- A. notify the parties of the appeal;
- B. implement appeal procedures equally for the parties;

- C. provide the parties a reasonable and equal opportunity to make a statement in support of, or challenging, the Determination;
- D. provide the appeal decisionmaker with the relevant and not otherwise impermissible evidence and the Determination; and
- E. notify the parties, in writing, of the result of the appeal and the appeal decisionmaker's rationale for the outcome.

Parties Provided a Reasonable and Equal Opportunity to Make a Statement in Support of, or Challenging, the Dismissal (☒) or Determination [END OF OPTION]

When a party files an appeal, the party must set forth the reason(s)/basis/bases for the appeal, and the other party will have five (5) [INSERT AMOUNT] days to provide the appeal decisionmaker with a statement in support of their position. Once the decisionmaker receives the statement (or the deadline for filing such a statement expires), the appeal decisionmaker will have ten (10) [INSERT AMOUNT] days to issue a decision on the appeal.

[DRAFTING NOTE: Neola suggests any appeals should be filed within five (5) days of the parties receiving written notice of the Determination. Neola further suggests that the timeline for the other party submitting a statement be equivalent to the timeframe in which an appeal has to be filed. Finally, Neola suggests the appeal decisionmaker have ten (10) days from receipt of the statements to issue a decision.]

While a party appealing a Determination may argue the reason/basis for the appeal is that new evidence has been discovered/obtained that would change the outcome and that said new evidence was not reasonably available when the Determination was originally made, the party may not submit the new or additional evidence during the appeal process. Rather, the party appealing should identify/describe in detail the evidence, including how and when it was discovered/obtained, and explain why it was not reasonably available during the Investigation (i.e., prior to the Determination). If the appeal decisionmaker accepts the proffered explanation, the appeal decisionmaker should remand the case back to the investigator/decisionmaker (i.e., reopen the investigation) so the new evidence may be submitted and considered by the other party and the investigator/decisionmaker.

The appeal decisionmaker shall determine the outcome of the appeal based on the appeal decisionmaker's independent review of the record (i.e., the relevant and not otherwise impermissible evidence and the written determination) and the appeal decisionmaker's application of the law and Board policy to the facts in the record. The appeal decisionmaker must give due deference and due weight to the decisionmaker's factual findings and credibility determinations and should not overturn them unless non-testimonial extrinsic evidence in the record justifies a contrary conclusion or unless the record read in its entirety compels a contrary conclusion. Generally, the appeal decisionmaker is expected to uphold the original Determination unless the appeal decisionmaker concludes the original Determination is unlawful, unreasonable, or against the manifest weight of the evidence. Every reasonable presumption must be made in favor of the original Determination.

The appeal decisionmaker shall

[DRAFTING NOTE: The Board must select either OPTION 1 or OPTION 2 unless the Board appointed an independent Third Party to serve as the Board's appeal decisionmaker, in which case the Board should select OPTION 3.]

(☒) [OPTION 1]

simultaneously notify the parties, in writing, of the result of the appeal and the rationale for the outcome.

[END OF OPTION 1]

[OR]

(☐) [OPTION 2]

~~notify the CO, in writing, of the result of the appeal and the rationale for the outcome. The CO will then simultaneously notify the parties, in writing, of the result of the appeal and the appeal decisionmaker's rationale for the outcome.~~

[END OF OPTION 2]

[OR]

~~() [OPTION 3]~~

~~submit the appeal decision to the Board who will promptly adopt it as written and forward it to the CO, who will send it simultaneously to the parties. The appeal decision shall set forth the result of the appeal and the appeal decisionmaker's rationale for the outcome.~~

~~[END OF OPTION 3]~~

The ☒ appeal decisionmaker's ~~() Board's [END OF OPTION]~~ decision shall be final.

[END OF OPTIONAL LANGUAGE - APPEAL OF DETERMINATION]

Supportive Measures:

The District will offer and coordinate supportive measures as appropriate for the complainant and/or respondent to restore or preserve that person's access to the District's education programs or activities or provide support during the grievance procedures and/or during the informal resolution process. For allegations of Prohibited Conduct other than prohibited harassment or retaliation, the District's provision of support measures does not require the District, Board employees, or any other person authorized to provide aid, benefit, or service on the District's behalf to alter the alleged discriminatory/retaliatory conduct for the purpose of providing a supportive measure.

The CO shall determine appropriate supportive measures on a case-by-case basis. Supportive measures may vary depending on what the CO deems to be reasonably available. Supportive measures may include, but are not limited to: modifications of work schedules; mutual restrictions on contact between the parties; changes in work locations; leaves of absence; increased security and monitoring of certain work settings; training related to Prohibited Conduct; ~~() referral to Employee Assistance Program; [END OF OPTION]~~ and other similar measures.

Supportive measures must not unreasonably burden either party and must be designed to protect the safety of the parties and/or the District's educational environment, or to provide support during the Board's grievance procedures or the informal resolution process.

The District will not impose such measures for punitive or disciplinary reasons.

The CO may, as appropriate, modify or terminate supportive measures at the conclusion of the grievance procedures, or at the conclusion of the informal resolution process, or the District may continue them beyond that point.

A party may seek additional modification or termination of a supportive measure applicable to them if circumstances change materially.

The District will not disclose information about any supportive measures to persons other than the person to whom they apply, including informing one party of supportive measures provided to another party, unless necessary to provide the supportive measure or restore or preserve a party's access to the District's education programs or activities, or as otherwise permitted under existing law and/or policy.

The Superintendent may place an employee respondent on administrative leave from employment responsibilities during the pendency of the Board's grievance procedures.

Disciplinary Sanctions and Remedies:

Following a determination that Prohibited Conduct occurred, the District may impose disciplinary sanctions, which may include:

- A. ☒ oral or written warning;
- B. ☒ written reprimands;
- C. ☒ required counseling;
- D. ☒ required training or education;
- E. ☒ demotion;
- F. ☒ suspension with pay;

[END OF OPTIONS]

G. suspension without pay;

H. termination; and

I. any other sanction authorized by any applicable Board policy, Employee/Administrator Handbook, and/or collective bargaining agreement.

The District may also provide remedies, which may include disciplinary sanctions/consequences. The CO will notify the Superintendent of the recommended remedies, so an authorized administrator can consider the recommendation and implement appropriate remedies in compliance with applicable due process procedures, whether statutory or contractual.

[DRAFTING NOTE: The Board should review applicable policy(ies)/administrative guidelines/employee handbooks to determine whether changes are needed to establish timelines associated with imposition of discipline as a result of possible delays caused by the Board implementing the preceding grievance procedures; likewise, the Board may need to discuss with union representatives how implementation of the grievance procedures may impact any disciplinary provisions contained in applicable collective bargaining (e.g., timelines, permitted attendees at investigative interviews, etc.).]

Discipline of an employee will be implemented in accordance with Federal and State law, Board policy, and applicable provisions of any relevant collective bargaining agreement.

Retaliation

Retaliation against a person who makes a report or files a complaint alleging Prohibited Conduct or retaliation, or participates in an investigation, is prohibited. Neither the Board nor any other person may intimidate, threaten, coerce, or discriminate against any individual for the purpose of interfering with any right or privilege secured by the U.S. Constitution, the Michigan Constitution, Federal or State law, or this policy, or because the individual made a report or complaint, testified, assisted, or participated or refused to participate in any manner in an investigation, proceeding, or hearing under this policy. Intimidation, threats, coercion, or discrimination, including initiating a disciplinary process against a person for a code of conduct violation that does not involve Prohibited Conduct but arises out of the same facts and circumstances as a complaint or information reported about possible Prohibited Conduct, for the purpose of interfering with the exercise of any right or privilege secured by Federal or State law constitutes retaliation. Retaliation against a person for making a complaint or participating in an investigation is a serious violation of this policy that can result in the imposition of disciplinary sanctions/consequences and/or other appropriate remedies.

Complaints alleging retaliation may be filed according to the grievance procedures set forth above. The District shall initiate its grievance procedures upon receiving any complaint alleging retaliation.

The exercise of rights protected under the First Amendment of the United States Constitution does not constitute retaliation prohibited under this policy.

Charging an individual with a code of conduct violation for making a materially false statement in bad faith in the course of a grievance proceeding under this policy shall not constitute retaliation, provided, however, that a determination that Prohibited Conduct occurred, alone, is not sufficient to conclude that any party made a materially false statement in bad faith.

Privacy/Confidentiality

The District will employ all reasonable efforts to protect the rights of the complainant, the respondent(s), and the witnesses as much as possible, consistent with the Board's legal obligations to investigate, to take appropriate action, and to conform with any discovery or disclosure obligations. The District will keep confidential the identity of any individual who has made a complaint of Prohibited Conduct, any complainant, any individual who has been reported to be the perpetrator of Prohibited Conduct, any respondent, and any witness, except as may be permitted by the Family Educational Rights and Privacy Act ("FERPA"), 20 U.S.C. 1232g, or FERPA regulations, 34 C.F.R. part 99, or as required by law, or to carry out the purposes of relevant Federal or State law or regulations, including the conduct of any investigation, hearing, or judicial proceeding arising thereunder (i.e., the District's obligation to maintain confidentiality shall not impair or otherwise affect the complainant's and respondent's receipt of the information to which they are entitled related to the investigation and determination of whether Prohibited Conduct occurred). All records generated under the terms of this policy shall be maintained as confidential to the extent permitted by law. Confidentiality, however, cannot be guaranteed. Additionally, the respondent must be provided the complainant's identity.

During an investigation, the CO or designated investigator/decisionmaker will instruct each person who is interviewed about

the importance of maintaining confidentiality. Any individual who is interviewed as part of an investigation is expected not to disclose to other members of the School District Community or Third Parties any information that is learned or provided during the course of the investigation.

Sanctions and Monitoring

The Board shall vigorously enforce its prohibitions against Prohibited Conduct by taking appropriate action reasonably calculated to stop and prevent further misconduct. While observing the principles of due process, a violation of this policy may result in disciplinary action up to and including the discharge of an employee. All disciplinary action will be taken in accordance with applicable State law and the terms of the relevant collective bargaining agreement(s). When imposing discipline, the Superintendent shall consider the totality of the circumstances involved in the matter. In those cases where Prohibited Conduct is not substantiated, the Board may consider whether the alleged conduct nevertheless warrants discipline in accordance with other Board policies, consistent with the terms of the relevant collective bargaining agreement(s).

Where the Board becomes aware that a prior remedial action has been taken against a member of the School District community, all subsequent sanctions imposed by the Board and/or Superintendent shall be reasonably calculated to end such conduct, prevent its reoccurrence, and remedy its effects.

Application of the First Amendment

The Board will construe and apply this policy consistent with the First Amendment to the U.S. Constitution ~~() and the principles of academic freedom as set forth in the applicable collective bargaining agreement [END OF OPTION]. In no case will a respondent be found to have committed Prohibited Conduct based on expressive conduct that is protected by the First Amendment () and/or the principles of academic freedom specified in the Board's collective bargaining agreement with its teachers [END OF OPTION].~~

Training

All employees, investigators, decisionmakers, facilitators of informal resolution process, the District Compliance Officer(s), and other persons who are responsible for implementing the Board's grievance procedures or have the authority to modify or terminate supportive measures shall receive training related to their duties under applicable Federal and State laws and this policy. ~~[] The training shall be provided promptly upon hiring or a change of position that alters their duties under this policy, and annually thereafter. [END OF OPTIONAL SENTENCE]~~ The training shall not rely on stereotypes involving Protected Classes.

[x] Training materials will be made available for inspection upon request by members of the public. [END OF OPTION]

Recordkeeping (including retention of investigatory records and materials)

The District Compliance Officer(s) is/are responsible for overseeing retention of all records that must be maintained pursuant to this policy. All individuals charged with conducting investigations under this policy must retain all information, documents, electronically stored information, and electronic media (as defined in Policy 8315) created and received as part of an investigation. Records and materials associated with the implementation of this policy shall be retained in accordance with Policy 8310, Policy 8315, Policy 8320, and Policy 8330 for the period set forth below, unless required to be maintained for a longer period pursuant to the District's records retention schedule.

[DRAFTING NOTE: For purposes of uniformity, Neola recommends that the Board use the same seven (7) year period for recordkeeping that is required by the 2020 Title IX regulations - see Board Policy 2266; if the Board selects a different timeframe for maintaining the below specified records, it should verify the time period selected is consistent with and/or reflected in its record retention schedule – see AG 8310.]

The District shall maintain for a period of seven (7) calendar years the following records:

- A. for each complaint of Prohibited Conduct, records documenting the informal resolution process and/or the grievance procedures followed and the resulting outcome;
- B. for each notification that the District Compliance Officer receives of information about conduct that reasonably may constitute Prohibited Conduct, records documenting the actions the District took to implement this policy; and
- C. all materials used to provide the training referenced above ~~() and in AG 1422 [END OF OPTION].~~

The information, documents, ESI, and electronic media (as defined in Policy 8315) retained may include public records and records exempt from disclosure under Federal and/or State law (e.g., student records, medical records).

Outside Appointments, Dual Appointments, and Delegations

The Board retains discretion to appoint suitably qualified persons who are not Board employees to fulfill any function of the Board under this policy including, but not limited to, District Compliance Officer, investigator, decisionmaker, appeal decisionmaker, or facilitator of the informal resolution process.

The Board also retains discretion to appoint two (2) or more persons to jointly fulfill the role of District Compliance Officer, investigator, decisionmaker, appeal decisionmaker, and facilitator of the informal resolution process.

The Superintendent may delegate functions assigned to a specific Board employee under this policy including, but not limited to, the functions assigned to the District Compliance Officer, investigator, decisionmaker, appeal decisionmaker, and facilitator of the informal resolution process to any suitably qualified individual, and such delegation may be rescinded by the Superintendent at any time.

[DRAFTING NOTE: The following option expressly sets forth authority that the Board has, regardless of whether it is included in this policy, but is offered for those boards of education that may want to affirmatively communicate to/address these issues for readers of this policy.]

x] Discretion in Application

The Board retains discretion to interpret and apply this policy in a manner that is not clearly unreasonable, even if the Board's interpretation or application differs from the interpretation of any specific complainant and/or respondent.

Despite the Board's reasonable efforts to anticipate all eventualities in drafting this policy, it is possible that unanticipated or extraordinary circumstances may not be specifically or reasonably addressed by the express policy language, in which case the Board retains discretion to respond to the unanticipated or extraordinary circumstance in a way that is not clearly unreasonable.

The provisions of this policy are not contractual in nature, whether in their own right or as part of any other express or implied contract. Accordingly, the Board retains discretion to revise this policy at any time and for any reason. The Board may apply policy revisions to an active case provided that doing so is not clearly unreasonable.

Rescind Policy - Vol. 40, No. 1

~~1422.02 — NONDISCRIMINATION BASED ON GENETIC INFORMATION OF THE EMPLOYEE~~

~~The Board of Education prohibits discrimination on the basis of genetic information in all aspects of employment, including hiring, firing, compensation, job assignments, promotions, layoffs, training, fringe benefits, or any other terms, conditions, or privileges of employment. The Board also does not limit, segregate, or classify employees in any way that would deprive or tend to deprive them of employment opportunities or otherwise adversely affect the status of an employee as an employee, based on genetic information. Harassment of a person because of his/her genetic information is also prohibited. Likewise, retaliation against an applicant or employee for engaging in protected activity is prohibited.~~

~~In accordance with the Genetic Information Nondiscrimination Act ("GINA"), the Board shall not request, require, or purchase genetic information of employees, their family members, or applicants for employment. Further, in compliance with this Act, employees are directed not to provide any genetic information, including the individual's family medical history, in response to necessary requests for medical information, with the exception that family medical history may be acquired as part of the certification process for FMLA leave when an employee is asking for leave to care for an immediate family member with a serious health condition. Applicants for employment are directed not to provide any genetic information, including the individual's family medical history, in response to requests for medical information as part of the District's application process.~~

~~[] The District recognizes that genetic information may be acquired through commercially and publicly available documents like newspapers, books, magazines, periodicals, television shows, or the Internet. The District prohibits, however, its employees from searching such sources with the intent of finding or obtaining genetic information or accessing sources from which they are likely to acquire genetic information.~~

~~"Genetic information," as defined by GINA, means information about: (a) an individual's genetic tests; (b) the genetic tests of that individual's family members; (c) the manifestation of disease or disorder in family members of the individual (i.e., family medical history); (d) an individual's request for, or receipt of, genetic services, or the participation in clinical research that includes genetic services by the individual or a family member of the individual; or (e) the genetic information of a fetus carried by an individual or a pregnant woman who is a family member of the individual and the genetic information of an embryo legally held by an individual or family member using assistive reproductive technology.~~

~~If the District either legally and/or inadvertently receives genetic information about an employee or applicant for employment from the employee, applicant for employment, or a medical provider, it shall be treated as a confidential medical record in accordance with law.~~

~~The Superintendent shall appoint a compliance officer who shall be responsible for overseeing the District's compliance with Federal regulations and promptly dealing with any inquiries or complaints. S/He shall also verify that proper notice of nondiscrimination for Title II of the Genetic Information Nondiscrimination Act of 2008 is provided to staff members and that all District requests for health related information (e.g., to support an employee's request for reasonable accommodation under the ADA or a request for sick leave) is accompanied by a written warning that directs the employee or health care provider not to collect or provide genetic information.~~

The warning shall read as follows:

The Genetic Information Nondiscrimination Act of 2008 ("GINA") prohibits employers and other entities covered by GINA Title II, including the Board of Education, from requesting or requiring genetic information of an individual or family member of the individual, except as specifically allowed by law. To comply with this law, do not provide any genetic information when responding to this request for medical information (unless the request pertains to a request for FMLA leave for purposes of caring for an immediate family member with a serious health condition). "Genetic information," as defined by GINA, includes an individual's family medical history, the results of an individual's or family member's genetic test, the fact that an individual or an individual's family member sought or received genetic services or participated in clinical research that includes genetic services, and genetic information of a fetus carried by an individual or an individual's family member or an embryo lawfully held by an individual or family member receiving assistive reproductive services.

[] The District offers health services **()** including a wellness program **[END OF OPTION]**. Participation in the services/program is voluntary. Genetic information (such as family medical history) may be obtained as part of an individual's participation in the service/program. If that occurs, individual genetic information may be provided to the individual receiving the services and to his/her health services providers, but only genetic information in aggregate form will be provided to the Board. **[END OF OPTIONAL SENTENCE]**

Technical Correction Policy - Vol. 40, No. 1

1623 - SECTION 504/ADA PROHIBITION AGAINST DISABILITY DISCRIMINATION IN EMPLOYMENT

The Board of Education prohibits discrimination against any employee or applicant based upon **the employee's or applicant's** disability. As such, the Board will not engage in employment practices or adopt policies that discriminate on the basis of disability, or otherwise discriminate against qualified individuals with disabilities in regard to job application procedures, the hiring, advancement, or discharge of employees, employee compensation, job training, or other terms, conditions, and privileges of employment. The Board further will not limit, segregate, or classify applicants or employees in any way that adversely affects their opportunities or status because of disability. Additionally, the Board will not participate in any contractual or other relationships that have the effect of subjecting qualified individuals with disabilities who are applicants or employees to discrimination on the basis of disability.

"An individual with a disability" means a person who has, had a record of, or is regarded as having, a physical or mental impairment that substantially limits one (1) or more major life activities. Major life activities are functions such as caring for one's self, performing manual tasks, walking, seeing, hearing, eating, sleeping, standing, lifting, bending, speaking, breathing, learning, reading, concentrating, thinking, communicating, sitting, reaching, interacting with others, and working.

Major life activities also include the operation of a major bodily function, including, but not limited to, functions of the immune system, special sense organs and skin, normal cell growth, and digestive, genitourinary, bowel, bladder, neurological, brain, respiratory, circulatory, endocrine, hemic, lymphatic, musculoskeletal, and reproductive functions. The operation of a major bodily function includes the operation of an individual organ within a body system.

An impairment that is episodic in nature or in remission is considered a disability if it would substantially limit a major life activity when active.

The determination of whether an impairment substantially limits a major life activity must be made without regard to the ameliorative effects of mitigating measures such as medication, medical supplies, equipment or appliances, low-vision devices (defined as devices that magnify, enhance, or otherwise augment a visual image, but not including ordinary eyeglasses or contact lenses), prosthetics (including limbs and devices), hearing aid(s) and cochlear implant(s) or other implantable hearing devices, mobility devices, oxygen therapy equipment or supplies, use of assistive technology, reasonable accommodations or "auxiliary aids or services," learned behavioral or adaptive neurological modifications, psychotherapy, behavioral therapy, or physical therapy.

A qualified person with a disability means the individual satisfies the requisite skill, experience, education, and other job-related requirements of the employment position such individual holds or desires and, with or without reasonable accommodation, can perform the essential functions of the job in question.

The Board will provide a reasonable accommodation to a qualified individual who has an actual disability or who has a record of a disability unless the accommodation would impose an undue hardship on the operation of the District's program and/or activities. A reasonable accommodation is not required for an individual who is merely regarded as having a disability.

Compliance Officer(s)

The Board designates the following individual(s) to serve as the District's 504 Compliance Officer(s)/ADA Coordinator(s) (hereinafter referred to as the "District Compliance Officer(s)"):

[DRAFTING NOTE: Neola suggests the Board appoint both a male and a female District Compliance Officer in order to provide complainants with the option to report their concerns to an individual of the gender with which they feel most comfortable. Additionally, by appointing two (2) District Compliance Officers, there should always be a Compliance Officer available to investigate a claim that pertains to the other Compliance Officer.]

In accordance with Section 504 of the Rehabilitation Act of 1973 and its implementing regulations ("Section 504"), employees will be notified of their right to file an internal complaint regarding an alleged violation, misinterpretation, or misapplication of Section 504. In addition, employees will be notified of their right to file a complaint with the U.S. Department of Education's Office for Civil Rights.

Internal complaints must be put in writing and must identify the specific circumstances or areas of dispute that have given rise to the complaint, and offer possible solutions to the dispute. The complaint must be filed with a District Compliance Officer within the time limits specified below. The District's Compliance Officer is available to assist individuals in filing a complaint.

Unless expressly stated otherwise, the term "day" or "days" as used in this policy means business day(s) (i.e., a day(s) that the Board office is open for normal operating hours, Monday - Friday, excluding State-recognized holidays).

Internal Complaint Procedure

The following internal complaint procedure is available to employees for the prompt and equitable resolution of complaints alleging discrimination based upon disability. This complaint procedure is not available to unsuccessful applicants. Use of the internal complaint procedure is not a prerequisite to the pursuit of other remedies, including the filing of a complaint with the U.S. Department of Education's Office for Civil Rights.

- A. An employee with a complaint based on alleged discrimination on the basis of disability may first discuss the problem with the District Compliance Officer.
- B. If the informal discussion does not resolve the matter, or if the employee skips Step A, the individual may file a formal written complaint with the District Compliance Officer. The written complaint must contain the name and address of the individual or representative filing the complaint, be signed by the complainant or someone authorized to sign for the complainant, describe the alleged discriminatory action in sufficient detail to inform the District Compliance Officer of the nature and date of the alleged violation, and propose a resolution. The complaint must be filed within thirty (30) days of the circumstances or event giving rise to the complaint unless the time for filing is extended by the District Compliance Officer for good cause.
- C. The District Compliance Officer will conduct an independent investigation of the matter (which may or may not include a hearing). This complaint procedure contemplates informal, but thorough investigations, affording all interested persons and their representatives, if any, an opportunity to present witnesses and other evidence relevant to the complaint. The District Compliance Officer will provide the complainant with a written disposition of the complaint within ten (10) days. If no decision is rendered within ten (10) days, or the decision is unsatisfactory in the opinion of the complainant, the employee may file, in writing, an appeal with the Superintendent. The District Compliance Officer shall maintain the District's files and records relating to the complaint.
- D. The Superintendent will, within ten (10) days of receiving the written appeal, conduct a hearing with all parties involved in an attempt to resolve the complaint.

The Superintendent will render ~~his/her~~ decision within ten (10) days of the hearing.
- E. The employee may be represented, at ~~the employee's~~ ~~his/her~~ own cost, at any of the above-described meetings/hearings.
- F. The right of a person to a prompt and equitable resolution of the complaint shall not be impaired by the person's pursuit of other remedies, such as the filing of a complaint with the Office for Civil Rights or the filing of a court case. Use of this internal complaint procedure is not a prerequisite to the pursuit of other remedies.

If it is determined that the Complainant was subjected to unlawful discrimination, the CO must identify what corrective action will be taken to stop, remedy, and prevent the recurrence of the discrimination/retaliation. The corrective action should be reasonable, timely, age-appropriate, and effective, and tailored to the specific situation.

Retaliation

Retaliation against a person who makes a report or files a complaint alleging unlawful harassment/retaliation or participates as a witness in an investigation is prohibited. Neither the Board nor any other person may intimidate, threaten, coerce or interfere with any individual because the person opposed any act or practice made unlawful by any Federal or State civil rights law, or because that individual made a report, formal complaint, testified, assisted or participated or refused to participate in any manner in an investigation, proceeding, or hearing under those laws and/or this policy, or because that individual exercised, enjoyed, aided or encouraged any other person in the exercise or enjoyment of any right granted or protected by those laws and/or this policy.

Retaliation against a person for making a report of discrimination, filing a formal complaint, or participating in an investigation or meeting is a serious violation of this policy that can result in the imposition of disciplinary sanctions/consequences and/or other appropriate remedies.

Formal complaints alleging retaliation may be filed according to the internal complaint process set forth above.

The exercise of rights protected under the First Amendment of the United States Constitution does not constitute retaliation prohibited under this policy.

~~1662 — ANTI-HARASSMENT~~

General Policy Statement

It is the policy of the Board of Education to maintain an education and work environment that is free from all forms of unlawful harassment, including sexual harassment. This commitment applies to all School District operations, programs, and activities. All students, administrators, teachers, staff, and all other school personnel share responsibility for avoiding, discouraging, and reporting any form of unlawful harassment. This policy applies to unlawful conduct occurring on school property, or at another location if such conduct occurs during an activity sponsored by the Board.

The Board will vigorously enforce its prohibition against discriminatory harassment based on race, color, national origin, sex (including sexual orientation and gender identity), disability, age, religion, ancestry, or genetic information (collectively, Protected Classes) that are protected by Federal civil rights laws (hereinafter referred to as unlawful harassment) and encourages those within the School District community, as well as Third Parties, who feel aggrieved to seek assistance to rectify such problems. The Board will investigate all allegations of harassment and in those cases where unlawful harassment is substantiated, the Board will take immediate steps to end the harassment, prevent its reoccurrence, and remedy its effects. Individuals who are found to have engaged in unlawful harassment will be subject to appropriate disciplinary action.

[] The District will offer counseling services to any person found to have been subjected to unlawful harassment, and where appropriate, the person(s) who committed the unlawful harassment.

Other Violations of the Anti-Harassment Policy

The Board will also take immediate steps to impose disciplinary action on individuals engaging in any of the following prohibited acts:

- A. Retaliating against a person who has made a report or filed a complaint alleging unlawful harassment, or who has participated as a witness in a harassment investigation.
- B. Filing a malicious or knowingly false report or complaint of unlawful harassment.
- C. Disregarding, failing to investigate adequately, or delaying investigation of allegations of harassment, when responsibility for reporting and/or investigating unlawful harassment charges comprises part of one's supervisory duties.

Definitions

Words used in this policy shall have those meanings defined herein; words not defined herein shall be construed according to their plain and ordinary meanings.

Complainant is the individual who alleges, or is alleged, to have been subjected to unlawful harassment, regardless of whether the person files a formal complaint or is pursuing an informal resolution to the alleged harassment.

Respondent is the individual who has been alleged to have engaged in unlawful harassment, regardless of whether the Reporting Party files a formal complaint or is seeking an informal resolution to the alleged harassment.

School-District community means students and Board employees (i.e., administrators and professional and support staff), as well as Board members, agents, volunteers, contractors, or other persons subject to the control and supervision of the Board.

Third Parties include, but are not limited to, guests and/or visitors on School-District property (e.g., visiting speakers, participants on opposing athletic teams, parents), vendors doing business with or seeking to do business with the Board, and other individuals who come in contact with members of the School-District community at school-related events/activities (whether on or off District property).

Day(s): Unless expressly stated otherwise, the term "day" or "days" as used in this policy means business day(s) (i.e., a day(s) that the Board office is open for normal operating hours, Monday—Friday, excluding State-recognized holidays).

Bullying

Bullying rises to the level of unlawful harassment when one (1) or more persons systematically and chronically inflict physical hurt or psychological distress on one (1) or more students or employees and that bullying is based upon one (1) or more Protected Classes, that is, characteristics that are protected by Federal civil rights laws. It is defined as any unwanted and repeated written, verbal, or physical behavior, including any threatening, insulting, or dehumanizing gesture, by an adult or student that is severe or pervasive enough to create an intimidating, hostile, or offensive educational or work environment; cause discomfort or humiliation; or unreasonably interfere with the individual's school or work performance or participation; and may involve:

- A. teasing;
- B. threats;
- C. intimidation;
- D. stalking;
- E. cyberstalking;
- F. cyberbullying;
- G. physical violence;
- H. theft;
- I. sexual, religious, or racial harassment;
- J. public humiliation; or
- K. destruction of property.

Harassment means any threatening, insulting, or dehumanizing gesture, use of technology, or written, verbal, or physical conduct directed against a student or school employee that:

- A. places a student or school employee in reasonable fear of harm to his/her person or damage to his/her property;
- B. has the effect of substantially interfering with a student's educational performance, opportunities, or benefits, or an employee's work performance; or
- C. has the effect of substantially disrupting the orderly operation of a school.

Sexual Harassment

For purposes of this policy and consistent with Title VII of the Civil Rights Act of 1964, sexual harassment is defined as:

Unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature when:

- A. Submission to such conduct is made either implicitly or explicitly a term or condition of an individual's employment, or status in a class, educational program, or activity.
- B. Submission or rejection of such conduct by an individual is used as the basis for employment or educational decisions affecting such individual.
- C. Such conduct has the purpose or effect of interfering with the individual's work or educational performance; creating an intimidating, hostile, or offensive working, and/or learning environment; or interfering with one's ability to participate in or benefit from a class or an educational program or activity.

Sexual harassment may involve the behavior of a person of any gender against a person of the same or another gender.

Sexual Harassment covered by Policy 2266—Nondiscrimination on the Basis of Sex in Education Programs or Activities is not included in this policy. Allegations of such conduct shall be addressed solely by Policy 2266.

Prohibited acts that constitute sexual harassment under this policy may take a variety of forms. Examples of the kinds of conduct that may constitute sexual harassment include, but are not limited to:

- A. Unwelcome sexual propositions, invitations, solicitations, and flirtations.
- B. Unwanted physical and/or sexual contact.
- C. Threats or insinuations that a person's employment, wages, academic grade, promotion, classroom work or assignments, academic status, participation in athletics or extra-curricular programs, activities, or events, or other conditions of employment or education may be adversely affected by not submitting to sexual advances.
- D. Unwelcome verbal expressions, including graphic sexual commentaries about a person's body, dress, appearance, or sexual activities; the unwelcome use of sexually degrading language, profanity, jokes, or innuendoes; unwelcome suggestive or insulting sounds or whistles; obscene telephone calls.
- E. Sexually suggestive objects, pictures, graffiti, videos, posters, audio recordings, or literature placed in the work or educational environment that may reasonably embarrass or offend individuals.
- F. Unwelcome and inappropriate touching, patting, or pinching; obscene gestures.
- G. Asking about, or telling about, sexual fantasies, sexual preferences, or sexual activities.
- H. Speculations about a person's sexual activities or sexual history, or remarks about one's own sexual activities or sexual history.
- I. Giving unwelcome personal gifts such as lingerie that suggest the desire for a romantic relationship.
- J. Leering or staring at someone in a sexual way, such as staring at a person's breasts, buttocks, or groin.
- K. A pattern of conduct, which can be subtle in nature, that has sexual overtones and is intended to create or has the effect of creating discomfort and/or humiliation to another.
- L. In the context of employees, consensual sexual relationships where such relationship leads to favoritism of a subordinate employee with whom the superior is sexually involved and where such favoritism adversely affects other employees or otherwise creates a hostile work environment.
- M. Inappropriate boundary invasions by a District employee or other adult member of the School District community into a student's personal space and personal life.
- N. Verbal, nonverbal, or physical aggression, intimidation, or hostility based on sex or sex stereotyping that does not involve conduct of a sexual nature.

Not all behavior with sexual connotations constitutes unlawful sexual harassment. Sex-based or gender-based conduct must be sufficiently severe, pervasive, and persistent such that it adversely affects, limits, or denies an individual's employment or education, or such that it creates a hostile or abusive employment or educational environment.

[DRAFTING NOTE: Sexual conduct/relationships with students by District employees or any other adult member of the School District community is prohibited, and any teacher, administrator, coach, or other school authority who engages in sexual conduct with a student may also be guilty of the criminal charge of sexual battery. The issue of consent is irrelevant in regard to such criminal charge and/or with respect to the application of this policy to District employees or other adult members of the School District community.]

Race/Color Harassment

Prohibited racial harassment occurs when unwelcome physical, verbal, or nonverbal conduct is based upon an individual's race or color and when the conduct has the purpose or effect of interfering with the individual's work or educational performance; creating an intimidating, hostile, or offensive working, and/or learning environment; or interfering with one's ability to participate in or benefit from a class or an educational program or activity. Such harassment may occur where conduct is directed at the characteristics of a person's race or color, such as racial slurs, nicknames implying stereotypes, epithets, and/or negative references relative to racial customs.

Religious (Creed) Harassment

Prohibited religious harassment occurs when unwelcome physical, verbal, or nonverbal conduct is based upon an individual's religion or creed and when the conduct has the purpose or effect of interfering with the individual's work or educational performance; creating an intimidating, hostile, or offensive working and/or learning environment; or interfering with one's ability to participate in or benefit from a class or an educational program or activity. Such harassment may occur where conduct is directed at the characteristics of a person's religious tradition, clothing, or surnames, and/or involves religious slurs.

National Origin/Ancestry Harassment

Prohibited national origin/ancestry harassment occurs when unwelcome physical, verbal, or nonverbal conduct is based upon an individual's national origin or ancestry and when the conduct has the purpose or effect of interfering with the individual's work or educational performance; creating an intimidating, hostile, or offensive working and/or learning environment; or interfering with one's ability to participate in or benefit from a class or an educational program or activity. Such harassment may occur where conduct is directed at the characteristics of a person's national origin or ancestry, such as negative comments regarding customs, manner of speaking, language, surnames, or ethnic slurs.

Disability Harassment

Prohibited disability harassment occurs when unwelcome physical, verbal, or nonverbal conduct is based upon an individual's disability and when the conduct has the purpose or effect of interfering with the individual's work or educational performance; creating an intimidating, hostile, or offensive working and/or learning environment; or interfering with one's ability to participate in or benefit from a class or an educational program or activity. Such harassment may occur where conduct is directed at the characteristics of a person's disability, such as negative comments about speech patterns, movement, physical impairments or defects/appearances, or the like. Such harassment may further occur where conduct is directed at or pertains to a person's genetic information.

Anti-Harassment Compliance Officers

The following individual(s) shall serve as the District's Anti Harassment Compliance Officer(s) (hereinafter, "the Compliance Officer(s)");

[DRAFTING NOTE: Neola suggests the Board appoint both a male and a female Compliance Officer in order to provide Complainants with the option to report their concerns to an individual of the gender with which they feel most comfortable. The same individual(s) assigned to serve as Compliance Officer(s) may also be assigned to serve as the District's Section 504 Compliance Officer(s) /ADA Coordinator(s) and/or Title IX Coordinator(s). Additionally, by appointing two (2) Compliance Officers, there should also be a Compliance Officer available to investigate a claim of harassment that pertains to the other Compliance Officer.]

The Compliance Officer(s) () is () are **[END OF OPTION]** responsible for coordinating the District's efforts to comply with applicable Federal and State laws and regulations, including the District's duty to address in a prompt and equitable manner any inquiries or complaints regarding harassment.

The Compliance Officer(s) will be available during regular school/work hours to discuss concerns related to unlawful harassment, to assist students, other members of the District community, and third parties who seek support or advice when informing another individual about unwelcome conduct or to intercede informally on behalf of the individual in those instances where concerns have not resulted in the filing of a formal complaint and where all parties are in agreement to participate in an informal process.

The Compliance Officers shall accept reports of unlawful harassment directly from any member of the School District community or a Third Party or receive reports that are initially filed with an administrator, supervisor, or other District level official. Upon receipt of a report of alleged harassment, one (1) of the Compliance Officers(s) will contact the Complainant and begin either an informal or formal complaint process (depending on the request of the Complainant or the nature of the alleged harassment) or the Compliance Officer(s) will designate a specific individual to conduct such a process. The Compliance Officer(s) will provide a copy of this policy to the Complainant and Respondent. In the case of a formal complaint, the Compliance Officer(s) will prepare recommendations for the Superintendent or will oversee the preparation of such recommendations by a designee. All Board employees must report incidents of harassment that are reported to them to one (1) of the Compliance Officer(s) within two (2) days of learning of the incident.

Any Board employee who directly observes unlawful harassment is obligated, in accordance with this policy, to report such observations to one (1) of the Compliance Officer(s) within two (2) days. Additionally, any Board employee who observes an act of unlawful harassment is expected to intervene to stop the harassment, unless circumstances make such an intervention dangerous, in which case the staff member should immediately notify other Board employees and/or local law

enforcement officials, as necessary, to stop the harassment. Thereafter, a Compliance Officer or designee must contact the Complainant if age eighteen (18) or older, or the Complainant's parents/guardians if the Complainant is under the age of eighteen (18), within two (2) days to advise of the Board's intent to investigate the alleged wrongdoing.

Reports and Complaints of Harassing Conduct

Members of the School District community, along with Third Parties, are encouraged to promptly report incidents of harassing conduct to an administrator, supervisor, or other School District official so that the Board may address the conduct before it becomes severe, pervasive, or persistent. Any administrator, supervisor, or other District official who receives such a report shall file it with one (1) of the Compliance Officer(s) within two (2) days of receiving the report of harassment.

Members of the School District community and Third Parties who believe they have been unlawfully harassed by another member of the School District community or a Third Party are entitled to utilize the Board's complaint process that is set forth below. Initiating a complaint, whether formally or informally, will not adversely affect the Complainant's employment or participation in educational or extra-curricular programs. While there are no time limits for initiating complaints of harassment under this policy, individuals should make every effort to file a complaint as soon as possible after the conduct occurs while the facts are known and potential witnesses are available.

If, during an investigation of alleged bullying, aggressive behavior, and/or harassment in accordance with Policy 5517.01—Bullying and Other Forms of Aggressive Behavior, the Principal believes that the reported misconduct may have created a hostile work environment and may have constituted unlawful discriminatory harassment based on a Protected Class, the Principal shall report the act of bullying, aggressive behavior, and/or harassment to a Compliance Officer who shall investigate the allegation in accordance with this policy. If the alleged harassment involves Sexual Harassment as defined by Policy 2266, the matter will be handled in accordance with the grievance process and procedures outlined in Policy 2266. While the Compliance Officer investigates the allegation, or the matter is being addressed pursuant to Policy 2266, the Principal shall suspend the Policy 5517.01 investigation to await the Compliance Officer's written report or the determination of responsibility pursuant to Policy 2266. The Compliance Officer shall keep the Principal informed of the status of the Policy 1662 investigation and provide the Principal with a copy of the resulting written report. Likewise, the Title IX Coordinator will provide the Principal with the determination of responsibility that results from the Policy 2266 grievance process.

Investigation and Complaint Procedure (See Form 1662-F1)

Except for Sexual Harassment that is covered by Policy 2266—Nondiscrimination on the Basis of Sex in Education Program or Activities, any employee or other member of the School District community or Third Party (e.g., visitor to the District) who believes that they have been subjected to unlawful harassment or retaliation may seek resolution of the complaint through either the procedures described below. The formal complaint process involves an investigation of the Complainant's claims of harassment or retaliation and a process for rendering a decision regarding whether the charges are substantiated.

Due to the sensitivity surrounding complaints of unlawful harassment or retaliation, timelines are flexible for initiating the complaint process; however, individuals should make every effort to file a complaint within thirty (30) days after the conduct occurs while the facts are known and potential witnesses are available. Once the formal complaint process is begun, the investigation will be completed in a timely manner (ordinarily, within fifteen (15) days of the complaint being received).

The procedures set forth below are not intended to interfere with the rights of any individual to pursue a complaint of unlawful harassment or retaliation with the United States Department of Education Office for Civil Rights and/or Equal Employment Opportunity Commission (EEOC).

Informal Complaint Procedure

The goal of the informal complaint procedure is to promptly stop inappropriate behavior and to facilitate resolution through an informal means, if possible. The informal complaint procedure is provided as a less formal option for a student, other member of the School District community, or Third Party who alleges unlawful harassment or retaliation. This informal procedure is not required as a precursor to the filing of a formal complaint. The informal process is only available in those circumstances where the Complainant and the Respondent mutually agree to participate in it.

The Complainant may proceed immediately to the formal complaint process and individuals who seek resolution through the informal procedure may request that the informal process be terminated at any time to move to the formal complaint process.

All complaints involving a District employee, any other adult member of the School District community, or a Third Party and a student will be formally investigated.

As an initial course of action, if a Complainant feels comfortable and safe in doing so, the individual should tell or otherwise inform the Respondent that the allegedly harassing conduct is unwelcome and must stop. The Complainant should address the allegedly harassing conduct as soon after it occurs as possible. The Compliance Officer(s) are available to support and counsel individuals when taking this initial step or to intervene on behalf of the Complainant if requested to do so. A Complainant who is uncomfortable or unwilling to directly approach the Respondent about the allegedly inappropriate conduct may file an informal or a formal complaint. In addition, with regard to certain types of unlawful harassment, such as sexual harassment, the Compliance Officer may advise against the use of the informal complaint process.

A Complainant may make an informal complaint, either orally or in writing: 1) to a teacher, other employee, or building administrator; 2) directly to one (1) of the Compliance Officer(s); and/or 3) to the Superintendent or other District level employee.

All informal complaints must be reported to one (1) of the Compliance Officer(s) who will either facilitate an informal resolution as described below or appoint another individual to facilitate an informal resolution.

The Board's informal complaint procedure is designed to provide employees, other members of the School District community, or third parties who believe they are being unlawfully harassed with a range of options designed to bring about a resolution of their concerns. Depending upon the nature of the complaint and the wishes of the Complainant, informal resolution may involve, but not be limited to, one (1) or more of the following:

- A. Advising the Complainant about how to communicate the unwelcome nature of the behavior to the Respondent.
- B. Distributing a copy of this policy as a reminder to the individuals in the school building or office where the Respondent works or attends.
- C. If both parties agree, the Compliance Officer may arrange and facilitate a meeting or mediation between the Complainant and the Respondent to work out a mutual resolution.

While there are no set time limits within which an informal complaint must be resolved, the Compliance Officer/designee is directed to attempt to resolve all informal complaints within fifteen (15) days of receiving the informal complaint. If the Complainant is dissatisfied with the informal complaint process, the Complainant may proceed to file a formal complaint and, as stated above, either party may request that the informal process be terminated at any time to move to the formal complaint process.

Formal Complaint Procedure

If a complaint is not resolved through the informal complaint process, if one of the parties has requested that the informal complaint process be terminated to move to the formal complaint process, or the Complainant, from the outset, elects to file a formal complaint, or the CO determines the allegations are not appropriate for resolution through the informal process, the formal complaint process shall be implemented.

The Complainant may file a formal complaint, either orally or in writing, with a teacher, Principal, Compliance Officer, Superintendent, or other District official. Due to the sensitivity surrounding complaints of unlawful harassment and retaliation, timelines are flexible for initiating the complaint process; however, individuals should make every effort to file a formal complaint within thirty (30) days after the conduct occurs while the facts are known and potential witnesses are available. If a Complainant informs a teacher, Principal, Superintendent, or other District official, either orally or in writing, about any complaint of harassment or retaliation, that employee must report such information to a Compliance Officer/designee within two (2) business days.

Throughout the course of the process, the Compliance Officer should keep the parties reasonably informed of the status of the investigation and the decision making process.

All formal complaints must include the following information to the extent known: the identity of the Respondent; a detailed description of the facts upon which the complaint is based (i.e., when, where, and what occurred); a list of potential witnesses; and the resolution sought by the Complainant.

If the Complainant is unwilling or unable to provide a written statement, including the information set forth above, the Compliance Officer shall ask for such details in an oral interview. Thereafter, the Compliance Officer will prepare a written summary of the oral interview, and the Complainant will be asked to verify the accuracy of the reported charge by signing the document.

Upon receiving a formal complaint, the Compliance Officer will consider whether any action should be taken in the investigatory phase to protect the Complainant from further harassment or retaliation including, but not limited to, a change of work assignment or schedule for the Complainant and/or the Respondent. In making such a determination, the Compliance Officer should consult the Complainant to assess whether the individual agrees with the proposed action. If the Complainant is unwilling to consent to the proposed change, the Compliance Officer may still take whatever actions deemed appropriate in consultation with the Superintendent.

Within two (2) business days of receiving the complaint, the Compliance Officer/designee will initiate a formal investigation to determine whether the Complainant has been subjected to offensive conduct/harassment/retaliation. The Principal will not conduct an investigation unless directed to do so by the Compliance Officer.

Simultaneously, the Compliance Officer will inform the Respondent that a formal complaint has been received. The Respondent will be informed about the nature of the allegations and provided with a copy of any relevant policies and/or administrative guidelines, including the Board's Anti Harassment Policy. The Respondent must also be informed of the opportunity to submit a written response to the formal complaint within five (5) days.

Although certain cases may require additional time, the Compliance Officer/designee will attempt to complete an investigation into the allegations of harassment/retaliation within fifteen (15) days of receiving the formal complaint. The investigation will include:

- A. interviews with the Complainant;
- B. interviews with the Respondent;
- C. interviews with any other witnesses who may reasonably be expected to have any information relevant to the allegations;
- D. consideration of any documentation or other information presented by the Complainant, Respondent, or any other witness that is reasonably believed to be relevant to the allegations.

At the conclusion of the investigation, the Compliance Officer/designee shall prepare and deliver a written report to the Superintendent that summarizes the evidence gathered during the investigation and provides recommendations based on the evidence and the definition of unlawful harassment as provided in Board policy and State and Federal law as to whether the Respondent engaged in unlawful harassment/retaliation of the Complainant. The Compliance Officer's recommendations must be based upon the totality of the circumstances. In determining if discriminatory harassment or retaliation occurred, a preponderance of evidence standard will be used. The Compliance Officer may consult with the Board's legal counsel before finalizing the report to the Superintendent.

Absent extenuating circumstances, within five (5) business days of receiving the report of the Compliance Officer/designee, the Superintendent must either issue a written decision regarding whether the complaint of harassment has been substantiated or request further investigation. A copy of the Superintendent's final decision will be delivered to both the Complainant and the Respondent.

If the Superintendent requests additional investigation, the Superintendent must specify the additional information that is to be gathered, and such additional investigation must be completed within five (5) business days. At the conclusion of the additional investigation, the Superintendent must issue a final written decision as described above.

[] The decision of the Superintendent shall be final.

OR

[] A Complainant or Respondent who is dissatisfied with the final decision of the Superintendent may appeal through a signed written statement to the Board within five (5) business days of the party's receipt of the Superintendent's decision.

In an attempt to resolve the complaint, the Board shall meet with the concerned parties and their representative within twenty (20) business days of the receipt of such an appeal. A copy of the Board's disposition of the appeal shall be sent to each party within ten (10) business days of this meeting. The decision of the Board will be final.

[END OF OPTIONS]

The Board reserves the right to investigate and resolve a complaint or report of unlawful harassment/retaliation regardless of whether the member of the School District community or Third Party alleging the unlawful harassment/retaliation pursues the complaint. The Board also reserves the right to have the formal complaint investigation conducted by an external person in accordance with this policy or in such other manner as deemed appropriate by the Board or its designee.

[] The parties may be represented, at their own cost, at any of the above described meetings/hearings.

The right of a person to a prompt and equitable resolution of the complaint shall not be impaired by the person's pursuit of other remedies such as the filing of a complaint with the Office for Civil Rights, the filing of charges with local law enforcement, or the filing of a civil action in court. Use of this internal complaint process is not a prerequisite to the pursuit of other remedies.

Privacy/Confidentiality

The District will employ all reasonable efforts to protect the rights of the Complainant, the Respondent, and the witnesses as much as possible, consistent with the Board's legal obligations to investigate, take appropriate action, and conform with any discovery or disclosure obligations. All records generated under the terms of this policy and related administrative guidelines shall be maintained as confidential to the extent permitted by law. Confidentiality, however, cannot be guaranteed. Additionally, the Respondent must be provided with the Complainant's identity.

During the course of a formal investigation, the Compliance Officer or designee will instruct all members of the School District community and Third Parties who are interviewed about the importance of maintaining confidentiality. Any individual who is interviewed as part of a harassment investigation is expected not to disclose any information that is learned or provided during the course of the investigation.

Sanctions and Monitoring

The Board shall vigorously enforce its prohibitions against unlawful harassment/retaliation by taking appropriate action reasonably calculated to stop the harassment and prevent further such harassment. While observing the principles of due process, a violation of this policy may result in disciplinary action, up to and including the discharge of an employee or the suspension/expulsion of a student. All disciplinary action will be taken in accordance with applicable State law and the terms of the relevant collective bargaining agreement(s). When imposing discipline, the Superintendent shall consider the totality of the circumstances involved in the matter. In those cases where unlawful harassment is not substantiated, the Board may consider whether the alleged conduct nevertheless warrants discipline in accordance with other Board policies, consistent with the terms of the relevant collective bargaining agreement(s).

Where the Board becomes aware that a prior remedial action has been taken against a member of the School District community, all subsequent sanctions imposed by the Board and/or Superintendent shall be reasonably calculated to end such conduct, prevent its recurrence, and remedy its effects.

Retaliation

Retaliation against a person who makes a report or files a complaint alleging unlawful harassment/retaliation or participates as a witness in an investigation is prohibited. Neither the Board nor any other person may intimidate, threaten, coerce or interfere with any individual because the person opposed any act or practice made unlawful by any Federal or State civil rights law, or because that individual made a report, formal complaint, testified, assisted or participated or refused to participate in any manner in an investigation, proceeding, or hearing under those laws and/or this policy, or because that individual exercised, enjoyed, aided or encouraged any other person in the exercise or enjoyment of any right granted or protected by those laws and/or this policy.

Retaliation against a person for making a report of discrimination, filing a formal complaint, or participating in an investigation or meeting is a serious violation of this policy that can result in the imposition of disciplinary sanctions/consequences and/or other appropriate remedies.

Formal complaints alleging retaliation may be filed according to the internal complaint process set forth above.

The exercise of rights protected under the First Amendment of the United States Constitution does not constitute retaliation prohibited under this policy.

Allegations Constituting Criminal Conduct: Child Abuse/Sexual Misconduct

State law requires any school teacher or school employee who knows or suspects that a child with a disability under the age of twenty one (21) or that a child under the age of eighteen (18) has suffered or faces a threat of suffering a physical or mental wound, disability or condition of a nature that reasonably indicates abuse or neglect of a child to immediately report that knowledge or suspicion to the county children's services agency. If, during the course of a harassment investigation, the Compliance Officer or a designee has reason to believe or suspect that the alleged conduct reasonably indicates abuse or neglect of the Complainant, a report of such knowledge must be made in accordance with State law and Board Policy.

Any reports made to a county children's services agency or to local law enforcement shall not terminate the Compliance Officer's or a designee's obligation and responsibility to continue to investigate a complaint of harassment. While the Compliance Officer or a designee may work cooperatively with outside agencies to conduct concurrent investigations, in no event shall the harassment investigation be inhibited by the involvement of outside agencies without good cause after consultation with the Superintendent.

Education and Training

In support of this Anti Harassment Policy, the Board promotes preventative educational measures to create greater awareness of unlawful discriminatory practices. The Superintendent shall provide appropriate information to all members of the School District community related to the implementation of this policy and shall provide training for District students and staff where appropriate. All training, as well as all information provided regarding the Board's policy and harassment in general, will be age and content appropriate.

Retention of Investigatory Records and Materials

The Compliance Officer(s) is responsible for overseeing the retention of all records that must be maintained pursuant to this policy. All individuals charged with conducting investigations under this policy shall retain all documents, electronically stored information (ESI), and electronic media (as defined in Policy 8315) created and/or received as part of an investigation which may include, but not be limited to:

Replacement Policy - Vol. 40, No. 1

3122 - NONDISCRIMINATION, EQUAL EMPLOYMENT OPPORTUNITY, AND ANTI-HARASSMENT

The Board of Education does not discriminate on the basis of race, color, national origin, sex (including pregnancy, childbirth, and related medical conditions; sexual orientation; and gender identity), disability, age, religion, height, weight, marital or family status, military status, ancestry, genetic information, or any other legally protected category (collectively, Protected Classes) in its programs and activities, including employment opportunities.

The Board is committed to providing a work environment that is free from Prohibited Conduct, responding promptly and effectively when it has knowledge of conduct that reasonably may constitute Prohibited Conduct, and addressing Prohibited Conduct in its education programs or activities. This commitment applies to all District operations and this policy applies to Prohibited Conduct occurring within or as a part of the District's education programs and activities, whether on school property or at another location during an activity sponsored by the Board.

Persons who commit Prohibited Conduct are subject to the full range of disciplinary sanctions set forth in this policy.

The Board will provide persons who have experienced Prohibited Conduct with ongoing remedies as reasonably necessary to restore or preserve access to the District's education programs or activities.

All school employees share responsibility for avoiding, discouraging, and reporting any form of Prohibited Conduct.

The Board will take immediate action to address the following prohibited acts:

- A. Retaliating against a person who has made a report or filed a complaint alleging Prohibited Conduct, or has participated in the below-described grievance procedures.
- B. Filing a malicious or knowingly false report or complaint of Prohibited Conduct.
- C. Disregarding, failing to appropriately address, or delaying action to appropriately address allegations of Prohibited Conduct when responsibility for reporting and/or investigating such charges comprises part of one's administrative/supervisory duties.

Definitions:

Words used in this policy shall have those meanings defined herein; words not defined herein shall be construed according to their plain and ordinary meanings.

Bullying means: any unwanted and repeated written, verbal, or physical behavior, including any threatening, insulting, or dehumanizing gesture, by an adult, that is sufficiently severe or pervasive to create an intimidating, hostile, or offensive work environment; or unreasonably interfere with the individual's work performance or participation. It may involve: (a) threats; (b) intimidation; (c) stalking; (d) cyberstalking; (e) cyberbullying; (f) physical violence; (g) theft; (h) sexual, religious, or racial harassment; (i) public humiliation; or (j) destruction of property. Bullying rises to the level of unlawful harassment when one (1) or more persons systematically and chronically inflict physical hurt or psychological distress on one (1) or more employees, and that bullying is based upon one (1) or more Protected Classes, that is, characteristics that are protected by Federal and/or State civil rights laws. Ordinary teasing, horseplay, arguments, and peer conflict do not constitute bullying for purposes of this policy.

Complainant means: an employee who is alleged to have been subjected to conduct that could constitute Prohibited Conduct; or a person, other than an employee, who is alleged to have been subjected to conduct that could constitute Prohibited Conduct and who was participating or attempting to participate in the District's education programs or activities at the time of the alleged Prohibited Conduct.

Complaint means: an oral or written request to the District that objectively can be understood as a request for the District to investigate and make a determination about alleged Prohibited Conduct.

Day(s): Unless expressly stated otherwise, the term "day" or "days" as used in this policy means business day(s) (i.e., days that the Board office is open for normal operating hours, Monday – Friday, excluding State-recognized holidays).

Disciplinary sanctions means: consequences imposed on a respondent following a determination that the respondent engaged in Prohibited Conduct.

Education programs or activities refer to: all the District's operations including, but not limited to, in-person and online/remote educational instruction, employment, extracurricular activities, athletics, performances, and community engagement and outreach programs. The term applies to all programs and activities operated by the Board on school grounds or on other property owned or occupied by the Board. It also includes events and circumstances that take place off school property/grounds but over which the District asserts disciplinary authority (e.g., at off-campus activities sponsored by the Board).

Exculpatory evidence means: evidence that is favorable to a respondent because it helps excuse, justify, or absolve a respondent of alleged wrongdoing and tends to establish that a respondent did not engage in Prohibited Conduct.

Genetic information means: information about: (a) an individual's genetic tests; (b) the genetic tests of that individual's family members; (c) the manifestation of disease or disorder in family members of the individual (i.e., family medical history); (d) an individual's request for, or receipt of, genetic services, or the participation in clinical research that includes genetic services by the individual or a family member of the individual; or (e) the genetic information of a fetus carried by an individual or a pregnant woman who is a family member of the individual and the genetic information of an embryo legally held by an individual or family member using assistive reproductive technology.

Harassment means: any threatening, insulting, or dehumanizing gesture, use of technology, or written, verbal, or physical conduct directed against an employee that (a) places the employee in reasonable fear of harm to their person or damage to their property; (b) has the effect of substantially interfering with the employee's work performance; or (c) has the effect of substantially disrupting the orderly operation of a school. Each of the following types of harassment involves unwelcome physical, verbal, or nonverbal conduct that is based upon an individual's protected characteristic(s) and has the purpose or effect of interfering with the individual's work performance or creating an intimidating, hostile, or offensive work environment.

A. Age Harassment means: harassment based on negative perceptions about older workers. It also includes harassment based on stereotypes about older workers, even if they are not motivated by animus, such as pressuring an older employee to transfer to a job that is less technology-focused because of the perception that older workers are not well-suited to such work or encouraging an older employee to retire.

B. Disability Harassment means: harassment based upon a person's disability and includes harassment based upon stereotypes about individuals with disabilities in general or about an individual's particular disability. It also includes harassment based on traits or characteristics linked to an individual's disability, such as how the person speaks, looks, or moves. For example, negative comments about an individual's speech patterns, movement, physical impairments, or defects/appearances, or the like. Disability-based harassment includes: (a) harassment because an individual requests or receives reasonable accommodation; (b) harassment because an individual is regarded as having an impairment, even if the individual does not have an actual disability, or a record of disability; (c) harassment because an individual has a record of a disability, even if the individual currently does not have a disability; and (d) harassment based on the disability of an individual with whom the employee is associated. Finally,

disability-based harassment may occur where conduct is directed at or pertains to a person's genetic information.

C. National Origin/Ancestry Harassment means: harassment due to a person's (or their ancestor's) place of origin. Such harassing conduct can include ethnic slurs or epithets, derogatory comments about individuals of a particular nationality, and use of stereotypes about a person's national origin. Additionally, it can include harassment regarding traits or characteristics linked to an individual's national origin, such as physical characteristics, ethnic or cultural characteristics or customs (e.g., surnames, attire, or diet), or linguistic characteristics (e.g., a person's manner of speaking, non-English language accent, or a lack of fluency in English).

D. Race/Color Harassment means: unwelcome physical, verbal, or nonverbal conduct that is based upon an individual's race or color and has the purpose or effect of interfering with the individual's work performance; or creating an intimidating, hostile, or offensive work environment. Such harassment may occur where conduct is directed at the characteristics of a person's race or color, such as racial slurs, nicknames implying stereotypes, epithets, and/or negative references relative to racial customs.

E. Religious (Creed) Harassment means: harassment based on a person's surname, religion (including atheism or lack of religious belief), religious traditions and practices, or religious dress/clothing, and includes making offensive comments about the same. It also includes religious slurs or epithets, harassing conduct based on religious stereotypes, and harassment associated with a person's request for and/or receipt of religious accommodation. Religious harassment also involves explicitly or implicitly coercing an employee to engage in religious practices at work.

F. Sexual Harassment means (for purposes of this policy and consistent with Title VII of the Civil Rights Act of 1964): unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature when: (a) submission to such conduct is made either implicitly or explicitly a term or condition of an individual's employment; (b) submission or rejection of such conduct by an individual is used as the basis for employment decisions affecting such individual; or (c) such conduct has the purpose or effect of interfering with the individual's work performance; or creating an intimidating, hostile, or offensive working environment. Sexual harassment may involve the behavior of a person of any gender against a person of the same or another gender.

1. Sexual Harassment covered by Policy 2266 - Nondiscrimination on the Basis of Sex in Education Programs or Activities is not included in this policy. Allegations of such conduct shall be addressed solely by Policy 2266.
2. Prohibited acts that constitute sexual harassment under this policy may take a variety of forms. Examples of the kinds of conduct that may constitute sexual harassment include, but are not limited to:
 - a. Conduct of a sexualized nature, such as unwanted conduct expressing sexual attraction or involving sexual activity (e.g., unwelcome sexual propositions, invitations, solicitations, and flirtations; unwanted physical and/or sexual contact, including unwelcome and inappropriate touching, patting, or pinching (**x**); and obscene gestures **[END OF OPTION]**.
 - b. Sexual attention or sexual coercion, such as demands or pressure for sexual favors (e.g., threats or insinuations that a person's employment, wages, or other conditions of employment may be adversely affected by not submitting to sexual advances; giving unwelcome personal gifts such as lingerie that suggest the desire for a romantic relationship; leering or staring at someone in a sexual way, such as staring at a person's breasts, buttocks, or groin).
 - c. Rape, sexual assault, or other acts of sexual violence.
 - d. Discussing or displaying visual depictions of sex acts or sexual remarks (e.g., unwelcome verbal expressions of a sexual nature, including graphic sexual commentaries about a person's body, dress, appearance, or sexual activities; the unwelcome use of sexually degrading language, profanity, jokes or innuendoes; unwelcome suggestive or insulting sounds or whistles; obscene telephone calls, texts, etc.; sexually suggestive objects, pictures, graffiti, videos, posters, audio recordings or literature placed in the work environment; asking or telling about sexual fantasies, sexual preferences, or sexual activities; speculations about a person's sexual activities or sexual history, or remarks about one's own sexual activities or sexual history).
 - e. A consensual sexual relationship where such relationship leads to favoritism of a subordinate employee with whom the superior is sexually involved and where such favoritism adversely affects other employees or otherwise creates a hostile work environment.
 - f. Verbal, nonverbal, or physical aggression, intimidation, or hostility based on sex or sex-stereotyping that does not involve conduct of a sexual nature.

- g. Non-sexual conduct based on sex, such as sex-based epithets; sexist comments (such as remarks that women do not belong in management or that men do not belong in the nursing profession); or facially sex-neutral offensive conduct motivated by sex (such as bullying directed toward employees of one sex).
- h. Harassment based on pregnancy, childbirth, or related medical condition, which may include issues pertaining to lactation, using or not using contraception, or deciding whether to have, or not to have, an abortion.

Not all behavior with sexual connotations constitutes unlawful sexual harassment. Sex-based or gender-based conduct must be objectively offensive (a reasonable person would find it hostile or abusive), subjectively offensive (the complainant actually perceived it as abusive), and either sufficiently severe (a single extremely serious incident) or pervasive (a pattern of behavior), such that it adversely affects, limits, or denies an individual's employment, or creates a hostile or abusive employment environment.

Inculpatory evidence means: evidence that links a respondent to alleged wrongdoing and tends to establish a respondent engaged in Prohibited Conduct (i.e., has culpability).

Military status means: a person's past, current, or future membership, service, or obligation in a uniformed service (e.g., Army, Marine Corps, Navy, Air Force, Space Force, Coast Guard, Public Health Service Commissioned Corps, and National Oceanic and Atmospheric Administration Commissioned Officer Corps). Service in the uniformed services also means the performance of duty, on a voluntary basis, or involuntary basis, in a uniformed service, under competent authority, and includes active duty, active duty for training, initial active duty for training, inactive duty for training, and full-time National Guard duty. It further includes the period of time for which a person is absent from employment for the purpose of an examination to determine the fitness of the person to perform any such duty as listed above.

Party means: a complainant or respondent.

Pregnancy, childbirth, or related medical conditions means:

- A. "Pregnancy" and "childbirth" refer to the pregnancy or childbirth of a specific employee and include, but are not limited to, current pregnancy; past pregnancy; potential or intended pregnancy (which can include infertility, fertility treatment, and the use of contraception); labor; and childbirth (including vaginal and cesarean delivery).
- B. "Related medical conditions" are medical conditions relating to the pregnancy or childbirth of a specific employee, and may include termination of pregnancy, including via miscarriage, stillbirth, or abortion; ectopic pregnancy; preterm labor; pelvic prolapse; nerve injuries; cesarean or perineal wound infection; maternal cardiometabolic disease; gestational diabetes; preeclampsia; HELLP (hemolysis, elevated liver enzymes and low platelets) syndrome; hyperemesis gravidarum; anemia; endometriosis; sciatica; lumbar lordosis; carpal tunnel syndrome; chronic migraines; dehydration; hemorrhoids; nausea or vomiting; edema of the legs, ankles, feet, or fingers; high blood pressure; infection; antenatal (during pregnancy) anxiety, depression, or psychosis; postpartum depression, anxiety, or psychosis; frequent urination; incontinence; loss of balance; vision changes; varicose veins; changes in hormone levels; vaginal bleeding; menstruation; and lactation and conditions related to lactation, such as low milk supply, engorgement, plugged ducts, mastitis, or fungal infections. The preceding list of related medical conditions is not exhaustive.

Prohibited Conduct means: unlawful discrimination or harassment based on a person's Protected Class(es) or retaliation. Such misconduct involves a violation of Federal and/or State civil rights laws.

Relevant means: related to the allegations of Prohibited Conduct under investigation as part of the Board's grievance procedures. Questions are relevant when they seek evidence that may aid in showing whether the alleged Prohibited Conduct occurred, and evidence is relevant when it may aid a decisionmaker in determining whether the alleged Prohibited Conduct occurred.

Remedies means: measures provided, as appropriate, to a complainant or any other person the District identifies as having had their equal access to the District's education programs or activities limited or denied by Prohibited Conduct. These measures are provided to restore or preserve that person's access to the District's education program or activity after the District determines that Prohibited Conduct occurred.

Respondent means: a person who is alleged to have engaged in Prohibited Conduct.

Retaliation means: intimidation, threats, coercion, or discrimination against any person by the District, a student, a Board employee, or any other person authorized by the Board to provide aid, benefit, or service under the District's education

programs or activities, for the purpose of interfering with any right or privilege secured by Federal or State law, or because the person has reported information, made a complaint, testified, assisted, or participated or refused to participate in any manner in an investigation, proceeding, or hearing under applicable Federal or State laws or regulations.

School District community means: students and Board employees (i.e., administrators and professional and classified staff), as well as Board members, agents, volunteers, contractors, or other persons subject to the control and supervision of the Board.

Supportive measures means: non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, without fee or charge to the complainant or the respondent before or after making a report or filing a complaint. Such measures are designed to restore or preserve that party's access to the District's education programs or activities without unreasonably burdening the other party, including measures designed to protect the safety of all parties or the District's educational environment or deter Prohibited Conduct. Supportive measures may include modifications of work schedules, mutual restrictions of contact between the parties, changes in work locations, leaves of absence, increased security and monitoring of certain work settings; training related to Prohibited Conduct, ~~() referral to Employee Assistance Program, [END OF OPTION]~~ and other similar measures.

Third Parties means: guests and/or visitors on District property (e.g., visiting speakers, participants on opposing athletic teams, parents), vendors doing business with, or seeking to do business with, the Board, and other individuals who come in contact with members of the School District community at school-related events/activities (whether on or off District property).

Pregnancy, Childbirth, and Related Medical Conditions

The Board will not discriminate against an employee based on the person's current pregnancy, potential or intent to become pregnant, past pregnancy, or medical condition related to pregnancy or childbirth, or because the person uses birth control, or has had or not had an abortion.

Additionally, the Board will provide a reasonable accommodation to an employee's known limitation related to pregnancy, childbirth, or a related medical condition, unless the accommodation will cause the District undue hardship.

The Board will treat pregnancy, childbirth, and related medical conditions as any other temporary medical conditions for all job-related purposes, including commencement, duration, and extensions of leave; accrual of seniority and any other benefit or service; reinstatement; and under any fringe benefit offered to employees by virtue of employment.

The Board will provide reasonable break time for an employee to express breast milk while at work for the first year after the employee's child's birth. The Board will provide the employee with a space, other than a bathroom, that is clean, shielded from view, free from intrusion from coworkers and the public, and which the employee can use as needed to express breast milk. See Board Policy 6700 – Fair Labor Standards Act.

Nondiscrimination Based on Employee's Genetic Information

The Board prohibits discrimination on the basis of genetic information in all aspects of employment, including hiring, firing, compensation, job assignments, promotions, layoffs, training, fringe benefits, or any other terms, conditions, or privileges of employment. The Board also does not limit, segregate, or classify employees in any way that would deprive or tend to deprive them of employment opportunities or otherwise adversely affect the status of an employee as an employee, based on genetic information. Harassment of a person because of the individual's genetic information is also prohibited. Likewise, retaliation against an applicant or employee for engaging in protected activity is prohibited.

In accordance with the Genetic Information Nondiscrimination Act ("GINA"), the Board shall not request, require, or purchase genetic information of employees, their family members, or applicants for employment. Further, in compliance with GINA, employees are directed not to provide any genetic information, including the individual's family medical history, in response to necessary requests for medical information, with the exception that family medical history may be acquired as part of the certification process for FMLA leave, when an employee is asking for leave to care for an immediate family member with a serious health condition. Applicants for employment are directed not to provide any genetic information, including the individual's family medical history, in response to requests for medical information as part of the District's application process.

x] The District recognizes that genetic information may be acquired through commercially and publicly available documents like newspapers, books, magazines, periodicals, television shows, or the Internet. The District prohibits, however, its employees from searching such sources with the intent of finding or obtaining genetic information or accessing sources from which they are likely to acquire genetic information. **[END OF OPTION]**

If the District either legally and/or inadvertently receives genetic information about an employee or applicant for employment from the employee, applicant for employment, or a medical provider, it shall be treated as a confidential medical record in accordance with law.

The District Compliance Officer (see below) shall be responsible for overseeing the District's compliance with applicable Federal regulations and promptly dealing with any inquiries or complaints. The District Compliance Officer or designee shall also verify that proper notice of nondiscrimination for Title II of the Genetic Information Nondiscrimination Act of 2008 is provided to staff members, and that all District requests for health-related information (e.g., to support an employee's request for reasonable accommodation under the Americans with Disabilities Act ("ADA") or a request for sick leave) is accompanied by a written warning that directs the employee or health care provider not to collect or provide genetic information. The warning shall read as follows:

The Genetic Information Nondiscrimination Act of 2008 ("GINA") prohibits employers and other entities covered by GINA Title II, including the Board of Education, from requesting or requiring genetic information of an individual or family member of the individual, except as specifically allowed by law. To comply with this law, do not provide any genetic information when responding to this request for medical information (unless the request pertains to a request for FMLA leave for purposes of caring for an immediate family member with a serious health condition). "Genetic information," as defined by GINA, includes an individual's family medical history, the results of an individual's or family member's genetic test, the fact that an individual or an individual's family member sought or received genetic services or participated in clinical research that includes genetic services, and genetic information of a fetus carried by an individual or an individual's family member or an embryo lawfully held by an individual or family member receiving assistive reproductive services.

~~[-] The District offers health services (-), including a wellness program [END OF INTERNAL OPTION]. Participation in the services/program is voluntary. Genetic information (such as family medical history) may be obtained as part of an individual's participation in the service/program. If that occurs, individual genetic information may be provided to the individual receiving the services and to the person's health services providers, but only genetic information in aggregate form will be provided to the Board. [END OF OPTION]~~

District Compliance Officer(s)

[DRAFTING NOTES:

- 1. Neola suggests the Board appoint both a male and a female to serve as the District Compliance Officers. By appointing two (2) District Compliance Officers, there should always be a District Compliance Officer available to address a claim that pertains to the other District Compliance Officer. If, however, the Board appoints more than one (1) District Compliance Officer, Neola recommends that it designate one (1) of the District Compliance Officers to retain ultimate oversight over the assigned responsibilities and ensure the Board's consistent compliance with its responsibilities under applicable Federal and State laws that prohibit unlawful discrimination/harassment based on protected classes and retaliation. Alternatively, the Board could appoint a District Compliance Officer and one (1) or more persons to assist the District Compliance Officer with performance of the responsibilities identified in this policy and its accompanying administrative guidelines. Often the person(s) designated to assist a District Compliance Officer is/are called Deputy or Assistant Compliance Officer(s). If the Board elects this alternative approach, it would designate a District Compliance Officer for purposes of this policy, and then designate the other position(s) through its AG. The person(s) in the alternative support role(s) will need to be trained in the same manner as the District Compliance Officer (see AG 3122).**
- 2. The Board must list in this policy either the Name(s) or Title(s) of the District Compliance Officer(s); while the Board may list both the Name(s) and Title(s), Neola suggests that the Board only list the Title(s) in this policy (so the Board does not need to revise/amend the policy whenever there is a change in the actual person(s) holding the designated position(s)), but list both the Name(s) and Title(s) in the requisite notices/postings (e.g., website) and publications (e.g., handbooks). The District will also need to decide whether to list the Name(s) and Title(s), or just the Title(s), in Administrative Guideline 3122 if the District elects to identify the District Compliance Officer in the AG (see DRAFTING NOTE in the AG; again, if the District lists the Name(s) and Title(s), it will need to remember to update the AG whenever there is a change in the actual person(s) holding the designated position(s). No matter what, the Board will need to amend its policy and update its AG, requisite notices/postings, and publications, whenever it changes the Title of the position(s) designated to serve as the District Compliance Officer(s).**
- 3. Reminder: Whenever a new person begins to serve as the District Compliance Officer (or in a support role to the District Compliance Officer), the District needs to make sure the new person is appropriately trained, in a timely manner, to fulfill the responsibilities of the position to which the person is assigned.]**

[END OF DRAFTING NOTES]

[END OF OPTION]

[DRAFTING NOTE: As discussed above, if the Board designates more than one (1) CO, Neola recommends that the District select the following option.]

☐] The Board designates Superintendent **[DRAFTING NOTE: Insert Name and/or Title of the District Compliance Officer who is ultimately responsible for the District's compliance with its responsibilities under Federal and State laws that prohibit discrimination/harassment based on Protected Classes and retaliation]** as the individual who is ultimately responsible for oversight over the Board's compliance with applicable Federal and State laws and regulations that prohibit discrimination based on the basis of Protected Classes and retaliation. **[END OF OPTION]**

☒] The District Compliance Officer may delegate specific duties to one (1) or more designees. **[END OF OPTION]**

The contact information concerning the District Compliance Officer(s) will be published on the School District's website ~~()~~ and annually **[END OF OPTION]:**

[DRAFTING NOTE: The Board may want to select the following option when the Superintendent is not the CO. While Neola recognizes that this may not always be possible, it may be preferable to have the CO be someone other than the Superintendent because then – if the CO serves as the investigator and decisionmaker – the Superintendent can serve as the appeal decisionmaker or the facilitator for the informal resolution process.]

☒] The District Compliance Officer(s) shall report directly to the Superintendent except when the Superintendent is a party to a complaint (i.e., either the complainant or the respondent). Under such circumstances, the CO(s) shall report directly to **[SELECT ONE OF THE FOLLOWING]** ☒ the Board President ~~() the Board's Legal Counsel ()~~ ~~_____ [OTHER] [END OF INTERNAL OPTIONS]~~ until the matter in which the Superintendent is a party is concluded. **[END OF OPTION]**

Questions about this policy ~~()~~ and AG 3122 **[END OF OPTION]** should be directed to the District Compliance Officer(s).

The CO(s) is/are responsible for coordinating the District's efforts to comply with applicable Federal and State laws and regulations, including the District's duty to address in a prompt and equitable manner any inquiries or complaints regarding discrimination, harassment, retaliation, or denial of equal opportunity/access. The CO(s) shall also verify that proper notice of nondiscrimination for Title II of the Americans with Disabilities Act (as amended), Title VI and Title VII of the Civil Rights Act of 1964, Section 504 of the Rehabilitation Act of 1973 (as amended), Genetic Information Nondiscrimination Act (GINA), and the Age Discrimination in Employment Act of 1975 is provided to staff members and the general public. ~~[] Any sections of the District's collective bargaining agreements dealing with hiring, promotion, demotion, discipline, and tenure need to contain a statement of nondiscrimination similar to that in the Board's statement set forth above. [END OF OPTION] [] In addition, as practical, gender specific terms should be eliminated from such contracts. [END OF OPTION] Copies of the laws and regulations listed above are available upon request from the CO(s).~~

The CO(s) will be available during regular work hours to discuss concerns related to Prohibited Conduct, to assist employees, other members of the District community, and third parties who seek support or advice when informing another individual about Prohibited Conduct, including unwelcome conduct, or to intercede informally on behalf of the individual in those instances where concerns have not resulted in the filing of a formal complaint and where all parties are in agreement to participate in an informal process.

The CO(s) shall monitor the District's education programs and activities for barriers to reporting information about conduct that reasonably may constitute Prohibited Conduct pursuant to Federal and/or State laws that prohibit discrimination/harassment based on the basis of a Protected Class/Category and retaliation, and take steps reasonably calculated to address such barriers.

Notice of Nondiscrimination

The Superintendent shall provide a notice of nondiscrimination to students, parents, guardians, or other authorized legal representatives of elementary and secondary students; employees; applicants for admission and employment; and all unions and professional organizations holding collective bargaining or professional agreements with the Board. Specifically, the Superintendent shall post the notice of nondiscrimination on the District's website and in each handbook, catalog, announcement, bulletin, and application form that it makes available to the persons listed above, or which are otherwise

used in connection with the recruitment of employees. ~~(-) See AG 3122 and Form 3122F1—Notice and Statement of Nondiscrimination. [END OF OPTION]~~

NOTIFICATION/REPORTS OF PROHIBITED CONDUCT

Any person may provide information to the CO(s) concerning conduct that reasonably may constitute Prohibited Conduct. Such information may be submitted in person, by mail, by telephone, or by electronic mail using the CO's(s') published contact information, or by any other means (oral or written) that results in the CO(s) receiving the information. Information may be provided at any time (including during non-work hours). ~~[] Anonymous reports may be submitted using (-) the online reporting form posted at _____ [insert the web address for the reporting form, or insert a hyperlink tied to the phrase "online reporting form"] [or] (-) the hotline reporting number (_____ [insert phone number]). [END OF OPTION]~~

All Board employees are required to notify the CO(s) of conduct that reasonably may constitute Prohibited Conduct. For the Board to fulfill its responsibilities under applicable Federal and/or State laws, if a Board employee has knowledge of conduct that reasonably may constitute Prohibited Conduct, the Board employee must notify the/a CO within two (2) days of learning the information or receiving the report. **[DRAFTING NOTE: The applicable statutes and regulations do not specify within how many days the Board employee must notify the CO of receiving notification/a report of Prohibited Conduct; Neola suggests "two (2) days". Alternatively, the Board could make this language more open-ended – e.g., "** * * must immediately/promptly notify the/a CO of such information or report."]** The Board employee must also comply with mandatory reporting responsibilities pursuant to Policy 8462 – Student Abuse and Neglect, if applicable. If the Board employee's knowledge about the alleged Prohibited Conduct is based on another individual bringing the information to the Board employee's attention, and the reporting individual submitted a written notification/report or complaint to the Board employee, the Board employee must provide the written notification/report or complaint to the CO.

Notification can be provided orally or in writing and should be as specific as possible. The person making the notification/report should, to the extent known, identify the alleged victim(s), perpetrator(s), and witness(es), and describe in detail what occurred, including date(s), time(s), and location(s).

If a notification/report or complaint involves allegations of Prohibited Conduct by or involving the CO, the person making the report (i.e., providing the notification or filing the complaint) should submit it to the Superintendent or another Board employee who, in turn, will notify the Superintendent of the report/complaint. The Superintendent will then serve in place of the CO for purposes of addressing that report of Prohibited Conduct. **[DRAFTING NOTE: If the Superintendent is the CO, substitute "Board President" in place of "Superintendent."]**

When a Board employee notifies the CO of suspected Prohibited Conduct, the employee is required to report all known details about the alleged Prohibited Conduct including: (1) the name of the alleged respondent(s); (2) the person who experienced the alleged Prohibited Conduct (i.e., the complainant); (3) other persons involved in the alleged Prohibited Conduct (e.g., witnesses); and (4) any other relevant facts, such as date, time, and location. Failure to provide such notification may result in discipline, up to and including suspension or termination of employment.

Any allegations of misconduct not involving Prohibited Conduct as defined in this policy will be addressed through the procedures outlined in other Board policies ~~(-) and/or administrative guidelines [END OF OPTION]~~, the applicable Student Code of Conduct, applicable collective bargaining agreement, and/or Employee/Administrator Handbook.

When a notification/report or complaint of Prohibited Conduct is made, the CO shall promptly (i.e., within two (2) days **[DRAFTING NOTE: The applicable laws and/or regulations do not define "promptly" or otherwise specify within how many days the contact has to be made; Neola suggests "two (2) days."]** of the CO's receipt of the notification/report or complaint of Prohibited Conduct) contact the purported complainant to discuss the availability of supportive measures, consider the complainant's wishes with respect to supportive measures, inform the complainant of the availability of supportive measures with or without the filing of a complaint, and explain to the complainant the process for filing a complaint. The CO is responsible for coordinating the effective implementation of supportive measures. Any supportive measures provided to the complainant or respondent shall be maintained as confidential, to the extent that maintaining such confidentiality will not impair the ability of the District to provide the supportive measures.

GRIEVANCE PROCEDURES

Overview:

The Board adopts the following grievance procedures to provide for the prompt, effective, and equitable resolution of complaints made by employees, applicants, or other individuals who are participating or attempting to participate in the District's education programs or activities (i.e., members of the School District community and Third Parties), or by the CO alleging any act of Prohibited Conduct.

These grievance procedures shall be used for all complaints of Prohibited Conduct unless it involves conduct involving a student, in which case the grievance procedures set forth in Policy 2260 or Policy 5517.01 shall apply. These grievances procedures set forth the means for investigating and resolving claims involving such Prohibited Conduct; in particular, the procedures provide a method for assessing – in a prompt, effective, and equitable manner – whether an applicable Federal or State law was violated and, if it was, how best to end the Prohibited Conduct, prevent its recurrence, and remedy its effects.

Due to the sensitivity surrounding complaints of Prohibited Conduct, timelines are flexible for initiating the grievance procedures; however, individuals are encouraged to file a complaint within thirty (30) days after the conduct occurs. Once the formal complaint process is begun, the investigation will be completed in a timely manner.

[DRAFTING NOTE: Title VII of the Civil Rights Act of 1964 (“Title VII”) prohibits discrimination in employment. Specifically, it prohibits employment discrimination based on race, color, religion, sex, or national origin, and applies to employers with fifteen (15) or more employees. Title IX, on the other hand, specifically prohibits discrimination based on sex in education programs and activities that receive Federal financial assistance, including employment within those institutions. Title IX is addressed by Board Policy 2266 and AG 2266. While both laws aim to prevent sex-based discrimination in the workplace, Title VII applies more broadly to various types of employers, whereas Title IX is limited to educational institutions receiving Federal funds. Ultimately, both laws aim to ensure equal employment opportunities and protect individuals from discrimination. When a District Compliance Officer receives a complaint or notification of alleged misconduct involving sex discrimination (in particular, sexual harassment) that involves an employee complainant and an employee respondent, the District Compliance Officer should consult with the Title IX Coordinator and/or the Board’s Legal Counsel concerning which law – it may be both – the District will need to comply with when investigating the allegations.]

Under all circumstances, the CO shall offer and coordinate supportive measures, as appropriate, in accordance with this policy ~~(-) and AG 3122~~ **[END OF OPTION]**.

Complaints:

The following people may make a complaint of Prohibited Conduct – i.e., request that the District investigate and determine whether Prohibited Conduct occurred:

A. a “complainant,” which includes:

1. an employee of the District who is alleged to have been subjected to conduct that could constitute Prohibited Conduct; or
2. a person other than an employee of the District who is alleged to have been subjected to conduct that could constitute Prohibited Conduct at a time when that individual was participating or attempting to participate in the District’s education programs or activities;

B. an authorized legal representative with the legal right to act on behalf of a complainant;

C. the District Compliance Officer.

A person is entitled to make a complaint of unlawful harassment only if they themselves are alleged to have been subjected to the unlawful harassment, or if the CO initiates a complaint.

[DRAFTING NOTE: This paragraph emphasizes that in order for a person to file a complaint of unlawful harassment, the person has to have been subjected to the alleged misconduct directly or be a person who has a legal right to act on behalf of the person who was subjected to the alleged misconduct. This is consistent with the prior paragraph, where the complainant is identified as an employee who was “subjected to conduct that could constitute Prohibited Conduct.” The following paragraph, on the other hand, expands who can file a complaint – when the alleged Prohibited Conduct does not involve unlawful harassment, or the complaint involves allegations of retaliation – to persons who are aware of the alleged Prohibited Conduct, even if that person was not directly affected by or subject to the alleged Prohibited Conduct.]

With respect to complaints of Prohibited Conduct other than unlawful harassment, or complaints involving allegations of retaliation, in addition to the people listed above, the following persons have a right to make a complaint:

A. any employee of the District; or

- B. any person other than an employee who was participating or attempting to participate in the District's education programs or activities at the time of the alleged Prohibited Conduct.

The District may consolidate complaints of Prohibited Conduct against more than one (1) respondent, or by more than one (1) complainant against one (1) or more respondents, or by one (1) party against another party, when the allegations of Prohibited Conduct arise out of the same facts or circumstances. When more than one (1) complainant or more than one (1) respondent is involved, references below to a party, complainant, or respondent include the plural, as applicable.

A person may file criminal charges simultaneously with filing a complaint. A person does not need to wait until the District's internal grievance procedures are completed before filing a criminal complaint. Likewise, questions or complaints relating to alleged violations of applicable Federal or State laws may be filed with the U.S. Department of Education's Office for Civil Rights, the U.S. Department of Justice's Civil Rights Division, the U.S. Equal Employment Opportunity Commission, or the Michigan Department of Civil Rights, at any time based on the underlying statutory basis for the complaint.

Basic Requirements:

The District will treat complainants and respondents equitably.

All persons involved with implementing the grievance procedures and any other aspects of this Policy, including the District Compliance Officer, the investigator, the decisionmaker, and the appeal decisionmaker, (x) and the facilitator of the informal resolution process, [END OF OPTION] shall be free from any conflicts of interest or bias for or against complainants or respondents generally or an individual complainant or respondent.

x] The CO may serve simultaneously as an investigator and/or a decisionmaker. [END OF OPTION] [DRAFTING NOTE: Neola recommends the Board select this OPTION; note it is "may" (i.e., optional) so the CO can decide when to serve in both roles and when to designate one or more persons to perform these responsibilities in a given case.]

If the CO does not intend to serve as the investigator/decisionmaker in a specific case, the CO shall designate one (1) or more administrators who are appropriately trained to serve in the role.

In circumstances when the CO and trained administrators do not have time/capacity to serve, or are prevented due to a conflict of interest, bias, or partiality, or other reasons impair the CO and other trained administrators from serving as an investigator/decisionmaker in a specific case, the CO shall ~~(-), in consultation with~~ (x) and approval of [END OF OPTION] the Superintendent or ~~(-) Board~~ (x) Board President (as appropriate), [END OF OPTION] secure one (1) or more independent third parties to serve as the investigator and/or decisionmaker.

The District presumes that the respondent is not responsible for the alleged Prohibited Conduct until a determination is made at the conclusion of its grievance procedures.

Under ordinary circumstances, the Board expects to complete the major stages of the grievance procedures within the timeframe specified below:

- A. **Evaluation** – The District Compliance Officer will determine whether to dismiss a complaint or investigate it within ten (10) [INSERT AMOUNT] days of receiving the complaint. [DRAFTING NOTE: Neola recommends that the evaluation stage be completed within ten (10) days of the CO receiving notice of the complaint.]
- B. **Investigation** – The CO, or designated investigator/decisionmaker, shall ordinarily complete the investigation (i.e., collect relevant evidence that is not otherwise impermissible) and issue a Determination (i.e., consider the relevant and not otherwise impermissible evidence and decide whether Prohibited Conduct occurred) within twenty (20) [INSERT AMOUNT] days of the CO determining the charges require investigation. [DRAFTING NOTE: Recognizing that it is important for investigations to be completed and Determinations issued in a prompt and equitable manner, Neola recommends that a school district typically complete an investigation and issue a Determination within twenty (20) days.]

[DRAFTING NOTE: If the investigator/decisionmaker is someone other than the CO, upon written request from the investigator/decisionmaker, the CO should be permitted to approve a reasonable extension of time for the investigation to be completed and the Determination issued. If the CO is the investigator/decisionmaker: upon written request from the CO, the Superintendent should be permitted to approve a reasonable extension of time for the investigation to be completed and the Determination issued. In either situation, the administrator granting the extension should communicate to the parties the new deadline along with a rationale for the extension.]

If, however, the CO, or designated investigator/decisionmaker, determines that the investigation is going to take longer, the CO will so notify the parties (**x**) and the Superintendent **[END OF OPTION]** and will thereafter keep the parties (**x**) and the Superintendent **[END OF OPTION]** informed of the status of the matter on a regular **[INSERT TIME PERIOD – E.G., BIWEEKLY OR REGULAR]** basis.

- C. **Appeal** – A party filing an appeal of the CO’s decision to dismiss a complaint (**x**), or the Determination, **[END OF OPTION]** must do so within five (**5**) **[INSERT AMOUNT]** days of receiving the Dismissal (**x**) or Determination **[END OF OPTION]**. **[DRAFTING NOTE: Neola recommends the Board allow limited appeals based on the Determination. See DRAFTING NOTE below in the appeal section.]**

The CO, or the Superintendent if the CO is the individual requesting an extension, may approve reasonable extensions of the preceding timeframes on a case-by-case basis for good cause with notice to the parties.

The District will take reasonable steps to protect the privacy of the parties and witnesses. **[x]** These steps will not restrict the ability of the parties to present evidence or otherwise participate in the grievance procedures. **[END OF OPTION]** The parties shall not engage in retaliation, including against witnesses.

The CO, or designated investigator/decisionmaker, shall objectively evaluate all evidence that is relevant and not otherwise impermissible — including both inculpatory and exculpatory evidence. Credibility determinations shall not be based on a person’s status as a complainant, respondent, or witness.

The following types of evidence, and questions seeking such evidence, are impermissible (i.e., will not be accessed or considered, except by the District to determine whether one of the exceptions listed below applies; will not be disclosed; and will not otherwise be used), regardless of whether they are relevant:

- A. evidence that is protected under a privilege recognized by Federal or State law, unless the person to whom the privilege or confidentiality is owed voluntarily waived the privilege or confidentiality; and
- B. a party’s or witness’s records that are made or maintained by a physician, psychologist, or other recognized professional or paraprofessional in connection with the provision of treatment to the party or witness, unless the District obtains that party’s or witness’s voluntary, written consent for use in its grievance procedures.

Notice of Allegations:

Upon initiation of the Board’s grievance procedures, the District Compliance Officer shall notify the parties of the following:

- A. the Board’s grievance procedures (**-x**) and informal resolution process **[END OF OPTION]** associated with claims involving Prohibited Conduct; **[DRAFTING NOTE: Neola encourages the Board to include an informal resolution process.]**
- B. sufficient information available at the time to allow the parties to respond to the allegations, including the identities of the parties involved in the incident(s), the conduct alleged to constitute Prohibited Conduct, and the date(s) and location(s) of the alleged incident(s); and
- C. retaliation is prohibited.

Should the CO decide, at any point, to investigate allegations that are materially beyond the scope of the initial written notice, the CO will provide a supplemental written notice describing the additional allegations to be investigated.

Dismissal of a Complaint:

The CO may dismiss a complaint of Prohibited Conduct if:

- A. the District is unable to identify the respondent after taking reasonable steps to do so;
- B. the respondent is not participating in the District’s education program or activity and is not employed by the Board;
- C. the complainant voluntarily withdraws any or all the allegations in the complaint, the CO declines to initiate a complaint, and the District determines that, without the complainant’s withdrawn allegations, the conduct that remains alleged in the complaint, if any, would not constitute Prohibited Conduct even if proven; or
- D. the District determines the conduct alleged in the complaint, even if proven, would not constitute Prohibited Conduct. Before dismissing the complaint, the CO will make reasonable efforts to clarify the allegations with the complainant.

Upon dismissal, the CO will promptly notify, in writing, the complainant of the basis for the dismissal. If the dismissal occurs after the respondent has been notified of the allegations, the CO will also simultaneously notify, in writing, the respondent of the dismissal and the basis for the dismissal.

The CO will further notify the complainant that a dismissal may be appealed and will provide the complainant with an opportunity to appeal the dismissal of the complaint. If the dismissal occurs after the respondent has been notified of the allegations, then the CO will also notify the respondent that the dismissal may be appealed.

Dismissals may be appealed on the following bases:

- A. procedural irregularity that would change the outcome;
- B. new evidence that would change the outcome and that was not reasonably available when the dismissal was made;
and
- C. the CO had a conflict of interest or bias for or against complainants or respondents generally, or the individual complainant or respondent, that would change the outcome.

If the dismissal is appealed, the CO will:

- A. notify the parties of any appeal, including notice of the allegations, if notice was not previously provided to the respondent;
- B. implement appeal procedures equally for the parties;
- C. ensure that the appeal decisionmaker did not take part in the original dismissal of the complaint;
- D. ensure that the appeal decisionmaker has been trained consistent with this Policy ~~()~~ and AC 3122 **[END OF OPTION]**;
- E. provide the parties a reasonable and equal opportunity to make a statement in support of, or challenging, the outcome; and
- F. notify the parties of the result of the appeal and the rationale for the result.

When a complaint is dismissed, the CO will, at a minimum:

- A. offer supportive measures to the complainant as appropriate;
- B. if the respondent has been notified of the allegations, offer supportive measures to the respondent as appropriate;
and
- C. take other prompt and effective steps, as appropriate, to ensure that Prohibited Conduct does not continue or recur within the District's education programs or activities.

[DRAFTING NOTE: Neola encourages the Board to select the following option so the CO can choose, in appropriate circumstances, to offer the parties the opportunity to participate in an informal resolution process, or to honor the parties' request to use an informal resolution process, to end the Prohibited Conduct, prevent its recurrence, and remedy its effects.]

☒ [OPTIONAL LANGUAGE: INFORMAL RESOLUTION PROCESS]

Informal Resolution Process:

In lieu of resolving a complaint through the Board's formal grievance procedures, the parties may instead elect to participate in an informal resolution process. The District will not offer informal resolution to resolve a complaint when such a process would conflict with Federal, State, or local law.

[END OF OPTIONAL LANGUAGE: INFORMAL RESOLUTION PROCESS]

Adding Allegations and/or Consolidating Complaints:

If, in the course of an investigation, the District decides to investigate additional allegations of Prohibited Conduct by the

respondent toward the complainant that are not included in the original Notice of Allegations or to consolidate charges raised in a different complaint involving the same respondent, the CO will notify the parties of the additional allegations.

Investigation:

The District will provide for an adequate, reliable, and impartial investigation of complaints.

The burden is on the District — not on the parties — to conduct an investigation that gathers sufficient evidence to determine whether Prohibited Conduct occurred.

The CO, or the designated investigator/decisionmaker, will provide an equal opportunity for the parties to present fact witnesses and other inculpatory and exculpatory evidence that are relevant and not otherwise impermissible.

The CO, or the designated investigator/decisionmaker, will review all evidence gathered through the investigation and determine what evidence is relevant and what evidence is impermissible, regardless of relevance.

Determination of Whether Prohibited Conduct Occurred:

Following an investigation and evaluation of all relevant and not otherwise impermissible evidence, the CO or designated investigator/decisionmaker will:

- A. Use the preponderance of the evidence standard of proof to determine whether Prohibited Conduct occurred. This standard of proof requires the decisionmaker to evaluate relevant and not otherwise impermissible evidence for its persuasiveness. If the decisionmaker, applying the applicable standard, is not persuaded by the relevant and not otherwise impermissible evidence that Prohibited Conduct occurred, regardless of the quantity of the evidence, the decisionmaker will not determine that Prohibited Conduct occurred. **[DRAFTING NOTE: While a board of education could elect to use the "clear and convincing" evidence standard of proof, Neola does not recommend it. If a board does select the "clear and convincing" standard, it should use it in all other comparable proceedings. Neola expects it will be a rare situation when a board chooses to use a clear and convincing standard of proof.]**
- B. Notify the parties, in writing, of the determination whether Prohibited Conduct occurred, including the rationale for such determination ~~(-), and the procedures and permissible bases for the complainant and respondent to appeal~~ **[END OF OPTION]**.
- C. Not impose discipline on a respondent for Prohibited Conduct unless there is a determination at the conclusion of the grievance procedures that the respondent engaged in Prohibited Conduct.
- D. If there is a determination that Prohibited Conduct occurred, the CO will, as appropriate:
 1. coordinate the provision and implementation of remedies to a complainant and other people the District identifies as having had equal access to the District's education programs or activities limited or denied by the Prohibited Conduct;
 2. coordinate the imposition of any disciplinary sanctions on a respondent ~~(-), including notification to the complainant of any such disciplinary sanctions~~ **[END OF OPTION]**; and
 3. take other appropriate prompt and effective steps to ensure that the Prohibited Conduct does not continue or recur within the District's education programs or activities.
- E. Comply with the grievance procedures before the imposition of any disciplinary sanctions against a respondent.
- F. Not discipline a party, witness, or others participating in the grievance procedures for making a false statement based solely on the determination of whether Prohibited Conduct occurred.

[DRAFTING NOTE: If the CO dismisses a complaint in the Evaluation stage (i.e., prior to commencing an investigation), the complainant may appeal as set forth above. Neola also recommends the Board include an appeal process related to the Determination.]

[] [OPTIONAL LANGUAGE - APPEAL OF DETERMINATION]

Appeal of Determinations:

If a party disagrees with the decisionmaker's determination as to whether Prohibited Conduct occurred, the party may file

an appeal. Appeals must be submitted, in writing, within five (5) (INSERT AMOUNT) days of the appealing party's receipt of the Determination.

A party may appeal a Determination on the following bases:

- A. procedural irregularity that would change the outcome;
- B. new evidence that would change the outcome and that was not reasonably available when the investigation occurred and the Determination was made; and
- C. the CO, or the designated investigator/decisionmaker, had a conflict of interest or bias for or against complainants or respondents generally or the individual complainant or respondent that would change the outcome;

[DRAFTING NOTE: The Board may insert additional grounds on which an appeal may be filed.]

- D. ~~(-) the recommended remedies (including disciplinary sanctions/consequences) are unreasonable in light of the findings of fact (i.e., the nature and severity of the Prohibited Conduct).~~

- E. ~~(-) [OTHER] _____.~~

☒] The complainant may not challenge the ultimate disciplinary sanction/consequence that is imposed. **[END OF OPTION]**

[DRAFTING NOTE: The following options are offered in case the Board wants the Superintendent to serve as the appeal decisionmaker or the Board wants to nominally be identified as the appeal decisionmaker but will be delegating the responsibility to a person who is properly trained. Neola does not recommend that the Board itself be named as the appeal decisionmaker because of the preference for the decisionmaker to be trained to render a decision. If the Board wants to serve as the appeal decisionmaker, it should discuss this issue with its Legal Counsel. Select OPTION 1 or OPTION 2 below.]

~~[] [OPTION 1]~~

~~The CO will designate an appeal decisionmaker, who will be a person who did not conduct the Investigation and render the Determination, and is appropriately trained (-), as set forth in AG 3122 **[END OF INTERNAL OPTION]**.~~

~~The CO has authority (-), in consultation with (-) and approval of **[END OF OPTION]** the Superintendent or (-) Board (-) Board President (as appropriate), **[END OF OPTIONS]** to secure an independent Third Party to serve as the appeal decisionmaker.~~

~~**[]** In designating an appeal decisionmaker, the CO will work with the Board to identify and appoint an independent Third Party to serve as the appeal decisionmaker—this individual shall be considered to be the Board's designee and will submit the appeal decision to the Board who will promptly adopt it as written and forward it to the CO who will send it simultaneously to the parties. **[END OF OPTIONAL SENTENCE]**~~

~~[END OF OPTION 1]~~

☒] [OPTION 2]

The Superintendent shall serve as the appeal decisionmaker, provided the Superintendent has not been otherwise involved in the grievance procedures (i.e., did not serve as the investigator/decisionmaker or informal resolution process facilitator) and is appropriately trained. If the Superintendent is not eligible to serve as the appeal decisionmaker, the CO will designate an appeal decisionmaker, who will be a person who did not conduct the Investigation and render the Determination, and is appropriately trained ~~(-), as set forth in AG 3122 **[END OF INTERNAL OPTION]**.~~

[END OF OPTION 2]

[END OF OPTIONS]

If a party appeals the Determination, the CO will:

- A. notify the parties of the appeal;
- B. implement appeal procedures equally for the parties;

- C. provide the parties a reasonable and equal opportunity to make a statement in support of, or challenging, the Determination;
- D. provide the appeal decisionmaker with the relevant and not otherwise impermissible evidence and the Determination; and
- E. notify the parties, in writing, of the result of the appeal and the appeal decisionmaker's rationale for the outcome.

Parties Provided a Reasonable and Equal Opportunity to Make a Statement in Support of, or Challenging, the Dismissal (☒) or Determination [END OF OPTION]

When a party files an appeal, the party must set forth the reason(s)/basis/bases for the appeal, and the other party will have five (5) [INSERT AMOUNT] days to provide the appeal decisionmaker with a statement in support of their position. Once the decisionmaker receives the statement (or the deadline for filing such a statement expires), the appeal decisionmaker will have ten (10) [INSERT AMOUNT] days to issue a decision on the appeal.

[DRAFTING NOTE: Neola suggests any appeals should be filed within five (5) days of the parties receiving written notice of the Determination. Neola further suggests that the timeline for the other party submitting a statement be equivalent to the timeframe in which an appeal has to be filed. Finally, Neola suggests the appeal decisionmaker have ten (10) days from receipt of the statements to issue a decision.]

While a party appealing a Determination may argue the reason/basis for the appeal is that new evidence has been discovered/obtained that would change the outcome and that said new evidence was not reasonably available when the Determination was originally made, the party may not submit the new or additional evidence during the appeal process. Rather, the party appealing should identify/describe in detail the evidence, including how and when it was discovered/obtained, and explain why it was not reasonably available during the Investigation (i.e., prior to the Determination). If the appeal decisionmaker accepts the proffered explanation, the appeal decisionmaker should remand the case back to the investigator/decisionmaker (i.e., reopen the investigation) so the new evidence may be submitted and considered by the other party and the investigator/decisionmaker.

The appeal decisionmaker shall determine the outcome of the appeal based on the appeal decisionmaker's independent review of the record (i.e., the relevant and not otherwise impermissible evidence and the written determination) and the appeal decisionmaker's application of the law and Board policy to the facts in the record. The appeal decisionmaker must give due deference and due weight to the decisionmaker's factual findings and credibility determinations and should not overturn them unless non-testimonial extrinsic evidence in the record justifies a contrary conclusion or unless the record read in its entirety compels a contrary conclusion. Generally, the appeal decisionmaker is expected to uphold the original Determination unless the appeal decisionmaker concludes the original Determination is unlawful, unreasonable, or against the manifest weight of the evidence. Every reasonable presumption must be made in favor of the original Determination.

The appeal decisionmaker shall

[DRAFTING NOTE: The Board must select either OPTION 1 or OPTION 2 unless the Board appointed an independent Third Party to serve as the Board's appeal decisionmaker, in which case the Board should select OPTION 3.]

(☒) [OPTION 1]

simultaneously notify the parties, in writing, of the result of the appeal and the rationale for the outcome.

[END OF OPTION 1]

{OR}

(☐) [OPTION 2]

~~notify the CO, in writing, of the result of the appeal and the rationale for the outcome. The CO will then simultaneously notify the parties, in writing, of the result of the appeal and the appeal decisionmaker's rationale for the outcome.~~

[END OF OPTION 2]

{OR}

~~() [OPTION 3]~~

~~submit the appeal decision to the Board who will promptly adopt it as written and forward it to the CO, who will send it simultaneously to the parties. The appeal decision shall set forth the result of the appeal and the appeal decisionmaker's rationale for the outcome.~~

~~[END OF OPTION 3]~~

The ☒ appeal decisionmaker's ~~() Board's [END OF OPTION]~~ decision shall be final.

[END OF OPTIONAL LANGUAGE - APPEAL OF DETERMINATION]

Supportive Measures:

The District will offer and coordinate supportive measures as appropriate for the complainant and/or respondent to restore or preserve that person's access to the District's education programs or activities or provide support during the grievance procedures and/or during the informal resolution process. For allegations of Prohibited Conduct other than prohibited harassment or retaliation, the District's provision of support measures does not require the District, Board employees, or any other person authorized to provide aid, benefit, or service on the District's behalf to alter the alleged discriminatory/retaliatory conduct for the purpose of providing a supportive measure.

The CO shall determine appropriate supportive measures on a case-by-case basis. Supportive measures may vary depending on what the CO deems to be reasonably available. Supportive measures may include, but are not limited to: modifications of work schedules; mutual restrictions on contact between the parties; changes in work locations; leaves of absence; increased security and monitoring of certain work settings; training related to Prohibited Conduct; ~~() referral to Employee Assistance Program; [END OF OPTION]~~ and other similar measures.

Supportive measures must not unreasonably burden either party and must be designed to protect the safety of the parties and/or the District's educational environment, or to provide support during the Board's grievance procedures or the informal resolution process.

The District will not impose such measures for punitive or disciplinary reasons.

The CO may, as appropriate, modify or terminate supportive measures at the conclusion of the grievance procedures, or at the conclusion of the informal resolution process, or the District may continue them beyond that point.

A party may seek additional modification or termination of a supportive measure applicable to them if circumstances change materially.

The District will not disclose information about any supportive measures to persons other than the person to whom they apply, including informing one party of supportive measures provided to another party, unless necessary to provide the supportive measure or restore or preserve a party's access to the District's education programs or activities, or as otherwise permitted under existing law and/or policy.

The Superintendent may place an employee respondent on administrative leave from employment responsibilities during the pendency of the Board's grievance procedures.

Disciplinary Sanctions and Remedies:

Following a determination that Prohibited Conduct occurred, the District may impose disciplinary sanctions, which may include:

- A. ☒ oral or written warning;
- B. ☒ written reprimands;
- C. ☒ required counseling;
- D. ☒ required training or education;
- E. ☒ demotion;
- F. ☒ suspension with pay;

[END OF OPTIONS]

G. suspension without pay;

H. termination; and

I. any other sanction authorized by any applicable Board policy, Employee/Administrator Handbook, and/or collective bargaining agreement.

The District may also provide remedies, which may include disciplinary sanctions/consequences. The CO will notify the Superintendent of the recommended remedies, so an authorized administrator can consider the recommendation and implement appropriate remedies in compliance with applicable due process procedures, whether statutory or contractual.

[DRAFTING NOTE: The Board should review applicable policy(ies)/administrative guidelines/employee handbooks to determine whether changes are needed to establish timelines associated with imposition of discipline as a result of possible delays caused by the Board implementing the preceding grievance procedures; likewise, the Board may need to discuss with union representatives how implementation of the grievance procedures may impact any disciplinary provisions contained in applicable collective bargaining (e.g., timelines, permitted attendees at investigative interviews, etc.).]

Discipline of an employee will be implemented in accordance with Federal and State law, Board policy, and applicable provisions of any relevant collective bargaining agreement.

Retaliation

Retaliation against a person who makes a report or files a complaint alleging Prohibited Conduct or retaliation, or participates in an investigation, is prohibited. Neither the Board nor any other person may intimidate, threaten, coerce, or discriminate against any individual for the purpose of interfering with any right or privilege secured by the U.S. Constitution, the Michigan Constitution, Federal or State law, or this policy, or because the individual made a report or complaint, testified, assisted, or participated or refused to participate in any manner in an investigation, proceeding, or hearing under this policy. Intimidation, threats, coercion, or discrimination, including initiating a disciplinary process against a person for a code of conduct violation that does not involve Prohibited Conduct but arises out of the same facts and circumstances as a complaint or information reported about possible Prohibited Conduct, for the purpose of interfering with the exercise of any right or privilege secured by Federal or State law constitutes retaliation. Retaliation against a person for making a complaint or participating in an investigation is a serious violation of this policy that can result in the imposition of disciplinary sanctions/consequences and/or other appropriate remedies.

Complaints alleging retaliation may be filed according to the grievance procedures set forth above. The District shall initiate its grievance procedures upon receiving any complaint alleging retaliation.

The exercise of rights protected under the First Amendment of the United States Constitution does not constitute retaliation prohibited under this policy.

Charging an individual with a code of conduct violation for making a materially false statement in bad faith in the course of a grievance proceeding under this policy shall not constitute retaliation, provided, however, that a determination that Prohibited Conduct occurred, alone, is not sufficient to conclude that any party made a materially false statement in bad faith.

Privacy/Confidentiality

The District will employ all reasonable efforts to protect the rights of the complainant, the respondent(s), and the witnesses as much as possible, consistent with the Board's legal obligations to investigate, to take appropriate action, and to conform with any discovery or disclosure obligations. The District will keep confidential the identity of any individual who has made a complaint of Prohibited Conduct, any complainant, any individual who has been reported to be the perpetrator of Prohibited Conduct, any respondent, and any witness, except as may be permitted by the Family Educational Rights and Privacy Act ("FERPA"), 20 U.S.C. 1232g, or FERPA regulations, 34 C.F.R. part 99, or as required by law, or to carry out the purposes of relevant Federal or State law or regulations, including the conduct of any investigation, hearing, or judicial proceeding arising thereunder (i.e., the District's obligation to maintain confidentiality shall not impair or otherwise affect the complainant's and respondent's receipt of the information to which they are entitled related to the investigation and determination of whether Prohibited Conduct occurred). All records generated under the terms of this policy shall be maintained as confidential to the extent permitted by law. Confidentiality, however, cannot be guaranteed. Additionally, the respondent must be provided the complainant's identity.

During an investigation, the CO or designated investigator/decisionmaker will instruct each person who is interviewed about

the importance of maintaining confidentiality. Any individual who is interviewed as part of an investigation is expected not to disclose to other members of the School District Community or Third Parties any information that is learned or provided during the course of the investigation.

Sanctions and Monitoring

The Board shall vigorously enforce its prohibitions against Prohibited Conduct by taking appropriate action reasonably calculated to stop and prevent further misconduct. While observing the principles of due process, a violation of this policy may result in disciplinary action up to and including the discharge of an employee. All disciplinary action will be taken in accordance with applicable State law and the terms of the relevant collective bargaining agreement(s). When imposing discipline, the Superintendent shall consider the totality of the circumstances involved in the matter. In those cases where Prohibited Conduct is not substantiated, the Board may consider whether the alleged conduct nevertheless warrants discipline in accordance with other Board policies, consistent with the terms of the relevant collective bargaining agreement(s).

Where the Board becomes aware that a prior remedial action has been taken against a member of the School District community, all subsequent sanctions imposed by the Board and/or Superintendent shall be reasonably calculated to end such conduct, prevent its reoccurrence, and remedy its effects.

Application of the First Amendment

The Board will construe and apply this policy consistent with the First Amendment to the U.S. Constitution ~~() and the principles of academic freedom as set forth in the applicable collective bargaining agreement [END OF OPTION]. In no case will a respondent be found to have committed Prohibited Conduct based on expressive conduct that is protected by the First Amendment () and/or the principles of academic freedom specified in the Board's collective bargaining agreement with its teachers [END OF OPTION].~~

Training

All employees, investigators, decisionmakers, facilitators of informal resolution process, the District Compliance Officer(s), and other persons who are responsible for implementing the Board's grievance procedures or have the authority to modify or terminate supportive measures shall receive training related to their duties under applicable Federal and State laws and this policy. ~~[] The training shall be provided promptly upon hiring or a change of position that alters their duties under this policy, and annually thereafter. [END OF OPTIONAL SENTENCE]~~ The training shall not rely on stereotypes involving Protected Classes.

☒ Training materials will be made available for inspection upon request by members of the public. [END OF OPTION]

Recordkeeping (including retention of investigatory records and materials)

The District Compliance Officer(s) is/are responsible for overseeing retention of all records that must be maintained pursuant to this policy. All individuals charged with conducting investigations under this policy must retain all information, documents, electronically stored information, and electronic media (as defined in Policy 8315) created and received as part of an investigation. Records and materials associated with the implementation of this policy shall be retained in accordance with Policy 8310, Policy 8315, Policy 8320, and Policy 8330 for the period set forth below, unless required to be maintained for a longer period pursuant to the District's records retention schedule.

[DRAFTING NOTE: For purposes of uniformity, Neola recommends that the Board use the same seven (7) year period for recordkeeping that is required by the 2020 Title IX regulations - see Board Policy 2266; if the Board selects a different timeframe for maintaining the below specified records, it should verify the time period selected is consistent with and/or reflected in its record retention schedule – see AG 8310.]

The District shall maintain for a period of seven (7) calendar years the following records:

- A. for each complaint of Prohibited Conduct, records documenting the informal resolution process and/or the grievance procedures followed and the resulting outcome;
- B. for each notification that the District Compliance Officer receives of information about conduct that reasonably may constitute Prohibited Conduct, records documenting the actions the District took to implement this policy; and
- C. all materials used to provide the training referenced above ~~() and in AG 3122 [END OF OPTION].~~

The information, documents, ESI, and electronic media (as defined in Policy 8315) retained may include public records and records exempt from disclosure under Federal and/or State law (e.g., student records, medical records).

Outside Appointments, Dual Appointments, and Delegations

The Board retains discretion to appoint suitably qualified persons who are not Board employees to fulfill any function of the Board under this policy including, but not limited to, District Compliance Officer, investigator, decisionmaker, appeal decisionmaker, or facilitator of the informal resolution process.

The Board also retains discretion to appoint two (2) or more persons to jointly fulfill the role of District Compliance Officer, investigator, decisionmaker, appeal decisionmaker, and facilitator of the informal resolution process.

The Superintendent may delegate functions assigned to a specific Board employee under this policy including, but not limited to, the functions assigned to the District Compliance Officer, investigator, decisionmaker, appeal decisionmaker, and facilitator of the informal resolution process to any suitably qualified individual, and such delegation may be rescinded by the Superintendent at any time.

[DRAFTING NOTE: The following option expressly sets forth authority that the Board has, regardless of whether it is included in this policy, but is offered for those boards of education that may want to affirmatively communicate to/address these issues for readers of this policy.]

[x] Discretion in Application

The Board retains discretion to interpret and apply this policy in a manner that is not clearly unreasonable, even if the Board's interpretation or application differs from the interpretation of any specific complainant and/or respondent.

Despite the Board's reasonable efforts to anticipate all eventualities in drafting this policy, it is possible that unanticipated or extraordinary circumstances may not be specifically or reasonably addressed by the express policy language, in which case the Board retains discretion to respond to the unanticipated or extraordinary circumstance in a way that is not clearly unreasonable.

The provisions of this policy are not contractual in nature, whether in their own right or as part of any other express or implied contract. Accordingly, the Board retains discretion to revise this policy at any time and for any reason. The Board may apply policy revisions to an active case provided that doing so is not clearly unreasonable.

Rescind Policy - Vol. 40, No. 1

3122.02 — NONDISCRIMINATION BASED ON GENETIC INFORMATION OF THE EMPLOYEE

The Board of Education prohibits discrimination on the basis of genetic information in all aspects of employment, including hiring, firing, compensation, job assignments, promotions, layoffs, training, fringe benefits, or any other terms, conditions, or privileges of employment. The Board also does not limit, segregate, or classify employees in any way that would deprive or tend to deprive them of employment opportunities or otherwise adversely affect the status of an employee as an employee, based on genetic information. Harassment of a person because of his/her genetic information is also prohibited. Likewise, retaliation against an applicant or employee for engaging in protected activity is prohibited.

In accordance with the Genetic Information Nondiscrimination Act (GINA), the Board shall not request, require or purchase genetic information of employees, their family members, or applicants for employment. Further, in compliance with this Act, employees are directed not to provide any genetic information, including the individual's family medical history, in response to necessary requests for medical information, with the exception that family medical history may be acquired as part of the certification process for FMLA leave, when an employee is asking for leave to care for an immediate family member with a serious health condition. Applicants for employment are directed not to provide any genetic information, including the individual's family medical history, in response to requests for medical information as part of the District's application process.

[] The District recognizes that genetic information may be acquired through commercially and publicly available documents like newspapers, books, magazines, periodicals, television shows, or the Internet. The District prohibits, however, its employees from searching such sources with the intent of finding or obtaining genetic information or accessing sources from which they are likely to acquire genetic information.

"Genetic information," as defined by GINA, means information about: (a) an individual's genetic tests; (b) the genetic tests of that individual's family members; (c) the manifestation of disease or disorder in family members of the individual (i.e., family medical history); (d) an individual's request for, or receipt of, genetic services, or the participation in clinical research that includes genetic services by the individual or a family member of the individual; or (e) the genetic information of a fetus carried by an individual or a pregnant woman who is a family member of the individual and the genetic information of an embryo legally held by an individual or family member using assistive reproductive technology.

If the District either legally and/or inadvertently receives genetic information about an employee or applicant for employment from the employee, applicant for employment, or a medical provider it shall be treated as a confidential medical record in accordance with law.

The Superintendent shall appoint a compliance officer who shall be responsible for overseeing the District's compliance with Federal regulations and promptly dealing with any inquiries or complaints. S/He shall also verify that proper notice of nondiscrimination for Title II of the Genetic Information Nondiscrimination Act of 2008 is provided to staff members and

that all District requests for health-related information (e.g., to support an employee's request for reasonable accommodation under the ADA or a request for sick leave) is accompanied by a written warning that directs the employee or health care provider not to collect or provide genetic information. The warning shall read as follows:

The Genetic Information Nondiscrimination Act of 2008 (GINA) prohibits employers and other entities covered by GINA Title II, including the Board of Education, from requesting or requiring genetic information of an individual or family member of the individual, except as specifically allowed by law. To comply with this law, do not provide any genetic information when responding to this request for medical information (unless the request pertains to a request for FMLA leave for purposes of caring for an immediate family member with a serious health condition). "Genetic information," as defined by GINA, includes an individual's family medical history, the results of an individual's or family member's genetic test, the fact that an individual or an individual's family member sought or received genetic services or participated in clinical research that includes genetic services, and genetic information of a fetus carried by an individual or an individual's family member or an embryo lawfully held by an individual or family member receiving assistive reproductive services.

~~[] The District offers health services, () including a wellness program. Participation in the services/program is voluntary. Genetic information (such as family medical history) may be obtained as part of an individual's participation in the service/program. If that occurs, individual genetic information may be provided to the individual receiving the services and to his/her health services providers, but only genetic information in aggregate form will be provided to the Board.~~

~~[NOTE: It should be noted that any sections of the District's collective bargaining agreements dealing with terms and conditions of employment should contain a statement of nondiscrimination similar to that in the Board's statement above.]~~

~~3362 — ANTI-HARASSMENT~~

General Policy Statement

~~It is the policy of the Board of Education to maintain an education and work environment that is free from all forms of unlawful harassment, including sexual harassment. This commitment applies to all School District operations, programs, and activities. All students, administrators, teachers, staff, and all other school personnel share responsibility for avoiding, discouraging, and reporting any form of unlawful harassment. This policy applies to unlawful conduct occurring on school property, or at another location if such conduct occurs during an activity sponsored by the Board.~~

~~The Board will vigorously enforce its prohibition against harassment based on race, color, national origin, sex (including sexual orientation and gender identity), disability, age (except as authorized by law), religion, height, weight, marital or family status, military status, ancestry, or genetic information (collectively, Protected Classes) that are protected by Federal civil rights laws (hereinafter referred to as unlawful harassment) and encourages those within the School District community, as well as Third Parties, who feel aggrieved to seek assistance to rectify such problems. The Board will investigate all allegations of harassment and in those cases where unlawful harassment is substantiated, the Board will take immediate steps to end the harassment, prevent its recurrence, and remedy its effects. Individuals who are found to have engaged in unlawful harassment will be subject to appropriate disciplinary action.~~

~~[] The District will offer counseling services to any person found to have been subjected to unlawful harassment, and where appropriate, the person(s) who committed the unlawful harassment.~~

Other Violations of the Anti-Harassment Policy

~~The Board will also take immediate steps to impose disciplinary action on individuals engaging in any of the following prohibited acts:~~

- ~~A. Retaliating against a person who has made a report or filed a complaint alleging unlawful harassment, or who has participated as a witness in a harassment investigation.~~
- ~~B. Filing a malicious or knowingly false report or complaint of unlawful harassment.~~
- ~~C. Disregarding, failing to investigate adequately, or delaying investigation of allegations of harassment, when responsibility for reporting and/or investigating unlawful harassment charges comprises part of one's supervisory duties.~~

Definitions

Words used in this policy shall have those meanings defined herein; words not defined herein shall be construed according to their plain and ordinary meanings.

Complainant is the individual who alleges, or is alleged, to have been subjected to unlawful harassment, regardless of whether the person files a formal complaint or is pursuing an informal resolution to the alleged harassment.

Respondent is the individual who has been alleged to have engaged in unlawful harassment, regardless of whether the Reporting Party files a formal complaint or is seeking an informal resolution to the alleged harassment.

School-District community means students and Board employees (i.e., administrators and professional and support staff), as well as Board members, agents, volunteers, contractors, or other persons subject to the control and supervision of the Board.

Third Parties include, but are not limited to, guests and/or visitors on School-District property (e.g., visiting speakers, participants on opposing athletic teams, parents), vendors doing business with, or seeking to do business with, the Board, and other individuals who come in contact with members of the School-District community at school-related events/activities (whether on or off District property).

Day(s): Unless expressly stated otherwise, the term "day" or "days" as used in this policy means business day(s) (i.e., a day(s) that the Board office is open for normal operating hours, Monday—Friday, excluding State-recognized holidays).

Bullying

Bullying rises to the level of unlawful harassment when one or more persons systematically and chronically inflict physical hurt or psychological distress on one (1) or more students or employees and that bullying is based upon one (1) or more Protected Classes, that is, characteristics that are protected by Federal civil rights laws. It is defined as any unwanted and repeated written, verbal, or physical behavior including any threatening, insulting, or dehumanizing gesture by an adult or student that is severe or pervasive enough to create an intimidating, hostile, or offensive educational or work environment; cause discomfort or humiliation; or unreasonably interfere with the individual's school or work performance or participation; and may involve:

- A. teasing;
- B. threats;
- C. intimidation;
- D. stalking;
- E. cyberstalking;
- F. cyberbullying;
- G. physical violence;
- H. theft;
- I. sexual, religious, or racial harassment;
- J. public humiliation; or
- K. destruction of property.

Harassment means any threatening, insulting, or dehumanizing gesture, use of technology, or written, verbal or physical conduct directed against a student or school employee that:

- A. places a student or school employee in reasonable fear of harm to his/her person or damage to his/her property;
- B. has the effect of substantially interfering with a student's educational performance, opportunities, or benefits, or an employee's work performance; or
- C. has the effect of substantially disrupting the orderly operation of a school.

Sexual Harassment

For purposes of this policy and consistent with Title VII of the Civil Rights Act of 1964, sexual harassment is defined as: Unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature when:

- A. Submission to such conduct is made either implicitly or explicitly a term or condition of an individual's employment, or status in a class, educational program, or activity.
- B. Submission or rejection of such conduct by an individual is used as the basis for employment or educational decisions affecting such individual.
- C. Such conduct has the purpose or effect of interfering with the individual's work or educational performance; creating an intimidating, hostile, or offensive working and/or learning environment; or interfering with one's ability to participate in or benefit from a class or an educational program or activity.

Sexual harassment may involve the behavior of a person of any gender against a person of the same or another gender.

Sexual Harassment covered by Policy 2266—Nondiscrimination on the Basis of Sex in Education Programs or Activities is not included in this policy. Allegations of such conduct shall be addressed solely by Policy 2266.

Prohibited acts that constitute sexual harassment under this policy may take a variety of forms. Examples of the kinds of conduct that may constitute sexual harassment include, but are not limited to:

- A. Unwelcome sexual propositions, invitations, solicitations, and flirtations.
- B. Unwanted physical and/or sexual contact.
- C. Threats or insinuations that a person's employment, wages, academic grade, promotion, classroom work or assignments, academic status, participation in athletics or extra-curricular programs, activities, or events, or other conditions of employment or education may be adversely affected by not submitting to sexual advances.
- D. Unwelcome verbal expressions, including graphic sexual commentaries about a person's body, dress, appearance, or sexual activities; the unwelcome use of sexually degrading language, profanity, jokes, or innuendoes; unwelcome suggestive or insulting sounds or whistles; obscene telephone calls.
- E. Sexually suggestive objects, pictures, graffiti, videos, posters, audio recordings, or literature placed in the work or educational environment that may reasonably embarrass or offend individuals.
- F. Unwelcome and inappropriate touching, patting, or pinching; obscene gestures.
- G. Asking about, or telling about, sexual fantasies, sexual preferences, or sexual activities.
- H. Speculations about a person's sexual activities or sexual history, or remarks about one's own sexual activities or sexual history.
- I. Giving unwelcome personal gifts such as lingerie that suggest the desire for a romantic relationship.
- J. Leering or staring at someone in a sexual way, such as staring at a person's breasts, buttocks, or groin.
- K. A pattern of conduct, which can be subtle in nature, that has sexual overtones and is intended to create or has the effect of creating discomfort and/or humiliation to another.
- L. In the context of employees, consensual sexual relationships where such relationship leads to favoritism of a subordinate employee with whom the superior is sexually involved and where such favoritism adversely affects other employees or otherwise creates a hostile work environment.
- M. Inappropriate boundary invasions by a District employee or other adult member of the School District community into a student's personal space and personal life.
- N. Verbal, nonverbal, or physical aggression, intimidation, or hostility based on sex or sex stereotyping that does not involve conduct of a sexual nature.

Not all behavior with sexual connotations constitutes unlawful sexual harassment. Sex-based or gender-based conduct must be sufficiently severe, pervasive, and persistent such that it adversely affects, limits, or denies an individual's employment or education, or such that it creates a hostile or abusive employment or educational environment.

[DRAFTING NOTE: Sexual conduct/relationships with students by District employees or any other adult member of the School District community is prohibited, and any teacher, administrator, coach, or other school authority who engages in sexual conduct with a student may also be guilty of the criminal charge of sexual battery. The issue of consent is irrelevant in regard to such criminal charge and/or with respect to the application of this policy to District employees or other adult members of the School District community.]

Race/Color Harassment

Prohibited racial harassment occurs when unwelcome physical, verbal, or nonverbal conduct is based upon an individual's race or color and when the conduct has the purpose or effect of interfering with the individual's work or educational performance; creating an intimidating, hostile, or offensive working, and/or learning environment; or interfering with one's ability to participate in or benefit from a class or an educational program or activity. Such harassment may occur where conduct is directed at the characteristics of a person's race or color, such as racial slurs, nicknames implying stereotypes, epithets, and/or negative references relative to racial customs.

Religious (Creed) Harassment

Prohibited religious harassment occurs when unwelcome physical, verbal, or nonverbal conduct is based upon an individual's religion or creed and when the conduct has the purpose or effect of interfering with the individual's work or educational performance; creating an intimidating, hostile, or offensive working and/or learning environment; or interfering with one's ability to participate in or benefit from a class or an educational program or activity. Such harassment may occur where conduct is directed at the characteristics of a person's religious tradition, clothing, or surnames, and/or involves religious slurs.

National Origin/Ancestry Harassment

Prohibited national origin/ancestry harassment occurs when unwelcome physical, verbal, or nonverbal conduct is based upon an individual's national origin or ancestry and when the conduct has the purpose or effect of interfering with the individual's work or educational performance; creating an intimidating, hostile, or offensive working and/or learning environment; or interfering with one's ability to participate in or benefit from a class or an educational program or activity. Such harassment may occur where conduct is directed at the characteristics of a person's national origin or ancestry, such as negative comments regarding customs, manner of speaking, language, surnames, or ethnic slurs.

Disability Harassment

Prohibited disability harassment occurs when unwelcome physical, verbal, or nonverbal conduct is based upon an individual's disability and when the conduct has the purpose or effect of interfering with the individual's work or educational performance; creating an intimidating, hostile, or offensive working and/or learning environment; or interfering with one's ability to participate in or benefit from a class or an educational program or activity. Such harassment may occur where conduct is directed at the characteristics of a person's disability, such as negative comments about speech patterns, movement, physical impairments or defects/appearances, or the like. Such harassment may further occur where conduct is directed at or pertains to a person's genetic information.

Anti-Harassment Compliance Officers

The following individual(s) shall serve as the District's Anti-Harassment Compliance Officer(s) (hereinafter, "the Compliance Officer(s)");

[DRAFTING NOTE: Neola suggests the Board appoint both a male and a female Compliance Officer in order to provide Complainants with the option to report their concerns to an individual of the gender with which they feel most comfortable. The same individual(s) assigned to serve as Compliance Officer(s) may also be assigned to serve as the District's Section 504 Compliance Officer(s)/ADA Coordinator(s) and/or Title IX Coordinator(s). Additionally, by appointing two (2) Compliance Officers, there should also be a Compliance Officer available to investigate a claim of harassment that pertains to the other Compliance Officer.]

The Compliance Officer(s) () is () are **[END OF OPTION]** responsible for coordinating the District's efforts to comply with applicable Federal and State laws and regulations, including the District's duty to address in a prompt and equitable manner any inquiries or complaints regarding harassment.

The Compliance Officer(s) will be available during regular school/work hours to discuss concerns related to unlawful harassment, to assist students, other members of the District community, and third parties who seek support or advice when informing another individual about unwelcome conduct, or to intercede informally on behalf of the individual in those instances where concerns have not resulted in the filing of a formal complaint and where all parties are in agreement to participate in an informal process.

The Compliance Officers shall accept reports of unlawful harassment directly from any member of the School District community or a Third Party or receive reports that are initially filed with an administrator, supervisor, or other District level official. Upon receipt of a report of alleged harassment, the Compliance Officer(s) will contact the Complainant and begin either an informal or formal complaint process (depending on the request of the Complainant or the nature of the alleged harassment) or the Compliance Officer(s) will designate a specific individual to conduct such a process. The Compliance Officer(s) will provide a copy of this policy to the Complainant and Respondent. In the case of a formal complaint, the Compliance Officer(s) will prepare recommendations for the Superintendent or will oversee the preparation of such recommendations by a designee. All Board employees must report incidents of harassment that are reported to them to a Compliance Officer within two (2) days of learning of the incident.

Any Board employee who directly observes unlawful harassment is obligated, in accordance with this policy, to report such observations to a Compliance Officer within two (2) days. Additionally, any Board employee who observes an act of unlawful harassment is expected to intervene to stop the harassment unless circumstances make such an intervention dangerous, in which case the staff member should immediately notify other Board employees and/or local law enforcement officials, as

necessary, to stop the harassment. Thereafter, a Compliance Officer or designee must contact the Complainant if age eighteen (18) or older, or the Complainant's parents/guardians if the Complainant is under the age of eighteen (18), within two (2) days to advise of the Board's intent to investigate the alleged wrongdoing.

Reports and Complaints of Harassing Conduct

Members of the School District community along with Third Parties are encouraged to promptly report incidents of harassing conduct to an administrator, supervisor, or other School District official so that the Board may address the conduct before it becomes severe, pervasive, or persistent. Any administrator, supervisor, or other District official who receives such a report shall file it with a Compliance Officer within two (2) days of receiving the report of harassment.

Members of the School District community and Third Parties who believe they have been unlawfully harassed by another member of the School District community or a Third Party are entitled to utilize the Board's complaint process that is set forth below. Initiating a complaint, whether formally or informally, will not adversely affect the Complainant's employment or participation in educational or extra-curricular programs. While there are no time limits for initiating complaints of harassment under this policy, individuals should make every effort to file a complaint as soon as possible after the conduct occurs while the facts are known and potential witnesses are available.

If, during an investigation of alleged bullying, aggressive behavior, and/or harassment in accordance with Policy 5517.01 — Bullying and Other Forms of Aggressive Behavior, the Principal believes that the reported misconduct may have created a hostile work environment and may have constituted unlawful discriminatory harassment based on a Protected Class, the Principal will report the act of bullying, aggressive behavior, and/or harassment to the Compliance Officer(s) who shall investigate the allegation in accordance with this policy. If the alleged harassment involves Sexual Harassment as defined by Policy 2266, the matter will be handled in accordance with the grievance process and procedures outlined in Policy 2266. While the Compliance Officer investigates the allegation, or the matter is being addressed pursuant to Policy 2266, the Principal shall suspend the Policy 5517.01 investigation to await the Compliance Officer's written report or the determination of responsibility pursuant to Policy 2266. The Compliance Officer shall keep the Principal informed of the status of the Policy 3362 investigation and provide the Principal with a copy of the resulting written report. Likewise, the Title IX Coordinator will provide the Principal with the determination of responsibility that results from the Policy 2266 grievance process.

Investigation and Complaint Procedure (See Form 3362-F1)

Except for Sexual Harassment that is covered by Policy 2266 — Nondiscrimination on the Basis of Sex in Education Programs or Activities, any employee or other member of the School District community or Third Party (e.g., visitor to the District) who believes that they have been subjected to unlawful harassment may seek resolution of the complaint through the procedures described below. The formal complaint process involves an investigation of the Complainant's claims of harassment or retaliation and a process for rendering a decision regarding whether the charges are substantiated.

Due to the sensitivity surrounding complaints of unlawful harassment, timelines are flexible for initiating the complaint process; however, individuals should make every effort to file a complaint within thirty (30) days after the conduct occurs while the facts are known and potential witnesses are available. Once the formal complaint process is begun, the investigation will be completed in a timely manner (ordinarily, within fifteen (15) business days of the complaint being received).

The procedures set forth below are not intended to interfere with the rights of any individual to pursue a complaint of unlawful harassment or retaliation with the United States Department of Education Office for Civil Rights and/or Equal Employment Opportunity Commission (EEOC).

Informal Complaint Procedure

The goal of the informal complaint procedure is promptly to stop inappropriate behavior and to facilitate resolution through an informal means, if possible. The informal complaint procedure is provided as a less formal option for a student, other member of the School District community, or Third Party who alleges unlawful harassment or retaliation. This informal procedure is not required as a precursor to the filing of a formal complaint. The informal process is only available in those circumstances where the Complainant and the Respondent mutually agree to participate in it.

The Complainant may proceed immediately to the formal complaint process and individuals who seek resolution through the informal procedure may request that the informal process be terminated at any time to move to the formal complaint process.

All complaints involving a District employee, any other adult member of the School District community, or a Third Party and a student will be formally investigated.

As an initial course of action, if a Complainant feels comfortable and safe in doing so, the individual should tell or otherwise inform the Respondent that the allegedly harassing conduct is unwelcome and must stop. The Complainant should address the allegedly harassing conduct as soon after it occurs as possible. The Compliance Officers are available to support and counsel individuals when taking this initial step or to intervene on behalf of the Complainant if requested to do so. A Complainant who is uncomfortable or unwilling to directly approach the Respondent about the alleged inappropriate conduct may file an informal or a formal complaint. In addition, with regard to certain types of unlawful harassment, such as sexual harassment, the Compliance Officer may advise against the use of the informal complaint process.

A complainant may make an informal complaint, either orally or in writing: 1) to a teacher, other employee, or building administrator; 2) directly to one (1) of the Compliance Officers; and/or 3) to the Superintendent or other District level employee.

All informal complaints must be reported to one (1) of the Compliance Officers who will either facilitate an informal resolution as described below or appoint another individual to facilitate an informal resolution.

The Board's informal complaint procedure is designed to provide employees, other members of the School District community, or third parties who believe they are being unlawfully harassed with a range of options designed to bring about a resolution of their concerns. Depending upon the nature of the complaint and the wishes of the Complainant, informal resolution may involve, but not be limited to, one (1) or more of the following:

- A. Advising the Complainant about how to communicate the unwelcome nature of the behavior to the Respondent.
- B. Distributing a copy of this policy as a reminder to the individuals in the school building or office where the Respondent works or attends.
- C. If both parties agree, the Compliance Officer may arrange and facilitate a meeting or mediation between the Complainant and the Respondent to work out a mutual resolution.

While there are no set time limits within which an informal complaint must be resolved, the Compliance Officer/designee is directed to attempt to resolve all informal complaints within fifteen (15) business days of receiving the informal complaint. If the Complainant is dissatisfied with the informal complaint process, the Complainant may proceed to file a formal complaint. And, as stated above, either party may request that the informal process be terminated at any time to move to the formal complaint process.

Formal Complaint Procedure

If a complaint is not resolved through the informal complaint process, if one of the parties has requested that the informal complaint process be terminated to move to the formal complaint process, or the Complainant, from the outset, elects to file a formal complaint, or the CO determines the allegations are not appropriate for resolution through the informal process, the formal complaint process shall be implemented.

The Complainant may file a formal complaint, either orally or in writing, with a teacher, Principal, Compliance Officer, Superintendent, or other District official. Due to the sensitivity surrounding complaints of unlawful harassment and retaliation, timelines are flexible for initiating the complaint process; however, individuals should make every effort to file a formal complaint within thirty (30) days after the conduct occurs while the facts are known and potential witnesses are available. If a Complainant informs a teacher, Principal, Superintendent, or other District official, either orally or in writing, about any complaint of harassment or retaliation, that employee must report such information to a Compliance Officer/designee within two (2) business days.

Throughout the course of the process, the Compliance Officer should keep the parties reasonably informed of the status of the investigation and the decision making process.

All formal complaints must include the following information to the extent known: the identity of the Respondent; a detailed description of the facts upon which the complaint is based (i.e., when, where, and what occurred); a list of potential witnesses; and the resolution sought by the Complainant.

If the Complainant is unwilling or unable to provide a written statement including the information set forth above, the Compliance Officer shall ask for such details in an oral interview. Thereafter, the Compliance Officer will prepare a written summary of the oral interview, and the Complainant will be asked to verify the accuracy of the reported charge by signing the document.

Upon receiving a formal complaint, the Compliance Officer will consider whether any action should be taken in the investigatory phase to protect the Complainant from further harassment or retaliation including, but not limited to, a change of work assignment or schedule for the Complainant and/or the Respondent. In making such a determination, the

Compliance Officer should consult the Complainant to assess whether the individual agrees with the proposed action. If the Complainant is unwilling to consent to the proposed change, the Compliance Officer may still take whatever actions deemed appropriate in consultation with the Superintendent.

Within two (2) business days of receiving the complaint, the Compliance Officer/designee will initiate a formal investigation to determine whether the Complainant has been subjected to offensive conduct/harassment/retaliation. The Principal will not conduct an investigation unless directed to do so by the Compliance Officer.

Simultaneously, the Compliance Officer will inform the Respondent that a formal complaint has been received. The Respondent will be informed about the nature of the allegations and provided with a copy of any relevant policies and/or administrative guidelines, including the Board's Anti Harassment policy. The Respondent must also be informed of the opportunity to submit a written response to the formal complaint within five (5) days.

Although certain cases may require additional time, the Compliance Officer/designee will attempt to complete an investigation into the allegations of harassment/retaliation within fifteen (15) business days of receiving the formal complaint. The investigation will include:

- A. interviews with the Complainant;
- B. interviews with the Respondent;
- C. interviews with any other witnesses who may reasonably be expected to have any information relevant to the allegations;
- D. consideration of any documentation or other information presented by the Complainant, Respondent, or any other witness that is reasonably believed to be relevant to the allegations.

At the conclusion of the investigation, the Compliance Officer/designee shall prepare and deliver a written report to the Superintendent that summarizes the evidence gathered during the investigation and provides recommendations based on the evidence and the definition of unlawful harassment as provided in Board policy and State and Federal law as to whether the Respondent engaged in unlawful harassment/retaliation of the Complainant. The Compliance Officer's recommendations must be based upon the totality of the circumstances. In determining if discriminatory harassment or retaliation occurred, a preponderance of evidence standard will be used. The Compliance Officer may consult with the Board's legal counsel before finalizing the report to the Superintendent.

Absent extenuating circumstances, within five (5) business days of receiving the report of the Compliance Officer/designee, the Superintendent must either issue a final decision regarding whether the complaint of harassment has been substantiated or request further investigation. A copy of the Superintendent's written decision will be delivered to both the Complainant and the Respondent.

If the Superintendent requests additional investigation, the Superintendent must specify the additional information that is to be gathered and such additional investigation must be completed within five (5) business days. At the conclusion of the additional investigation, the Superintendent must issue a written decision as described above.

☐ The decision of the Superintendent shall be final.

OR

☐ A Complainant or Respondent who is dissatisfied with the final decision of the Superintendent may appeal through a signed written statement to the Board within five (5) business days of the party's receipt of the Superintendent's decision.

In an attempt to resolve the complaint, the Board shall meet with the concerned parties and their representative within twenty (20) business days of the receipt of such an appeal. A copy of the Board's disposition of the appeal shall be sent to each party within ten (10) business days of this meeting. The decision of the Board will be final.

[END OF OPTIONS]

The Board reserves the right to investigate and resolve a complaint or report of unlawful harassment/retaliation regardless of whether the member of the School District community or Third Party alleging the unlawful harassment/retaliation pursues the complaint. The Board also reserves the right to have the formal complaint investigation conducted by an external person in accordance with this policy or in such other manner as deemed appropriate by the Board or its designee.

☐ The parties may be represented, at their own cost, at any of the above described meetings/hearings.

The right of a person to a prompt and equitable resolution of the complaint shall not be impaired by the person's pursuit of other remedies such as the filing of a complaint with the Office for Civil Rights, the filing of charges with local law enforcement, or the filing of a civil action in court. Use of this internal complaint process is not a prerequisite to the pursuit of other remedies.

Privacy/Confidentiality

The District will employ all reasonable efforts to protect the rights of the Complainant, the Respondent, and the witnesses as much as possible, consistent with the Board's legal obligations to investigate, take appropriate action, and conform with any discovery or disclosure obligations. All records generated under the terms of this policy and related administrative guidelines shall be maintained as confidential to the extent permitted by law. Confidentiality, however, cannot be guaranteed. Additionally, the Respondent must be provided with the Complainant's identity.

During the course of a formal investigation, the Compliance Officer/designee will instruct all members of the School District community and Third Parties who are interviewed about the importance of maintaining confidentiality. Any individual who is interviewed as part of a harassment investigation is expected not to disclose any information that is learned or provided during the course of the investigation.

Sanctions and Monitoring

The Board shall vigorously enforce its prohibitions against unlawful harassment/retaliation by taking appropriate action reasonably calculated to stop the harassment and prevent further such harassment. While observing the principles of due process, a violation of this policy may result in disciplinary action up to and including the discharge of an employee or the suspension/expulsion of a student. All disciplinary action will be taken in accordance with applicable State law and the terms of the relevant collective bargaining agreement(s). When imposing discipline, the Superintendent shall consider the totality of the circumstances involved in the matter, including the ages and maturity levels of those involved. In those cases where unlawful harassment is not substantiated, the Board may consider whether the alleged conduct nevertheless warrants discipline in accordance with other Board policies, consistent with the terms of the relevant collective bargaining agreement(s).

Where the Board becomes aware that a prior remedial action has been taken against a member of the School District community, all subsequent sanctions imposed by the Board and/or Superintendent shall be reasonably calculated to end such conduct, prevent its recurrence, and remedy its effects.

Retaliation

Retaliation against a person who makes a report or files a complaint alleging unlawful harassment/retaliation or participates as a witness in an investigation is prohibited. Neither the Board nor any other person may intimidate, threaten, coerce or interfere with any individual because the person opposed any act or practice made unlawful by any Federal or State civil rights law, or because that individual made a report, formal complaint testified, assisted or participated or refused to participate in any manner in an investigation, proceeding, or hearing under those laws and/or the policy, or because that individual exercised, enjoyed, aided or encouraged any other person in the exercise or enjoyment of any right granted or protected by those laws and/or this policy.

-

Retaliation against a person for making a report of discrimination, filing a formal complaint, or participating in an investigation or meeting is a serious violation of this policy that can result in the imposition of disciplinary sanctions/consequences and/or other appropriate remedies.

-

Formal complaints alleging retaliation may be filed according to the internal complaint process set forth above.

-

The exercise of rights protected under the First Amendment of the United States Constitution does not constitute retaliation prohibited under this policy.

Allegations Constituting Criminal Conduct: Child Abuse/Sexual Misconduct

State law requires any school teacher or school employee who knows or suspects that a child under the age of eighteen (18) or that a person with a disability receiving services as a student from the school regardless of age has suffered or faces a threat of suffering a physical or mental wound, disability, or condition of a nature that reasonably indicates abuse or neglect of a child to immediately report that knowledge or suspicion to the county children's services agency. If, during the course of a harassment investigation, the Compliance Officer or a designee has reason to believe or suspect that the alleged conduct reasonably indicates abuse or neglect of the Complainant, a report of such knowledge must be made in accordance with State law and Board Policy.

Any reports made to a county children's services agency or to local law enforcement shall not terminate the Compliance Officer's or a designee's obligation and responsibility to continue to investigate a complaint of harassment. While the Compliance Officer or a designee may work cooperatively with outside agencies to conduct concurrent investigations, in no event shall the harassment investigation be inhibited by the involvement of outside agencies without good cause after consultation with the Superintendent.

Education and Training

In support of this Anti Harassment Policy, the Board promotes preventative educational measures to create greater awareness of unlawful discriminatory practices. The Superintendent shall provide appropriate information to all members of the School District community related to the implementation of this policy and shall provide training for District students and staff where appropriate. All training, as well as all information provided regarding the Board's policy and harassment in general, will be age and content appropriate.

Retention of Investigatory Records and Materials

The Compliance Officer(s) is responsible for overseeing the retention of all records that must be maintained pursuant to this policy. All individuals charged with conducting investigations under this policy shall retain all documents, electronically stored information (ESI), and electronic media (as defined in Policy 8315) created and/or received as part of an investigation which may include, but not be limited to:

- L. copies of the Board policy and/or procedures/guidelines used by the District to conduct the investigation, and any documents used by the District at the time of the alleged violation to communicate the Board's expectations to students and staff with respect to the subject of this policy (e.g., Student Code of Conduct and/or Employee Handbooks);

4122 - NONDISCRIMINATION, EQUAL EMPLOYMENT OPPORTUNITY, AND ANTI-HARASSMENT

The Board of Education does not discriminate on the basis of race, color, national origin, sex (including pregnancy, childbirth, and related medical conditions; sexual orientation; and gender identity), disability, age, religion, height, weight, marital or family status, military status, ancestry, genetic information, or any other legally protected category (collectively, Protected Classes) in its programs and activities, including employment opportunities.

The Board is committed to providing a work environment that is free from Prohibited Conduct, responding promptly and effectively when it has knowledge of conduct that reasonably may constitute Prohibited Conduct, and addressing Prohibited Conduct in its education programs or activities. This commitment applies to all District operations and this policy applies to Prohibited Conduct occurring within or as a part of the District's education programs and activities, whether on school property or at another location during an activity sponsored by the Board.

Persons who commit Prohibited Conduct are subject to the full range of disciplinary sanctions set forth in this policy.

The Board will provide persons who have experienced Prohibited Conduct with ongoing remedies as reasonably necessary to restore or preserve access to the District's education programs or activities.

All school employees share responsibility for avoiding, discouraging, and reporting any form of Prohibited Conduct.

The Board will take immediate action to address the following prohibited acts:

- A. Retaliating against a person who has made a report or filed a complaint alleging Prohibited Conduct, or has participated in the below-described grievance procedures.
- B. Filing a malicious or knowingly false report or complaint of Prohibited Conduct.
- C. Disregarding, failing to appropriately address, or delaying action to appropriately address allegations of Prohibited Conduct when responsibility for reporting and/or investigating such charges comprises part of one's administrative/supervisory duties.

Definitions:

Words used in this policy shall have those meanings defined herein; words not defined herein shall be construed according to their plain and ordinary meanings.

Bullying means: any unwanted and repeated written, verbal, or physical behavior, including any threatening, insulting, or dehumanizing gesture, by an adult, that is sufficiently severe or pervasive to create an intimidating, hostile, or offensive work environment; or unreasonably interfere with the individual's work performance or participation. It may involve: (a) threats; (b) intimidation; (c) stalking; (d) cyberstalking; (e) cyberbullying; (f) physical violence; (g) theft; (h) sexual, religious, or racial harassment; (i) public humiliation; or (j) destruction of property. Bullying rises to the level of unlawful harassment when one (1) or more persons systematically and chronically inflict physical hurt or psychological distress on one (1) or more employees, and that bullying is based upon one (1) or more Protected Classes, that is, characteristics that are protected by Federal and/or State civil rights laws. Ordinary teasing, horseplay, arguments, and peer conflict do not constitute bullying for purposes of this policy.

Complainant means: an employee who is alleged to have been subjected to conduct that could constitute Prohibited Conduct; or a person, other than an employee, who is alleged to have been subjected to conduct that could constitute Prohibited Conduct and who was participating or attempting to participate in the District's education programs or activities at the time of the alleged Prohibited Conduct.

Complaint means: an oral or written request to the District that objectively can be understood as a request for the District to investigate and make a determination about alleged Prohibited Conduct.

Day(s): Unless expressly stated otherwise, the term "day" or "days" as used in this policy means business day(s) (i.e., days that the Board office is open for normal operating hours, Monday – Friday, excluding State-recognized holidays).

Disciplinary sanctions means: consequences imposed on a respondent following a determination that the respondent engaged in Prohibited Conduct.

Education programs or activities refer to: all the District's operations including, but not limited to, in-person and online/remote educational instruction, employment, extracurricular activities, athletics, performances, and community engagement and outreach programs. The term applies to all programs and activities operated by the Board on school grounds or on other property owned or occupied by the Board. It also includes events and circumstances that take place off school property/grounds but over which the District asserts disciplinary authority (e.g., at off-campus activities sponsored by the Board).

Exculpatory evidence means: evidence that is favorable to a respondent because it helps excuse, justify, or absolve a respondent of alleged wrongdoing and tends to establish that a respondent did not engage in Prohibited Conduct.

Genetic information means: information about: (a) an individual's genetic tests; (b) the genetic tests of that individual's family members; (c) the manifestation of disease or disorder in family members of the individual (i.e., family medical history); (d) an individual's request for, or receipt of, genetic services, or the participation in clinical research that includes genetic services by the individual or a family member of the individual; or (e) the genetic information of a fetus carried by an individual or a pregnant woman who is a family member of the individual and the genetic information of an embryo legally held by an individual or family member using assistive reproductive technology.

Harassment means: any threatening, insulting, or dehumanizing gesture, use of technology, or written, verbal, or physical conduct directed against an employee that (a) places the employee in reasonable fear of harm to their person or damage to their property; (b) has the effect of substantially interfering with the employee's work performance; or (c) has the effect of substantially disrupting the orderly operation of a school. Each of the following types of harassment involves unwelcome physical, verbal, or nonverbal conduct that is based upon an individual's protected characteristic(s) and has the purpose or effect of interfering with the individual's work performance or creating an intimidating, hostile, or offensive work environment.

A. **Age Harassment** means: harassment based on negative perceptions about older workers. It also includes harassment based on stereotypes about older workers, even if they are not motivated by animus, such as pressuring an older employee to transfer to a job that is less technology-focused because of the perception that older workers are not well-suited to such work or encouraging an older employee to retire.

B. **Disability Harassment** means: harassment based upon a person's disability and includes harassment based upon stereotypes about individuals with disabilities in general or about an individual's particular disability. It also includes harassment based on traits or characteristics linked to an individual's disability, such as how the person speaks, looks, or moves. For example, negative comments about an individual's speech patterns, movement, physical impairments, or defects/appearances, or the like. Disability-based harassment includes: (a) harassment because an individual requests or receives reasonable accommodation; (b) harassment because an individual is regarded as having an impairment, even if the individual does not have an actual disability, or a record of disability; (c) harassment because an individual has a record of a disability, even if the individual currently does not have a disability; and (d) harassment based on the disability of an individual with whom the employee is associated. Finally,

disability-based harassment may occur where conduct is directed at or pertains to a person's genetic information.

C. National Origin/Ancestry Harassment means: harassment due to a person's (or their ancestor's) place of origin. Such harassing conduct can include ethnic slurs or epithets, derogatory comments about individuals of a particular nationality, and use of stereotypes about a person's national origin. Additionally, it can include harassment regarding traits or characteristics linked to an individual's national origin, such as physical characteristics, ethnic or cultural characteristics or customs (e.g., surnames, attire, or diet), or linguistic characteristics (e.g., a person's manner of speaking, non-English language accent, or a lack of fluency in English).

D. Race/Color Harassment means: unwelcome physical, verbal, or nonverbal conduct that is based upon an individual's race or color and has the purpose or effect of interfering with the individual's work performance; or creating an intimidating, hostile, or offensive work environment. Such harassment may occur where conduct is directed at the characteristics of a person's race or color, such as racial slurs, nicknames implying stereotypes, epithets, and/or negative references relative to racial customs.

E. Religious (Creed) Harassment means: harassment based on a person's surname, religion (including atheism or lack of religious belief), religious traditions and practices, or religious dress/clothing, and includes making offensive comments about the same. It also includes religious slurs or epithets, harassing conduct based on religious stereotypes, and harassment associated with a person's request for and/or receipt of religious accommodation. Religious harassment also involves explicitly or implicitly coercing an employee to engage in religious practices at work.

F. Sexual Harassment means (for purposes of this policy and consistent with Title VII of the Civil Rights Act of 1964): unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature when: (a) submission to such conduct is made either implicitly or explicitly a term or condition of an individual's employment; (b) submission or rejection of such conduct by an individual is used as the basis for employment decisions affecting such individual; or (c) such conduct has the purpose or effect of interfering with the individual's work performance; or creating an intimidating, hostile, or offensive working environment. Sexual harassment may involve the behavior of a person of any gender against a person of the same or another gender.

1. Sexual Harassment covered by Policy 2266 - Nondiscrimination on the Basis of Sex in Education Programs or Activities is not included in this policy. Allegations of such conduct shall be addressed solely by Policy 2266.

2. Prohibited acts that constitute sexual harassment under this policy may take a variety of forms. Examples of the kinds of conduct that may constitute sexual harassment include, but are not limited to:

- a. Conduct of a sexualized nature, such as unwanted conduct expressing sexual attraction or involving sexual activity (e.g., unwelcome sexual propositions, invitations, solicitations, and flirtations; unwanted physical and/or sexual contact, including unwelcome and inappropriate touching, patting, or pinching **(-x)**; and obscene gestures **[END OF OPTION]**.
- b. Sexual attention or sexual coercion, such as demands or pressure for sexual favors (e.g., threats or insinuations that a person's employment, wages, or other conditions of employment may be adversely affected by not submitting to sexual advances; giving unwelcome personal gifts such as lingerie that suggest the desire for a romantic relationship; leering or staring at someone in a sexual way, such as staring at a person's breasts, buttocks, or groin).
- c. Rape, sexual assault, or other acts of sexual violence.
- d. Discussing or displaying visual depictions of sex acts or sexual remarks (e.g., unwelcome verbal expressions of a sexual nature, including graphic sexual commentaries about a person's body, dress, appearance, or sexual activities; the unwelcome use of sexually degrading language, profanity, jokes or innuendoes; unwelcome suggestive or insulting sounds or whistles; obscene telephone calls, texts, etc.; sexually suggestive objects, pictures, graffiti, videos, posters, audio recordings or literature placed in the work environment; asking or telling about sexual fantasies, sexual preferences, or sexual activities; speculations about a person's sexual activities or sexual history, or remarks about one's own sexual activities or sexual history).
- e. A consensual sexual relationship where such relationship leads to favoritism of a subordinate employee with whom the superior is sexually involved and where such favoritism adversely affects other employees or otherwise creates a hostile work environment.
- f. Verbal, nonverbal, or physical aggression, intimidation, or hostility based on sex or sex-stereotyping that does not involve conduct of a sexual nature.

- g. Non-sexual conduct based on sex, such as sex-based epithets; sexist comments (such as remarks that women do not belong in management or that men do not belong in the nursing profession); or facially sex-neutral offensive conduct motivated by sex (such as bullying directed toward employees of one sex).
- h. Harassment based on pregnancy, childbirth, or related medical condition, which may include issues pertaining to lactation, using or not using contraception, or deciding whether to have, or not to have, an abortion.

Not all behavior with sexual connotations constitutes unlawful sexual harassment. Sex-based or gender-based conduct must be objectively offensive (a reasonable person would find it hostile or abusive), subjectively offensive (the complainant actually perceived it as abusive), and either sufficiently severe (a single extremely serious incident) or pervasive (a pattern of behavior), such that it adversely affects, limits, or denies an individual's employment, or creates a hostile or abusive employment environment.

Inculpatory evidence means: evidence that links a respondent to alleged wrongdoing and tends to establish a respondent engaged in Prohibited Conduct (i.e., has culpability).

Military status means: a person's past, current, or future membership, service, or obligation in a uniformed service (e.g., Army, Marine Corps, Navy, Air Force, Space Force, Coast Guard, Public Health Service Commissioned Corps, and National Oceanic and Atmospheric Administration Commissioned Officer Corps). Service in the uniformed services also means the performance of duty, on a voluntary basis, or involuntary basis, in a uniformed service, under competent authority, and includes active duty, active duty for training, initial active duty for training, inactive duty for training, and full-time National Guard duty. It further includes the period of time for which a person is absent from employment for the purpose of an examination to determine the fitness of the person to perform any such duty as listed above.

Party means: a complainant or respondent.

Pregnancy, childbirth, or related medical conditions means:

- A. "Pregnancy" and "childbirth" refer to the pregnancy or childbirth of a specific employee and include, but are not limited to, current pregnancy; past pregnancy; potential or intended pregnancy (which can include infertility, fertility treatment, and the use of contraception); labor; and childbirth (including vaginal and cesarean delivery).
- B. "Related medical conditions" are medical conditions relating to the pregnancy or childbirth of a specific employee, and may include termination of pregnancy, including via miscarriage, stillbirth, or abortion; ectopic pregnancy; preterm labor; pelvic prolapse; nerve injuries; cesarean or perineal wound infection; maternal cardiometabolic disease; gestational diabetes; preeclampsia; HELLP (hemolysis, elevated liver enzymes and low platelets) syndrome; hyperemesis gravidarum; anemia; endometriosis; sciatica; lumbar lordosis; carpal tunnel syndrome; chronic migraines; dehydration; hemorrhoids; nausea or vomiting; edema of the legs, ankles, feet, or fingers; high blood pressure; infection; antenatal (during pregnancy) anxiety, depression, or psychosis; postpartum depression, anxiety, or psychosis; frequent urination; incontinence; loss of balance; vision changes; varicose veins; changes in hormone levels; vaginal bleeding; menstruation; and lactation and conditions related to lactation, such as low milk supply, engorgement, plugged ducts, mastitis, or fungal infections. The preceding list of related medical conditions is not exhaustive.

Prohibited Conduct means: unlawful discrimination or harassment based on a person's Protected Class(es) or retaliation. Such misconduct involves a violation of Federal and/or State civil rights laws.

Relevant means: related to the allegations of Prohibited Conduct under investigation as part of the Board's grievance procedures. Questions are relevant when they seek evidence that may aid in showing whether the alleged Prohibited Conduct occurred, and evidence is relevant when it may aid a decisionmaker in determining whether the alleged Prohibited Conduct occurred.

Remedies means: measures provided, as appropriate, to a complainant or any other person the District identifies as having had their equal access to the District's education programs or activities limited or denied by Prohibited Conduct. These measures are provided to restore or preserve that person's access to the District's education program or activity after the District determines that Prohibited Conduct occurred.

Respondent means: a person who is alleged to have engaged in Prohibited Conduct.

Retaliation means: intimidation, threats, coercion, or discrimination against any person by the District, a student, a Board employee, or any other person authorized by the Board to provide aid, benefit, or service under the District's education

programs or activities, for the purpose of interfering with any right or privilege secured by Federal or State law, or because the person has reported information, made a complaint, testified, assisted, or participated or refused to participate in any manner in an investigation, proceeding, or hearing under applicable Federal or State laws or regulations.

School District community means: students and Board employees (i.e., administrators and professional and classified staff), as well as Board members, agents, volunteers, contractors, or other persons subject to the control and supervision of the Board.

Supportive measures means: non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, without fee or charge to the complainant or the respondent before or after making a report or filing a complaint. Such measures are designed to restore or preserve that party's access to the District's education programs or activities without unreasonably burdening the other party, including measures designed to protect the safety of all parties or the District's educational environment or deter Prohibited Conduct. Supportive measures may include modifications of work schedules, mutual restrictions of contact between the parties, changes in work locations, leaves of absence, increased security and monitoring of certain work settings; training related to Prohibited Conduct, ~~() referral to Employee Assistance Program, [END OF OPTION]~~ and other similar measures.

Third Parties means: guests and/or visitors on District property (e.g., visiting speakers, participants on opposing athletic teams, parents), vendors doing business with, or seeking to do business with, the Board, and other individuals who come in contact with members of the School District community at school-related events/activities (whether on or off District property).

Pregnancy, Childbirth, and Related Medical Conditions

The Board will not discriminate against an employee based on the person's current pregnancy, potential or intent to become pregnant, past pregnancy, or medical condition related to pregnancy or childbirth, or because the person uses birth control, or has had or not had an abortion.

Additionally, the Board will provide a reasonable accommodation to an employee's known limitation related to pregnancy, childbirth, or a related medical condition, unless the accommodation will cause the District undue hardship.

The Board will treat pregnancy, childbirth, and related medical conditions as any other temporary medical conditions for all job-related purposes, including commencement, duration, and extensions of leave; accrual of seniority and any other benefit or service; reinstatement; and under any fringe benefit offered to employees by virtue of employment.

The Board will provide reasonable break time for an employee to express breast milk while at work for the first year after the employee's child's birth. The Board will provide the employee with a space, other than a bathroom, that is clean, shielded from view, free from intrusion from coworkers and the public, and which the employee can use as needed to express breast milk. See Board Policy 6700 – Fair Labor Standards Act.

Nondiscrimination Based on Employee's Genetic Information

The Board prohibits discrimination on the basis of genetic information in all aspects of employment, including hiring, firing, compensation, job assignments, promotions, layoffs, training, fringe benefits, or any other terms, conditions, or privileges of employment. The Board also does not limit, segregate, or classify employees in any way that would deprive or tend to deprive them of employment opportunities or otherwise adversely affect the status of an employee as an employee, based on genetic information. Harassment of a person because of the individual's genetic information is also prohibited. Likewise, retaliation against an applicant or employee for engaging in protected activity is prohibited.

In accordance with the Genetic Information Nondiscrimination Act ("GINA"), the Board shall not request, require, or purchase genetic information of employees, their family members, or applicants for employment. Further, in compliance with GINA, employees are directed not to provide any genetic information, including the individual's family medical history, in response to necessary requests for medical information, with the exception that family medical history may be acquired as part of the certification process for FMLA leave, when an employee is asking for leave to care for an immediate family member with a serious health condition. Applicants for employment are directed not to provide any genetic information, including the individual's family medical history, in response to requests for medical information as part of the District's application process.

[☒] The District recognizes that genetic information may be acquired through commercially and publicly available documents like newspapers, books, magazines, periodicals, television shows, or the Internet. The District prohibits, however, its employees from searching such sources with the intent of finding or obtaining genetic information or accessing sources from which they are likely to acquire genetic information. **[END OF OPTION]**

If the District either legally and/or inadvertently receives genetic information about an employee or applicant for employment from the employee, applicant for employment, or a medical provider, it shall be treated as a confidential medical record in accordance with law.

The District Compliance Officer (see below) shall be responsible for overseeing the District's compliance with applicable Federal regulations and promptly dealing with any inquiries or complaints. The District Compliance Officer or designee shall also verify that proper notice of nondiscrimination for Title II of the Genetic Information Nondiscrimination Act of 2008 is provided to staff members, and that all District requests for health-related information (e.g., to support an employee's request for reasonable accommodation under the Americans with Disabilities Act ("ADA") or a request for sick leave) is accompanied by a written warning that directs the employee or health care provider not to collect or provide genetic information. The warning shall read as follows:

The Genetic Information Nondiscrimination Act of 2008 ("GINA") prohibits employers and other entities covered by GINA Title II, including the Board of Education, from requesting or requiring genetic information of an individual or family member of the individual, except as specifically allowed by law. To comply with this law, do not provide any genetic information when responding to this request for medical information (unless the request pertains to a request for FMLA leave for purposes of caring for an immediate family member with a serious health condition). "Genetic information," as defined by GINA, includes an individual's family medical history, the results of an individual's or family member's genetic test, the fact that an individual or an individual's family member sought or received genetic services or participated in clinical research that includes genetic services, and genetic information of a fetus carried by an individual or an individual's family member or an embryo lawfully held by an individual or family member receiving assistive reproductive services.

~~[-] The District offers health services (-), including a wellness program [END OF INTERNAL OPTION]. Participation in the services/program is voluntary. Genetic information (such as family medical history) may be obtained as part of an individual's participation in the service/program. If that occurs, individual genetic information may be provided to the individual receiving the services and to the person's health services providers, but only genetic information in aggregate form will be provided to the Board. [END OF OPTION]~~

District Compliance Officer(s)

[DRAFTING NOTES:

- 1. Neola suggests the Board appoint both a male and a female to serve as the District Compliance Officers. By appointing two (2) District Compliance Officers, there should always be a District Compliance Officer available to address a claim that pertains to the other District Compliance Officer. If, however, the Board appoints more than one (1) District Compliance Officer, Neola recommends that it designate one (1) of the District Compliance Officers to retain ultimate oversight over the assigned responsibilities and ensure the Board's consistent compliance with its responsibilities under applicable Federal and State laws that prohibit unlawful discrimination/harassment based on protected classes and retaliation. Alternatively, the Board could appoint a District Compliance Officer and one (1) or more persons to assist the District Compliance Officer with performance of the responsibilities identified in this policy and its accompanying administrative guidelines. Often the person(s) designated to assist a District Compliance Officer is/are called Deputy or Assistant Compliance Officer(s). If the Board elects this alternative approach, it would designate a District Compliance Officer for purposes of this policy, and then designate the other position(s) through its AG. The person(s) in the alternative support role(s) will need to be trained in the same manner as the District Compliance Officer (see AG 4122).**
- 2. The Board must list in this policy either the Name(s) or Title(s) of the District Compliance Officer(s); while the Board may list both the Name(s) and Title(s), Neola suggests that the Board only list the Title(s) in this policy (so the Board does not need to revise/amend the policy whenever there is a change in the actual person(s) holding the designated position(s)), but list both the Name(s) and Title(s) in the requisite notices/postings (e.g., website) and publications (e.g., handbooks). The District will also need to decide whether to list the Name(s) and Title(s), or just the Title(s), in Administrative Guideline 4122 if the District elects to identify the District Compliance Officer in the AG (see DRAFTING NOTE in the AG; again, if the District lists the Name(s) and Title(s), it will need to remember to update the AG whenever there is a change in the actual person(s) holding the designated position(s). No matter what, the Board will need to amend its policy and update its AG, requisite notices/postings, and publications, whenever it changes the Title of the position(s) designated to serve as the District Compliance Officer(s).**
- 3. Reminder: Whenever a new person begins to serve as the District Compliance Officer (or in a support role to the District Compliance Officer), the District needs to make sure the new person is appropriately trained, in a timely manner, to fulfill the responsibilities of the position to which the person is assigned.]**

[END OF DRAFTING NOTES]

The Board designates and authorizes the following individual(s) to coordinate its efforts to comply with the Board's responsibilities under Federal and State laws that prohibit discrimination, including harassment, based on Protected Classes and retaliation (also known as "Civil Rights Coordinator(s)" or "Anti-Harassment Compliance Officer(s)") (hereinafter referred to as the "District Compliance Officer(s)" or "CO(s)"): _____

[DRAFTING NOTE: The District may want to create a static (i.e., fixed) District Compliance Officer -specific email address and phone number that will not change when the person(s) and/or position(s) designated to be the CO(s) change(s) – e.g., CO4CivilRights@(insert District’s domain) – which the Technology Director/Department can program to be forwarded to the actual individual(s) serving as the District Compliance Officer(s) at any given time. [END OF OPTION]

[DRAFTING NOTE: As discussed above, if the Board designates more than one (1) CO, Neola recommends that the District select the following option.]

☒] The Board designates Superintendent **[DRAFTING NOTE: Insert Name and/or Title of the District Compliance Officer who is ultimately responsible for the District's compliance with its responsibilities under Federal and State laws that prohibit discrimination/harassment based on Protected Classes and retaliation]** as the individual who is ultimately responsible for oversight over the Board's compliance with applicable Federal and State laws and regulations that prohibit discrimination based on the basis of Protected Classes and retaliation. **[END OF OPTION]**

☒] The District Compliance Officer may delegate specific duties to one (1) or more designees. **[END OF OPTION]**

The contact information concerning the District Compliance Officer(s) will be published on the School District's website ~~()~~ and annually **[END OF OPTION]**:

- A. ~~() in parent/student and staff handbooks.~~
- B. ~~() in the School District Annual Report to the public.~~
- C. ~~() on each individual school's website.~~
- D. ~~() in the School District's calendar.~~
- E. ~~() _____.~~

[DRAFTING NOTE: The Board may want to select the following option when the Superintendent is not the CO. While Neola recognizes that this may not always be possible, it may be preferable to have the CO be someone other than the Superintendent because then – if the CO serves as the investigator and decisionmaker – the Superintendent can serve as the appeal decisionmaker or the facilitator for the informal resolution process.]

☒] The District Compliance Officer(s) shall report directly to the Superintendent except when the Superintendent is a party to a complaint (i.e., either the complainant or the respondent). Under such circumstances, the CO(s) shall report directly to **[SELECT ONE OF THE FOLLOWING]** ☒ the Board President ~~() the Board's Legal Counsel ()~~ ~~_____ [OTHER] [END OF INTERNAL OPTIONS]~~ until the matter in which the Superintendent is a party is concluded. **[END OF OPTION]**

Questions about this policy ~~()~~ and AG 4122 **[END OF OPTION]** should be directed to the District Compliance Officer(s).

The CO(s) is/are responsible for coordinating the District's efforts to comply with applicable Federal and State laws and regulations, including the District's duty to address in a prompt and equitable manner any inquiries or complaints regarding discrimination, harassment, retaliation, or denial of equal opportunity/access. The CO(s) shall also verify that proper notice of nondiscrimination for Title II of the Americans with Disabilities Act (as amended), Title VI and Title VII of the Civil Rights Act of 1964, Section 504 of the Rehabilitation Act of 1973 (as amended), Genetic Information Nondiscrimination Act (GINA), and the Age Discrimination in Employment Act of 1975 is provided to staff members and the general public. ~~[] Any sections of the District's collective bargaining agreements dealing with hiring, promotion, demotion, discipline, and tenure need to contain a statement of nondiscrimination similar to that in the Board's statement set forth above. [END OF OPTION] [] In addition, as practical, gender specific terms should be eliminated from such contracts. [END OF OPTION] Copies of the laws and regulations listed above are available upon request from the CO(s).~~

The CO(s) will be available during regular work hours to discuss concerns related to Prohibited Conduct, to assist employees, other members of the District community, and third parties who seek support or advice when informing another individual about Prohibited Conduct, including unwelcome conduct, or to intercede informally on behalf of the individual in those instances where concerns have not resulted in the filing of a formal complaint and where all parties are in agreement to participate in an informal process.

The CO(s) shall monitor the District's education programs and activities for barriers to reporting information about conduct that reasonably may constitute Prohibited Conduct pursuant to Federal and/or State laws that prohibit discrimination/harassment based on the basis of a Protected Class/Category and retaliation, and take steps reasonably calculated to address such barriers.

Notice of Nondiscrimination

The Superintendent shall provide a notice of nondiscrimination to students, parents, guardians, or other authorized legal representatives of elementary and secondary students; employees; applicants for admission and employment; and all unions and professional organizations holding collective bargaining or professional agreements with the Board. Specifically, the Superintendent shall post the notice of nondiscrimination on the District's website and in each handbook, catalog, announcement, bulletin, and application form that it makes available to the persons listed above, or which are otherwise

used in connection with the recruitment of employees. ~~(-) See AG 4122 and Form 4122F1—Notice and Statement of Nondiscrimination. [END OF OPTION]~~

NOTIFICATION/REPORTS OF PROHIBITED CONDUCT

Any person may provide information to the CO(s) concerning conduct that reasonably may constitute Prohibited Conduct. Such information may be submitted in person, by mail, by telephone, or by electronic mail using the CO's(s') published contact information, or by any other means (oral or written) that results in the CO(s) receiving the information. Information may be provided at any time (including during non-work hours). ~~[] Anonymous reports may be submitted using (-) the online reporting form posted at _____ [insert the web address for the reporting form, or insert a hyperlink tied to the phrase "online reporting form"] [or] (-) the hotline reporting number (_____ [insert phone number]). [END OF OPTION]~~

All Board employees are required to notify the CO(s) of conduct that reasonably may constitute Prohibited Conduct. For the Board to fulfill its responsibilities under applicable Federal and/or State laws, if a Board employee has knowledge of conduct that reasonably may constitute Prohibited Conduct, the Board employee must notify the/a CO within two (2) days of learning the information or receiving the report. **[DRAFTING NOTE: The applicable statutes and regulations do not specify within how many days the Board employee must notify the CO of receiving notification/a report of Prohibited Conduct; Neola suggests "two (2) days". Alternatively, the Board could make this language more open-ended – e.g., "** * * must immediately/promptly notify the/a CO of such information or report."]** The Board employee must also comply with mandatory reporting responsibilities pursuant to Policy 8462 – Student Abuse and Neglect, if applicable. If the Board employee's knowledge about the alleged Prohibited Conduct is based on another individual bringing the information to the Board employee's attention, and the reporting individual submitted a written notification/report or complaint to the Board employee, the Board employee must provide the written notification/report or complaint to the CO.

Notification can be provided orally or in writing and should be as specific as possible. The person making the notification/report should, to the extent known, identify the alleged victim(s), perpetrator(s), and witness(es), and describe in detail what occurred, including date(s), time(s), and location(s).

If a notification/report or complaint involves allegations of Prohibited Conduct by or involving the CO, the person making the report (i.e., providing the notification or filing the complaint) should submit it to the Superintendent or another Board employee who, in turn, will notify the Superintendent of the report/complaint. The Superintendent will then serve in place of the CO for purposes of addressing that report of Prohibited Conduct. **[DRAFTING NOTE: If the Superintendent is the CO, substitute "Board President" in place of "Superintendent."]**

When a Board employee notifies the CO of suspected Prohibited Conduct, the employee is required to report all known details about the alleged Prohibited Conduct including: (1) the name of the alleged respondent(s); (2) the person who experienced the alleged Prohibited Conduct (i.e., the complainant); (3) other persons involved in the alleged Prohibited Conduct (e.g., witnesses); and (4) any other relevant facts, such as date, time, and location. Failure to provide such notification may result in discipline, up to and including suspension or termination of employment.

Any allegations of misconduct not involving Prohibited Conduct as defined in this policy will be addressed through the procedures outlined in other Board policies ~~(-) and/or administrative guidelines [END OF OPTION]~~, the applicable Student Code of Conduct, applicable collective bargaining agreement, and/or Employee/Administrator Handbook.

When a notification/report or complaint of Prohibited Conduct is made, the CO shall promptly (i.e., within two (2) days **[DRAFTING NOTE: The applicable laws and/or regulations do not define "promptly" or otherwise specify within how many days the contact has to be made; Neola suggests "two (2) days."]** of the CO's receipt of the notification/report or complaint of Prohibited Conduct) contact the purported complainant to discuss the availability of supportive measures, consider the complainant's wishes with respect to supportive measures, inform the complainant of the availability of supportive measures with or without the filing of a complaint, and explain to the complainant the process for filing a complaint. The CO is responsible for coordinating the effective implementation of supportive measures. Any supportive measures provided to the complainant or respondent shall be maintained as confidential, to the extent that maintaining such confidentiality will not impair the ability of the District to provide the supportive measures.

GRIEVANCE PROCEDURES

Overview:

The Board adopts the following grievance procedures to provide for the prompt, effective, and equitable resolution of complaints made by employees, applicants, or other individuals who are participating or attempting to participate in the District's education programs or activities (i.e., members of the School District community and Third Parties), or by the CO alleging any act of Prohibited Conduct.

These grievance procedures shall be used for all complaints of Prohibited Conduct unless it involves conduct involving a student, in which case the grievance procedures set forth in Policy 2260 or Policy 5517.01 shall apply. These grievances procedures set forth the means for investigating and resolving claims involving such Prohibited Conduct; in particular, the procedures provide a method for assessing – in a prompt, effective, and equitable manner – whether an applicable Federal or State law was violated and, if it was, how best to end the Prohibited Conduct, prevent its recurrence, and remedy its effects.

Due to the sensitivity surrounding complaints of Prohibited Conduct, timelines are flexible for initiating the grievance procedures; however, individuals are encouraged to file a complaint within thirty (30) days after the conduct occurs. Once the formal complaint process is begun, the investigation will be completed in a timely manner.

[DRAFTING NOTE: Title VII of the Civil Rights Act of 1964 (“Title VII”) prohibits discrimination in employment. Specifically, it prohibits employment discrimination based on race, color, religion, sex, or national origin, and applies to employers with fifteen (15) or more employees. Title IX, on the other hand, specifically prohibits discrimination based on sex in education programs and activities that receive Federal financial assistance, including employment within those institutions. Title IX is addressed by Board Policy 2266 and AG 2266. While both laws aim to prevent sex-based discrimination in the workplace, Title VII applies more broadly to various types of employers, whereas Title IX is limited to educational institutions receiving Federal funds. Ultimately, both laws aim to ensure equal employment opportunities and protect individuals from discrimination. When a District Compliance Officer receives a complaint or notification of alleged misconduct involving sex discrimination (in particular, sexual harassment) that involves an employee complainant and an employee respondent, the District Compliance Officer should consult with the Title IX Coordinator and/or the Board’s Legal Counsel concerning which law – it may be both – the District will need to comply with when investigating the allegations.]

Under all circumstances, the CO shall offer and coordinate supportive measures, as appropriate, in accordance with this policy ~~(-)~~ and AG 4122 **[END OF OPTION]**.

Complaints:

The following people may make a complaint of Prohibited Conduct – i.e., request that the District investigate and determine whether Prohibited Conduct occurred:

A. a “complainant,” which includes:

1. an employee of the District who is alleged to have been subjected to conduct that could constitute Prohibited Conduct; or
2. a person other than an employee of the District who is alleged to have been subjected to conduct that could constitute Prohibited Conduct at a time when that individual was participating or attempting to participate in the District’s education programs or activities;

B. an authorized legal representative with the legal right to act on behalf of a complainant;

C. the District Compliance Officer.

A person is entitled to make a complaint of unlawful harassment only if they themselves are alleged to have been subjected to the unlawful harassment, or if the CO initiates a complaint.

[DRAFTING NOTE: This paragraph emphasizes that in order for a person to file a complaint of unlawful harassment, the person has to have been subjected to the alleged misconduct directly or be a person who has a legal right to act on behalf of the person who was subjected to the alleged misconduct. This is consistent with the prior paragraph, where the complainant is identified as an employee who was “subjected to conduct that could constitute Prohibited Conduct.” The following paragraph, on the other hand, expands who can file a complaint – when the alleged Prohibited Conduct does not involve unlawful harassment, or the complaint involves allegations of retaliation – to persons who are aware of the alleged Prohibited Conduct, even if that person was not directly affected by or subject to the alleged Prohibited Conduct.]

With respect to complaints of Prohibited Conduct other than unlawful harassment, or complaints involving allegations of retaliation, in addition to the people listed above, the following persons have a right to make a complaint:

A. any employee of the District; or

- B. any person other than an employee who was participating or attempting to participate in the District's education programs or activities at the time of the alleged Prohibited Conduct.

The District may consolidate complaints of Prohibited Conduct against more than one (1) respondent, or by more than one (1) complainant against one (1) or more respondents, or by one (1) party against another party, when the allegations of Prohibited Conduct arise out of the same facts or circumstances. When more than one (1) complainant or more than one (1) respondent is involved, references below to a party, complainant, or respondent include the plural, as applicable.

A person may file criminal charges simultaneously with filing a complaint. A person does not need to wait until the District's internal grievance procedures are completed before filing a criminal complaint. Likewise, questions or complaints relating to alleged violations of applicable Federal or State laws may be filed with the U.S. Department of Education's Office for Civil Rights, the U.S. Department of Justice's Civil Rights Division, the U.S. Equal Employment Opportunity Commission, or the Michigan Department of Civil Rights, at any time based on the underlying statutory basis for the complaint.

Basic Requirements:

The District will treat complainants and respondents equitably.

All persons involved with implementing the grievance procedures and any other aspects of this Policy, including the District Compliance Officer, the investigator, the decisionmaker, and the appeal decisionmaker, (x) and the facilitator of the informal resolution process, [END OF OPTION] shall be free from any conflicts of interest or bias for or against complainants or respondents generally or an individual complainant or respondent.

x] The CO may serve simultaneously as an investigator and/or a decisionmaker. [END OF OPTION] [DRAFTING NOTE: Neola recommends the Board select this OPTION; note it is "may" (i.e., optional) so the CO can decide when to serve in both roles and when to designate one or more persons to perform these responsibilities in a given case.]

If the CO does not intend to serve as the investigator/decisionmaker in a specific case, the CO shall designate one (1) or more administrators who are appropriately trained to serve in the role.

In circumstances when the CO and trained administrators do not have time/capacity to serve, or are prevented due to a conflict of interest, bias, or partiality, or other reasons impair the CO and other trained administrators from serving as an investigator/decisionmaker in a specific case, the CO shall ~~(-), in consultation with~~ (x) and approval of [END OF OPTION] the Superintendent or ~~(-) Board~~ (x) Board President (as appropriate), [END OF OPTION] secure one (1) or more independent third parties to serve as the investigator and/or decisionmaker.

The District presumes that the respondent is not responsible for the alleged Prohibited Conduct until a determination is made at the conclusion of its grievance procedures.

Under ordinary circumstances, the Board expects to complete the major stages of the grievance procedures within the timeframe specified below:

- A. **Evaluation** – The District Compliance Officer will determine whether to dismiss a complaint or investigate it within ten (10) [INSERT AMOUNT] days of receiving the complaint. [DRAFTING NOTE: Neola recommends that the evaluation stage be completed within ten (10) days of the CO receiving notice of the complaint.]
- B. **Investigation** – The CO, or designated investigator/decisionmaker, shall ordinarily complete the investigation (i.e., collect relevant evidence that is not otherwise impermissible) and issue a Determination (i.e., consider the relevant and not otherwise impermissible evidence and decide whether Prohibited Conduct occurred) within twenty (20) [INSERT AMOUNT] days of the CO determining the charges require investigation. [DRAFTING NOTE: Recognizing that it is important for investigations to be completed and Determinations issued in a prompt and equitable manner, Neola recommends that a school district typically complete an investigation and issue a Determination within twenty (20) days.]

[DRAFTING NOTE: If the investigator/decisionmaker is someone other than the CO, upon written request from the investigator/decisionmaker, the CO should be permitted to approve a reasonable extension of time for the investigation to be completed and the Determination issued. If the CO is the investigator/decisionmaker: upon written request from the CO, the Superintendent should be permitted to approve a reasonable extension of time for the investigation to be completed and the Determination issued. In either situation, the administrator granting the extension should communicate to the parties the new deadline along with a rationale for the extension.]

If, however, the CO, or designated investigator/decisionmaker, determines that the investigation is going to take longer, the CO will so notify the parties (☒) and the Superintendent **[END OF OPTION]** and will thereafter keep the parties (☒) and the Superintendent **[END OF OPTION]** informed of the status of the matter on a regular **[INSERT TIME PERIOD – E.G., BIWEEKLY OR REGULAR]** basis.

- C. **Appeal** – A party filing an appeal of the CO’s decision to dismiss a complaint (☒), or the Determination, **[END OF OPTION]** must do so within five (5) **[INSERT AMOUNT]** days of receiving the Dismissal (☒) or Determination **[END OF OPTION]**. **[DRAFTING NOTE: Neola recommends the Board allow limited appeals based on the Determination. See DRAFTING NOTE below in the appeal section.]**

The CO, or the Superintendent if the CO is the individual requesting an extension, may approve reasonable extensions of the preceding timeframes on a case-by-case basis for good cause with notice to the parties.

The District will take reasonable steps to protect the privacy of the parties and witnesses. ☒ These steps will not restrict the ability of the parties to present evidence or otherwise participate in the grievance procedures. **[END OF OPTION]** The parties shall not engage in retaliation, including against witnesses.

The CO, or designated investigator/decisionmaker, shall objectively evaluate all evidence that is relevant and not otherwise impermissible — including both inculpatory and exculpatory evidence. Credibility determinations shall not be based on a person’s status as a complainant, respondent, or witness.

The following types of evidence, and questions seeking such evidence, are impermissible (i.e., will not be accessed or considered, except by the District to determine whether one of the exceptions listed below applies; will not be disclosed; and will not otherwise be used), regardless of whether they are relevant:

- A. evidence that is protected under a privilege recognized by Federal or State law, unless the person to whom the privilege or confidentiality is owed voluntarily waived the privilege or confidentiality; and
- B. a party’s or witness’s records that are made or maintained by a physician, psychologist, or other recognized professional or paraprofessional in connection with the provision of treatment to the party or witness, unless the District obtains that party’s or witness’s voluntary, written consent for use in its grievance procedures.

Notice of Allegations:

Upon initiation of the Board’s grievance procedures, the District Compliance Officer shall notify the parties of the following:

- A. the Board’s grievance procedures (☒) and informal resolution process **[END OF OPTION]** associated with claims involving Prohibited Conduct; **[DRAFTING NOTE: Neola encourages the Board to include an informal resolution process.]**
- B. sufficient information available at the time to allow the parties to respond to the allegations, including the identities of the parties involved in the incident(s), the conduct alleged to constitute Prohibited Conduct, and the date(s) and location(s) of the alleged incident(s); and
- C. retaliation is prohibited.

Should the CO decide, at any point, to investigate allegations that are materially beyond the scope of the initial written notice, the CO will provide a supplemental written notice describing the additional allegations to be investigated.

Dismissal of a Complaint:

The CO may dismiss a complaint of Prohibited Conduct if:

- A. the District is unable to identify the respondent after taking reasonable steps to do so;
- B. the respondent is not participating in the District’s education program or activity and is not employed by the Board;
- C. the complainant voluntarily withdraws any or all the allegations in the complaint, the CO declines to initiate a complaint, and the District determines that, without the complainant’s withdrawn allegations, the conduct that remains alleged in the complaint, if any, would not constitute Prohibited Conduct even if proven; or
- D. the District determines the conduct alleged in the complaint, even if proven, would not constitute Prohibited Conduct. Before dismissing the complaint, the CO will make reasonable efforts to clarify the allegations with the complainant.

Upon dismissal, the CO will promptly notify, in writing, the complainant of the basis for the dismissal. If the dismissal occurs after the respondent has been notified of the allegations, the CO will also simultaneously notify, in writing, the respondent of the dismissal and the basis for the dismissal.

The CO will further notify the complainant that a dismissal may be appealed and will provide the complainant with an opportunity to appeal the dismissal of the complaint. If the dismissal occurs after the respondent has been notified of the allegations, then the CO will also notify the respondent that the dismissal may be appealed.

Dismissals may be appealed on the following bases:

- A. procedural irregularity that would change the outcome;
- B. new evidence that would change the outcome and that was not reasonably available when the dismissal was made; and
- C. the CO had a conflict of interest or bias for or against complainants or respondents generally, or the individual complainant or respondent, that would change the outcome.

If the dismissal is appealed, the CO will:

- A. notify the parties of any appeal, including notice of the allegations, if notice was not previously provided to the respondent;
- B. implement appeal procedures equally for the parties;
- C. ensure that the appeal decisionmaker did not take part in the original dismissal of the complaint;
- D. ensure that the appeal decisionmaker has been trained consistent with this Policy ~~()~~ and AC 4122 **[END OF OPTION]**;
- E. provide the parties a reasonable and equal opportunity to make a statement in support of, or challenging, the outcome; and
- F. notify the parties of the result of the appeal and the rationale for the result.

When a complaint is dismissed, the CO will, at a minimum:

- A. offer supportive measures to the complainant as appropriate;
- B. if the respondent has been notified of the allegations, offer supportive measures to the respondent as appropriate; and
- C. take other prompt and effective steps, as appropriate, to ensure that Prohibited Conduct does not continue or recur within the District's education programs or activities.

[DRAFTING NOTE: Neola encourages the Board to select the following option so the CO can choose, in appropriate circumstances, to offer the parties the opportunity to participate in an informal resolution process, or to honor the parties' request to use an informal resolution process, to end the Prohibited Conduct, prevent its recurrence, and remedy its effects.]

[x] [OPTIONAL LANGUAGE: INFORMAL RESOLUTION PROCESS]

Informal Resolution Process:

In lieu of resolving a complaint through the Board's formal grievance procedures, the parties may instead elect to participate in an informal resolution process. The District will not offer informal resolution to resolve a complaint when such a process would conflict with Federal, State, or local law.

[END OF OPTIONAL LANGUAGE: INFORMAL RESOLUTION PROCESS]

Adding Allegations and/or Consolidating Complaints:

If, in the course of an investigation, the District decides to investigate additional allegations of Prohibited Conduct by the

respondent toward the complainant that are not included in the original Notice of Allegations or to consolidate charges raised in a different complaint involving the same respondent, the CO will notify the parties of the additional allegations.

Investigation:

The District will provide for an adequate, reliable, and impartial investigation of complaints.

The burden is on the District — not on the parties — to conduct an investigation that gathers sufficient evidence to determine whether Prohibited Conduct occurred.

The CO, or the designated investigator/decisionmaker, will provide an equal opportunity for the parties to present fact witnesses and other inculpatory and exculpatory evidence that are relevant and not otherwise impermissible.

The CO, or the designated investigator/decisionmaker, will review all evidence gathered through the investigation and determine what evidence is relevant and what evidence is impermissible, regardless of relevance.

Determination of Whether Prohibited Conduct Occurred:

Following an investigation and evaluation of all relevant and not otherwise impermissible evidence, the CO or designated investigator/decisionmaker will:

- A. Use the preponderance of the evidence standard of proof to determine whether Prohibited Conduct occurred. This standard of proof requires the decisionmaker to evaluate relevant and not otherwise impermissible evidence for its persuasiveness. If the decisionmaker, applying the applicable standard, is not persuaded by the relevant and not otherwise impermissible evidence that Prohibited Conduct occurred, regardless of the quantity of the evidence, the decisionmaker will not determine that Prohibited Conduct occurred. **[DRAFTING NOTE: While a board of education could elect to use the "clear and convincing" evidence standard of proof, Neola does not recommend it. If a board does select the "clear and convincing" standard, it should use it in all other comparable proceedings. Neola expects it will be a rare situation when a board chooses to use a clear and convincing standard of proof.]**
- B. Notify the parties, in writing, of the determination whether Prohibited Conduct occurred, including the rationale for such determination ~~(-), and the procedures and permissible bases for the complainant and respondent to appeal~~ **[END OF OPTION]**.
- C. Not impose discipline on a respondent for Prohibited Conduct unless there is a determination at the conclusion of the grievance procedures that the respondent engaged in Prohibited Conduct.
- D. If there is a determination that Prohibited Conduct occurred, the CO will, as appropriate:
 1. coordinate the provision and implementation of remedies to a complainant and other people the District identifies as having had equal access to the District's education programs or activities limited or denied by the Prohibited Conduct;
 2. coordinate the imposition of any disciplinary sanctions on a respondent ~~(-), including notification to the complainant of any such disciplinary sanctions~~ **[END OF OPTION]**; and
 3. take other appropriate prompt and effective steps to ensure that the Prohibited Conduct does not continue or recur within the District's education programs or activities.
- E. Comply with the grievance procedures before the imposition of any disciplinary sanctions against a respondent.
- F. Not discipline a party, witness, or others participating in the grievance procedures for making a false statement based solely on the determination of whether Prohibited Conduct occurred.

[DRAFTING NOTE: If the CO dismisses a complaint in the Evaluation stage (i.e., prior to commencing an investigation), the complainant may appeal as set forth above. Neola also recommends the Board include an appeal process related to the Determination.]

[☒ [OPTIONAL LANGUAGE - APPEAL OF DETERMINATION]

Appeal of Determinations:

If a party disagrees with the decisionmaker's determination as to whether Prohibited Conduct occurred, the party may file

an appeal. Appeals must be submitted, in writing, within five (5) **(INSERT AMOUNT)** days of the appealing party's receipt of the Determination.

A party may appeal a Determination on the following bases:

- A. procedural irregularity that would change the outcome;
- B. new evidence that would change the outcome and that was not reasonably available when the investigation occurred and the Determination was made; and
- C. the CO, or the designated investigator/decisionmaker, had a conflict of interest or bias for or against complainants or respondents generally or the individual complainant or respondent that would change the outcome;

[DRAFTING NOTE: The Board may insert additional grounds on which an appeal may be filed.]

- D. ~~(-) the recommended remedies (including disciplinary sanctions/consequences) are unreasonable in light of the findings of fact (i.e., the nature and severity of the Prohibited Conduct).~~

- E. ~~(-) [OTHER] _____.~~

☒] The complainant may not challenge the ultimate disciplinary sanction/consequence that is imposed. **[END OF OPTION]**

[DRAFTING NOTE: The following options are offered in case the Board wants the Superintendent to serve as the appeal decisionmaker or the Board wants to nominally be identified as the appeal decisionmaker but will be delegating the responsibility to a person who is properly trained. Neola does not recommend that the Board itself be named as the appeal decisionmaker because of the preference for the decisionmaker to be trained to render a decision. If the Board wants to serve as the appeal decisionmaker, it should discuss this issue with its Legal Counsel. Select OPTION 1 or OPTION 2 below.]

~~**[] [OPTION 1]**~~

~~The CO will designate an appeal decisionmaker, who will be a person who did not conduct the Investigation and render the Determination, and is appropriately trained (-), as set forth in AG 4122 **[END OF INTERNAL OPTION]**.~~

~~The CO has authority (-), in consultation with (-) and approval of **[END OF OPTION]** the Superintendent or (-) Board (-) Board President (as appropriate), **[END OF OPTIONS]** to secure an independent Third Party to serve as the appeal decisionmaker.~~

~~**[]** In designating an appeal decisionmaker, the CO will work with the Board to identify and appoint an independent Third Party to serve as the appeal decisionmaker—this individual shall be considered to be the Board's designee and will submit the appeal decision to the Board who will promptly adopt it as written and forward it to the CO who will send it simultaneously to the parties. **[END OF OPTIONAL SENTENCE]**~~

~~**[END OF OPTION 1]**~~

[☒ [OPTION 2]

The Superintendent shall serve as the appeal decisionmaker, provided the Superintendent has not been otherwise involved in the grievance procedures (i.e., did not serve as the investigator/decisionmaker or informal resolution process facilitator) and is appropriately trained. If the Superintendent is not eligible to serve as the appeal decisionmaker, the CO will designate an appeal decisionmaker, who will be a person who did not conduct the Investigation and render the Determination, and is appropriately trained ~~(-), as set forth in AG 4122 **[END OF INTERNAL OPTION]**.~~

[END OF OPTION 2]

[END OF OPTIONS]

If a party appeals the Determination, the CO will:

- A. notify the parties of the appeal;
- B. implement appeal procedures equally for the parties;

- C. provide the parties a reasonable and equal opportunity to make a statement in support of, or challenging, the Determination;
- D. provide the appeal decisionmaker with the relevant and not otherwise impermissible evidence and the Determination; and
- E. notify the parties, in writing, of the result of the appeal and the appeal decisionmaker's rationale for the outcome.

Parties Provided a Reasonable and Equal Opportunity to Make a Statement in Support of, or Challenging, the Dismissal (☒) or Determination [END OF OPTION]

When a party files an appeal, the party must set forth the reason(s)/basis/bases for the appeal, and the other party will have five (5) [INSERT AMOUNT] days to provide the appeal decisionmaker with a statement in support of their position. Once the decisionmaker receives the statement (or the deadline for filing such a statement expires), the appeal decisionmaker will have ten (10) [INSERT AMOUNT] days to issue a decision on the appeal.

[DRAFTING NOTE: Neola suggests any appeals should be filed within five (5) days of the parties receiving written notice of the Determination. Neola further suggests that the timeline for the other party submitting a statement be equivalent to the timeframe in which an appeal has to be filed. Finally, Neola suggests the appeal decisionmaker have ten (10) days from receipt of the statements to issue a decision.]

While a party appealing a Determination may argue the reason/basis for the appeal is that new evidence has been discovered/obtained that would change the outcome and that said new evidence was not reasonably available when the Determination was originally made, the party may not submit the new or additional evidence during the appeal process. Rather, the party appealing should identify/describe in detail the evidence, including how and when it was discovered/obtained, and explain why it was not reasonably available during the Investigation (i.e., prior to the Determination). If the appeal decisionmaker accepts the proffered explanation, the appeal decisionmaker should remand the case back to the investigator/decisionmaker (i.e., reopen the investigation) so the new evidence may be submitted and considered by the other party and the investigator/decisionmaker.

The appeal decisionmaker shall determine the outcome of the appeal based on the appeal decisionmaker's independent review of the record (i.e., the relevant and not otherwise impermissible evidence and the written determination) and the appeal decisionmaker's application of the law and Board policy to the facts in the record. The appeal decisionmaker must give due deference and due weight to the decisionmaker's factual findings and credibility determinations and should not overturn them unless non-testimonial extrinsic evidence in the record justifies a contrary conclusion or unless the record read in its entirety compels a contrary conclusion. Generally, the appeal decisionmaker is expected to uphold the original Determination unless the appeal decisionmaker concludes the original Determination is unlawful, unreasonable, or against the manifest weight of the evidence. Every reasonable presumption must be made in favor of the original Determination.

The appeal decisionmaker shall

[DRAFTING NOTE: The Board must select either OPTION 1 or OPTION 2 unless the Board appointed an independent Third Party to serve as the Board's appeal decisionmaker, in which case the Board should select OPTION 3.]

(☒) [OPTION 1]

simultaneously notify the parties, in writing, of the result of the appeal and the rationale for the outcome.

[END OF OPTION 1]

{OR}

(☐) [OPTION 2]

~~notify the CO, in writing, of the result of the appeal and the rationale for the outcome. The CO will then simultaneously notify the parties, in writing, of the result of the appeal and the appeal decisionmaker's rationale for the outcome.~~

[END OF OPTION 2]

{OR}

~~() [OPTION 3]~~

~~submit the appeal decision to the Board who will promptly adopt it as written and forward it to the CO, who will send it simultaneously to the parties. The appeal decision shall set forth the result of the appeal and the appeal decisionmaker's rationale for the outcome.~~

~~[END OF OPTION 3]~~

The ☒ appeal decisionmaker's ~~() Board's [END OF OPTION]~~ decision shall be final.

[END OF OPTIONAL LANGUAGE - APPEAL OF DETERMINATION]

Supportive Measures:

The District will offer and coordinate supportive measures as appropriate for the complainant and/or respondent to restore or preserve that person's access to the District's education programs or activities or provide support during the grievance procedures and/or during the informal resolution process. For allegations of Prohibited Conduct other than prohibited harassment or retaliation, the District's provision of support measures does not require the District, Board employees, or any other person authorized to provide aid, benefit, or service on the District's behalf to alter the alleged discriminatory/retaliatory conduct for the purpose of providing a supportive measure.

The CO shall determine appropriate supportive measures on a case-by-case basis. Supportive measures may vary depending on what the CO deems to be reasonably available. Supportive measures may include, but are not limited to: modifications of work schedules; mutual restrictions on contact between the parties; changes in work locations; leaves of absence; increased security and monitoring of certain work settings; training related to Prohibited Conduct; ~~() referral to Employee Assistance Program; [END OF OPTION]~~ and other similar measures.

Supportive measures must not unreasonably burden either party and must be designed to protect the safety of the parties and/or the District's educational environment, or to provide support during the Board's grievance procedures or the informal resolution process.

The District will not impose such measures for punitive or disciplinary reasons.

The CO may, as appropriate, modify or terminate supportive measures at the conclusion of the grievance procedures, or at the conclusion of the informal resolution process, or the District may continue them beyond that point.

A party may seek additional modification or termination of a supportive measure applicable to them if circumstances change materially.

The District will not disclose information about any supportive measures to persons other than the person to whom they apply, including informing one party of supportive measures provided to another party, unless necessary to provide the supportive measure or restore or preserve a party's access to the District's education programs or activities, or as otherwise permitted under existing law and/or policy.

The Superintendent may place an employee respondent on administrative leave from employment responsibilities during the pendency of the Board's grievance procedures.

Disciplinary Sanctions and Remedies:

Following a determination that Prohibited Conduct occurred, the District may impose disciplinary sanctions, which may include:

- A. ☒ oral or written warning;
- B. ☒ written reprimands;
- C. ☒ required counseling;
- D. ☒ required training or education;
- E. ☒ demotion;
- F. ☒ suspension with pay;

[END OF OPTIONS]

G. suspension without pay;

H. termination; and

I. any other sanction authorized by any applicable Board policy, Employee/Administrator Handbook, and/or collective bargaining agreement.

The District may also provide remedies, which may include disciplinary sanctions/consequences. The CO will notify the Superintendent of the recommended remedies, so an authorized administrator can consider the recommendation and implement appropriate remedies in compliance with applicable due process procedures, whether statutory or contractual.

[DRAFTING NOTE: The Board should review applicable policy(ies)/administrative guidelines/employee handbooks to determine whether changes are needed to establish timelines associated with imposition of discipline as a result of possible delays caused by the Board implementing the preceding grievance procedures; likewise, the Board may need to discuss with union representatives how implementation of the grievance procedures may impact any disciplinary provisions contained in applicable collective bargaining (e.g., timelines, permitted attendees at investigative interviews, etc.).]

Discipline of an employee will be implemented in accordance with Federal and State law, Board policy, and applicable provisions of any relevant collective bargaining agreement.

Retaliation

Retaliation against a person who makes a report or files a complaint alleging Prohibited Conduct or retaliation, or participates in an investigation, is prohibited. Neither the Board nor any other person may intimidate, threaten, coerce, or discriminate against any individual for the purpose of interfering with any right or privilege secured by the U.S. Constitution, the Michigan Constitution, Federal or State law, or this policy, or because the individual made a report or complaint, testified, assisted, or participated or refused to participate in any manner in an investigation, proceeding, or hearing under this policy. Intimidation, threats, coercion, or discrimination, including initiating a disciplinary process against a person for a code of conduct violation that does not involve Prohibited Conduct but arises out of the same facts and circumstances as a complaint or information reported about possible Prohibited Conduct, for the purpose of interfering with the exercise of any right or privilege secured by Federal or State law constitutes retaliation. Retaliation against a person for making a complaint or participating in an investigation is a serious violation of this policy that can result in the imposition of disciplinary sanctions/consequences and/or other appropriate remedies.

Complaints alleging retaliation may be filed according to the grievance procedures set forth above. The District shall initiate its grievance procedures upon receiving any complaint alleging retaliation.

The exercise of rights protected under the First Amendment of the United States Constitution does not constitute retaliation prohibited under this policy.

Charging an individual with a code of conduct violation for making a materially false statement in bad faith in the course of a grievance proceeding under this policy shall not constitute retaliation, provided, however, that a determination that Prohibited Conduct occurred, alone, is not sufficient to conclude that any party made a materially false statement in bad faith.

Privacy/Confidentiality

The District will employ all reasonable efforts to protect the rights of the complainant, the respondent(s), and the witnesses as much as possible, consistent with the Board's legal obligations to investigate, to take appropriate action, and to conform with any discovery or disclosure obligations. The District will keep confidential the identity of any individual who has made a complaint of Prohibited Conduct, any complainant, any individual who has been reported to be the perpetrator of Prohibited Conduct, any respondent, and any witness, except as may be permitted by the Family Educational Rights and Privacy Act ("FERPA"), 20 U.S.C. 1232g, or FERPA regulations, 34 C.F.R. part 99, or as required by law, or to carry out the purposes of relevant Federal or State law or regulations, including the conduct of any investigation, hearing, or judicial proceeding arising thereunder (i.e., the District's obligation to maintain confidentiality shall not impair or otherwise affect the complainant's and respondent's receipt of the information to which they are entitled related to the investigation and determination of whether Prohibited Conduct occurred). All records generated under the terms of this policy shall be maintained as confidential to the extent permitted by law. Confidentiality, however, cannot be guaranteed. Additionally, the respondent must be provided the complainant's identity.

During an investigation, the CO or designated investigator/decisionmaker will instruct each person who is interviewed about

the importance of maintaining confidentiality. Any individual who is interviewed as part of an investigation is expected not to disclose to other members of the School District Community or Third Parties any information that is learned or provided during the course of the investigation.

Sanctions and Monitoring

The Board shall vigorously enforce its prohibitions against Prohibited Conduct by taking appropriate action reasonably calculated to stop and prevent further misconduct. While observing the principles of due process, a violation of this policy may result in disciplinary action up to and including the discharge of an employee. All disciplinary action will be taken in accordance with applicable State law and the terms of the relevant collective bargaining agreement(s). When imposing discipline, the Superintendent shall consider the totality of the circumstances involved in the matter. In those cases where Prohibited Conduct is not substantiated, the Board may consider whether the alleged conduct nevertheless warrants discipline in accordance with other Board policies, consistent with the terms of the relevant collective bargaining agreement(s).

Where the Board becomes aware that a prior remedial action has been taken against a member of the School District community, all subsequent sanctions imposed by the Board and/or Superintendent shall be reasonably calculated to end such conduct, prevent its reoccurrence, and remedy its effects.

Application of the First Amendment

The Board will construe and apply this policy consistent with the First Amendment to the U.S. Constitution ~~() and the principles of academic freedom as set forth in the applicable collective bargaining agreement [END OF OPTION]. In no case will a respondent be found to have committed Prohibited Conduct based on expressive conduct that is protected by the First Amendment () and/or the principles of academic freedom specified in the Board's collective bargaining agreement with its teachers [END OF OPTION].~~

Training

All employees, investigators, decisionmakers, facilitators of informal resolution process, the District Compliance Officer(s), and other persons who are responsible for implementing the Board's grievance procedures or have the authority to modify or terminate supportive measures shall receive training related to their duties under applicable Federal and State laws and this policy. ~~[] The training shall be provided promptly upon hiring or a change of position that alters their duties under this policy, and annually thereafter. [END OF OPTIONAL SENTENCE]~~ The training shall not rely on stereotypes involving Protected Classes.

☒ Training materials will be made available for inspection upon request by members of the public. [END OF OPTION]

Recordkeeping (including retention of investigatory records and materials)

The District Compliance Officer(s) is/are responsible for overseeing retention of all records that must be maintained pursuant to this policy. All individuals charged with conducting investigations under this policy must retain all information, documents, electronically stored information, and electronic media (as defined in Policy 8315) created and received as part of an investigation. Records and materials associated with the implementation of this policy shall be retained in accordance with Policy 8310, Policy 8315, Policy 8320, and Policy 8330 for the period set forth below, unless required to be maintained for a longer period pursuant to the District's records retention schedule.

[DRAFTING NOTE: For purposes of uniformity, Neola recommends that the Board use the same seven (7) year period for recordkeeping that is required by the 2020 Title IX regulations - see Board Policy 2266; if the Board selects a different timeframe for maintaining the below specified records, it should verify the time period selected is consistent with and/or reflected in its record retention schedule - see AG 8310.]

The District shall maintain for a period of seven (7) calendar years the following records:

- A. for each complaint of Prohibited Conduct, records documenting the informal resolution process and/or the grievance procedures followed and the resulting outcome;
- B. for each notification that the District Compliance Officer receives of information about conduct that reasonably may constitute Prohibited Conduct, records documenting the actions the District took to implement this policy; and
- C. all materials used to provide the training referenced above ~~() and in AG 4122 [END OF OPTION].~~

The information, documents, ESI, and electronic media (as defined in Policy 8315) retained may include public records and records exempt from disclosure under Federal and/or State law (e.g., student records, medical records).

Outside Appointments, Dual Appointments, and Delegations

The Board retains discretion to appoint suitably qualified persons who are not Board employees to fulfill any function of the Board under this policy including, but not limited to, District Compliance Officer, investigator, decisionmaker, appeal decisionmaker, or facilitator of the informal resolution process.

The Board also retains discretion to appoint two (2) or more persons to jointly fulfill the role of District Compliance Officer, investigator, decisionmaker, appeal decisionmaker, and facilitator of the informal resolution process.

The Superintendent may delegate functions assigned to a specific Board employee under this policy including, but not limited to, the functions assigned to the District Compliance Officer, investigator, decisionmaker, appeal decisionmaker, and facilitator of the informal resolution process to any suitably qualified individual, and such delegation may be rescinded by the Superintendent at any time.

[DRAFTING NOTE: The following option expressly sets forth authority that the Board has, regardless of whether it is included in this policy, but is offered for those boards of education that may want to affirmatively communicate to/address these issues for readers of this policy.]

x] Discretion in Application

The Board retains discretion to interpret and apply this policy in a manner that is not clearly unreasonable, even if the Board's interpretation or application differs from the interpretation of any specific complainant and/or respondent.

Despite the Board's reasonable efforts to anticipate all eventualities in drafting this policy, it is possible that unanticipated or extraordinary circumstances may not be specifically or reasonably addressed by the express policy language, in which case the Board retains discretion to respond to the unanticipated or extraordinary circumstance in a way that is not clearly unreasonable.

The provisions of this policy are not contractual in nature, whether in their own right or as part of any other express or implied contract. Accordingly, the Board retains discretion to revise this policy at any time and for any reason. The Board may apply policy revisions to an active case provided that doing so is not clearly unreasonable.

4122.02 — NONDISCRIMINATION BASED ON GENETIC INFORMATION OF THE EMPLOYEE

The Board of Education prohibits discrimination on the basis of genetic information in all aspects of employment, including hiring, firing, compensation, job assignments, promotions, layoffs, training, fringe benefits, or any other terms, conditions, or privileges of employment. The Board also does not limit, segregate, or classify employees in any way that would deprive or tend to deprive them of employment opportunities or otherwise adversely affect the status of an employee as an employee, based on genetic information. Harassment of a person because of his/her genetic information is also prohibited. Likewise, retaliation against an applicant or employee for engaging in protected activity is prohibited.

In accordance with the Genetic Information Nondiscrimination Act (GINA), the Board shall not request, require, or purchase genetic information of employees, their family members, or applicants for employment. Further, in compliance with this Act, employees are directed not to provide any genetic information, including the individual's family medical history, in response to necessary requests for medical information, with the exception that family medical history may be acquired as part of the certification process for FMLA leave, when an employee is asking for leave to care for an immediate family member with a serious health condition. Applicants for employment are directed not to provide any genetic information, including the individual's family medical history, in response to requests for medical information as part of the District's application process.

[] The District recognizes that genetic information may be acquired through commercially and publicly available documents like newspapers, books, magazines, periodicals, television shows, or the Internet. The District prohibits, however, its employees from searching such sources with the intent of finding or obtaining genetic information or accessing sources from which they are likely to acquire genetic information.

"Genetic information," as defined by GINA, means information about: (a) an individual's genetic tests; (b) the genetic tests of that individual's family members; (c) the manifestation of disease or disorder in family members of the individual (i.e., family medical history); (d) an individual's request for, or receipt of, genetic services, or the participation in clinical research that includes genetic services by the individual or a family member of the individual; or (e) the genetic information of a fetus carried by an individual or a pregnant woman who is a family member of the individual and the genetic information of an embryo legally held by an individual or family member using assistive reproductive technology.

If the District either legally and/or inadvertently receives genetic information about an employee or applicant for employment from the employee, applicant for employment, or a medical provider it shall be treated as a confidential medical record in accordance with law.

The Superintendent shall appoint a compliance officer who shall be responsible for overseeing the District's compliance with Federal regulations and promptly dealing with any inquiries or complaints. S/He shall also verify that proper notice of nondiscrimination for Title II of the Genetic Information Nondiscrimination Act of 2008 is provided to staff members, and

that all District requests for health related information (e.g., to support an employee's request for reasonable accommodation under the ADA or a request for sick leave) is accompanied by a written warning that directs the employee or health care provider not to collect or provide genetic information. The warning shall read as follows:

The Genetic Information Nondiscrimination Act of 2008 (GINA) prohibits employers and other entities covered by GINA Title II, including the Board of Education, from requesting or requiring genetic information of an individual or family member of the individual, except as specifically allowed by law. To comply with this law, do not provide any genetic information when responding to this request for medical information (unless the request pertains to a request for FMLA leave for purposes of caring for an immediate family member with a serious health condition). "Genetic information," as defined by GINA, includes an individual's family medical history, the results of an individual's or family member's genetic test, the fact that an individual or an individual's family member sought or received genetic services or participated in clinical research that includes genetic services, and genetic information of a fetus carried by an individual or an individual's family member or an embryo lawfully held by an individual or family member receiving assistive reproductive services.

~~[] The District offers health services (), including a wellness program [END OF OPTION]. Participation in the services/program is voluntary. Genetic information (such as family medical history) may be obtained as part of an individual's participation in the service/program. If that occurs, individual genetic information may be provided to the individual receiving the services and to his/her health services providers, but only genetic information in aggregate form will be provided to the Board. [END OF OPTIONAL PARAGRAPH]~~

[NOTE: It should be noted that any sections of the District's collective bargaining agreements dealing with terms and conditions of employment should contain a statement of nondiscrimination similar to that in the Board's statement above.]

~~4362 — ANTI-HARASSMENT~~

General Policy Statement

~~It is the policy of the Board of Education to maintain an education and work environment that is free from all forms of unlawful harassment, including sexual harassment. This commitment applies to all School District operations, programs, and activities. All students, administrators, teachers, staff, and all other school personnel share responsibility for avoiding, discouraging, and reporting any form of unlawful harassment. This policy applies to unlawful conduct occurring on school property, or at another location if such conduct occurs during an activity sponsored by the Board.~~

~~The Board will vigorously enforce its prohibition against harassment based on race, color, national origin, sex (including sexual orientation and gender identity), disability, age (except as authorized by law), religion, height, weight, marital or family status, military status, ancestry, or genetic information (collectively, Protected Classes) that are protected by Federal civil rights laws (hereinafter referred to as unlawful harassment) and encourages those within the School District community, as well as Third Parties, who feel aggrieved to seek assistance to rectify such problems. The Board will investigate all allegations of harassment and in those cases where unlawful harassment is substantiated, the Board will take immediate steps to end the harassment, prevent its recurrence, and remedy its effects. Individuals who are found to have engaged in unlawful harassment will be subject to appropriate disciplinary action.~~

~~[] The District will offer counseling services to any person found to have been subjected to unlawful harassment, and, where appropriate, the person(s) who committed the unlawful harassment.~~

Other Violations of the Anti-Harassment Policy

~~The Board will also take immediate steps to impose disciplinary action on individuals engaging in any of the following prohibited acts:~~

- ~~A. Retaliating against a person who has made a report or filed a complaint alleging unlawful harassment, or who has participated as a witness in a harassment investigation.~~
- ~~B. Filing a malicious or knowingly false report or complaint of unlawful harassment.~~
- ~~C. Disregarding, failing to investigate adequately, or delaying investigation of allegations of harassment, when responsibility for reporting and/or investigating unlawful harassment charges comprises part of one's supervisory duties.~~

Definitions

Words used in this policy shall have those meanings defined herein; words not defined herein shall be construed according to their plain and ordinary meanings.

Complainant is the individual who alleges or is alleged to have been subjected to unlawful harassment, regardless of whether the person files a formal complaint or is pursuing an informal resolution to the alleged harassment.

Respondent is the individual who has been alleged to have engaged in unlawful harassment, regardless of whether the Reporting Party files a formal complaint or is seeking an informal resolution to the alleged harassment.

School-District community means students and Board employees (i.e., administrators and professional and support staff), as well as Board members, agents, volunteers, contractors, or other persons subject to the control and supervision of the Board.

Third Parties include, but are not limited to, guests and/or visitors on School-District property (e.g., visiting speakers, participants on opposing athletic teams, parents), vendors doing business with or seeking to do business with the Board, and other individuals who come in contact with members of the School-District community at school-related events/activities (whether on or off District property).

Day(s): Unless expressly stated otherwise, the term "day" or "days" as used in this policy means business day(s) (i.e., a day(s) that the Board office is open for normal operating hours, Monday—Friday, excluding State-recognized holidays).

Bullying

Bullying rises to the level of unlawful harassment when one (1) or more persons systematically and chronically inflict physical hurt or psychological distress on one (1) or more students or employees and that bullying is based upon one (1) or more Protected Classes, that is, characteristics that are protected by Federal civil rights laws. It is defined as any unwanted and repeated written, verbal, or physical behavior, including any threatening, insulting, or dehumanizing gesture, by an adult or student that is severe or pervasive enough to create an intimidating, hostile, or offensive educational or work environment; cause discomfort or humiliation; or unreasonably interfere with the individual's school or work performance or participation; and may involve:

- A. teasing;
- B. threats;
- C. intimidation;
- D. stalking;
- E. cyberstalking;
- F. cyberbullying;
- G. physical violence;
- H. theft;
- I. sexual, religious, or racial harassment;
- J. public humiliation; or
- K. destruction of property.

Harassment means any threatening, insulting, or dehumanizing gesture, use of technology, or written, verbal, or physical conduct directed against a student or school employee that:

- A. places a student or school employee in reasonable fear of harm to his/her person or damage to his/her property;
- B. has the effect of substantially interfering with a student's educational performance, opportunities, or benefits, or an employee's work performance; or
- C. has the effect of substantially disrupting the orderly operation of a school.

Sexual Harassment

For purposes of this policy and consistent with Title VII of the Civil Rights Act of 1964, sexual harassment is defined as:

Unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature, when:

- A. Submission to such conduct is made either implicitly or explicitly a term or condition of an individual's employment, or status in a class, educational program, or activity.
- B. Submission or rejection of such conduct by an individual is used as the basis for employment or educational decisions affecting such individual.
- C. Such conduct has the purpose or effect of interfering with the individual's work or educational performance; creating an intimidating, hostile, or offensive working and/or learning environment; or interfering with one's ability to participate in or benefit from a class or an educational program or activity.

Sexual harassment may involve the behavior of a person of any gender against a person of the same or another gender.

Sexual Harassment covered by Policy 2266—Nondiscrimination on the Basis of Sex in Education Programs or Activities is not included in this policy. Allegations of such conduct shall be addressed solely by Policy 2266.

Prohibited acts that constitute sexual harassment under this policy may take a variety of forms. Examples of the kinds of conduct that may constitute sexual harassment include, but are not limited to:

- A. Unwelcome sexual propositions, invitations, solicitations, and flirtations.
- B. Unwanted physical and/or sexual contact.
- C. Threats or insinuations that a person's employment, wages, academic grade, promotion, classroom work or assignments, academic status, participation in athletics or extra-curricular programs, activities, or events, or other conditions of employment or education may be adversely affected by not submitting to sexual advances.
- D. Unwelcome verbal expressions, including graphic sexual commentaries about a person's body, dress, appearance, or sexual activities; the unwelcome use of sexually degrading language, profanity, jokes, or innuendoes; unwelcome suggestive or insulting sounds or whistles; obscene telephone calls.
- E. Sexually suggestive objects, pictures, graffiti, videos, posters, audio recordings, or literature placed in the work or educational environment that may reasonably embarrass or offend individuals.
- F. Unwelcome and inappropriate touching, patting, or pinching; obscene gestures.
- G. Asking about, or telling about, sexual fantasies, sexual preferences, or sexual activities.
- H. Speculations about a person's sexual activities or sexual history, or remarks about one's own sexual activities or sexual history.
- I. Giving unwelcome personal gifts such as lingerie that suggest the desire for a romantic relationship.
- J. Leering or staring at someone in a sexual way, such as staring at a person's breasts, buttocks, or groin.
- K. A pattern of conduct, which can be subtle in nature, that has sexual overtones and is intended to create or has the effect of creating discomfort and/or humiliation to another.
- L. In the context of employees, consensual sexual relationships where such relationship leads to favoritism of a subordinate employee with whom the superior is sexually involved and where such favoritism adversely affects other employees or otherwise creates a hostile work environment.
- M. Inappropriate boundary invasions by a District employee or other adult member of the School District community into a student's personal space and personal life.
- N. Verbal, nonverbal, or physical aggression, intimidation, or hostility based on sex or sex stereotyping that does not involve conduct of a sexual nature.

Not all behavior with sexual connotations constitutes unlawful sexual harassment. Sex-based or gender-based conduct must be sufficiently severe, pervasive, and persistent such that it adversely affects, limits, or denies an individual's employment or education, or such that it creates a hostile or abusive employment or educational environment.

[DRAFTING NOTE: Sexual conduct/relationships with students by District employees or any other adult member of the School District community is prohibited, and any teacher, administrator, coach, or other school authority who engages in sexual conduct with a student may also be guilty of the criminal charge of sexual battery. The issue of consent is irrelevant in regard to such criminal charge and/or with respect to the application of this policy to District employees or other adult members of the School District community.]

Race/Color Harassment

Prohibited racial harassment occurs when unwelcome physical, verbal, or nonverbal conduct is based upon an individual's race or color and when the conduct has the purpose or effect of interfering with the individual's work or educational performance; creating an intimidating, hostile, or offensive working, and/or learning environment; or interfering with one's ability to participate in or benefit from a class or an educational program or activity. Such harassment may occur where conduct is directed at the characteristics of a person's race or color, such as racial slurs, nicknames implying stereotypes, epithets, and/or negative references relative to racial customs.

Religious (Creed) Harassment

Prohibited religious harassment occurs when unwelcome physical, verbal, or nonverbal conduct is based upon an individual's religion or creed and when the conduct has the purpose or effect of interfering with the individual's work or educational performance; creating an intimidating, hostile, or offensive working and/or learning environment; or interfering with one's ability to participate in or benefit from a class or an educational program or activity. Such harassment may occur where conduct is directed at the characteristics of a person's religious tradition, clothing, or surnames, and/or involves religious slurs.

National Origin/Ancestry Harassment

Prohibited national origin/ancestry harassment occurs when unwelcome physical, verbal, or nonverbal conduct is based upon an individual's national origin or ancestry and when the conduct has the purpose or effect of interfering with the individual's work or educational performance; creating an intimidating, hostile, or offensive working and/or learning environment; or interfering with one's ability to participate in or benefit from a class or an educational program or activity. Such harassment may occur where conduct is directed at the characteristics of a person's national origin or ancestry, such as negative comments regarding customs, manner of speaking, language, surnames, or ethnic slurs.

Disability Harassment

Prohibited disability harassment occurs when unwelcome physical, verbal, or nonverbal conduct is based upon an individual's disability and when the conduct has the purpose or effect of interfering with the individual's work or educational performance; creating an intimidating, hostile, or offensive working and/or learning environment; or interfering with one's ability to participate in or benefit from a class or an educational program or activity. Such harassment may occur where conduct is directed at the characteristics of a person's disability, such as negative comments about speech patterns, movement, physical impairments or defects/appearances, or the like. Such harassment may further occur where conduct is directed at or pertains to a person's genetic information.

Anti-Harassment Compliance Officers

The following individual(s) shall serve as the District's Anti-Harassment Compliance Officer(s) (hereinafter, "the Compliance Officer(s)");

[DRAFTING NOTE: Neola suggests the Board appoint both a male and a female Compliance Officer in order to provide Complainants with the option to report their concerns to an individual of the gender with which they feel most comfortable. The same individual(s) assigned to serve as Compliance Officer(s) may also be assigned to serve as the District's Section 504 Compliance Officer(s)/ADA Coordinator(s) and/or Title IX Coordinator(s). Additionally, by appointing two (2) Compliance Officers, there should also be a Compliance Officer available to investigate a claim of harassment that pertains to the other Compliance Officer.]

The Compliance Officer(s) () is () are responsible for coordinating the District's efforts to comply with applicable Federal and State laws and regulations, including the District's duty to address in a prompt and equitable manner any inquiries or complaints regarding harassment.

The Compliance Officer(s) will be available during regular school/work hours to discuss concerns related to unlawful harassment, to assist students, other members of the District community, and third parties who seek support or advice when informing another individual about unwelcome conduct, or to intercede informally on behalf of the individual in those instances where concerns have not resulted in the filing of a formal complaint and where all parties are in agreement to participate in an informal process.

The Compliance Officers shall accept reports of unlawful harassment directly from any member of the School District community or a Third Party or receive reports that are initially filed with an administrator, supervisor, or other District level official. Upon receipt of a report of alleged harassment, the Compliance Officer(s) will contact the Complainant and begin either an informal or formal complaint process (depending on the request of the Complainant or the nature of the alleged harassment) or the Compliance Officer(s) will designate a specific individual to conduct such a process. The Compliance Officer(s) will provide a copy of this policy to the Complainant and Respondent. In the case of a formal complaint, the Compliance Officer(s) will prepare recommendations for the Superintendent or will oversee the preparation of such recommendations by a designee. All Board employees must report incidents of harassment that are reported to them to a Compliance Officer within two (2) days of learning of the incident.

Any Board employee who directly observes unlawful harassment is obligated, in accordance with this policy, to report such observations to a Compliance Officer within two (2) days. Additionally, any Board employee who observes an act of unlawful harassment is expected to intervene to stop the harassment unless circumstances make such an intervention dangerous, in which case the staff member should immediately notify other Board employees and/or local law enforcement officials, as

necessary, to stop the harassment. Thereafter, the Compliance Officer(s) or designee must contact the Complainant if age eighteen (18) or older, or the Complainant's parents/guardians if the Complainant is under the age of eighteen (18), within two (2) days to advise of the Board's intent to investigate the alleged wrongdoing.

Reports and Complaints of Harassing Conduct

Members of the School District community, along with Third Parties, are encouraged to promptly report incidents of harassing conduct to an administrator, supervisor, or other School District official so that the Board may address the conduct before it becomes severe, pervasive, or persistent. Any administrator, supervisor, or other District official who receives such a report shall file it with a Compliance Officer within two (2) days of receiving the report of harassment.

Members of the School District community and Third Parties who believe they have been unlawfully harassed by another member of the School District community or a Third Party are entitled to utilize the Board's complaint process that is set forth below. Initiating a complaint, whether formally or informally, will not adversely affect the Complainant's employment or participation in educational or extra-curricular programs. While there are no time limits for initiating complaints of harassment under this policy, individuals should make every effort to file a complaint as soon as possible after the conduct occurs while the facts are known and potential witnesses are available.

If, during an investigation of alleged bullying, aggressive behavior, and/or harassment in accordance with Policy 5517.01 — Bullying and Other Forms of Aggressive Behavior, the Principal believes that the reported misconduct may have created a hostile work environment and may have constituted unlawful discriminatory harassment based on a Protected Class, the Principal will report the act of bullying, aggressive behavior, and/or harassment to the Compliance Officer(s) who shall investigate the allegation in accordance with this policy. If the alleged harassment involves Sexual Harassment as defined by Policy 2266, the matter will be handled in accordance with the grievance process and procedures outlined in Policy 2266. While the Compliance Officer investigates the allegation, or the matter is being addressed pursuant to Policy 2266, the Principal shall suspend the Policy 5517.01 investigation to await the Compliance Officer's written report or the determination of responsibility pursuant to Policy 2266. The Compliance Officer shall keep the Principal informed of the status of the Policy 4362 investigation and provide the Principal with a copy of the resulting written report. Likewise, the Title IX Coordinator will provide the Principal with the determination of responsibility that results from the Policy 2266 grievance process.

Investigation and Complaint Procedure (See Form 4362-F1)

Except for Sexual Harassment that is covered by Policy 2266 — Nondiscrimination on the Basis of Sex in Education Programs or Activities, any employee or other member of the School District community or Third Party (e.g., visitor to the District) who believes that they have been subjected to unlawful harassment may seek resolution of the complaint through the procedures described below. The formal complaint process involves an investigation of the Complainant's claims of harassment or retaliation and a process for rendering a decision regarding whether the charges are substantiated.

Due to the sensitivity surrounding complaints of unlawful harassment, timelines are flexible for initiating the complaint process; however, individuals should make every effort to file a complaint within thirty (30) days after the conduct occurs while the facts are known and potential witnesses are available. Once the formal complaint process is begun, the investigation will be completed in a timely manner (ordinarily, within fifteen (15) business days of the complaint being received).

The procedures set forth below are not intended to interfere with the rights of any individual to pursue a complaint of unlawful harassment or retaliation with the United States Department of Education Office for Civil Rights and/or Equal Employment Opportunity Commission (EEOC).

Informal Complaint Procedure

The goal of the informal complaint procedure is to promptly stop inappropriate behavior and to facilitate resolution through an informal means, if possible. The informal complaint procedure is provided as a less formal option for a student, other member of the School District community, or Third Party who alleges unlawful harassment or retaliation. This informal procedure is not required as a precursor to the filing of a formal complaint. The informal process is only available in those circumstances where the Complainant and the Respondent mutually agree to participate in it.

The Complainant may proceed immediately to the formal complaint process and individuals who seek resolution through the informal procedure may request that the informal process be terminated at any time to move to the formal complaint process.

All complaints involving a District employee, any other adult member of the School District community, or a Third Party and a student will be formally investigated.

As an initial course of action, if a Complainant feels comfortable and safe in doing so, the individual should tell or otherwise inform the Respondent that the allegedly harassing conduct is unwelcome and must stop. The Complainant should address the allegedly harassing conduct as soon after it occurs as possible. The Compliance Officers are available to support and counsel individuals when taking this initial step or to intervene on behalf of the Complainant if requested to do so. A Complainant who is uncomfortable or unwilling to directly approach the Respondent about the alleged inappropriate conduct may file an informal or a formal complaint. In addition, with regard to certain types of unlawful harassment, such as sexual harassment, the Compliance Officer may advise against the use of the informal complaint process.

A complainant may make an informal complaint, either orally or in writing: 1) to a teacher, other employee, or building administrator; 2) directly to one (1) of the Compliance Officers; and/or 3) to the Superintendent or other District level employee.

All informal complaints must be reported to one (1) of the Compliance Officers, who will either facilitate an informal resolution as described below or appoint another individual to facilitate an informal resolution.

The Board's informal complaint procedure is designed to provide employees, other members of the School District community, or third parties who believe they are being unlawfully harassed with a range of options designed to bring about a resolution of their concerns. Depending upon the nature of the complaint and the wishes of the Complainant, informal resolution may involve, but not be limited to, one (1) or more of the following:

- A. Advising the Complainant about how to communicate the unwelcome nature of the behavior to the Respondent.
- B. Distributing a copy of this policy as a reminder to the individuals in the school building or office where the Respondent works or attends.
- C. If both parties agree, the Compliance Officer may arrange and facilitate a meeting or mediation between the Complainant and the Respondent to work out a mutual resolution.

While there are no set time limits within which an informal complaint must be resolved, the Compliance Officer/designee is directed to attempt to resolve all informal complaints within fifteen (15) business days of receiving the informal complaint. If the Complainant is dissatisfied with the informal complaint process, the Complainant may proceed to file a formal complaint. And, as stated above, either party may request that the informal process be terminated at any time to move to the formal complaint process.

Formal Complaint Procedure

If a complaint is not resolved through the informal complaint process, if one of the parties has requested that the informal complaint process be terminated to move to the formal complaint process, or the Complainant, from the outset, elects to file a formal complaint, or the CO determines the allegations are not appropriate for resolution through the informal process, the formal complaint process shall be implemented.

The Complainant may file a formal complaint, either orally or in writing, with a teacher, Principal, Compliance Officer, the Superintendent, or other District official. Due to the sensitivity surrounding complaints of unlawful harassment and retaliation, timelines are flexible for initiating the complaint process; however, individuals should make every effort to file a formal complaint within thirty (30) days after the conduct occurs while the facts are known and potential witnesses are available. If a Complainant informs a teacher, Principal, Superintendent, or other District official, either orally or in writing, about any complaint of harassment or retaliation, that employee must report such information to a Compliance Officer/designee within two (2) business days.

Throughout the course of the process, the Compliance Officer should keep the parties reasonably informed of the status of the investigation and the decision making process.

All formal complaints must include the following information to the extent known: the identity of the Respondent; a detailed description of the facts upon which the complaint is based (i.e., when, where, and what occurred); a list of potential witnesses; and the resolution sought by the Complainant.

If the Complainant is unwilling or unable to provide a written statement including the information set forth above, the Compliance Officer shall ask for such details in an oral interview. Thereafter, the Compliance Officer will prepare a written summary of the oral interview and the Complainant will be asked to verify the accuracy of the reported charge by signing the document.

Upon receiving a formal complaint, the Compliance Officer will consider whether any action should be taken in the investigatory phase to protect the Complainant from further harassment or retaliation including, but not limited to, a change of work assignment or schedule for the Complainant and/or the Respondent. In making such a determination, the

Compliance Officer should consult the Complainant to assess whether the individual agrees with the proposed action. If the Complainant is unwilling to consent to the proposed change, the Compliance Officer may still take whatever actions deemed appropriate in consultation with the Superintendent.

Within two (2) business days of receiving the complaint, the Compliance Officer/designee will initiate a formal investigation to determine whether the Complainant has been subjected to offensive conduct/harassment/retaliation. The Principal will not conduct an investigation unless directed to do so by the Compliance Officer.

Simultaneously, the Compliance Officer will inform the Respondent that a formal complaint has been received. The Respondent will be informed about the nature of the allegations and provided with a copy of any relevant policies and/or administrative guidelines, including the Board's Anti Harassment policy. The Respondent must also be informed of the opportunity to submit a written response to the formal complaint within five (5) days.

Although certain cases may require additional time, the Compliance Officer/designee will attempt to complete an investigation into the allegations of harassment/retaliation within fifteen (15) business days of receiving the formal complaint. The investigation will include:

- A. interviews with the Complainant;
- B. interviews with the Respondent;
- C. interviews with any other witnesses who may reasonably be expected to have any information relevant to the allegations;
- D. consideration of any documentation or other information presented by the Complainant, Respondent, or any other witness that is reasonably believed to be relevant to the allegations.

At the conclusion of the investigation, the Compliance Officer/designee shall prepare and deliver a written report to the Superintendent that summarizes the evidence gathered during the investigation and provides recommendations based on the evidence and the definition of unlawful harassment as provided in Board policy and State and Federal law as to whether the Respondent engaged in unlawful harassment/retaliation of the Complainant. The Compliance Officer's recommendations must be based upon the totality of the circumstances. In determining if discriminatory harassment or retaliation occurred, a preponderance of evidence standard will be used. The Compliance Officer may consult with the Board's legal counsel before finalizing the report to the Superintendent.

Absent extenuating circumstances, within five (5) business days of receiving the report of the Compliance Officer/designee, the Superintendent must either issue a final decision regarding whether the complaint of harassment has been substantiated or request further investigation. A copy of the Superintendent's written decision will be delivered to both the Complainant and the Respondent.

If the Superintendent requests additional investigation, the Superintendent must specify the additional information that is to be gathered, and such additional investigation must be completed within five (5) business days. At the conclusion of the additional investigation, the Superintendent must issue a written decision as described above.

[] The decision of the Superintendent shall be final.

[OR]

[] A Complainant or Respondent who is dissatisfied with the final decision of the Superintendent may appeal through a signed written statement to the Board within five (5) business days of the party's receipt of the Superintendent's decision.

In an attempt to resolve the complaint, the Board shall meet with the concerned parties and their representative within twenty (20) business days of the receipt of such an appeal. A copy of the Board's disposition of the appeal shall be sent to each party within ten (10) business days of this meeting. The decision of the Board will be final.

[END OF OPTIONS]

The Board reserves the right to investigate and resolve a complaint or report of unlawful harassment/retaliation regardless of whether the member of the School District community or Third Party alleging the unlawful harassment/retaliation pursues the complaint. The Board also reserves the right to have the formal complaint investigation conducted by an external person in accordance with this policy or in such other manner as deemed appropriate by the Board or its designee.

[] The parties may be represented, at their own cost, at any of the above described meetings/hearings.

The right of a person to a prompt and equitable resolution of the complaint shall not be impaired by the person's pursuit of other remedies such as the filing of a complaint with the Office for Civil Rights, the filing of charges with local law enforcement, or the filing of a civil action in court. Use of this internal complaint process is not a prerequisite to the pursuit of other remedies.

Privacy/Confidentiality

The District will employ all reasonable efforts to protect the rights of the Complainant, the Respondent, and the witnesses as much as possible, consistent with the Board's legal obligations to investigate, take appropriate action, and conform with any discovery or disclosure obligations. All records generated under the terms of this policy and related administrative guidelines shall be maintained as confidential to the extent permitted by law. Confidentiality, however, cannot be guaranteed. Additionally, the Respondent must be provided with the Complainant's identity.

During the course of a formal investigation, the Compliance Officer/designee will instruct all members of the School District community and Third Parties who are interviewed about the importance of maintaining confidentiality. Any individual who is interviewed as part of a harassment investigation is expected not to disclose any information that is learned or provided during the course of the investigation.

Sanctions and Monitoring

The Board shall vigorously enforce its prohibitions against unlawful harassment/retaliation by taking appropriate action reasonably calculated to stop the harassment and prevent further such harassment. While observing the principles of due process, a violation of this policy may result in disciplinary action up to and including the discharge of an employee or the suspension/expulsion of a student. All disciplinary action will be taken in accordance with applicable State law and the terms of the relevant collective bargaining agreement(s). When imposing discipline, the Superintendent shall consider the totality of the circumstances involved in the matter, including the ages and maturity levels of those involved. In those cases where unlawful harassment is not substantiated, the Board may consider whether the alleged conduct nevertheless warrants discipline in accordance with other Board policies, consistent with the terms of the relevant collective bargaining agreement(s).

Where the Board becomes aware that a prior remedial action has been taken against a member of the School District community, all subsequent sanctions imposed by the Board and/or Superintendent shall be reasonably calculated to end such conduct, prevent its recurrence, and remedy its effects.

Retaliation

Retaliation against a person who makes a report or files a complaint alleging unlawful harassment/retaliation or participates as a witness in an investigation is prohibited. Neither the Board nor any other person may intimidate, threaten, coerce, or interfere with any individual because the person opposed any act or practice made unlawful by any Federal or State civil rights law, or because that individual made a report or formal complaint, testified, assisted, or participated or refused to participate in any manner in an investigation, proceeding, or hearing under those laws and/or the policy, or because that individual exercised, enjoyed, aided or encouraged any other person in the exercise or enjoyment of any right granted or protected by those laws and/or this policy.

Retaliation against a person for making a report of discrimination, filing a formal complaint, or participating in an investigation or meeting is a serious violation of this policy that can result in the imposition of disciplinary sanctions/consequences and/or other appropriate remedies.

Formal complaints alleging retaliation may be filed according to the internal complaint process set forth above.

The exercise of rights protected under the First Amendment of the United States Constitution does not constitute retaliation prohibited under this policy.

Allegations Constituting Criminal Conduct: Child Abuse/Sexual Misconduct

State law requires any school teacher or school employee who knows or suspects that a child under the age of eighteen (18) or that a person with a disability receiving services as a student from the school regardless of age has suffered or faces a threat of suffering a physical or mental wound, disability or condition of a nature that reasonably indicates abuse or neglect of a child to immediately report that knowledge or suspicion to the county children's services agency. If, during the course of a harassment investigation, the Compliance Officer or a designee has reason to believe or suspect that the alleged conduct reasonably indicates abuse or neglect of the Complainant, a report of such knowledge must be made in accordance with State law and Board Policy.

Any reports made to a county children's services agency or to local law enforcement shall not terminate the Compliance Officer's or a designee's obligation and responsibility to continue to investigate a complaint of harassment. While the Compliance Officer or a designee may work cooperatively with outside agencies to conduct concurrent investigations, in no event shall the harassment investigation be inhibited by the involvement of outside agencies without good cause after consultation with the Superintendent.

Education and Training

In support of this Anti Harassment Policy, the Board promotes preventative educational measures to create greater awareness of unlawful discriminatory practices. The Superintendent shall provide appropriate information to all members of the School District community related to the implementation of this policy and shall provide training for District students and staff where appropriate. All training, as well as all information provided regarding the Board's policy and harassment in general, will be age and content appropriate.
